

resilience upgrades, and infrastructure improvements?

#### *Tribal Communities*

*Question for comment #8:* What unique challenges do Tribal communities face when implementing housing resilience measures? How can HUD support Tribal communities in addressing these challenges?

*Question for comment #9:* What partnerships between Tribal governments, local authorities, and other organizations exist to enhance housing resilience on Tribal lands? Are there ways in which these partnerships can be expanded or improved? Please explain and provide specific recommendations, successes, and challenges as well as any supporting data as applicable.

*Question for comment #10:* How can Tribes or organizations in remote locations with limited options for resilience investments better access or incorporate resilience strategies, resources, or methods? What resources can HUD provide in partnership with groups in these areas?

*Question for comment #11:* What Traditional Knowledge and Indigenous Knowledge about building practices can be integrated with modern resilience measures in tribal communities? Please explain and provide specific recommendations, as well as any supporting data.

#### *Manufactured Housing*

*Question for comment #12:* In addition to addressing manufactured housing in the above questions where relevant, how else can manufactured home resilience be enhanced during all types of natural disasters (e.g., hurricanes, floods, earthquakes, wildfires, or tornadoes)? Please provide relevant research as well as any supporting data as applicable.

## DEPARTMENT OF THE INTERIOR

### Geological Survey

[GX25GK009970000]

#### Public Meetings of the Advisory Committee on Landslides

**AGENCY:** Geological Survey, Department of the Interior.

**ACTION:** Notice of public meetings.

**SUMMARY:** In accordance with the Federal Advisory Committee Act

(FACA) of 1972, the U.S. Geological Survey (USGS) is publishing this notice to announce that Federal Advisory Committee meetings of the Advisory Committee on Landslides (ACL) will take place and are open to members of the public.

#### **DATES:**

*Meeting:* The ACL will meet via web conference on Thursday, January 16, 2025, from 2:00 p.m. to 6:00 p.m. Eastern Standard Time.; and in-person on Tuesday, April 1, 2025, from 9:00 a.m. to 5:00 p.m. and Wednesday, April 2, 2025, from 9:00 a.m. to 1:00 p.m. Eastern Standard Time.

*Registration:* Registration to attend or participate in the meetings is required. To register, please contact the Designated Federal Officer (DFO) (see **FOR FURTHER INFORMATION CONTACT**).

**ADDRESSES:** The meeting on January 16, 2025, will be held via web conference. Meetings on April 1, 2025, and April 2, 2025, will be held in the Stewart Lee Udall Department of the Interior Building, 1849 C Street NW, Washington, District of Columbia, 20240. Members of the public may attend the meeting in-person or can attend via web conference. Please note admittance instructions under the **SUPPLEMENTARY INFORMATION** section of this notice. Comments can be sent to the DFO (see **FOR FURTHER INFORMATION CONTACT**).

**FOR FURTHER INFORMATION CONTACT:** Mr. Jonathan Godt, Landslide Hazards Program Coordinator, Geological Hazards Science Center, USGS, by email at [jgodt@usgs.gov](mailto:jgodt@usgs.gov); or by telephone at (303) 905-9468.

Individuals in the United States who are deaf, blind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside of the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

**SUPPLEMENTARY INFORMATION:** This meeting is being held under the provisions of the FACA of 1972 (5 U.S.C. ch. 10), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR part 102-3.

The ACL is composed of no fewer than 11 members, appointed by the Secretary of the Interior, who are selected for their established qualifications in landslide hazard and risk or related fields, records of distinguished service in their professional community, knowledge of issues affecting the National Landslide Hazards Reduction Program (NLHRP),

and to represent a cross-section of views and expertise, including a range of geographies and communities impacted by landslide hazards in the United States.

*Purpose of the Meeting:* The ACL provides advice and recommendations to the Secretary of the Interior through the Interagency Coordinating Committee on Landslide Hazards on implementation of NLHRP. Additional information about the ACL is available at Advisory Committee on Landslides (ACL) | U.S. Geological Survey.

