I. Background

A. The EEO-4 Report

Since 1973, the EEOC has required EEO-4 filers to submit workforce demographic data. All State and local governments that are covered by title VII of the Civil Rights Act of 1964, as amended (title VII)³ and that have 100 or more employees are required to file the workforce demographic data.

B. The 60-Day Notice: Request for Three-Year PRA Approval of Revisions to the EEO-4

Pursuant to the PRA and OMB regulations found at 5 CFR 1320.8(d)(1), the Commission published a Notice in the **Federal Register** on September 4, 2024, soliciting public comments during a 60-day period (“60-day Notice”) on the Commission's intent to seek a three-year OMB approval of revisions to the currently approved EEO-4. In particular, in its 60-day Notice, the EEOC sought comments to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the Commission's functions, including whether the information will have practical utility; (2) Evaluate the accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The 60-day Notice comment period ended on November 4, 2024.

¹ See Notice of Information Collection 89 FR 71901 (Sept. 4, 2024) at <https://www.federalregister.gov/documents/2024/09/04/2024-19743/agency-information-collection-activities-existing-collection>.

² Available at <https://www.regulations.gov/docket/EEOC-2024-0008>.

³ 42 U.S.C. 2000e, et seq.

Based on data from the most recent EEO-4 data collection reporting year (i.e., 2023), as well as ongoing updates by the EEOC to the EEO-4 frame (i.e., filer roster or master list), the EEOC anticipates the total number of filers submitting an EEO-4 report may increase to 6,607 per biennial collection. Accordingly, the burden estimates in this Notice are based on this revised estimate of the number of filers.

II. The Public Comments on the 60-Day Notice

The 60-day Notice was published in the **Federal Register** on September 4, 2024.⁴ The EEOC received no comments during the public comment period.⁵
