SUPPLEMENTARY INFORMATION: The Pension Benefit Guaranty Corporation (PBGC) intends to request that the Office of Management and Budget (OMB) extend approval, under the Paperwork Reduction Act, of a collection of information that filers use to request that PBGC determine whether a defined benefit pension plan is covered under title IV of the Employee Retirement Income Security Act of 1974 (ERISA). (OMB control number 1212-0072; expires June 30, 2025). This notice informs the public of PBGC's intent and solicits public comment on the collection of information.

A plan is covered under title IV, and thereby insured by PBGC, if it is described in section 4021(a) of ERISA and does not meet one of the exemptions from coverage listed in section 4021(b)(1)-(13). If a question arises about whether a plan is covered under title IV, a plan may submit the Request for Coverage Determination form to PBGC.

The Request for Coverage Determination form and corresponding instructions are suitable for all types of requests, but they highlight the four plan types for which coverage determinations are most frequently requested: (1) church plans as listed in section 4021(b)(3) of ERISA; (2) plans that are established and maintained exclusively for the benefit of plan sponsors' substantial owners as listed in section 4021(b)(9); (3) plans that cover, since September 2, 1974, no more than 25 active participants and that are established and maintained by professional services employers as listed in section 4021(b)(13); and (4) Puerto Rico-based plans within the meaning of section 1022(i)(1) of ERISA. PBGC needs the information requested to determine whether a plan is covered or not covered under title IV of ERISA.

PBGC's pilot program that specifically provided for a prospective plan to request a coverage determination when the plan was proposed but not yet

established expired September 30, 2022. PBGC is removing outdated references to the pilot program in question 4 of Part II of the form and instructions. PBGC is also proposing to revise question 3 of Part III of the form, relating to substantial owners plans, to require a list of all the limited liability company's (LLC) members (if the employer sponsor is an LLC) rather than a statement on how the LLC is treated for federal tax purposes for clarity. Lastly, PBGC is proposing editorial changes to question 4 of part III and question 3 of part V to provide greater clarity to filers.

The existing collection of information is approved through June 30, 2025, under OMB control number 1212-0072. PBGC intends to request that OMB extend its approval of this collection of information, with modifications, for 3 years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that each year there will be 295 Request for Coverage Determination forms submitted to PBGC. PBGC further estimates the average hour burden is 1.5 hours and average cost burden is \$300. The total estimated annual burden of the collection of information is 442.5 hours and \$88,500.

PBGC is soliciting public comments to—

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodologies and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).

Issued in Washington, DC.

Assistant General Counsel for Regulatory Affairs, Pension Benefit Guaranty Corporation.
