Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁹ Interested parties who submit case or rebuttal briefs in this administrative review must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁰

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this administrative review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹¹ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance via ACCESS within 30 days after the date of publication of this notice. Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in written briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon completion of the final results of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.¹⁵ If Siderca's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, we intend to

calculate an importer-specific assessment rate for antidumping duties based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁶ If Siderca's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of this review, we intend to instruct CBP to liquidate relevant entries without regards to antidumping duties.

For entries of subject merchandise during the POR produced by Siderca for which it did not know that the merchandise was destined to the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁸ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired, i.e., within 90 days of publication.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the notice of the final results of this administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided in section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Siderca will be equal to the weighted-average dumping margin established in the final results of this administrative review, except, if that rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), then

¹⁸ See section 751(a)(2)(C) of the Act; and 19 CFR 351.212(b).

the cash deposit rate will be zero; (2) for merchandise exported by a company not covered in this review but covered in a prior completed segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the investigation but the producer is, then the cash deposit rate will be the company-specific rate established in the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 78.30 percent, the all-others rate established in the original less-than-fair-value investigation.¹⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(1), (3), and (h)(2), and 19 CFR 351.221(b)(4).

Dated: December 3, 2024.

Abdelali Elouaradia,

Deputy Assistant Secretary for Enforcement and Compliance.
