\$400,000–500,000.

*Estimated Average Size of Awards:* \$450,000.

*Estimated Number of Awards:* 45.

*Project Period:* Up to 36 months, with potential for renewal of up to an additional 24 months (*i.e.*, a total potential grant of up to 60 months).

The Department requests that applicants provide budget information in their applications for the full period, up to 60 months, for which they hope to be funded.

3. *Eligible Applicants:* Under section 6121(b) of the ESEA and 34 CFR 263.20, the following entities are eligible under this program, either alone or in a consortium:

- (a) A State educational agency (SEA)
- (b) A local educational agency (LEA).
- (c) An Indian Tribe.

(d) An Indian organization.  
 (e) A federally supported elementary school or secondary school for Indian students (Bureau of Indian Education (BIE) or Tribally Controlled School).

(f) A Tribal College or University (TCU).

*Note:* Non-Tribal applicants who are in partnerships with Indian Tribes or Indian organizations should include in their partnership agreement, which is specified in Application Requirement (f), a description of substantial involvement from Tribes, with Tribal direction incorporated throughout the project period.

4. *Background:* The Demonstration program-NYCP finds and shares innovative, community-driven opportunities to support Native youth. Projects aim to develop strategies to prepare Native youth for their future while connecting with their Tribal Nations, demonstrate effectiveness, and share learning opportunities. Project

design relies on Tribal input, alignment, and consultation to uphold self-determination and sovereignty.

For FY 2025, the Department will fund Native Youth Community Projects (NYCP) to support community-driven projects to help Native children and youth become college- and career-ready.

For the FY 2025 awards, the Department prioritizes partnerships with local businesses for career preparation programs designed to provide Native youth with the knowledge and skills needed to make an effective transition from school to a high-skill career.

The Department is also prioritizing access for Native students to early learning educational opportunities promoting equity in achievement. In addressing this priority, applicants could propose projects that are designed to administer early learning programs that are inclusive, developmentally informed, and linguistically and

culturally responsive to prepare young children to make sufficient academic growth by the end of grade 3, including kindergarten and pre-kindergarten programs, community and family-based preschool programs that emphasize school readiness, screening and referral, meaningful parent and family engagement, and the provision of services to Native children and youth with disabilities to support early school success.

Both the priority for partnerships with local businesses and career centers and the priority for early learning educational opportunities are optional competitive preference priorities, as discussed later in this notice.

*Note:* These tables provide a summary of certain sections in this notice. Further detail on each of these sections is provided below. Applicants should read the notice in its entirety before applying.

5. *Priorities:* This notice contains one absolute priority and three competitive preference priorities.<sup>1</sup>

*Absolute Priority:* For FY 2025 and any future year in which we make

awards from the list of unfunded applications from this competition, this priority is an absolute priority, which

<sup>1</sup> The absolute priority is from 34 CFR 263.21(c)(1) and incorporates a definition from 34 CFR 263.20; Competitive Preference Priority 1 is

from 34 CFR 263.21(b)(1); Competitive Preference Priority 2 is from 34 CFR 263.21(b)(2); and Competitive Preference Priority 3 is from section 6121(c) of the ESEA (20 U.S.C. 7441).

means that all applications must address it to be eligible.<sup>2</sup>

This priority is:

Native Youth Community Projects.

To meet this priority, applicants must propose a project that fulfills the requirements of a Native Youth Community Project.

A Native Youth Community Project means a project that is:

(1) Focused on a defined local geographic area;

(2) Centered on the goal of ensuring that Indian students are prepared for college and careers;

(3) Informed by evidence, which could be either a needs assessment conducted within the last three years or other data analysis, on—

(i) The greatest barriers, both in and out of school, to the readiness of local Indian students for college and careers;

(ii) Opportunities in the local community to support Indian students; and

(iii) Existing local policies, programs, practices, service providers, and funding sources;

(4) Focused on one or more barriers or opportunities with a community-based strategy or strategies and measurable objectives;

(5) Designed and implemented through a partnership of various entities which—

(i) Must include—

(A) One or more Tribes or their Tribal education agencies; and

(B) One or more BIE-funded schools, one or more LEAs, or both; and

(ii) May include other optional entities, including community-based organizations, national nonprofit organizations, and Alaska regional corporations; and

(6) Led by an entity that—

(i) Is eligible for a grant under the Demonstration Grants for Indian Children program; and

(ii) Demonstrates, or partners with an entity that demonstrates, the capacity to improve outcomes that are relevant to the project focus through experience with programs funded through other sources.

