  - prohibit U.S. contributions to Intergovernmental Panel on Climate Change, U.N. Framework Convention on Climate Change, or Green Climate Fund (see S. 3491), [13DE]
  - provide for high-priority research and extension grants for natural climate solutions (see S. 3500), [13DE]
  - Coastal Barrier Resources Act: improve (see S. 2958), [27SE]
  - Colorado: designate certain wilderness, recreation, and conservation areas (see S. 1634), [17MY]
  - Construction industries: conduct research, development, demonstration, and commercial application of technologies to reduce emissions of U.S. cement, concrete, asphalt binder, and asphalt mixture production (see S. 3439), [7DE]
  - Corp. for National and Community Service: establish Civilian Climate Corps to help communities respond to climate change and transition to clean economy (see S. 2838), [19SE]
  - Corps of Engineers: amend guidelines relative to acquisition of beach fill (see S. 47), [24JA]
  - Corps of Engineers and EPA: use certain definition for term “prior converted cropland” (see S. 3366), [30NO]
  - Courts: eliminate mandatory arbitration in cases involving public health and safety, including environmental cases (see S. 1376), [27AP]
  - prescribe judicial review requirements for certain energy, manufacturing, and critical infrastructure projects (see S. 3170), [31OC]
  - CPSC: prohibit use of Federal funds to ban gas stoves (see S. 240), [2FE]
  - Cryptocurrency: require interagency study on environmental and energy impacts of crypto-asset mining and assess crypto-asset mining compliance with Clean Air Act (see S. 661), [6MR]
  - Dept. of Agriculture: address emissions of certain greenhouse gases and carbon storage through conservation incentive contracts (see S. 2564), [27JY]
  - authorize capacity building grants for community college agriculture and natural resources programs (see S. 1740), [18MY]
  - authorize National Detector Dog Training Center (see S. 759), [9MR]
  - clarify land eligible for enrollment in Conservation Reserve Program (see S. 2798), [14SE]
  - conduct research on measurement, monitoring, reporting, and verification of greenhouse gas emissions and carbon sequestration (see S. 2241), [11JY]
  - convene blue ribbon panel to review Forest Service forest inventory and analysis program (see S. 433), [15FE]
  - create permanent payments within Environmental Quality Incentives Program for soil health practices and carbon sequestration monitoring (see S. 2588), [27JY]
  - designate composting as conservation practice and activity and provide grants and loan guarantees for composting facilities and programs (see S. 179), [31JA]
  - develop voluntary interconnectivity standards and prioritize cybersecurity needs for precision agriculture technologies (see S. 734), [9MR]
  - direct Agricultural Research Service to expand organic research (see S. 2317), [13JY] (see S. 2756), [11SE]
  - establish alternative manure management program (see S. 2479), [25JY]
  - establish competitive grant program to provide grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices (see S. 900), [21MR]
  - establish energy circuit rider program to disseminate technical and other assistance to rural communities to support energy efficiency and clean energy projects (see S. 3489), [13DE]
  - establish forest conservation easement program (see S. 2631), [27JY]
  - establish fund for spotted wing drosophila research and mitigation (see S. 322), [9FE]
  - establish Good Steward Cover Crop Program (see S. 1690), [18MY]
  - establish groundwater conservation easement program (see S. 2250), [11JY]
  - establish national biochar research network (see S. 732), [9MR]
  - establish Office of Aquaculture (see S. 2211), [22JN]
  - establish pilot program for establishment and use of pre-fire suppression stand density index (see S. 2132), [22JN]
  - establish pollinator-friendly plant labeling program (see S. 2199), [22JN]
  - establish precision agriculture loan program (see S. 719), [8MR]
  - establish program to provide support on use of industrial heat pumps in rural areas (see S. 1495), [9MY]
  - establish small farm environmental quality incentives program subprogram (see S. 2180), [22JN]
  - expand and strengthen Rural Decentralized Water Systems Grant Program (see S. 1233), [20AP]
  - expand national organic certification cost-share program into comprehensive organic program (see S. 1582), [11MY]
  - expedite hazardous fuel or insect and disease risk reduction projects on certain National Forest System lands (see S. 808), [15MR]
  - extend and reform Conservation Reserve Program (see S. 1509), [10MY]
  - improve agricultural productivity, profitability, resilience, and ecological outcomes through modernized data infrastructure and analysis (see S. 98), [26JA]
  - improve biobased markets program (see S. 2452), [20JY]
  - improve purchasing of food (see S. 3390), [4DE]
  - improve Rural Energy for America Program (see S. 2594), [27JY] (see S. 3378), [30NO]
  - include spotted lanternfly control research and development as high-priority research and extension initiative (see S. 1837), [7JN]
