

in 1935. No associated funerary objects are present.

Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of four individuals of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Pueblo of Zia, New Mexico.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after February 18, 2025. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: January 6, 2025.

Notice of Inventory Completion: Sam Noble Museum of Natural History, Norman, OK

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Sam Noble Oklahoma Museum of Natural History (SNOMNH) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after February 18, 2025.

ADDRESSES: Dr. Marc Levine, Associate Curator of Archaeology, Sam Noble Oklahoma Museum of Natural History, University of Oklahoma, 2401 Chautauqua Avenue, Norman, OK 73072-7029, telephone (405) 325-1994, email mlevine@ou.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the SNOMNH, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 281 individuals were removed from the Raymond Mackey site (34Lf29) in LeFlore County, OK. This site was excavated by the Works Progress Administration in 1940 and transferred to the Museum the same year. The human remains include 62 adult females, 32 adult males, 21 adolescents, 25 children, two infants, one fetus, 60 probable adult females, 41 probable adult males, two females for whom age could not be determined, 18 adults for whom sex could not be determined, and 17 individuals for whom neither age nor sex could be determined. No known individuals were identified. The 169 associated funerary objects are two

potsherds, 39 projectile points, one projectile point fragment, three stone manos, two hammerstones, one stone hoe, one boatstone, six stone bifaces, seven bags of stone biface fragments, 17 paintstones, one worked stone, one stone flake, one unmodified piece of quartz, one partial dog skeleton, two bone awls, four bags of awl fragments, two bone beads, two bags of bone fish hook fragments, one bag of bone pin fragments, one worked deer antler, one worked deer ulna, three bags of worked animal bone, 14 bags of deer antler fragments, 44 bags of animal bone fragments, two shell beads, one conch disc, six bags of mussel shell fragments, one snail shell, one burned nut, and one bag of ash. The human remains and associated funerary objects from site 34Lf29 were interred during the Woodland Period (300 B.C.–A.D. 900).

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

The SNOMNH has determined that:

- The human remains described in this notice represent the physical remains of 281 individuals were of Native American ancestry.
- The 169 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Caddo Nation of Oklahoma and the Wichita and Affiliated Tribes (Wichita, Keechi, Waco, & Tawakonie), Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after February 18, 2025. If competing requests for repatriation are received, the SNOMNH must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The SNOMNH is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Notice of Intended Disposition: Naval Weapons Station, Yorktown, VA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), Naval Weapons Station Yorktown (NWSY) intends to carry out the disposition of human remains removed from Federal or Tribal lands to the lineal descendants, Indian Tribe, or Native Hawaiian organization with priority for disposition in this notice.

DATES: Disposition of the human remains in this notice may occur on or after February 18, 2025. If no claim for disposition is received by January 16, 2026, the human remains in this notice will become unclaimed human remains.

ADDRESSES: Mike Makin, Cultural Resources Manager at NWSY, 160 Main Road, Building 406, York County, VA 23691, telephone (757) 887-4148, email douglas.m.makin.civ@us.navy.mil.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of NWSY and additional information on the human remains or cultural items in this notice,

including the results of consultation, can be found in the related records. The National Park Service is not responsible for the identifications in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified. No associated funerary objects are present. These human remains were recovered on 9 April 2003 during archaeological excavations at 44YO0002, the site of the Woodland and Contact Period village of Kiskiak located at NWSY in York County, VA. They were recovered from a 1920s trench that disturbed an earlier period burial. Most of the burial was left undisturbed and only material from the trench was removed.

Determinations

NWSY has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The Pamunkey Indian Tribe has priority for disposition of the human remains described in this notice.

Claims for Disposition

Written claims for disposition of the human remains in this notice must be sent to the appropriate official identified in this notice under **ADDRESSES**. If no claim for disposition is received by January 16, 2026, the human remains in this notice will become unclaimed human remains. Claims for disposition may be submitted by:

1. Any lineal descendant, Indian Tribe, or Native Hawaiian organization identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that they have priority for disposition.

Disposition of the human remains in this notice may occur on or after February 18, 2025. If competing claims for disposition are received, NWSY must determine the most appropriate claimant prior to disposition. Requests for joint disposition of the human remains are considered a single request and not competing requests. NWSY is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3002, and the implementing regulations, 43 CFR 10.7.

Dated: January 6, 2025.

Notice of Intended Disposition: U.S. Department of Agriculture, Forest Service, Chugach National Forest, Anchorage, AK

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of Agriculture, Forest Service, Chugach National Forest intends to carry out the disposition of human remains removed from Federal or Tribal lands to the lineal descendants, Indian Tribe, or Native Hawaiian organization with priority for disposition in this notice.

DATES: Disposition of the human remains in this notice may occur on or after February 18, 2025. If no claim for disposition is received by January 16, 2026, the human remains in this notice will become unclaimed human remains.

ADDRESSES: Jeff E. Schramm, Forest Supervisor, Chugach National Forest, Supervisor's Office, 161 E 1st Ave., Door 8, Anchorage, AK 99501, telephone (907) 743-9500, email jeff.schramm@usda.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Chugach National Forest, and additional information on the human remains in this notice, including the results of consultation, can be found in the related records. The National Park Service is not responsible for the identifications in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified.

In 1992, human remains were recovered near the Eagle Glacier Nordic Training Center cabin, within the Municipality of Anchorage, near Girdwood, AK by a private individual.