**Competitive Preference Priorities:** For FY 2025 and any future year in which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Applicants are not required to address the competitive preference priorities, but addressing them may result in

additional points.<sup>3</sup> An application can receive points under either Competitive Preference Priority 1 or 2, but not both. Any application can also receive points under Competitive Preference Priority 3.

These priorities are:

**Competitive Preference Priority 1: Tribal Lead Applicants** (0 or 2 points).

To meet this priority, an application must be submitted by an Indian Tribe, Indian organization, BIE-funded school, or TCU that is eligible to participate in the Demonstration program. A group application submitted by a consortium that meets the requirements of 34 CFR 75.127 through 75.129 or submitted by a partnership is eligible to receive the preference only if the lead applicant for the consortium is the Indian Tribe, Indian organization, BIE-funded school, or TCU.

**Note:** Being the lead applicant means that the Indian Tribe, Indian organization, BIE-funded school, or TCU submits the application and leads the work with partners.

**Competitive Preference Priority 2: Tribal Partnership** (0 or 1 point).

To meet this priority, an application must be submitted by a consortium of eligible entities that meets the requirements of 34 CFR 75.127 through 75.129 or submitted by a partnership if the consortium or partnership: (1) includes an Indian Tribe, Indian organization, BIE-funded school, or TCU; and (2) is not eligible to receive the preference under Competitive Preference Priority 1.

**Note:** To receive points under this priority, an applicant must include a signed agreement with the Indian Tribe, Indian organization, BIE-funded school, or TCU detailing the activities that each member of the group plans to perform.<sup>4</sup>

**Competitive Preference Priority 3: Improving Educational Opportunities and Achievement of Indian Children and Youth** (up to 2 points).

To meet this priority, an applicant must demonstrate that the application proposes a project designed to improve educational opportunities for Indian students through one or both of the following activities:

(1) Early childhood education programs that are effective in preparing young children to make sufficient academic growth by the end of grade 3, including kindergarten and pre-kindergarten programs, family-based preschool programs that emphasize school readiness, screening and referral,

and the provision of services to Indian children and youth with disabilities.

(2) Partnership projects between schools and local businesses for career preparation programs designed to provide Indian youth with the knowledge and skills to make an effective transition from school to a high-skill career.

Under section 6121(d)(1)(B) of the ESEA, the Department gives priority to applications that propose a plan for offering both early learning educational opportunities and career preparation opportunities as described above for a period of more than 1 year. Applicants can receive 1 point for each activity and must address both activities to receive 2 points under this priority.

**Note:** To receive points under paragraph (2), consistent with 34 CFR 263.22(b)(2) and application requirement (f) in this notice, applicants must include an agreement signed by the partners in the proposed project, identifying the responsibilities of each partner in the project. The agreement must include the local business and describe the local business's responsibilities as a partner in the proposed project.

**6. Requirements:** For FY 2025 and any future year in which we make awards from the list of unfunded applications from this competition, applicants must meet the following application requirements from section 6121 of the ESEA (20 U.S.C. 7441) and 34 CFR 263.22.

**Application Requirements:**

(a) A description of how Indian Tribes and parents and families of Indian children and youth have been, and will be, involved in developing and implementing the proposed activities;

(b) Assurances that the applicant will participate, at the request of the Secretary, in any national evaluation of this program;

(c) Information demonstrating that the proposed project is evidence-based, where applicable, or is based on an existing evidence-based program that has been modified to be culturally appropriate for Indian students;

(d) A description of how the applicant will continue the proposed activities once the grant period is over;

(e) Evidence, which could be either a needs assessment conducted within the last three years or other data analysis, of—

(1) The greatest barriers, both in and out of school, to the readiness of local Indian students for college and careers;

(2) Opportunities in the local community to support Indian students; and

<sup>2</sup> For information about absolute priorities in general, please see 34 CFR 75.105(c)(3) at [https://www.ecfr.gov/current/title-34/part-75#p-75.105\(c\)\(3\)](https://www.ecfr.gov/current/title-34/part-75#p-75.105(c)(3)).

