SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–101778; File No. SR–MEMX–2024–45]

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 19.3, Criteria for Underlying Securities, To Allow the Exchange To List and Trade Options on the iShares Bitcoin Trust (“the Trust”)

November 27, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 27, 2024, MEMX LLC (“MEMX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to amend Rule 19.3, Criteria for Underlying Securities. The text of the proposed rule change is provided in Exhibit 5.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 19.3 (Criteria for Underlying Securities) to allow the Exchange to list and trade options on the iShares Bitcoin Trust (“the Trust”), designating the Trust as appropriate for options trading on the Exchange. This is a competitive filing that is based on a similar proposal submitted by Nasdaq ISE, LLC (“ISE”) and approved by the Securities and Exchange Commission (“Commission”).³

Current Exchange Rule 19.3(i) provides that, subject to certain other criteria set forth in that Rule, securities deemed appropriate for options trading include shares or other securities (“Fund Shares”), including but not limited to Partnership Units as defined in the Rule, that are principally traded on a national securities exchange and are defined as an “NMS stock” under Rule 600 of Regulation NMS and that meet specified criteria enumerated in the rule. Exchange Rule 19.3(i) provides that such shares or other securities:

(4) represent interests in the SPDR Gold Trust or are issued by the iShares COMEX Gold Trust or iShares Silver Trusts, provided that all conditions described under Rule 19.3(i)(1)–(2) are met.

Proposal

The Exchange proposes to amend Exchange Rule 19.3(i) to expand the list of securities that are appropriate for options trading on the Exchange.

Description of the Trust⁴

The shares are issued by the Trust, a Delaware statutory trust. The Trust operates pursuant to a trust agreement (the “Trust Agreement”) between the

Sponsor, BlackRock Fund Advisors (the “Trustee”) as the trustee of the Trust and Wilmington Trust, National Association, as Delaware trustee. The Trust issues shares representing fractional undivided beneficial interests in its net assets. The assets of the Trust consist only of bitcoin, held by a custodian on behalf of the Trust except under limited circumstances when transferred through the Trust’s prime broker temporarily (described below), and cash. Coinbase Custody Trust Company, LLC (the “Bitcoin Custodian”) is the custodian for the Trust’s bitcoin holdings, and maintains a custody account for the Trust (“Custody Account”); Coinbase, Inc. (the “Prime Execution Agent”), an affiliate of the Bitcoin Custodian, is the prime broker for the Trust and maintains a trading account for the Trust (“Trading Account”); and Bank of New York Mellon is the custodian for the Trust’s cash holdings (the “Cash Custodian” and together with the Bitcoin Custodian, the “Custodians”) and the administrator of the Trust (the “Trust Administrator”). Under the Trust Agreement, the Trustee may delegate all or a portion of its duties to any agent, and has delegated the bulk of the day to day responsibilities to the Trust Administrator and certain other administrative and recordkeeping functions to its affiliates and other agents. The Trust is not an investment company registered under the Investment Company Act of 1940, as amended. The investment objective of the Trust is to reflect generally the performance of the price of bitcoin. The Trust seeks to reflect such performance before payment of the Trust’s expenses and liabilities. The shares are intended to constitute a simple means of making an investment similar to an investment in bitcoin through the public securities market rather than by acquiring, holding and trading bitcoin directly on a peer-to-peer or other basis or via a digital asset exchange. The shares have been designed to remove the obstacles represented by the complexities and operational burdens involved in a direct investment in bitcoin, while at the same time having an intrinsic value that reflects, at any given time, the investment exposure to the bitcoin owned by the Trust at such time, less the Trust’s expenses and liabilities. Although the shares are not the exact equivalent of a direct investment in bitcoin, they provide investors with an alternative method of achieving investment exposure to bitcoin through the public securities market, which may be more familiar to them.
