1. *Submitting CBI.* Do not submit CBI to EPA through email or <https://www.regulations.gov>. If you wish to include CBI in your comment, please follow the applicable instructions at <https://www.epa.gov/dockets/commenting-epa-dockets#rules> and clearly mark the information that you claim to be CBI. 2. *Tips for Preparing Your Comments.* When preparing and submitting your comments, see the commenting tips at: <https://www.epa.gov/dockets/commenting-epa-dockets>.

3. *Environmental Justice.* EPA seeks to achieve environmental justice, the fair treatment and meaningful involvement of any group, including minority and/or low-income populations, in the development, implementation, and enforcement of environmental laws, regulations, and policies. To help address potential environmental justice issues, EPA seeks information on any groups or segments of the population who, as a result of their location, cultural practices, or other factors, may have atypical or disproportionately high and adverse human health impacts or environmental effects from exposure to the pesticides discussed in this document, compared to the general population.

All comments should be submitted using the method in **ADDRESSES** and must be received by EPA on or before the closing date. These comments will become part of the docket for the pesticides included in Table 1 in Unit II. EPA will consider all comments received by the closing date and may respond to comments in a "Response to Comments Memorandum" in the docket and/or in any subsequent final registration review decision, as appropriate.
