

• *Under Wellness and Fitness Activity:* A clarification that Priority 1 programs must be already in place or requested in the application before Priority 2 programs will be considered for funding. In addition, the following items were added as ineligible:

- Saunas (including infrared)
- Hyperbaric chambers
- Ice baths
- Purchase of medical equipment

• *Under Grant Writer/Preparation Fees:* Clarification that the grant writer fee is subject to the cost share requirement was added.

- References in the funding notice to wildland fire were updated to wildfire where applicable.
- Eligible expenses for travel were updated to ensure uniformity within various activities funded.
- Minor updates to the AFG application were implemented to ensure equipment items are listed similarly to the funding notice.
- The following topics were discussed at the criteria development meeting but did not result in a recommendation for implementation:
 - Changes to current equipment priority levels.
 - Changes to Personal Protective Equipment activity, specific to replacement of air cylinders, PPE alternatives, and procurement of a second set of PPE gear.
 - Changes to some of the existing definitions and guidance in the funding notice, specifically to the definition of a Combination fire department and changes to guidance for regional applications hosted by fire departments with nonaffiliated EMS organizations as partners.
 - Additional considerations for applicants with little to no structural fire calls.

Recommendations Not Adopted for FY 2024

Below is a list of recommendations that were not adopted for FY 2024. These recommendations are considered long-term goals and are being evaluated for future consideration.

- CDP recommended utilizing technology (e.g., artificial intelligence) within the application that will collect data sets entered by each applicant to generate a Cost Benefit narrative.
- CDP recommended reorganization of Priority 2 Wellness and Fitness activities into high, medium, and low priorities with specific dropdowns in the application.
- CDP recommended that FEMA investigate the scoring elements/metrics used in vehicle application and vehicle

pre-score calculation to ensure that various vehicle types being requested receive equal consideration.

Purpose of the Board

The purpose of the Board is to review annually the programs of the National Fire Academy (Academy) and advise the Administrator of the Federal Emergency Management Agency (FEMA), through the United States Fire Administrator, on the operation of the Academy and any improvements therein that the Board deems appropriate. In carrying out its responsibilities, the Board examines Academy programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the Academy to determine the adequacy of the Academy’s facilities, and examines the funding levels for Academy programs. The Board submits a written annual report through the United States Fire Administrator to the Administrator of FEMA. The report provides detailed