*Statutory Hiring Preference:*

(a) Awards that are primarily for the benefit of Indians are subject to the provisions of section 7(b) of the Indian Self-Determination and Education Assistance Act (Pub. L. 93–638). That section requires that, to the greatest extent feasible, a grantee—

1. a. *Cost Sharing or Matching:* This program does not require cost sharing or matching.

b. *Indirect Cost Rate Information:* This program uses an unrestricted indirect cost rate. For more information regarding indirect costs, or to obtain a negotiated indirect cost rate, please see <https://www.ed.gov/about/ed-offices/fofo#Indirect-Cost-Division>.

c. *Administrative Cost Limitation:* Under ESEA section 6121(e), no more than five percent of the funds awarded for a grant may be used for administrative costs. Note that, since fiscal year 2020, Congress has included language in appropriations acts to clarify that the statutory 5 percent limit does not include indirect costs. In the event such language is not included in the FY 2025 appropriations act, the Department will work with successful applicants to make budget adjustments

to align with administrative cost restrictions, if necessary.

2. *Subgrantees:* A grantee under this competition may not award subgrants to entities to directly carry out project activities described in its application.

3. *Other:* Projects funded under this competition should budget for a two-day Project Directors' meeting in Washington, DC during each year of the project period.

## III. Application and Submission Information

1. *Recommended Page Limit:* The application narrative refers to the application section that addresses the priorities and selection criteria that reviewers use to evaluate your application. We recommend that the application narrative (1) not exceed 30 pages and (2) use the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract, the resumes, the bibliography, the letter(s) of support, or the signed consortium agreement. However, the recommended page limit does apply to all of the application narrative. An application will not be disqualified if it exceeds the recommended page limit.

2. *Notice of Intent to Apply:* The Department will be able to review grant applications more efficiently if we know the approximate number of applicants that intend to apply. Therefore, we strongly encourage each potential applicant to notify us of their intent to submit an application. To do so, please email the program contact person listed under **FOR FURTHER INFORMATION CONTACT** with the subject line "Intent to Apply," and include the applicant's name and a contact person's name and email address. Applicants that do not submit a notice of intent to apply will still apply for funding; applicants that do submit a notice of intent to apply are

not bound to apply or bound by the information provided.

3. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

4. *Application Submission Instructions:* Applicants are required to follow the Common Instructions for Applicants to Department of Education Discretionary Grant Programs (89 FR 104528, December 23, 2024), which are available at [www.federalregister.gov/documents/2024/12/23/2024-30488/common-instructions-for-applicants-to-department-of-education-discretionary-grant-programs](http://www.federalregister.gov/documents/2024/12/23/2024-30488/common-instructions-for-applicants-to-department-of-education-discretionary-grant-programs).

5. *Submission of Proprietary Information:* Given the types of projects that may be proposed in applications for the Demonstration program, your application may include business information that you consider proprietary. In 34 CFR 5.11 we define "business information" and describe the process we use in determining whether any of that information is proprietary and, thus, protected from disclosure under Exemption 4 of the Freedom of Information Act (5 U.S.C. 552, as amended).

Because we may make successful applications available to the public by posting them on our website, you may wish to request confidentiality of business information.

Consistent with Executive Order 12600, please designate in your application any information that you believe is exempt from disclosure under Exemption 4. In the appropriate Appendix section of your application, under "Other Attachments Form," please list the page number or numbers on which we can find this information. For additional information please see 34 CFR 5.11(c).

6. *Intergovernmental Review:* This competition is subject to intergovernmental review under Executive Order 12372. Information about this process is in the application package.

## IV. Application Review Information

1. *Review and Selection Process:* In reviewing grant applications, the Secretary may consider the applicant's prior performance on other grant awards, including whether the projects achieved their objectives and the timeliness and quality of required reporting.

To receive an award, the Secretary requires assurances, including that the recipient of Federal financial assistance will comply with all Federal civil rights and non-discrimination laws.

2. *Risk Assessment and Specific Conditions:* Before awarding grants under this competition, the Department conducts a review of the risks posed by applicants. The Secretary may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

3. *Integrity and Performance System:* If you are selected to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently \$250,000), we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In determining risk, we review the information in the Federal Awardee Performance and Integrity Information System (FAPIS), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIS.

If the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds \$10,000,000, the reporting requirements require you to report certain integrity information to FAPIS semiannually. Please review the requirements in 2 CFR part 200, appendix XII, if this grant plus all the other Federal funds you receive exceed \$10,000,000.

## V. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also. If your application is not evaluated or not selected for funding, we notify you.

The GAN identifies the terms and conditions and applicable regulations of your award. The GAN also incorporates your approved application as part of your binding commitments under the grant.

2. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements should you receive funding under the

competition. This does not apply if you have an exception.

(b) At the end of your project period, you must submit a final performance report, including financial information. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary. The Secretary may also require more frequent performance reports. For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

(c) The Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

5. *Continuation Awards:* In making a continuation award, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department.
