Agenda

The COAC will hear from the current subcommittees on the topics listed below:

1. The Intelligent Enforcement Subcommittee will provide updates on

the work completed and topics discussed in its working groups as well as present proposed recommendations for the COAC's consideration. The Antidumping/Countervailing Duty (AD/CVD) Working Group will provide updates regarding its work and discussions on importer compliance with AD/CVD and other trade remedy measures and requirements. The Intellectual Property Rights (IPR) Process Modernization Working Group anticipates providing updates concerning progress associated with its proposed recommendations specific to IPR enforcement and facilitation. The Forced Labor Working Group (FLWG) will provide updates on continued discussions regarding trade outreach, clarification of requirements, and proposed recommendations. The FLWG reports that it will continue to provide CBP with input as CBP rolls out a case management portal. The Bond Working Group remained on hiatus status since the last public meeting.

2. The Next Generation Facilitation Subcommittee will provide updates on all its existing working groups. The Automated Commercial Environment (ACE) 2.0 Working Group was focused on completing discussions on the Concept of Operations document regarding scenarios for Electronic Export Manifests (EEM) and a portal for infrequent importers, along with the status of previous recommendations proposed earlier this term. The Broker Modernization Working Group (BMWG) remains dedicated to the enhancement of the end user experience and improving the administration of the Customs Broker Licensing Exam (CBLE). This quarter, the Modernized Entry Processes Working Group (MEPWG) continues its National Customs Automation Program (NCAP) discussions and will provide updates on its efforts concerning the reconciliation test. The remaining working group, the Customs Interagency Industry Working Group (CIIWG), was not active this past quarter but will provide a report on topics that the working group will focus on in the coming quarter.

3. The Secure Trade Lanes Subcommittee will provide updates on its seven active working groups: the Centers Working Group, the Cross-Border Recognition Working Group, the De Minimis Working Group, the Export Modernization Working Group, the FTZ/Warehouse Working Group, the Pipeline Working Group, and the Trade Partnership and Engagement Working Group. The Centers Working Group consolidated its review of the Centers' communications functions into the Structure Sub-Working Group and the
