SUPPLEMENTARY INFORMATION: Congress established the Cybersecurity and Infrastructure Security Agency (CISA) in the Cybersecurity and Infrastructure Security Act of 2018, Public Law 115-278 (2018). As part of CISA's responsibilities, Congress authorized CISA to provide analyses, expertise, and other assistance to critical infrastructure owners and operators upon request. 6 U.S.C. 652(c)(5).

CISA serves as Sector Risk Management Agency (SRMA) for the Chemical Sector. CISA has established ChemLock, which is voluntary program for facilities that possess dangerous chemicals. This ICR consolidates and clarifies CISA collection of information in support of ChemLock. While some ChemLock services are currently available leveraging other approved information collections, this ICR when approved, will allow for an additional ChemLock service.

CISA proposes three instruments within this information collection: (1) ChemLock Request for Services; (2) ChemLock Service Registration and Preparation; and (3) ChemLock Service Feedback.

ChemLock Program Request for Services

This instrument collects basic contact information from individuals requesting a ChemLock service such as: (a) security consultations; (b) technical consultations, (c) onsite assessments and assistance, (d) exercises and drills, (e) training courses, (f) access to other

tailored resources, and (g) risk assessments. In addition, the instrument will collect facility identifying information, facility description information, and information about the chemicals present at the facility.

ChemLock Service Registration and Preparation

This instrument collected information to enable the ChemLock services which need additional information to be performed. The ChemLock services which need additional information to be performed are security consultations, onsite assessments and assistance, and risk assessments.

ChemLock Service Feedback Collection

This instrument will collect information related to feedback about ChemLock related services such as: which ChemLock service was provided and when, program outcomes, satisfaction, and performance of the staff involved in providing the ChemLock service.

- VII. Section 234(e)(3)(A) (12 U.S.C. 1715y(e)(3)(A)).

Section 206A goes on to state that the preceding

(a) “Dollar Amounts” shall be adjusted annually (commencing in 2004) on the effective date of the Federal Reserve Board’s adjustment of the \$400 figure in the Home Ownership and Equity Protection Act of 1994 (HOEPA). The adjustment of the Dollar Amounts shall be calculated using the percentage change in the Consumer Price Index for All Urban Consumers (CPI-U) as applied by the Federal Reserve Board for purposes of the above-described HOEPA adjustment.

(b) Notification. The Federal Reserve Board on a timely basis shall notify the Secretary, or his designee, in writing of the adjustment described in subsection (a) and of the effective date of such adjustment in order to permit the Secretary to undertake publication in the **Federal Register** of corresponding adjustments to the Dollar Amounts. The dollar amount of any adjustment shall be rounded to the next lower dollar.

Note that 206A has not been updated to reflect the fact that HOEPA has been revised to use \$1,000 as the basis for the adjustment rather than \$400, and the Consumer Finance Protection Bureau has replaced the Federal Reserve Board in administering the adjustment. These changes were made by the Dodd-Frank Wall Street Reform and Consumer Protection Act’s amendments to the Truth in Lending Act, as further explained in the regulatory implementation of said changes found in 78 FR 6856, 6879 (Jan. 31, 2013).

The percentage change in the CPI-U used for the HOEPA adjustment is a 3.4 percent increase and the effective date of the HOEPA adjustment is January 1, 2025. The Dollar Amounts under Section 206A have been adjusted correspondingly and have an effective date of January 1, 2025. (see 89 FR 95080, Dec. 2, 2024).

These revised statutory limits may be applied to FHA multifamily mortgage insurance applications submitted or amended on or after January 1, 2025, so long as the loan has not been initially endorsed.

The adjusted Dollar Amounts for Calendar Year 2025 are shown below.
