Subject: Federally Chartered Corporation: Review of the Financial Statement Audit Reports for the Navy Wives Clubs of America for Fiscal Years 1998-2000

Dear Mr. Chairman:

As requested, we reviewed the audit reports covering the financial statements of the Navy Wives Clubs of America, a federally chartered corporation, for the fiscal years ended August 31, 2000, 1999, and 1998. The corporation's purpose is to promote a friendly relationship between the wives of enlisted men who are serving in the active Navy, Marine Corps, and Coast Guard or in the Active Reserves of those services.

Federally chartered corporations are required under 36 U.S.C. 10101 to

- present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements,
- obtain an annual financial audit by an independent public accountant, and
- submit the auditors' report and the corporation's financial statements to the Congress.

The objective of our review was to determine whether the audit reports complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, reviewed the auditors' reports, and made inquiries to corporation officials or the auditors as we deemed necessary. We did not review the auditors' working papers. Our review disclosed no reportable instances of noncompliance.

The audit reports included the auditors' opinions that the financial statements of the corporation were presented fairly. We are returning the audit reports you sent with your letter.

Sincerely yours,
