No. 18-0564

The Embassy of the United States of America presents its compliments to the Ministry of Foreign Affairs of the Republic of Poland and has the honor to refer to the Agreement Between the Government of the United States of America and the Government of the Republic of Poland Concerning Cooperation, effected by exchange of notes at Warsaw, June 22 and July 15, 2015 (the “Cooperation Agreement”).

Following recent discussions between representatives of the two Governments regarding the implementation of the European Deterrence Initiative and in furtherance of common defense efforts, the Embassy has the honor to propose the following amendments to the Cooperation Agreement:

1. The second paragraph of the Cooperation Agreement is amended by removing “Ciechanów Military Complex K-0166 (“Ciechanów”)” and “Choszczno Military Complex K-1267 (“Choszczno”)” from the list of agreed facilities and areas.

2. The fourth paragraph of the Cooperation Agreement is amended to read as follows: “The Embassy also proposes that United States forces shall be authorized to preposition and store property, equipment, supplies, and materiel (“prepositioned materiel”) at all agreed facilities and areas within the territory of the Republic of Poland, whether designated now or in the future, and that, further, United States forces shall have exclusive control over prepositioned materiel present or stored in the territory of the Republic of Poland and shall have the unrestricted right to remove such items from the territory of the Republic of Poland. The United States forces shall notify, in advance, the Polish Armed Forces regarding prepositioning activities, including the types, quantities, and delivery schedules of prepositioned materiel that United States forces intend to transport or store in the territory of the Republic of Poland, as well as regarding United States contractors who will make such deliveries. The Parties shall consult regarding prepositioning activities.”.

3. The attachments to the Cooperation Agreement are amended by removing the depictions of Ciechanów and Choszczno.

If the foregoing proposals are acceptable to the Government of the Republic of Poland, it is further proposed that this Note, together with the Ministry's affirmative reply Note, shall constitute an agreement between the two Governments to amend the Cooperation Agreement, which shall enter into force on the date of the Ministry's reply Note.

The Embassy of the United States of America avails itself of this occasion to renew to the Ministry of Foreign Affairs of the Republic of Poland the assurances of its highest consideration.
