BILLING CODE 6705-01-P

FEDERAL RESERVE SYSTEM**Notice of Proposals To Engage in or To Acquire Companies Engaged in Permissible Nonbanking Activities**

The companies listed in this notice have given notice under section 4 of the Bank Holding Company Act (12 U.S.C. 1843) (BHC Act) and Regulation Y, (12 CFR part 225) to engage de novo, or to acquire or control voting securities or assets of a company, including the companies listed below, that engages either directly or through a subsidiary or other company, in a nonbanking activity that is listed in § 225.28 of Regulation Y (12 CFR 225.28) or that the Board has determined by Order to be closely related to banking and permissible for bank holding companies. Unless otherwise noted, these activities will be conducted throughout the United States.

The public portions of the applications listed below, as well as other related filings required by the Board, if any, are available for immediate inspection at the Federal Reserve Bank(s) indicated below and at the offices of the Board of Governors. This information may also be obtained on an expedited basis, upon request, by contacting the appropriate Federal Reserve Bank and from the Board's Freedom of Information Office at <https://www.federalreserve.gov/foia/request.htm>. Interested persons may express their views in writing on the question whether the proposal complies with the standards of section 4 of the BHC Act.

Comments received are subject to public disclosure. In general, comments received will be made available without change and will not be modified to remove personal or business information including confidential, contact, or other identifying information. Comments should not include any information such as confidential information that would not be appropriate for public disclosure.

Unless otherwise noted, comments regarding the applications must be received at the Reserve Bank indicated or the offices of the Board of Governors,

Ann E. Misback, Secretary of the Board, 20th Street and Constitution Avenue NW, Washington, DC 20551-0001, not later than March 3, 2025.

A. Federal Reserve Bank of Boston (Prabal Chakrabarti, Executive Vice President) 600 Atlantic Avenue, Boston, Massachusetts 02210-2204. Comments can also be sent electronically to *BOS.SRC.Applications.Comments@bos.frb.org*:

1. *River Run Bancorp, MHC, Newburyport, Massachusetts*; to merge with Rollstone Bancorp, MHC, a federally chartered savings and loan holding company, and thereby indirectly acquire Rollstone Bank & Trust, both of Fitchburg, Massachusetts, and thereby engage in operating a savings association pursuant to section 225.28(b)(4)(ii) of Regulation Y.

Board of Governors of the Federal Reserve System.

Michele Taylor Fennell,

Associate Secretary of the Board.

BILLING CODE P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1123 (Third Review)]

Steel Wire Garment Hangers From China**Determination**

On the basis of the record¹ developed in the subject five-year review, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the antidumping duty order on steel wire garment hangers from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.²

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² Commissioner Schmidlein not participating.

Background

The Commission instituted this review on July 1, 2024 (89 FR 54519) and determined on October 4, 2024, that it would conduct an expedited review (89 FR 89040, November 12, 2024).

The Commission made this determination pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determination in this review on January 27, 2025. The views of the Commission are contained in USITC Publication 5580 (January 2025), entitled *Steel Wire Garment Hangers from China: Investigation No. 731-TA-1123 (Third Review)*.

By order of the Commission.

Issued: January 28, 2025.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1413]

Certain Wireless Front-End Modules and Devices Containing the Same; Notice of Commission Decision Not To Review an Initial Determination Granting Motion To Amend the Complaint and Notice of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 17) of the presiding administrative law judge (“ALJ”) granting complainants’ motion to amend the complaint and notice of investigation to assert additional patent claims.

FOR FURTHER INFORMATION CONTACT: Houda Morad, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708-4716. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the

Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On August 22, 2024, the Commission instituted this investigation based on a complaint filed on behalf of complainants Skyworks Solutions, Inc. of Irvine, California; Skyworks Solutions Canada, Inc. of Ottawa, Canada; and Skyworks Global Pte. Ltd. of Singapore (collectively, “Skyworks”). 89 FR 67969-70 (Aug. 22, 2024). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, or sale within the United States after importation of certain wireless front-end modules and devices containing the same by reason of the infringement of certain claims of U.S. Patent Nos. 8,717,101; 9,917,563; 7,409,200 (“the ‘200 patent’”); 9,450,579 (“the ‘579 patent’”); and 9,148,194. *Id.* The notice of investigation names the following respondents: Kangxi Communication Technologies (Shanghai) Co., Ltd. of Shanghai, China; Grand Chip Labs, Inc. of Tustin, California; D-Link Corporation of Taipei, Taiwan; D-Link Systems Inc. of Irvine, California; and Ruijie Networks Co., Ltd. of Fuzhou, China (collectively, “Respondents”). *Id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. *Id.*

On November 1, 2024, Skyworks filed a motion (“Motion”) to terminate the investigation as to the ‘200 patent based on the withdrawal of the complaint as to that patent. The Motion also seeks to amend the complaint and notice of investigation to further assert dependent claims 2, 3, 8, and 9 of the ‘579 patent (“the added patent claims”). The Motion is unopposed with respect to the partial termination of the investigation as to the ‘200 patent, but is opposed with respect to the requested amendment to assert additional dependent claims of the ‘579 patent. On November 13, 2024, some of the Respondents filed a response, in which other Respondents later joined on November 15, 2024, in opposition to Skyworks’ request to amend the complaint and notice of investigation. On November 13, 2024, OUII filed a response in support of Skyworks’ requested amendment.

On November 8, 2024, the ALJ issued an ID (Order No. 13) granting the Motion with respect to the partial termination of the investigation as to the ‘200 patent. Order No. 13 (Nov. 8, 2024), *unreviewed by Comm’n Notice* (Dec. 10, 2024). On December 31, 2024, the ALJ issued the subject ID (Order No. 17)

granting Complainants’ motion to amend the complaint and notice of investigation pursuant to Commission Rule 210.14(b)(1) (19 CFR 210.14(b)(1)). The ID finds good cause to amend because “adjudicating the [added patent claims] in this Investigation serves the public interest by conserving the Commission’s and the Parties’ resources” and “[t]he added claims are related to claims already being litigated.” ID at 9.

No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. The complaint and notice of investigation are amended to include the added patent claims.

The Commission’s vote for this determination took place on January 27, 2025.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 28, 2025.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE**Antitrust Division**

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Integrated Photonics Institute for Manufacturing Innovation Operating Under the Name of the American Institute for Manufacturing Integrated Photonics

Notice is hereby given that, on October 14, 2024, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), The Integrated Photonics Institute for Manufacturing Innovation operating under the name of the American Institute for Manufacturing Integrated Photonics (“AIM Photonics”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Critical Frequency Design, LLC,
