SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on September 18, 2024 at 89 FR 76498.

This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Requirements for Designating Housing Projects.

OMB Approval Number: 2577–0192.

Type of Request: Revision of currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: The information collection burden associated with designated housing is required by statute. Section 10 of the Housing Opportunity and Extension Act of 1996 modified Section 7 of the U.S. Housing Act of 1937 to require Public Housing Agencies (PHAs) to submit a plan for HUD approval before a project(s) can be designated as either elderly only, disabled only, or elderly and disabled. In this plan, PHAs must document why the designation is needed and provide the following information:

1. Description of the designated housing plan;
2. Justification for the designation;
3. Availability of alternative housing resources for the non-designated population(s);

4. Impact on the availability of accessible housing;

5. A statement that existing tenants in good standing will not be evicted;

6. A statement of the resources that will be made available if the PHA offers voluntary relocation benefits; and

7. Information describing how the DHP is consistent with any outstanding court orders, lawsuits, investigations, Voluntary Compliance Agreements (VCAs), Conciliation Agreements, or Letters of Findings or Determinations, etc., including for example, actions under Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act, the Age Discrimination Act, the Fair Housing Act, or the Americans with Disabilities Act.

Respondents (i.e. affected public): State, or Local Government.

Estimated Number of Respondents: 21 for New and Amendment DHPs and 22 for DHP Renewals.

Estimated Number of Responses: 1 per request.

Frequency of Response: As needed for New/Amendment DHPs and every two years for renewals.

Average Hours per Response: 15 hours for New and Amendment DHPs and 3 hours for DHP Renewals.

Total Estimated Burdens: 315 hours for New and Amendment DHPs and 66 for DHP Renewals.

The previous estimation of 270 annual burden hours has been increased to 315 for New and Amendment DHPs and 66 for DHP Renewals. This change is based on the average number of Plans submitted between Calendar Years 2022 and 2023. In FY22 and FY23, several Public Housing Authorities (PHAs) failed to renew their DHP in a timely manner, leading to a slight uptick in the number of respondents, as these PHAs were required to submit new plans for approval. Furthermore, HUD anticipates a continued decline in the number of respondents due to the ongoing trend in PHAs repositioning their developments and exiting the public housing program.

The national average PHA staff salary = \$64,590¹ per year or \$31.00 per hour. The calculation for costs is as follows:

- *New and Amendment DHPs:* 21 PHAs × 15 hours = 315 hours × \$31² = \$9,765.

- *DHP Renewals:* 22 PHAs × 3 hours = 66 hours × \$31 = \$2,046.