The purpose of the meetings is for the ACL to establish its business; complete required ethics and FACA briefings; receive an overview of the USGS, the USGS Landslide Hazards Program, and the National Landslide Preparedness Act (Pub. L. 116-323); consider appointments of a Chair and Vice-Chair; and discuss agency activities under the NLHRP. Agendas may change to accommodate ACL business. Final agendas will be posted on the ACL website at Advisory Committee on Landslides (ACL) | U.S. Geological Survey.

Members of the public wishing to participate in the web conference meeting should contact the DFO (see **FOR FURTHER INFORMATION CONTACT**) at least three (3) business days prior to the meeting. After pre-registering, participants will be provided with instructions on how to join via web conference. Any member of the public wishing to attend the in-person meeting in person must pre-register to be admitted into the building. Please contact the DFO (see **FOR FURTHER INFORMATION CONTACT**) at least five (5) business days prior to the meeting. Non-U.S. citizens may need to submit additional information. Seating for in-person attendees may be limited due to room capacity. Please note that federal agencies, including DOI, can only accept a state-issued driver's license or identification card for access to federal facilities if such license or identification card is issued by a state that is compliant with the REAL ID Act of 2005 (Pub. L. 109-13), or by a state that has an extension for REAL ID compliance. DOI currently accepts other forms of federal-issued identification in lieu of a state-issued driver's license. For detailed information please email Jonathan Godt (see **FOR FURTHER INFORMATION CONTACT**).

*Meeting Accessibility/Special Accommodations:* Please make requests in advance for sign language interpreter services, assistive listening devices, language translation services, or other reasonable accommodations. We ask that you contact the DFO (see **FOR**

**FURTHER INFORMATION CONTACT**) at least seven (7) business days prior to the meeting to give the USGS sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

**Public Disclosure of Comments:** There will be an opportunity for public comment during each day of the meetings. Depending on the number of people who wish to speak and the time available, the time for individual oral comments may be limited. Written comments may also be sent to the ACL for consideration. To allow for full consideration of information by the ACL members, written comments must be provided to Jonathan Godt (see **FOR FURTHER INFORMATION CONTACT**) at least three (3) business days prior to the meeting. Individuals who wish to expand upon their oral statements, those who had wished to speak but could not be accommodated, and those who were unable to participate are invited to submit written statements by email to at Jonathan Godt (see **FOR FURTHER INFORMATION CONTACT**).

Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, be aware that your entire comment—including your PII—may be made publicly available at any time. While you may ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

*Authority:* 5 U.S.C. ch. 10.

### Land Acquisitions; Hopi Tribe, Coconino County and Navajo County, Arizona

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice.

**SUMMARY:** Under the Navajo-Hopi Land Dispute Settlement Act of 1996 (Act), Congress approved a final settlement of multiple claims the Hopi Tribe had against the United States. Under the Act, Congress authorized the Hopi Tribe to acquire up to 500,000 acres of land in northern Arizona to be taken into trust, including private land purchased

from willing sellers and interspersed State trust land held by the State of Arizona located within the exterior boundaries of the purchased private land. The Hopi Tribe purchased 161,423.58 acres of private land from willing sellers, which are held in trust by the United States. Additionally, together with the State of Arizona, the Hopi Tribe has identified for acquisition an additional 110,759.17 acres of interspersed State trust lands. At the request of the Department of the Interior, the Department of Justice has initiated proceedings to condemn the interspersed State trust lands identified by the Hopi Tribe and the State of Arizona under the authority of section 6 of the Act and applicable Federal law. The parcels to be condemned and then taken into trust are described below.

**DATES:** The decision takes effect on December 30, 2024.

**FOR FURTHER INFORMATION CONTACT:** Jessie H. Durham, Regional Director, Western Region, Bureau of Indian Affairs 2600 N Central Ave., Phoenix, Arizona 85004, [jessie.durham@bia.gov](mailto:jessie.durham@bia.gov), (480) 535–2247.

**SUPPLEMENTARY INFORMATION:** The Assistant Secretary—Indian Affairs, on behalf of the Secretary of the Interior, will immediately acquire the title to the lands described below in the name of the United States of America in trust for the Hopi Tribe, upon title vesting in the name of the United States pursuant to section 6 of the Navajo-Hopi Land Dispute Settlement Act of 1996 and 40 U.S.C. 3114(b).
