

Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting only 12 hours that will prohibit entry within a 500-yard radius of the demolition site of overhead electrical powerlines that will cross the navigational water's surface. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

Accordingly, the Coast Guard amends 33 CFR part 165 as follows:

#### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

**Authority:** 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Add § 165.T08–1095 to read as follows:

#### § 165.T08–1095 Safety Zone; Cypress Passage overhead powerline demolition and removal, Atchafalaya River, LA.

(a) *Location.* The following area is a safety zone: All waters of the Atchafalaya River, locally known as Cypress Passage, from surface to bottom, within a 500-yard radius of 29°47'38.18" N, 91°21'50.52" W, approximately MM 105.5, during an overhead electrical powerline structure demolition operation from 8 a.m. CST on Thursday January 9, 2025 through 8 p.m. CST on Thursday January 9, 2025.

(b) *Definitions.* As used in this section, *designated representative*

means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Marine Safety Unit Houma (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative by hailing on VHF radio channels 13 or 16. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section will be enforced from 8 a.m. CST on Thursday January 9, 2025, through 8 p.m. CST on Thursday January 9, 2025.

Dated: December 31, 2024.

**Jason S. Franz,**

*Captain, U.S. Coast Guard, Captain of the Port Marine Safety Unit Houma.*

#### DEPARTMENT OF HOMELAND SECURITY

#### Coast Guard

#### 33 CFR Part 165

[Docket No. USCG–2024–1094]

RIN 1625–AA87

#### Security Zone; Potomac River and Anacostia River, and Adjacent Waters; Washington, DC

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notification of enforcement of regulation.

**SUMMARY:** The Coast Guard will enforce a security zone along the Potomac and Anacostia Rivers and adjacent waters at Washington, DC to protect government officials, mitigate potential terrorist acts, and enhance public and maritime safety and security in the days leading up to and after the 60th Presidential Inauguration. During the enforcement period, entry into or remaining within the security zone is prohibited unless authorized by the Captain of the Port or his designated representative.

**DATES:** The regulations in 33 CFR 165.508 will be enforced from 8 a.m. on January 18, 2025, through 11:59 p.m. on

January 21, 2025, for the security zone identified in 33 CFR 165.508(a)(6).

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this rule, call or email LCDR Kate Newkirk, Sector Maryland-NCR, Waterways Management Division, U.S. Coast Guard; 410–365–8141, *MDNCRWaterways@uscg.mil*.

**SUPPLEMENTARY INFORMATION:** On October 2, 2024, the Coast Guard was notified by the event organizer that the anticipated dates for the activities associated with the 60th Presidential Inauguration are scheduled from January 18, 2025, to January 21, 2025. The Coast Guard will enforce regulations in 33 CFR 165.508 for the zone identified in paragraph (a)(6). This action is being taken to protect government officials, mitigate potential terrorist acts and incidents, and enhance public and maritime safety and security immediately before, during, and after this event. Thirty-three CFR 165.508(d)(4) provides that the security zone will be enforced from 8 a.m. on January 18, 2025, until 11:59 p.m. on January 21, 2025. Subsection (d)(1) of § 165.508 also provides that the security zone will be enforced, in addition to the specified times in paragraphs (d)(4) of that section, upon issuance of a notice of enforcement by the Captain of the Port Maryland-National Capital Region.

Our regulation entitled “Security Zone; Potomac River and Anacostia River, and adjacent waters; Washington, DC,” § 165.508, specifies the location for this security zone as an area that includes all navigable waters described in paragraphs (a)(1) through (a)(3). This security zone includes: (1) the area comprising Zone 1, all navigable waters of the Potomac River, from shoreline to shoreline, bounded to the north by the Francis Scott Key (US–29) Bridge, at mile 113, and bounded to the south by a line drawn from the Virginia shoreline at Ronald Reagan Washington National Airport, at 38°51'21.3" N, 077°02'00.0" W, eastward across the Potomac River to the District of Columbia shoreline at Hains Point at position 38°51'24.3" N, 077°01'19.8" W, including the waters of the Boundary Channel, Pentagon Lagoon, Georgetown Channel Tidal Basin, and Roaches Run; (2) the area comprising Zone 2, all navigable waters of the Anacostia River, from shoreline to shoreline, bounded to the north by the John Philip Sousa (Pennsylvania Avenue) Bridge, at mile 2.9, and bounded to the south by a line drawn from the District of Columbia shoreline at Hains Point at position 38°51'24.3" N, 077°01'19.8" W, southward across the Anacostia River to the District of Columbia shoreline at Giesboro Point at

position 38°50'52.4" N, 077°01'10.9" W, including the waters of the Washington Channel; (3) the area comprising Zone 3, all navigable waters of the Potomac River, from shoreline to shoreline, bounded to the north by a line drawn from the Virginia shoreline at Ronald Reagan Washington National Airport, at 38°51'21.3" N, 077°02'00.0" W, eastward across the Potomac River to the District of Columbia shoreline at Hains Point at position 38°51'24.3" N, 077°01'19.8" W, thence southward across the Anacostia River to the District of Columbia shoreline at Giesboro Point at position 38°50'52.4" N, 077°01'10.9" W, and bounded to the south by the Woodrow Wilson Memorial (I-95/I-495) Bridge, at mile 103.8.

As specified in § 165.508 (b), during the enforcement period, entry into or remaining in the zone is prohibited unless authorized by the Coast Guard Captain of the Port Maryland-National Capital Region. Public vessels and vessels already at berth at the time the security zone is implemented do not have to depart the security zone. All vessels underway within the security zone at the time it is implemented are to depart the zone at the time the security zone is implemented. To seek permission to transit the zone, the Captain of the Port Maryland-National Capital Region can be contacted at telephone number (410) 576-2693 or on Marine Band Radio, VHF-FM channel 16 (156.8 MHz). Coast Guard vessels enforcing this zone can be contacted on Marine Band Radio, VHF-FM channel 16 (156.8 MHz). The Coast Guard may be assisted by other Federal, state or local law enforcement agencies in enforcing this regulation. If the Captain of the Port or his designated on-scene patrol personnel determines the security zone need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to suspend enforcement and grant general permission to enter the security zone.

This notification of enforcement is issued under authority of 33 CFR 165.508 and 5 U.S.C. 552(a). In addition to this notification of enforcement in the **Federal Register**, the Coast Guard will provide notification of this enforcement period via the Local Notice to Mariners and marine information broadcasts.

Dated: January 2, 2025.

**Patrick C. Burkett,**

*Captain, U.S. Coast Guard, Captain of the Port, Sector Maryland-National Capital Region.*

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 63

[EPA-HQ-OAR-2023-0330; FRL-4908.3-02-OAR]

#### Review of Final Rule Reclassification of Major Sources as Area Sources Under Section 112 of the Clean Air Act; Correction

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule; correction.

**SUMMARY:** The Environmental Protection Agency (EPA) is making corrections to the Review of Final Rule Reclassification of Major Sources as Area Sources Under Section 112 of the Clean Air Act (CAA) final rule that appeared in the **Federal Register** on September 10, 2024. Following publication of this final rule, the EPA discovered an inadvertent typographical error in the regulatory text and is correcting the error in this action.

**DATES:** The final rule is effective on January 7, 2025.

**ADDRESSES:** The EPA has established a docket for this rulemaking under Docket ID No. EPA-HQ-OAR-2023-0330. All documents in the docket are listed on the <https://www.regulations.gov/> website. Although listed, some information is not publicly available, e.g., Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available electronically through <https://www.regulations.gov/>.

**FOR FURTHER INFORMATION CONTACT:** Mr. John Kennedy, Mail Drop: D243-02, 109 T.W. Alexander Drive, P.O. Box 12055, RTP, North Carolina 27711; telephone number: (919) 541-1548; and email address: [kennedy.john@epa.gov](mailto:kennedy.john@epa.gov).

#### I. Summary of Final Action

The EPA is making a correction to the Review of Final Rule Reclassification of Major Sources as Area Sources Under Section 112 of the Clean Air Act (CAA) final rule that appeared in the **Federal Register** on September 10, 2024 (89 FR 73293). In the September 10, 2024, final rule, the EPA amended 40 CFR 63.1(c)(6) to include a requirement that sources subject to certain major source NESHAP used to meet the Agency's obligations under the CAA for seven specific persistent and bioaccumulative

pollutants must remain subject to those NESHAP even if the sources reclassify to area source status.

Following publication of this final rule, the EPA discovered an inadvertent typographical error in the regulatory text in 40 CFR 63.1(c)(6) and is correcting the error in this action. Specifically, as finalized on September 10, 2024, the regulatory text in 40 CFR 63.1(c)(6)(iii) included a reference to 40 CFR part 63 subpart HHH (National Emission Standards for Hazardous Air Pollutants from Natural Gas Transmission and Storage Facilities) instead of the correct reference, 40 CFR part 63 subpart MMM (National Emission Standards for Hazardous Air Pollutants for Pesticide Active Ingredient Production). This error was included in the table of CAA 112(c)(6) categories placed in the docket for the Review of Final Rule Reclassification of Major Sources as Area Sources Under Section 112 of the Clean Air Act (docket ID: EPA-HQ-OAR-2023-0330-0033). The table included the correct source category rule name, National Emission Standards for Hazardous Air Pollutants for Pesticide Active Ingredient Production, but instead of referencing the correct regulation reference to 40 CFR part 63 subpart MMM, it referenced 40 CFR part 63 subpart HHH. This error found in the table included in the docket was cross referenced in the regulatory text of the final rulemaking. This action corrects this inadvertent typographical error by removing the reference to 40 CFR part 63 subpart HHH from 40 CFR 63.1(c)(6)(iii) and adding the correct reference to 40 CFR part 63 subpart MMM.

#### II. Rulemaking Procedures

The EPA's authority for the rulemaking procedures followed in this action is provided by the Administrative Procedure Act (APA), 5 U.S.C. 553. In general, an agency issuing a rule must provide prior notice and an opportunity for public comment, but APA section 553(b)(B) includes an exemption from notice-and-comment requirements "when the agency for good cause finds (and incorporates the finding and a brief statement of reasons therefor in the rule issued) that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest." This action is being issued without prior notice or opportunity for public comment because the EPA finds that the APA "good cause" exemption from notice-and-comment requirements applies here.

Following notice-and-comment procedures is unnecessary for this action. This action corrects a
