

website posting, record-keeping, reporting, and self-assessment obligations required of broadcast licensees, consistent with 47 CFR 73.2080, as well as any other Commission EEO policies. See *Applications for Consent to the Transfer of Control of Licenses, SM Satellite Radio Holdings Inc., Transferor, to Sirius Satellite Radio Inc., Transferee*, 23 FCC Rcd 12348, 12426, ¶ 174, and note 551 (2008).

47 CFR 76.73 provides that equal opportunity in employment shall be afforded by all multichannel video program distributors (“MVPD”) to all qualified persons and no person shall be discriminated against in employment by such entities because of race, color, religion, national origin, age or sex.

Section 76.75 requires that each MVPD employment unit employing six or more full-time employees shall establish, maintain and carry out a program to assure equal opportunity in every aspect of a cable entity’s policy and practice.

Section 76.79 requires that every MVPD employment unit employing six or more full-time employees maintain, for public inspection, a file containing copies of all annual employment reports and related documents.

Section 76.1702 requires that every MVPD employment unit employing six or more full-time employees place certain information concerning its EEO program in its public inspection file.

## FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–1305; FR ID 272753]

### Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection.

Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

**DATES:** Written PRA comments should be submitted on or before March 17, 2025. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Nicole Ongele, FCC, via email [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [nicole.ongele@fcc.gov](mailto:nicole.ongele@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Nicole Ongele, (202) 418–2991.

**SUPPLEMENTARY INFORMATION:**

*OMB Control Number:* 3060–1305.

*Title:* Required Disclosure of

Exclusive Marketing Arrangements in MTEs, Rule Sections 64.2500(e) and 76.2000(d).

*Form Number:* N/A.

*Type of Review:* Extension of a currently-approved collection.

*Respondents:* Business or other for-profit.

*Number of Respondents and Responses:* 515 respondents; 24 million annual responses.

*Estimated Time per Response:* 3 hours.

*Frequency of Response:* Third-party disclosure requirement.

*Obligation to Respond:* Mandatory. Statutory authority for this information collection is contained in 47 U.S.C. 201(b) and 628(b).

*Total Annual Burden:* 1,545 hours.

*Total Annual Cost:* No Cost.

*Needs and Uses:* The Commission is requesting Office of Management and

Budget (OMB) approval for a three-year extension for this information collection. In *Improving Competitive Broadband Access to Multiple Tenant Environments*, GN Docket No. 17–142, Report and Order and Declaratory Ruling, FCC 22–12 (Feb. 11, 2022), the Commission, among other things, adopted new rules requiring providers (common carriers and multichannel video programming distributors (MVPDs) subject to 47 U.S.C. 628(b)) to disclose the existence of exclusive marketing arrangements that they have with owners of multi-tenant premises (MTEs). An exclusive marketing arrangement is an arrangement, either written or in practice, between an MTE owner and a provider that gives the provider, usually in exchange for some consideration, the exclusive right to certain means of marketing its service to tenants of the MTE. The required disclosure must be included on all written marketing material from the provider directed at tenants or prospective tenants of an MTE subject to the arrangement. The disclosure must explain in clear, conspicuous, legible, and visible language that the provider has the right to exclusively market its communications services to tenants in the MTE, that such a right does not suggest that the provider is the only entity that can provide communications services to tenants in the MTE, and that service from an alternative provider may be available. The purposes of the compelled disclosure are to remedy tenant confusion regarding the impact of exclusive marketing arrangements, prevent the evasion of our exclusive access rules, and, in turn, promote competition for communications services in MTEs.

Federal Communications Commission.

## FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060–1302; FR ID 273055]

### Information Collection Being Submitted for Review and Approval to Office of Management and Budget

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction

Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.” The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

**DATES:** Written comments and recommendations for the proposed information collection should be submitted on or before February 13, 2025.

**ADDRESSES:** Comments should be sent to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Your comment must be submitted into [www.reginfo.gov](http://www.reginfo.gov) per the above instructions for it to be considered. In addition to submitting in [www.reginfo.gov](http://www.reginfo.gov) also send a copy of your comment on the proposed information collection to Nicole Ongele, FCC, via email to [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [Nicole.Ongele@fcc.gov](mailto:Nicole.Ongele@fcc.gov). Include in the comments the OMB control number as shown in the **SUPPLEMENTARY INFORMATION** below.

**FOR FURTHER INFORMATION CONTACT:** For additional information or copies of the information collection, contact Nicole Ongele at (202) 418–2991. To view a copy of this information collection request (ICR) submitted to OMB: (1) go to the web page <https://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called “Currently Under Review,” (3) click on the downward-pointing arrow in the “Select Agency” box below the “Currently Under Review” heading, (4) select “Federal Communications Commission” from the list of agencies presented in the “Select Agency” box, (5) click the “Submit” button to the right of the “Select Agency” box, (6) when the list of FCC ICRs currently under review appears, look for the Title of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

**SUPPLEMENTARY INFORMATION:** As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.”

*OMB Control Number:* 3060–1302.  
*Title:* Wireless Emergency Alerts (WEA) False Alert Reporting.

*Form No.:* N/A.

*Type of Review:* Revision of a currently approved information collection.

*Respondents:* State, Local, Territorial, Tribal, or Federal Government.

*Number of Respondents and Responses:* 23,201 respondents; 15 responses.

*Estimated Time per Response:* 1 hour.

*Frequency of Response:* On occasion reporting requirement.

*Obligation to Respond:* Voluntary. Statutory authority for this information collection is contained in 47 U.S.C. 151, 152, 154(i), 154(o), 301, 303(r), 303(v), 307, 309, 335, 403, 544(g), 606, 613, 1201, 1202, 1203, 1204 and 1206. Total Annual Burden: 15 hours.

