**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Public Land Order.

**SUMMARY:** This order partially revokes eight Public Land Orders (PLOs) insofar as they affect approximately 11,163,252 acres of public lands in the Central Yukon area of Alaska and opens these lands to allow for allotment selection by

Veterans and possible conveyance under the Alaska Native Vietnam-era Veterans Land Allotment Program (Allotment Program) established by the John D. Dingell, Jr. Conservation, Management, and Recreation Act of 2019 (Dingell Act).

**DATES:** This PLO takes effect on November 21, 2024.

Individuals outside the United States should use the relay services offered within their country to make international calls to the point of contact in the United States.

**SUPPLEMENTARY INFORMATION:** The eight PLOs revoked in part by this order were established pursuant to Executive Order 10355 and section 17(d)(1) of the Alaska Native Claims Settlement Act (ANCSA). The BLM analyzed partial revocation of these PLOs and opening of the affected lands for allotment selections and possible conveyances under the Allotment Program in the Central Yukon Proposed Resource Management Plan (RMP) and Final Environmental Impact Statement. This order implements the recommendation in BLM's Record of Decision approving the Central Yukon RMP to open ANCSA 17(d)(1) lands to allotment selection under the Allotment Program, except where the ANCSA 17(d)(1) withdrawals overlap with PLO No. 5150, as amended, modified, or corrected.

Before approving the Central Yukon RMP, BLM analyzed the effects of this action and determined, pursuant to section 810 of the Alaska National Interest Lands Conservation Act, that this action would not significantly restrict subsistence uses or have a disproportionate negative effect on environmental justice communities.

PLO No. 5169 and 5173, as amended, modified, or corrected, withdrew public lands for selection by Village and Regional Corporations under section 11(a)(3) of ANCSA, and for classification. PLO No. 5179, as amended, modified, or corrected, withdrew public lands in aid of legislation concerning addition to, or creation of, units of the National Park, National Forest, Wildlife Refuge, and Wild and Scenic Rivers systems, and to

allow for classification of the lands. PLO No. 5180, as amended, modified, or corrected, withdrew public lands to allow for classification and for the protection of the public interest in these lands. PLO No. 5184, as amended, modified, or corrected, withdrew public lands to allow for classification or reclassification of some of areas withdrawn by section 11 of ANCSA. PLO No. 5186, as amended, modified, or corrected, withdrew public lands for classification and protection of the public interest in lands not selected by the State of Alaska. PLO No. 5188, as amended, modified, or corrected, withdrew the lands in former reservations for classification and protection of the public interest for the use and benefit of Alaska Natives pursuant to section 17(d)(1) of ANCSA. PLO No. 5242, as amended, modified, or corrected, withdrew lands pending determination of certain Native communities under section 11(b)(3) of ANCSA, and classification of lands not conveyed pursuant to section 14 of ANCSA.
