

administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁵

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by each respondent which did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate established in the original less-than-fair value (LTFV) investigation (*i.e.*, 11.25 percent)⁶ if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of final results of administrative review for all shipments of citric acid from Thailand entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review (*i.e.*, 0.00 percent); (2) for merchandise exported by a company not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review or another completed segment of this proceeding, but the producer is, then the cash deposit rate will be the company-specific rate established for the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters

will continue to be 11.25 percent, the all-others rate established in the less-than-fair-value investigation.⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

Commerce is issuing and publishing the final results of this review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: November 22, 2024.

Laminated Woven Sacks From the Socialist Republic of Vietnam: Continuation of Antidumping Duty and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC)

that revocation of the antidumping duty (AD) and countervailing duty (CVD) orders on laminated woven sacks from the Socialist Republic of Vietnam (Vietnam) would likely lead to continuation or recurrence of dumping and net countervailable subsidies, and material injury to an industry in the United States, Commerce is publishing this notice of continuation of these AD and CVD orders.

DATES: Applicable November 15, 2024.

FOR FURTHER INFORMATION CONTACT: Luke Caruso or Thomas Martin, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2081 or (202) 482-3936, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 4, 2019, Commerce published in the **Federal Register** the AD and CVD orders on laminated woven sacks from Vietnam.¹ On May 1, 2024, the ITC instituted,² and Commerce initiated,³ the first sunset reviews of the *Orders* pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). As a result of its reviews, Commerce determined that revocation of the *Orders* would likely lead to the continuation or recurrence of dumping and countervailable subsidies, and therefore, notified the ITC of the magnitude of the margins of dumping and subsidy rates likely to prevail should the *Orders* be revoked.⁴

On November 15, 2024, the ITC published its determination, pursuant to section 751(c) of the Act, that revocation of the *Orders* would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Orders

The merchandise covered by these orders is laminated woven sacks.

Laminated woven sacks are bags consisting of one or more plies of fabric consisting of woven polypropylene strip and/or woven polyethylene strip, regardless of the width of the strip; with or without an extrusion coating of polypropylene and/or polyethylene on one or both sides of the fabric; laminated by any method either to an exterior ply of plastic film such as biaxially-oriented polypropylene (BOPP), polyester (PET), polyethylene (PE), nylon, or any film suitable for printing, or to an exterior ply of paper; printed; displaying, containing, or comprising three or more visible colors (e.g., laminated woven sacks printed with three different shades of blue would be covered by the scope), not including the color of the woven fabric; regardless of the type of printing process used; with or without lining; with or without handles; with or without special closing features (including, but not limited to, closures that are sewn, glued, easy-open (e.g., tape or thread), re-closable (e.g., slider, hook and loop, zipper), hot-welded, adhesive-welded, or press-to-close); whether finished or unfinished (e.g., whether or not closed on one end and whether or not in roll form, including, but not limited to, sheets, lay-flat, or formed in tubes); not exceeding one kilogram in actual weight. Laminated woven sacks produced in the Socialist Republic of Vietnam are subject to the scope regardless of the country of origin of the fabric used to make the sack.

The scope of these orders excludes laminated woven sacks having each of the following physical characteristics: (1) no side greater than 24 inches, (2) weight less than 100 grams, (3) an open top that is neither sealable nor closable, the rim of which is hemmed or sewn around the entire circumference, (4) carry handles sewn on the open end, (5) side gussets, and (6) either a bottom gusset or a square or rectangular bottom. The excluded items with the above-mentioned physical characteristics may be referred to as reusable shopping bags.

Subject laminated woven sacks are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 6305.33.0040 and 6305.33.0080. If entered with plastic coating on both sides of the fabric consisting of woven polypropylene strip and/or woven polyethylene strip, laminated woven sacks may be classifiable under HTSUS subheadings 3923.21.0080, 3923.21.0095, and 3923.29.0000. If entered not closed on one end or in roll form (including, but not limited to, sheets, lay-flat tubing, and sleeves), laminated woven sacks may be classifiable under other HTSUS

subheadings, including 3917.39.0050, 3921.90.1100, 3921.90.1500, and 5903.90.2500. If the polypropylene strips and/or polyethylene strips making up the fabric measure more than 5 millimeters in width, laminated woven sacks may be classifiable under other HTSUS subheadings including 4601.99.0500, 4601.99.9000, and 4602.90.0000. Although HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope is dispositive.

Continuation of the Orders

As a result of the determinations by Commerce and the ITC that revocation of the *Orders* would likely lead to continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), Commerce hereby orders the continuation of the *Orders*. U.S. Customs and Border Protection will continue to collect AD and CVD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the *Orders* will be November 20, 2024.⁶ Pursuant to section 751(c)(2) of the Act and 19 CFR 351.218(c)(2), Commerce intends to initiate the next sunset review of the *Orders* not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to an APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties
