**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on certain stainless steel plate in coils (SS plate in coils) from Taiwan for the period of review (POR) May 1, 2023, through April 30, 2024.

**DATES:** Applicable January 13, 2025.

**FOR FURTHER INFORMATION CONTACT:** Carter Sherwin, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4260.

#### SUPPLEMENTARY INFORMATION:

#### Background

On May 2, 2024, Commerce published in the **Federal Register** a notice of opportunity to request an administrative

review of the antidumping duty order on SS plate in coils from Taiwan.<sup>1</sup> On May 31, 2024, North American Stainless and Outokumpu Stainless USA, LLC, (the domestic interested parties) submitted a timely request that Commerce conduct an administrative review.<sup>2</sup>

On July 5, 2024, Commerce published in the **Federal Register** a notice of initiation of administrative review with respect to imports of SS plate in coils exported and/or produced by the companies listed in the domestic interested parties' request for review, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i).<sup>3</sup> On July 30, 2024, we placed on the record U.S. Customs and Border Protection (CBP) data for entries of SS plate in coils from Taiwan during the POR, showing no reviewable entries, and invited interested parties to comment.<sup>4</sup> No interested party submitted comments to Commerce.

On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>5</sup> On October 1, 2024, Commerce notified all interested parties of its intent to rescind the instant review in full because there were no suspended entries of subject merchandise by any of the companies subject to this review during the POR and invited interested parties to comment.<sup>6</sup> No interested party submitted comments to Commerce. Additionally, on December 9, 2024, Commerce tolled the deadline to issue the preliminary results in this administrative review by 90 days.<sup>7</sup>

#### Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an antidumping duty order when there are no reviewable entries of subject merchandise during the POR for which

<sup>1</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review and Join Annual Inquiry Service List*, 89 FR 35778 (May 2, 2024).

<sup>2</sup> See Domestic Interested Parties' Letter, "Domestic Interested Parties' Request for Initiation of Administrative Review," dated May 31, 2024.

<sup>3</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 89 FR 55567 (July 5, 2024).

<sup>4</sup> See Memorandum, "Customs Entry Data from U.S. Customs and Border Protection," dated July 30, 2024.

<sup>5</sup> See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated July 22, 2024.

<sup>6</sup> See Commerce's Letter, "Notice of Intent to Rescind Review," dated October 1, 2024.

<sup>7</sup> See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated December 9, 2024.

liquidation is suspended.<sup>8</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.<sup>9</sup> Therefore, for an administrative review to be conducted, there must be at least one reviewable, suspended entry that Commerce can instruct CBP to liquidate at the antidumping duty assessment rate calculated for the review period.<sup>10</sup> As noted above, there were no entries of subject merchandise for any of the companies subject to this review during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

#### Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

#### Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. **SUPPLEMENTARY INFORMATION:**

**Background**

On December 13, 2024, the Secretary of Commerce (Secretary) received a “Notice of Appeal” filed by Robert Hagopian, pursuant to the Coastal Zone Management Act (CZMA), 16 U.S.C. 1451 *et seq.*, and implementing regulations found at 15 CFR part 930, subpart H. The Notice of Appeal is taken from an objection by the New York State Department of State to the Appellant’s CZMA consistency certification for Appellant’s pending permit application to the U.S. Army Corps of Engineers to perform shoreline stabilization, dock installation, and dredging at a property along the Hudson River in Ulster, New York.

Under the CZMA, the Secretary may override the New York State Department of State’s objection on grounds that the project is consistent with the objectives or purposes of the CZMA, or otherwise necessary in the interest of national security. To make the determination that the proposed activity is “consistent with the objectives or purposes of the CZMA,” the Secretary must find that: (1) The proposed activity furthers the national interest as articulated in sections 302 or 303 of the CZMA, in a significant or substantial manner; (2) the national interest furthered by the proposed activity outweighs the activity’s adverse coastal effects, when those effects are considered separately or cumulatively; and (3) no reasonable alternative is available that would permit the proposed activity to be conducted in a manner consistent with the enforceable policies of the applicable coastal management program. 15 CFR 930.121. To make the determination that the proposed activity is “necessary in the interest of national security,” the Secretary must find that a national defense or other national security interest would be significantly impaired if the proposed activity is not permitted to go forward as proposed. 15 CFR 930.122. The Appellant bears the burden of submitting evidence in support of his appeal and the burden of persuasion. 15 CFR 930.127.

**Request for Public and Federal Agency Comments**

We encourage the public and interested federal agencies to participate in this appeal by submitting written comments and any relevant materials supporting those comments using the method specified in the **ADDRESSES** section of this notice. All comments received are a part of the public record

and will generally be posted for public viewing on [www.regulations.gov](http://www.regulations.gov) without change. All personal identifying information (*e.g.*, name, address), confidential business information, or otherwise sensitive information submitted voluntarily by the sender will be publicly accessible. NOAA will accept anonymous comments (enter “N/A” in the required fields if you wish to remain anonymous).

**Opportunity for Public Hearing**

The Secretary may hold a public hearing on this appeal, either in response to a written request for a public hearing or upon the Secretary’s own initiative. You may submit a request for a public hearing using the method specified in the **ADDRESSES** section of this notice. A written request for a public hearing must include an explanation for why you believe a public hearing would be beneficial and aid the decision-maker. The Secretary is not obligated to hold a public hearing. If a hearing is held, advance notice of the time, date, and location of the public hearing will be published in the **Federal Register**. The public and federal agency comment period will also be reopened for a 10-day period following the hearing to allow for additional input. 15 CFR 930.128.

NOAA intends to provide access to publicly available materials and related documents comprising the appeal record on the following website: [www.regulations.gov](http://www.regulations.gov), under docket number NOAA–HQ–2024–0152.
