

Repatriation Act (NAGPRA), Temple University has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after February 18, 2025.

ADDRESSES: Leslie Reeder-Myers, Temple University, LL8 Gladfelter Hall, Philadelphia, PA 19122, telephone (215) 204-1376, email leslie.reeder-myers@temple.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Temple University, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, 94 individuals have been reasonably identified from the Mohr Site (36LA39), located in Lancaster County, Pennsylvania. The 156 associated funerary objects are four awls; two axes; one lot of bark; 34 lots of beads; one blade; eight lots of bones; one lot of brass; one burial stone; two celts; nine lots of ceramics; six ceramic sherds; 15 lots of ceramic vessels; one lot of charcoal; two chisels; one comb; two lots of disc ornaments; one lot of flints and chert; two lots of iron fragments; one knife; one lot of miscellaneous pit materials; two musket balls; five lots of necklaces; one needle; eight lots of pendants; seven lots of pipes; one point; one pouch; three projectile point; one quartz; five scrapers; two shells; 14 lots of stones; one tine; one tube; two lots of turtle shells; one lot of turtle shell and bones; one unidentified object; two unknown objects; and two lots of turtle shell vessels. Of this number, one ceramic vessel is currently missing from this collection and Temple University will continue to look for it. Between 1963 and 1965, Dr. Jacob Gruber from the Department of Anthropology at Temple University excavated the Site and removed human remains and associated funerary objects. In 1968, the individuals and funerary objects were

accessioned by Temple University. Museum records indicate that the individuals were cleaned and, in some instances, reconstructed with glue. Temple University has no knowledge or record of the presence of any potentially hazardous substances, if any, were used for cleaning.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location of the human remains and associated funerary objects described in this notice.

Determinations

Temple University has determined that:

- The human remains described in this notice represent the physical remains of 94 individuals of Native American ancestry.
- The 156 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Absentee-Shawnee Tribe of Indians of Oklahoma; Cayuga Nation; Delaware Nation, Oklahoma; Delaware Tribe of Indians; Eastern Shawnee Tribe of Oklahoma; Oneida Indian Nation; Oneida Nation; Onondaga Nation; Pamunkey Indian Tribe; Saint Regis Mohawk Tribe; Seneca Nation of Indians; Seneca-Cayuga Nation; Shawnee Tribe; Tonawanda Band of Seneca; and the Tuscarora Nation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after February 18, 2025. If competing requests for repatriation are received, Temple University must determine the

most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. Temple University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: January 13, 2025.

Agency Information Collection Activities; National Park Service Application for the Lower Mississippi Delta Initiative

AGENCY: National Park Service, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the National Park Service (NPS) are proposing a new information collection.

DATES: Interested persons are invited to submit comments, which NPS must receive on or before February 18, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function. Please provide a copy of your comments to Phadrea Ponds, NPS Information Collection Clearance Officer (ADIR-ICCO), 13461 Sunrise Valley Drive (MS-244) Herndon, VA 20171; or at phadrea_ponds@nps.gov (email). Please reference Office of Management and Budget (OMB) Control Number "1024-NEW (LMDI)" in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this (information collection request) ICR, contact Cynthia Walton, Branch

Manager, Archeological and Historic Preservation Partnerships to cynthia_walton@nps.gov (email) or at 404–354–6072 (telephone). Please reference OMB Control Number 1024–NEW (LMDI) in the subject line of your comments. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point of contact in the United States. You may also view the ICR at <https://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on June 28, 2024 (89 FR 54036). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility.

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected.

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: Under the Lower Mississippi Delta Initiatives (LMDI) (Pub. L. 103–433, title XI), the Secretary of the Interior is authorized to award grants to qualified Tribal, governmental, and non-governmental entities and individuals. The purpose of these grants is to help preserve regional culture and history and enhance educational and recreational opportunities for delta residents. Also, under LMDI, the Secretary is authorized to award grants and provide other types of technical and financial assistance to conserve and protect historic and archeological sites and structures in the delta region. The Secretary delegated these authorities to NPS.

To support grant applications, NPS requests OMB approve the following collections: 10–2020 LMDI *Local Heritage Grants Application*, and 10–2020A LMDI *Budget and Funding Form*. Both will be used by the NPS and Jefferson National Parks Association (JNPA) to determine eligibility. Grant recipients will be required to submit a midway and annual report.

Title of Collection: Application for the National Park Service Lower Mississippi Delta Initiative (LMDI).

OMB Control Number: 1024–NEW.

Form Number: 10–2020 LMDI *Local Heritage Grants Application*, 10–2020A LMDI *Budget and Funding Form*, for midway and final reports.

Type of Review: New.

Respondents/Affected Public: Tribal, State, and local, governments and non-governmental organizations.

Total Estimated Number of Annual Respondents: 116.

Total Estimated Number of Annual Responses: 116.

Estimated Completion Time per Response: 5 hours per application, and 2 hours each for the midway report and the final report.

Total Estimated Number of Annual Burden Hours: 532 hours.

Respondent's Obligation: Voluntary.

Frequency of Collection: Once per respondent.

Total Estimated Annual Nonhour Burden Cost: None.

An agency may not conduct or sponsor nor is a person required to respond to a collection of information unless it displays a currently valid OMB control number. The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).
