Notice of Intent To Establish Recreation Fees in the Uncompahgre Field Office, Colorado

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent.

SUMMARY: Pursuant to the Federal Lands Recreation Enhancement Act (FLREA), the Bureau of Land Management (BLM), Uncompahgre Field Office (UFO) intends to establish fee areas and to collect recreation fees at five existing campgrounds, three proposed

campgrounds, and eight day-use recreation sites located within the UFO administrative boundaries in Delta, Gunnison, Mesa, Montrose, Ouray, and San Miguel Counties, Colorado.

DATES: New fees will take effect on May 21, 2025, unless the BLM publishes a **Federal Register** Notice to the contrary.

ADDRESSES: Documents concerning this fee proposal may be reviewed at the Uncompahgre Field Office, 2465 South Townsend Ave., Montrose, CO 81401; phone: (970) 240-5310; and online at: <https://www.blm.gov/programs/recreation/permits-and-fees/business-plans>.

FOR FURTHER INFORMATION CONTACT: Caroline Kilbane, Outdoor Recreation Planner, at the Uncompahgre Field Office, telephone: 970-240-5310, email: ckilbane@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services for contacting the BLM. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: Consistent with FLREA, the intent of recreation fees is to help protect natural resources, provide for public health and safety, and facilitate access to public lands and related waters, and not to maximize fee revenue. Fees are a way of ensuring that those who actively use recreation opportunities make a greater, but reasonable, contribution toward protecting and enhancing those opportunities than those who do not utilize recreational opportunities.

FLREA directs the Secretary of the Interior to publish a 6-month advance notice in the **Federal Register** whenever new recreation fee areas are established. In accordance with BLM policy, the Business Plan for the UFO explains the fee collection process and how fees will be used at these sites.

The BLM intends to assess an expanded amenity fee of \$12 per night per site at five developed campgrounds (Lower Beaver, Caddis Flats, Fall Creek, Ledges Cottonwood, and Ledges Rockhouse) and at three proposed campgrounds (Electric Hills Rim, Nucla, and Paradox), and to assess a standard amenity fee of \$4 per vehicle per day at eight day-use recreation sites located within the UFO administrative boundaries in Delta, Gunnison, Mesa, Montrose, Ouray, and San Miguel Counties, Colorado. A vehicle is defined as legal transportation used to access the site (*e.g.*, car, truck, motorcycle, van, or