*Total Annual Cost:* No cost.

*Needs and Uses:* This is a request for a revision of a currently approved information collection related to two regulations under the Commission’s part 10 Wireless Emergency Alert (WEA) rules. No other information collections contained in the Commission’s regulations will be impacted by the rules described herein.

The WEA system is a mechanism under which Commercial Mobile Service (CMS) providers may elect to transmit emergency alerts to the public. The Commission created WEA (previously known as the Commercial

Mobile Service Alert System) as required by Congress in the Warning Alert and Response Network (WARN) Act and to satisfy the Commission’s mandate to promote the safety of life and property through the use of wire and radio communication.

On January 1, 2021, Congress passed the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (NDAA21). Section 9201 of the NDAA21 required the Commission to complete a rulemaking and adopt rules within 180 days to make certain changes to its WEA regulations, and also to its separate Emergency Alert System (EAS) regulations governing broadcast, cable television, and direct satellite media emergency alerts.

With respect to the WEA rule changes, Section 9201 directed the Commission to ensure that the mobile devices of CMS providers that have elected to participate in WEA cannot opt out of receiving WEA alerts from the Federal Emergency Management Agency (FEMA) Administrator, and to enable reporting by the FEMA Administrator and State, Tribal, or Local governments of false WEA alerts. On June 21, 2021, the Commission released its Report and Order in PS Dockets 15–91 and 15–94 (NDAA21 Alerting Order), FCC 21–77, adopting the WEA and EAS changes directed by Congress in the NDAA21. The EAS changes are the subject of a different notice to be published separately.

The NDAA21 Alerting Order implemented Congresses’ new directives for WEA, in part, with two new regulations that impose new burdens on respondents: the handset display update, and false alert reporting. The handset display update requirement has since been fulfilled by respondents and the burdens will be removed from this collection pursuant to the revisions in this information collection. With respect to false alert reporting, the Commission adopted a rule permitting the FEMA Administrator or a State, Local, Tribal, or Territorial government to voluntarily report WEA false alerts to the FCC Operations Center at [FCCOPS@fcc.gov](mailto:FCCOPS@fcc.gov), informing the Commission of the event and any relevant details. This rule created a voluntary mechanism for collection of information so that the Commission can monitor these false alert events which can undermine public confidence in the reliability of emergency alerting and WEA. Email reporting was adopted as a minimally-burdensome way for government entities to report false alerts. The WEA false alert reporting regulation is codified at 47 CFR 10.520(d)(2).

 BILLING CODE 6712–01–P

**FEDERAL DEPOSIT INSURANCE CORPORATION**

RIN 3064–ZA44

**Notice of Inflation Adjustments for Civil Money Penalties**

**AGENCY:** Federal Deposit Insurance Corporation.  
**ACTION:** Notice of monetary penalties for 2025.

**SUMMARY:** The Federal Deposit Insurance Corporation is providing notice of its maximum civil money penalties as adjusted for inflation.

**DATES:** The adjusted maximum amounts of civil money penalties in this notice are applicable to penalties assessed after January 15, 2025, for conduct occurring on or after November 2, 2015.

**FOR FURTHER INFORMATION CONTACT:** Graham N. Rehrig, Acting Deputy

Regional Counsel, Legal Division, 703–314–3401, [grehrig@fdic.gov](mailto:grehrig@fdic.gov); Federal Deposit Insurance Corporation, 15 Braintree Hill Office Park, Braintree, MA 02184–8701.

**SUPPLEMENTARY INFORMATION:** This notice announces changes to the maximum amount of each civil money penalty (CMP) within the Federal Deposit Insurance Corporation’s (FDIC) jurisdiction to administer to account for inflation under the Federal Civil Penalties Inflation Adjustment Act of 1990 (1990 Adjustment Act),<sup>1</sup> as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (2015 Adjustment Act).<sup>2</sup> Under the 1990 Adjustment Act, as amended, Federal agencies must make annual adjustments to the maximum amount of each CMP the agency administers. The Office of Management and Budget (OMB) is required to issue guidance to Federal agencies no later than December 15 of each year providing an inflation-adjustment multiplier (that is, the inflation-adjustment factor agencies must use) applicable to CMPs assessed in the following year.

Agencies are required to publish their CMPs, adjusted under the multiplier provided by the OMB, by January 15 of the applicable year. Agencies like the FDIC that have codified the statutory formula for making the CMP adjustments may make annual inflation adjustments by providing notice in the **Federal Register**.<sup>3</sup>

On December 17, 2024, the OMB issued guidance to affected agencies on implementing the required annual adjustment, which guidance included the relevant inflation multiplier.<sup>4</sup> The FDIC has applied that multiplier to the maximum CMPs allowable in 2024 for FDIC-supervised institutions and other parties subject to the FDIC’s jurisdiction to calculate the maximum amount of CMPs that may be assessed by the FDIC in 2025.<sup>5</sup> There were no new statutory CMPs administered by the FDIC during 2024.

The following charts provide the inflation-adjusted maximum CMP amounts for use after January 15, 2025—the effective date of the 2025 annual adjustments—under 12 CFR part 308, for conduct occurring on or after November 2, 2015:

**MAXIMUM CIVIL MONEY PENALTY AMOUNTS**

U.S. Code citation	Current maximum CMP (through January 14, 2025)	Adjusted maximum CMP <sup>6</sup> (beginning January 15, 2025)
12 U.S.C. 1464(v)		
Tier One CMP <sup>7</sup> .....	\$4,899	\$5,026
Tier Two CMP .....	48,992	50,265
Tier Three CMP <sup>8</sup> .....	2,449,575	2,513,215
12 U.S.C. 1467(d) .....	12,249	12,567
