

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–1070; FR ID 264729]

Information Collection Being Reviewed by the Federal Communications Commission**AGENCY:** Federal Communications Commission.**ACTION:** Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before January 31, 2025. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email: PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418–2918.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the PRA, 44 U.S.C. 3501–3520, the FCC

invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060–1070.

Title: Allocation and Service Rules for the 71–76 GHz, 81–86 GHz, and 92–95 GHz Bands.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; not-for-profit institutions; and State, local, or Tribal Government.

Number of Respondents: 1,177 respondents; 19,604 responses.

Estimated Time per Response: 5.25 hours to 8ours.

Frequency of Response: On occasion reporting requirement, recordkeeping requirement, and third-party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained 47 U.S.C. 151, 154(i), 302a, 303(c), 303(f), and 303(r) of the Communications Act of 1934, as amended.

Total Annual Burden: 14,347 hours.

Total Annual Cost: \$200,000.

Needs and Uses: The Commission is revising this information collection and would like to obtain the full three-year approval from OMB. The Commission adopted a new *Report and Order*, FCC 24–16, in WT Docket No. 20–133 entitled “Modernizing and Expanding Access to the 70/80/90 GHz Bands” (“*Report and Order*”). The *Report and Order* was subsequently released on January 26, 2024, and published in the **Federal Register** on April 29, 2024. Relevant to Control No. 3060–1070, the *Report and Order* adopted the following Commission rules: section 101.63(b); section 101.1523(a) and (e); and section 101.1528(a)(11), (b)(10), and (d). There are program changes to the reporting, recordkeeping and/or third-party disclosure requirements and the

Commission estimates an increase in nationwide licensees. The recordkeeping, reporting, and third party disclosure requirements will be used by the Commission to verify licensee compliance with the Commission rules and regulations, and to ensure that licensees continue to fulfill their statutory responsibilities in accordance with the Communications Act of 1934. The Commission's rules promote the private sector development and use of 71–76 GHz, 81–86 GHz, and 92–95 GHz bands (70/80/90 GHz bands). Such information has been used in the past and will continue to be used to minimize interference, verify that applicants are legally and technically qualified to hold license, and to determine compliance with Commission rules.

Federal Communications Commission.
