

Government more broadly partner with industry, academia, and other stakeholders to realize autonomous experimentation platforms? Are there specific models that should be considered?

(b) What role can a public-private consortium play in supporting the development of autonomous experimentation? How should a consortium be structured and who should be involved?

(c) What are the non-technical barriers to realizing the broad impact of AE that partnerships and consortia can address? For example, standards development, experimental equipment integration, etc.

(d) How can MGI and the U.S. Government more broadly work with the affected communities to support the development of AE systems for science? How can MGI and the U.S. Government work with private industry to support technology transition of innovations developed by the community?

3. Workforce

(a) How can the MGI agencies support the equitable development of an AI-ready scientific workforce, with the skills and knowledge needed to work with, operate, and leverage autonomous experimentation platforms?

(b) How do the workforce skills and knowledge needed to realize autonomous experimentation systems as a new scientific infrastructure overlap with other valuable scientific and engineering discipline needs?

4. Scientific Equipment, Automation, and Software Interfaces

(a) What types of robotic automation hardware and software are most applicable for scientific autonomous experimentation systems?

(b) What are obstacles and challenges to integrating robotic automation with scientific equipment? What role can software Application Programming Interface (API) standards play in developing autonomous experimentation systems? How can MGI and the U.S. Government work with private industry, including equipment manufacturers and autonomy developers, to develop API standards for the industry and accelerate adoption and development of AE systems?

IV. Response Guidelines

Commenters are welcome to comment on any question. RFI responses shall include:

1. RFI title;
2. Name(s), phone number(s), and email address(es) for the principal point(s) of contact;

3. Institution or organization affiliation and postal address; and

4. Clear indication of the specific question(s) to which you are responding.

Responses to this RFI must be submitted electronically to info@mg.gov with the subject line "MGI RFI" no later than 5 p.m. (ET) on March 21, 2025. Responses must be provided as attachments to an email. It is recommended that attachments with file sizes exceeding 25 MB be compressed (*i.e.*, zipped) to ensure message delivery. Responses must be provided as a Microsoft Word (*.docx) or Adobe Acrobat (*.pdf) attachment to the email and should be no more than 15 pages in length, 12-point font, 1-inch margins. Only electronic responses will be accepted. Only one response per individual or organization will be accepted.

A response to this RFI will not be viewed as a binding commitment to develop or pursue the project or ideas discussed.

Confidential Business Information

Because information received in response to this RFI may be used to structure future programs and/or otherwise be made available to the public, respondents are strongly advised NOT to include any information in their responses that might be considered business sensitive, proprietary, or otherwise confidential.

Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email two well-marked copies: one copy of the document marked "confidential" including all the information believed to be confidential, and one copy of the document marked "non-confidential" with the information believed to be confidential deleted. Failure to comply with these marking requirements may result in the disclosure of the unmarked information under the Freedom of Information Act or otherwise. The U.S. Government is not liable for the disclosure or use of unmarked information and may use or disclose such information for any purpose. If your response contains confidential, proprietary, or privileged information, you must include a cover sheet marked as follows identifying the specific pages containing confidential, proprietary, or privileged information.

Notice of Restriction on Disclosure and Use of Data

Pages [list applicable pages] of this response may contain confidential,

proprietary, or privileged information that is exempt from public disclosure. Such information shall be used or disclosed only for the purposes described in this RFI. The Government may use or disclose any information that is not appropriately marked or otherwise restricted, regardless of source.

In addition, (1) the header and footer of every page that contains confidential, proprietary, or privileged information must be marked as follows: "Contains, Confidential, Proprietary, or Privileged Information Exempt from Public Disclosure" and (2) every line and paragraph containing proprietary, privileged, or trade secret information must be clearly marked with [[double brackets]] or highlighting. Submissions containing CBI should be sent to info@mg.gov.
