EMBASSY OF THE REPUBLIC OF KOREA  
WASHINGTON, D. C.

KAM / 20160054

The Embassy of the Republic of Korea presents its compliments to the Department of State of the United States of America and, with reference to the Agreement Relating to Scientific and Technical Cooperation between the Government of the Republic of Korea and the Government of the United States of America, signed on July 2, 1999 as extended, has the honor to propose on behalf of the Government of the Republic of Korea that, pursuant to Article XI. 2 thereof, the said Agreement be extended for five years with effect from July 2, 2014.

If the above proposal is acceptable to the Government of the United States of America, the Embassy proposes that this Note and the Department's Note in reply shall constitute an agreement between the two Governments to extend the aforesaid Agreement for an additional five-year period, which shall enter into force on the date of the Department's Note in reply and shall supersede the Agreement to Extend the Agreement Relating to Scientific and Technical Cooperation between the Government of the Republic of Korea and the Government of the United States of America of July 31, 2015.

The Embassy of the Republic of Korea avails itself of this opportunity to renew to the Department of State of the United States of America the assurances of its highest consideration.

Washington D.C.  
February 1, 2016

The Department of State of the United States of America presents its compliments to the Embassy of the Republic of Korea and has the honor to acknowledge receipt of the Embassy's Note KAM / 20160054 dated February 1, 2016, concerning the proposed extension of the Agreement Relating to Scientific and Technical Cooperation between the Government of the United States of America and the Government of the Republic of Korea, signed on July 2, 1999, as extended, which reads, in part, as follows:

The Embassy of the Republic of Korea presents its compliments to the Department of State of the United States of America and, with reference to the Agreement Relating to Scientific and Technical Cooperation between the Government of the Republic of Korea and the Government of the United States of America, signed on July 2, 1999 as extended, has the honor to propose on behalf of the Government of the Republic of Korea that, pursuant to Article XI.2 thereof, the said Agreement be extended for five years with effect from July 2, 2014.

If the above proposal is acceptable to the Government of the United States of America, the Embassy proposes that this Note and the Department's Note in reply shall constitute an agreement between the two Governments to extend the aforesaid Agreement for an additional five-year period, which shall enter into force on the date of the Department's Note in reply and shall supersede the Agreement to extend the Agreement Relating to Scientific and Technical Cooperation between the Government of the

Republic of Korea and the Government of the United States of America of July 31, 2015.

The Department of State has the honor to inform the Embassy that the Government of the United States of America accepts the proposal set forth above. The Embassy's Note and this Note in reply shall constitute an agreement between the two Governments to extend the Agreement Relating to Scientific and Technical Cooperation between the Government of the United States of America and the Government of the Republic of Korea for an additional five-year period from July 2, 2014, which shall enter into force on the date of this Note and shall supersede the Agreement to Extend the Agreement Relating to Scientific and Technical Cooperation between the Government of the Republic of Korea and the Government of the United States of America of July 31, 2015.

Department of State,

Washington, February 22, 2016.