  - make adjustments to environmental quality incentives program (see S. 658), [6MR]
  - mitigate threat of invasive species in forests (see S. 1238), [20AP]
  - modify Conservation Reserve Enhancement Program (see S. 1224), [20AP]
  - prioritize loan guarantees and grants under Rural Energy for America Program to solar projects that include creation of pollinator habitat (see S. 1555), [11MY]
  - prohibit use of M-44 devices, commonly known as “cyanide bombs”, on public land (see S. 1940), [13JN]

# INDEX

## ECOLOGY AND ENVIRONMENT

- provide for enrollment of citrus land in Conservation Reserve Program (see S. 1365), [27AP]
- provide for set-aside for socially disadvantaged farmers and ranchers for grants to support urban agriculture and innovative production (see S. 3420), [6DE]
- provide grants to States, territories, and Indian Tribes to address contamination by per- and polyfluoroalkyl substances (PFAS) on farms (see S. 747), [9MR]
- provide States and communities with additional assistance to plant and maintain trees (see S. 1380), [27AP]
- reauthorize feral swine eradication and control pilot program (see S. 1613), [16MY]
- reauthorize Joint Chiefs Landscape Restoration Partnership program (see S. 2558), [27JY]
- reauthorize Voluntary Public Access and Habitat Incentive Program (see S. 1161), [30MR]
- reform Natural Resources Conservation Service programs (see S. 1078), [30MR]
- require research and development regarding policy to insure wine grapes against losses due to smoke exposure (see S. 2134), [22JN]
- require State field offices of National Resources Conservation Service to give preference to in-State applicants (see S. 2568), [27JY]
- select and implement landscape-scale forest restoration projects to assist communities in increasing resilience to wildfire (see S. 188), [31JA] (see S. 1715), [18MY]
- streamline regulatory process for farmers participating in, and applying for, conservation programs (see S. 2603), [27JY]
- support buildout of clean school bus charging infrastructure through community facilities direct loans and grants (see S. 1930), [12JN]
- Dept. of Commerce: clarify scope of major Federal action under National Environmental Policy Act relative to certain projects for production of semiconductors (see S. 2228), [11JY]
- establish grant program to facilitate training and employment of veterans for certain conservation activities (see S. 1918), [8JN]
- establish Working Waterfront Task Force and Working Waterfront Grant Program (see S. 3180), [1NO]
- provide grants to environmental justice communities to promote investment in catalytic local predevelopment projects for resilient climate infrastructure innovation (see S. 2148), [22JN]
- Dept. of Defense: prohibit from requiring contractors to disclose information relative to greenhouse gas emissions (see S. 27), [24JA]
- require community engagement and reporting on activities relative to per- and polyfluoroalkyl substances (see S. 2130), [22JN] (see S. 2271), [12JY]
- submit report on incinerators and waste-to-energy waste disposal alternatives to burn pits (see S. 2083), [21JN]
- Dept. of Education: establish grant programs to invest in public schools and infrastructure to combat climate change (see S. 2988), [28SE]
- promote environmental literacy (see S. 1239), [20AP]
- provide for long-term improvement of public school facilities (see S. 2608), [27JY]
- strengthen and expand Green Ribbon Schools Program to expand number of schools, applicants, and nominees engaged around environmental, environmental literacy, and environmental health goals (see S. 2822), [14SE]
- Dept. of Energy: develop and support adoption of voluntary streamlined permitting and inspection process for permitting of qualifying distributed energy systems (see S. 3099), [19OC]
- establish grant program to facilitate electric vehicle sharing services operated at public housing projects (see S. 1704), [18MY]
- establish hydrogen infrastructure finance and innovation pilot program (see S. 649), [2MR]
- establish research, development, and demonstration program relative to abandoned wells (see S. 429), [15FE]
- obtain consent of affected State and local governments before making Nuclear Waste Fund expenditures for nuclear waste repository (see S. 404), [14FE]
- prohibit from finalizing, implementing, or enforcing proposed rule titled “Energy Conservation Program—Energy Conservation Standards for Consumer Conventional Cooking Products” (see S. 1859), [7JN]
- provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 1576), [11MY]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1099), [30MR]
- study and report on greenhouse gas emissions intensity of certain products produced in U.S. and in certain foreign countries (see S. 1863), [7JN]
- support carbon dioxide removal research and development (see S. 2812), [14SE]
- transfer funds for energy efficiency and renewable energy improvements in public schools to Dept. of Justice to award grants to States to promote safety and security in schools (see S. 809), [15MR]
