In the Matter of 2,411 Robocall Mitigation Database Filers

AGENCY: Federal Communications Commission.

ACTION: Notice of Order.

SUMMARY: On December 10, 2024, the Enforcement Bureau (Bureau) released an Order directing the 2,411 companies named in Appendix A to the Order (each, a Company; collectively, the Companies) to cure the deficiencies in each Company's Robocall Mitigation Database (RMD) certification and notify the Bureau that the deficiencies have been cured, or to file a response explaining why the Bureau should not remove the Company's certification from the RMD. Each Company's RMD certification is deficient because a robocall mitigation plan was not provided or the plan lacks newly-required information; and the certification lacks newly-required information. Removal of a Company's certification from the RMD would require all intermediate providers and voice service providers to cease accepting all calls directly from the Company.

ADDRESSES: The responses must be mailed to the Office of the Secretary, Federal Communications Commission, 45 L Street NE, Washington, DC 20554, ATTN: Enforcement Bureau—Telecommunications Consumers Division. The responses must also be emailed to EnforcementBureauTCD@fcc.gov.
