WHO IS ELIGIBLE?

If you are currently in service, you may be eligible after two years of active duty. Please consult with the Education Services Officer at your installation, or call the toll-free number 1-888-442-4551 (1-888-GI BILL 1), for information about your eligibility.

If you are separated from service, you may be an eligible veteran if you:

- Entered active duty for the first time after June 30, 1985;
- Received a high school diploma or equivalent (or, in some cases, 12 hours of college credit) before the end of your first obligated period of service;
- Received an honorable discharge;

Disabilities determined by VA to be related to your military service can lead to monthly non-taxable compensation, enrollment in the VA health care system, a 10-point hiring preference for federal employment and other important benefits. Ask your VA representative or Veterans Service Organization representative about Disability Compensation, Pension, Health Care, Caregiver Program, Career Services, Educational Assistance, Home Loan Guaranty, Insurance and/or Dependents and Survivors' Benefits.

-
- Continuously served for three years, OR two years if that is what you first enlisted for, OR two years if you have an obligation to serve four years in the Selected Reserve AND entered Selected Reserve within a year of leaving active duty.

Note: *Different rules apply if you entered active duty before July 1, 1985, and in certain other cases. Call our toll-free number below for more information.*

ARE THERE PITFALLS?

You should be aware that the following pitfalls could cause you to lose all MGIB benefits:

General Discharge. You must have an honorable discharge to be eligible for education benefits. A “general” or “under honorable condition” makes you ineligible for education benefits.

Early Discharge. To be eligible with an early discharge, your separation reason must meet certain requirements. Call our toll-free number 1-888-442-4551 (1-888-GI BILL 1), (or if you are on active duty, check with your Education Services Officer) for more information.

HOW MUCH DOES VA PAY?

The monthly benefit paid to you is based on the type of training you take, length of service, and if DoD put extra money in your MGIB Fund (called "kickers"). Typically, you have ten years to use your MGIB benefits. For the current rate see our [GI Bill website](#).

Once you find a program approved for VA training you can [apply online](#).