- Dept. of Energy and FAA: create Federal and international policies relative to safe and efficient use of hydrogen to increase aviation decarbonization and reduce air and noise pollution (see S. 1902), [8JN]
- Dept. of HHS: establish grant program to protect vulnerable mothers and babies from climate change risks (see S. 1601), [15MY]
- require research into health consequences of environmental impacts of nuclear war (see S. 2398), [19JY]
- Dept. of HUD: establish excess urban heat mitigation grant program (see S. 1379), [27AP]
- Dept. of Labor: permit retirement plans to consider certain environmental, social, and governance factors in investment decisions (see S. 523), [16FE]
- Dept. of State: establish and implement multi-year Legal Gold and Mining Partnership Strategy to reduce negative environmental and social impacts of illicit gold mining in Western Hemisphere (see S. 797), [14MR]
- Dept. of the Interior: allow States to issue fully electronic duck stamps (see S. 788), [14MR]
- assist Indian Tribes and Tribal organizations with protection, conservation, and fostering of buffalo herds and habitat on Indian lands (see S. 2908), [21SE]
- authorize expenditures for conduct of certain water conservation measures in Great Salt Lake basin (see S. 1955), [13JN]
- carry out watershed pilots (see S. 2169), [22JN]
- conduct certain offshore lease sales (see S. 2389), [19JY]
- conduct study of Deerfield River for potential addition to National Wild and Scenic Rivers System (see S. 608), [1MR]
- create dedicated funds to protect North American butterflies, Pacific Island plants, freshwater mussels, and Southwest desert fish (see S. 1708), [18MY]
- designate Nulhegan River and Paul Stream for potential addition to National Wild and Scenic Rivers System (see S. 432), [15FE]
- direct restoration and protection efforts of 5-State Connecticut River Watershed Region (see S. 2660), [27JY]
- eliminate patenting of Federal lands, impose Federal minerals royalty, establish fund for cleanup of abandoned mines, and review certain lands to determine availability for future mining (see S. 1742), [18MY]
- establish critical mineral environmental processing and mining cleanup program (see S. 2965), [28SE]
- establish moratorium on energy development in certain areas of Gulf of Mexico (see S. 279), [7FE]
- extend moratorium on drilling off coasts of Florida, Georgia, and South Carolina (see S. 49), [24JA]
- increase Tribal access to water conservation and efficiency grants (see S. 2927), [26SE]
- make financial assistance to States under Land and Water Conservation Fund available for water quality projects (see S. 798), [14MR]
- partner and collaborate with Dept. of Agriculture and Hawaii to address Rapid Ohia Death (see S. 927), [22MR]
- permanently prohibit offshore drilling on Outer Continental Shelf in Atlantic Ocean and Straits of Florida (see S. 617), [1MR]
- permanently prohibit oil and gas leasing activities on Outer Continental Shelf in Pacific Ocean (see S. 22), [23JA]
- provide grants to acquire land and water for parks and other outdoor recreation purposes and develop new or renovate existing outdoor recreation facilities (see S. 448), [15FE]
- provide with certain authorities relative to projects affecting Klamath Basin watershed (see S. 482), [16FE]
- reauthorize Delaware River Basin conservation programs (see S. 654), [6MR]
- reauthorize endangered fish and threatened fish recovery programs for Upper Colorado and San Juan River Basins (see S. 2247), [11JY]
- Dept. of the Interior, environment, and related agencies: making appropriations (see S. 2605), [27JY]
- Dept. of the Interior and Forest Service: improve revegetation and carbon sequestration activities in U.S. (see S. 2991), [28SE]
- Dept. of the Treasury: establish Outdoor Restoration Fund to provide grants for restoration and resilience projects (see S. 540), [28FE]
- issue Clean Energy Victory Bonds to increase investment in domestic development and deployment of clean energy technologies (see S. 2893), [21SE]
- Dept. of Transportation: establish airport infrastructure resilience pilot program to fund projects that improve climate resilience and ensure airports can respond to climate change, extreme weather events, and natural disasters (see S. 1055), [29MR]
- establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 648), [2MR]
- Depts. of Agriculture and the Interior: codify authority to select and implement landscape-scale forest restoration projects to assist communities in increasing resilience to wildfire (see S. 199), [1FE]
- complete interagency report on effects of special recreation permits on environmental justice communities (see S. 784), [14MR]
- eliminate requirement to reinstate consultation on land management or land use plans relative to certain new endangered species information (see S. 1540), [10MY]
- prevent from prohibiting use of lead ammunition or tackle on certain Federal land or water (see S. 1185), [18AP]
