

existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Regulation ATS sets forth a regulatory regime for “alternative trading systems” (“ATSs”), which are entities that carry out exchange functions but are not required to register as national securities exchanges under the Act. In lieu of exchange registration, an ATS can instead opt to register with the Commission as a broker-dealer and, as a condition to not having to register as an exchange, must instead comply with Regulation ATS. Rule 303 of Regulation ATS (17 CFR 242.303) describes the record preservation requirements for ATSs. Rule 303 also describes how such records must be maintained, what entities may perform this function, and how long records must be preserved.

Under Rule 303, ATSs are required to preserve all records made pursuant to Rule 302, which includes information relating to subscribers, trading summaries, and time-sequenced order information. Rule 303 also requires ATSs to preserve any notices provided to subscribers, including, but not limited to, notices regarding the ATSs operations and subscriber access. For an ATS subject to the fair access requirements described in Rule 301(b)(5)(ii) of Regulation ATS, Rule 303 further requires the ATS to preserve at least one copy of its standards for access to trading, all documents relevant to the ATS’s decision to grant, deny, or limit access to any person, and all other documents made or received by the ATS in the course of complying with Rule 301(b)(5) of Regulation ATS. For an ATS subject to the capacity, integrity, and security requirements for automated systems under Rule 301(b)(6) of Regulation ATS, Rule 303 requires an ATS to preserve all documents made or received by the ATS related to its compliance, including all correspondence, memoranda, papers, books, notices, accounts, reports, test scripts, test results, and other similar records. Rule 303(a)(1)(v) of Regulation ATS requires every ATS to preserve the written safeguards and written procedures mandated under Rule 301(b)(10). As provided in Rule 303(a)(1), ATSs are required to keep all of these records, as applicable, for a period of at least three years, the first two in an easily accessible place. In addition, Rule 303 requires ATSs to preserve records of partnership articles, articles of incorporation or charter, minute books, stock certificate books, copies of reports filed pursuant to Rule 301(b)(2) and Rule 304, and records made pursuant to Rule 301(b)(5) for the life of the ATS. ATSs that trade both

NMS Stock and securities other than NMS Stock are required to file, and also preserve under Rule 303, both Form ATS and related amendments and Form ATS–N and related amendments.

The information contained in the records required to be preserved by Rule 303 will be used by examiners and other representatives of the Commission, state securities regulatory authorities, and the self-regulatory organizations to ensure that ATSs are in compliance with Regulation ATS as well as other applicable rules and regulations. Without the data required by the Rule, regulators would be limited in their ability to comply with their statutory obligations, provide for the protection of investors, and promote the maintenance of fair and orderly markets. Respondents consist of ATSs that choose to register as broker-dealers and comply with the requirements of Regulation ATS.

There are currently 107 respondents. The Commission believes that the average ongoing hourly burden for a respondent to comply with the baseline record preservation requirements under Rule 303 is approximately 15 hours per year. We thus estimate that the average aggregate ongoing burden to comply with the baseline Rule 303 record preservation requirements is approximately 1,605 hours per year (107 ATSs × 15 hours = 1,605 hours). In addition, there are currently two ATSs that transact in both NMS stock and non-NMS stock on their ATSs. These two ATSs have a slightly greater burden because they have to keep both Form ATS and Form ATS–N and related documents (*e.g.*, amendments). For these two ATSs, we estimate that the ongoing burden above the current baseline estimate for preserving records will be approximately 1 hour annually per ATS for a total annual burden above the current baseline burden estimate of 2 hours for all respondents. Thus, the estimated average annual aggregate burden for alternative trading systems to comply with Rule 303 is approximately 1,607 hours (1,605 hours + 2 hours).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Consideration will be given to comments and suggestions submitted by January 27, 2025.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–101671; File No. SR–NYSE–2024–73]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Harmonize NYSE Rule 3110.19(d)

November 20, 2024.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that on November 13, 2024, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to harmonize NYSE Rule 3110.19(d) (Obligation to Provide List of RSLs) with certain recent changes by the Financial Industry Regulatory Authority, Inc. (“FINRA”) to FINRA Rule 3110.19(d). The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b–4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to harmonize NYSE Rule 3110.19(d) (Obligation to Provide List of RSLs⁴) to harmonize the rule with certain recent changes by FINRA. Specifically, the Exchange would remove the reference to a list of RSLs and the quarterly timeframe for member firms to provide the list to FINRA and replace it with the requirement that member firms provide current information identifying all locations designated as RSLs in the frequency, manner and format as FINRA may prescribe. The proposed rule change would harmonize the Exchange's residential supervisory location rule with FINRA and thus promote uniform inspection standards across the securities industry. Additionally, because the proposed changes to NYSE Rule 3110.19(d) would be substantially similar to FINRA Rule 3110.19(d), this rule change enables NYSE Rule 3110 to continue to be incorporated into the agreement between NYSE and FINRA to allocate regulatory responsibility for common rules (the "17d-2 Agreement").

Background and Proposed Rule Change

The NYSE recently adopted NYSE Rule 3110.19, which permits a member organization to designate a private residence at which an associated person engages in specified supervisory activities, subject to certain safeguards and limitations, as an RSL, a non-

registered location.⁵ NYSE Rule 3110 is based on FINRA Rule 3110.⁶

Currently, NYSE Rule 3110.19(d) requires a member organization that elects to designate any of its offices or locations as an RSL to provide FINRA with a current list of those offices or locations by the 15th day of the month following each calendar quarter in the manner and format (e.g., through an electronic process or such other process) as FINRA may prescribe.

