Submission for OMB Review; Comment Request; Extension: Regulation G

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Regulation G (17 CFR 244.100-244.102) under the Securities Exchange Act of 1934 (the "Exchange Act") (15 U.S.C. 78a *et seq.*) requires publicly reporting companies that disclose or releases financial information in a manner that is calculated or presented other than in accordance with generally

accepted accounting principles ("GAAP") to provide a reconciliation of the non-GAAP financial information to the most directly comparable GAAP financial measure. Regulation G implemented the requirements of Section 401 of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7261). We estimate that approximately 7,196 public companies must comply with Regulation G approximately six times a year for a total of 43,176 responses annually. We estimated that it takes approximately 0.5 hours per response (0.5 hours per response x 43,176 responses) for a total reporting burden of 21,588 hours annually.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Proposed Collection; Comment Request; Extension: Electronic Data Collection System Form TCR

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information

summarized below. The Commission plans to submit an extension for these two current collections of information to the Office of Management and Budget for approval.

The Commission invites comment on updates to its Electronic Data Collection System database (the Database), which will support information provided by members of the public who would like to file an online tip, complaint or referral (TCR) to the Commission. The Database will be a web based e-filed dynamic report based on technology that pre-populates and establishes a series of questions based on the data that the individual enters. The individual will then complete specific information on the subject(s) and nature of the suspicious activity, using the data elements appropriate to the type of complaint or subject. The information collection is voluntary. The public interface to the Database will be available using the agency’s website, www.sec.gov. The Commission estimates that it takes a complainant, on average, 30 minutes to submit a TCR through the Database. Based on the receipt of an average of approximately 35,000 annual TCRs for the past three fiscal years, the Commission estimates that the annual reporting burden is 17,500 hours.

The Commission further invites comment on updates to Form TCR, which is a hard copy form adopted by the Commission in 2011.¹ Form TCR may be submitted by whistleblowers who wish to provide information to the Commission and its staff regarding potential violations of the federal securities laws. The Commission estimates that it takes a whistleblower, on average, one and one half hours to complete Form TCR. Based on the receipt of an average of approximately 170 annual Form TCR submissions for the past three fiscal years, the Commission estimates that the annual reporting burden of Form TCR is 255 hours.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of

information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by February 24, 2025.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