- Depts. of Commerce and the Interior: prevent from issuing maritime rules related to Rice’s whale that would impede offshore energy development and military activities (see S. 2986), [28SE]
- Deschutes River Conservancy Working Group: reauthorize (see S. 2020), [15JN]
- Developing countries: increase development, distribution, and use of clean cookstoves and fuels to improve health, protect climate and environment, empower women, create jobs, and help consumers save time and money (see S. 2179), [22JN]
- Dolores River National Conservation Area: establish (see S. 636), [2MR]
- Dolores River Special Management Area: establish (see S. 636), [2MR]
- Endangered species: prohibit listing of living nonnative species as threatened or endangered species (see S. 771), [9MR]
- Endangered Species Act: anniversary (see S. Res. 516), [19DE]
- Energy Efficiency Day: designate (see S. Res. 404), [4OC]
- EPA: assess certain fees on shipping and other vessels (see S. 1920), [8JN]

- clarify requisite timeline for making decision on approval or disapproval of State underground injection control program (see S. 1718), [18MY]
- conduct measurement-based national methane research pilot study to quantify methane emissions from certain oil and gas infrastructure (see S. 1947), [13JN]
- create additional opportunities for small refineries to generate credits under Renewable Fuel Program (see S. 2390), [19JY]
- disapprove rule entitled “Control of Air Pollution From New Motor Vehicles—Heavy-Duty Engine and Vehicle Standards” (see S.J. Res. 11), [9FE]
- disapprove rule entitled “Federal ‘Good Neighbor Plan’ for the 2015 Ozone National Ambient Air Quality Standards” (see S.J. Res. 31), [8JN]
- disapprove rule entitled “Finding That Lead Emissions From Aircraft Engines That Operate on Leaded Fuel Cause or Contribute to Air Pollution That May Reasonably Be Anticipated To Endanger Public Health and Welfare” (see S.J. Res. 52), [6DE]
- ensure flexible fuel vehicles may use certain gram per mile carbon dioxide values for purposes of determining fleet average carbon dioxide standards for certain vehicles (see S. 2635), [27JY]
- establish grant program to support local communities in detecting, preparing for, communicating about, or mitigating environmental and public health impacts of wildfire smoke and extreme heat (see S. 2383), [19JY]
- establish pilot grant program to improve recycling accessibility (see S. 1189), [19AP]
- establish pilot program that promotes cleanup of abandoned hardrock mines by good samaritans (see S. 2781), [13SE]
- establish standards to limit carbon intensity of fuel used by certain vessels and set requirements to eliminate in-port ship emissions (see S. 1917), [8JN]
- exclude certain air emissions from energy notification requirements (see S. 2430), [20JY]
- exempt discharges of fire retardant by Federal agencies, State and local governments, and Tribal governments from National Pollutant Discharge Elimination System permitting requirements (see S. 796), [14MR]
- fully protect safety of children and environment and remove dangerous pesticides from use (see S. 269), [2FE]
- give priority consideration to selecting Pensacola and Perdido Bays as estuary of national significance (see S. 50), [24JA]
- impose dioxide emission surcharge on private jet travel and certain first class and business tickets (see S. 2599), [27JY]
- improve interagency coordination in pesticide registration process by requiring EPA public response to Office of Pest Management guidance on pesticide use (see S. 2472), [25JY]
- improve recycling and composting programs (see S. 1194), [19AP]
- make changes relative to water quality certification (see S. 3082), [19OC]
- make renewable fuel credits available for sale (see S. 2242), [11JY]
- modify water conservation or irrigation efficiency practice waiver authority (see S. 2696), [27JY]
- prohibit finalizing, implementing, or enforcing of proposed rules relative to emissions from vehicles (see S. 3094), [19OC]
- prohibit from finalizing, implementing, or enforcing proposed rule relative to new source performance standards from certain stationary sources (see S. 1923), [12JN]
- prohibit from using funds for methane monitoring to monitor emissions of methane from livestock (see S. 937), [22MR]
- prohibit sale and distribution of expanded polystyrene food service ware, expanded polystyrene loose fill, and expanded polystyrene coolers (see S. 3440), [7DE]
- promulgate certain limitations relative to production plastic pellet pollution (see S. 2337), [18JY]
- provide for consistent definition for plant biostimulants (see S. 802), [15MR]
- provide grants to expand local programs that provide free air filtration units to households and establish clean air centers in communities vulnerable to wildfire smoke (see S. 1948), [13JN]
- reauthorize diesel emissions reduction program (see S. 2195), [22JN]
- reauthorize Long Island Sound programs (see S. 2793), [13SE]
- reauthorize South Florida Geographic Program (see S. 119), [26JA]
- update modeling used for lifecycle greenhouse gas assessments for corn-based ethanol and biodiesel (see S. 3055), [17OC]
