

Self-Governance Compacts on behalf of the Secretary of the Interior. This authority is contained in 25 U.S.C. 5363(d)(1) & (2) and the enabling regulations in 25 CFR 1000.350. DTER currently collects Indian trust data and documentation from Tribes in fulfillment of performing the Tribal trust evaluations for compacted Tribes. These evaluations are enabled by performing desk reviews (via email electronic questionnaires), and on-site visits to Tribes.

Under 25 CFR 1000.355, the Secretary's designated representative will conduct trust evaluations for each self-governance Tribe that has an annual funding agreement. The end result is the issuance of a report, which is required by 25 CFR 1000.365. Currently, DTER conducts either desk reviews and/or on-site reviews of trust operations where a Tribe has compacted a trust program. During that review, under current methodology, interviews are conducted and documents are requested. A draft report is written and provided to the Tribe for comment where applicable. Comments received back are incorporated into the report, and a final report is issued to the Tribe.