Recently, FINRA amended its Rule 3110.19(d) to replace the requirement for member firms to provide to FINRA a quarterly list of RSLs in the manner and format prescribed by FINRA with the requirement for member firms to provide to FINRA current information identifying their RSLs in the frequency, manner and format prescribed.⁷ In this regard, the locations or offices that member firms have designated as RSLs would be reported to FINRA on a rolling basis, consistent with the requirements to keep information current on the Form U4, rather than only four times per year.

To harmonize NYSE Rule 3110.19(d) with these recent FINRA changes, the Exchange would make conforming changes to its rule, including the heading. The Exchange would also delete a stray "the" before FINRA in the last sentence of NYSE Rule 3110.19(d), as follows (deleted text in brackets, new text italicized):

(d) Obligation To Provide Information Identifying [List of] RSLs

A member organization that elects to designate any office or location of the member organization as an RSL

⁵ See Securities Exchange Act Release No. 101325 (October 15, 2024), 89 FR 84221 (October 21, 2024) (SR-NYSE-2024-64) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Harmonize NYSE Rule 3110).

⁶ See *id.*, 89 FR at 84221. See generally Securities Exchange Act Release No. 73554 (November 6, 2014), 79 FR 67508 (November 13, 2014) (SR-NYSE-2014-56).

⁷ See Securities Exchange Act Release No. 101052 (September 17, 2024), 89 FR 77567 (September 23, 2024) (SR-FINRA-2024-015). As explained in its filing, FINRA amended the Form U4 Instructions to include a new question requiring FINRA member firms to indicate whether a non-registered (*i.e.*, non-branch) location that is identified on Form U4 as a private residence is an RSL by responding "Yes" or "No" (the "RSL Question"). According to FINRA, this change rendered the requirement for FINRA member firms to provide information to FINRA identifying RSLs in a quarterly list set forth in FINRA Rule 3110.19(d) unnecessary. Moreover, the FINRA By-Laws impose a 30-day timeframe upon FINRA members to keep Form U4 current at all times, and because the RSL Question would be part of the Form U4, FINRA maintained that the 30-day updating requirement makes unnecessary the quarterly timeframe for firms to provide FINRA a list of RSLs as currently required under Rule 3110.19(d). See *id.*, 89 FR at 77569. The implementation date for these changes is November 26, 2024.

pursuant to this Supplementary Material shall provide FINRA with [a] current *information* identifying [list of] all locations designated as RSLs [by the 15th day of the month following each calendar quarter] in the *frequency*, manner and format (e.g., through an electronic process or such other process) as [the] FINRA may prescribe.

No other changes to NYSE Rule 3110.19(d) are proposed.

In conformity with the FINRA rule change, the Exchange proposes a November 26, 2024 implementation date for the proposed rule change. The Exchange believes that a waiver of the operative delay so that the proposal can be operative at the same time as the FINRA change will be implemented supports the waiver and would permit Exchange member organizations to rely on the same implementation date for the same changes.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(5),⁹ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change furthers the objectives of the Act by harmonizing Exchange rules modeled on FINRA rules with respect to how member organizations that elect to designate any offices or locations as an RSL must provide information identifying such offices or locations to FINRA, resulting in less burdensome and more efficient regulatory compliance. As previously noted, the proposed changes are the same as those recently made by FINRA to FINRA Rule 3110.19(d). As such, the proposed rule change would facilitate rule harmonization among self-regulatory organizations with respect to regulatory reporting requirements, thereby fostering cooperation and coordination with persons engaged in facilitating transactions in securities and will remove impediments to and perfect the mechanism of a free and open market and a national market system.

⁹ 15 U.S.C. 78f(b)(5).

⁴ "RSL" stands for Residential Supervisory Location.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is intended solely to reduce potential compliance burdens on member organizations by aligning NYSE Rule 3110.19(d) with FINRA Rule 3110.19(d) to facilitate designation of certain offices or locations as RSLs, thereby providing greater harmonization with FINRA rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that

the proposal may become operative immediately upon filing.

The Exchange stated that this proposed rule change is non-controversial because it does not present any new or novel issues. In particular, NYSE is harmonizing its supervision rules with those of FINRA, on which they are based and which have been previously approved by the Commission. By conforming the Exchange's rules to FINRA's, the proposed rule change would promote the application of consistent regulatory standards with respect to rules that FINRA enforces pursuant to the 17d-2 Agreement. As such, the Exchange believes that the proposed rule change would foster cooperation and coordination with persons engaged in facilitating transactions in securities and would remove impediments to and perfect the mechanism of a free and open market and a national market system in accordance with Exchange Act Section 6(b)(5).

In addition, the Exchange stated that since FINRA implementation of its rule change will be November 26, 2024, waiving the 30-day operative delay would provide Exchange member organizations the ability to rely on the same implementation date for the same changes. Further, the Exchange stated that waiver of the operative delay should reduce any potential confusion that may otherwise occur on the part of joint members of the Exchange and FINRA as to the applicable rules governing the obligation to provide information identifying RSLs to FINRA. For these reasons, the Commission believes that waiver of the 30-day operative delay for this proposed rule change is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing.¹⁵

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁶ of the Act to determine whether the proposed rule

change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-NYSE-2024-73 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.

All submissions should refer to file number SR-NYSE-2024-73. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<https://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-NYSE-2024-73 and should be submitted on or before December 17, 2024.
