

offerings and is designed to reduce any potential confusion regarding the routing of orders from EDGX to EDGA, using routing options ROUC or DIRC.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act because the proposed rule change merely updates the Fee Schedule to reflect that fee code, AA, is now attached to a passthrough fee rather than payment of a rebate, as well as remove fee codes that the Exchange no longer wishes to, nor is required to, maintain. In this regard, the proposed changes are necessary and appropriate because they are designed to make the Fee Schedule more accurate and to reduce any potential confusion without having any impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act²⁰ and paragraph (f) of Rule 19b-4²¹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