- FAA: encourage use of hydrogen in aviation sector (see S. 1899), [8JN]
- identify standards required to meet definition of sustainable aviation fuel (see S. 1958), [13JN]
- improve safety of aircraft air supply by providing training to crew and first responders, issuing guidance on reporting smoke or fumes, investigating incidents, and installing air quality monitoring equipment (see S. 615), [1MR]
- Federal agencies and departments: prohibit from banning gas-burning stoves (see S. 244), [2FE]
- prohibit from issuing moratoriums on leasing and permitting energy and minerals on certain Federal land (see S. 319), [9FE]
- require applicable Federal agencies to take action on applications for Federal energy authorizations (see S. 782), [14MR]
- withdraw certain proposed rules relative to Endangered Species Act (see S. 2811), [14SE]
- Federal employees: prohibit investments under Thrift Savings Plan in certain mutual funds that make investment decisions based primarily on environmental, social, or governance criteria (see S. 2147), [22JN]
- Federal Highway Administration: improve environmental review process for Federal aid highway projects through use of interactive, digital, cloud-based platforms (see S. 2319), [13JY]
- FERC: bolster fairness and transparency in consideration of interstate natural gas pipeline permits and provide for greater public input in pipeline permitting process (see S. 2547), [26JY]
- promulgate regulations on regional and inter-regional planning to improve electricity infrastructure, reduce costs for ratepayers, and promote clean energy innovation (see S. 2480), [25JY]
- Foreign trade: prohibit importation of products made wholly or in part of certain commodities produced on land undergoing illegal deforestation (see S. 3371), [30NO]
- Forest Service: establish forest incentives program to keep forests intact and sequester carbon on private forest land (see S. 1366), [27AP]
- provide lasting protection for inventoried roadless areas within National Forest System (see S. 1831), [6JN]
- reauthorize and improve Water Source Protection Program and Watershed Condition Framework (see S. 1853), [7JN]
- reauthorize Collaborative Forest Landscape Restoration Program (see S. 202), [1FE]
- update forest inventory and analysis program strategic plan to include expanded data collection and integrated advanced remote sensing technology (see S. 1743), [18MY]
- Forests: address forest health crisis in National Forest System and public lands (see S. 2867), [20SE]
- FRS: require financial firms to establish plans to reduce investing in financed greenhouse gas emissions to protect financial stability (see S. 1138), [30MR]
- FTC: issue regulations requiring non-flushable wet wipes to have “Do Not Flush” labeling (see S. 1350), [27AP]
- GAO: conduct study on carbon footprint and environmental impacts of electric vehicles (see S. 1304), [26AP]
- study and report on operational preparedness of air carriers for preparing for changing weather and other events related to changing conditions and natural hazards (see S. 787), [14MR]
- Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]
- Government regulations: improve environmental review process for energy, infrastructure, and transportation projects (see S. 1449), [4MY]
- reform Federal regulatory permitting and project review processes for energy and infrastructure projects (see S. 1399), [2MY]
- Great Outdoors Month: designate (see S. Res. 248), [13JN]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Hawaii: establish competitive grant program to support conservation and recovery of native plant and animal species (see S. 1145), [30MR]
- Hazardous substances: establish national mercury monitoring program to protect human health, safeguard fisheries, and track environmental effects of emissions reductions (see S. 1772), [31MY]
- prohibit procurement of certain items containing perfluorooctane sulfonate (PFOS) or perfluorooctanoic acid (PFOA) and prioritize procurement of products without per- and polyfluoroalkyl substances (PFAS) (see S. 2283), [12JY]
- Health: prepare and empower health care sector to protect health and wellbeing of our workers, our communities, and our planet in face of climate crisis (see S. 1229), [20AP]
- provide for green and resilient health care infrastructure (see S. 2657), [27JY]
- Horticulture: require priority and consideration of using native plants in Federal projects (see S. 3510), [13DE]
- Housing: repeal certain incentives to upgrade energy efficiency standards relative to taxpayer subsidies for home electrification (see S. 2806), [14SE]
- Human rights: express concern about environmental crimes and attacks on human rights of environmental and land defenders in Latin America and Caribbean (see S. Res. 142), [30MR]
- highlight risks that environmental defenders face and commend their role in defending human rights, combating climate chaos, and supporting clean, healthy, and sustainable environment (see S. Res. 138), [29MR]
- Hydroelectric power: modernize and improve licensing of non-Federal hydropower projects (see S. 1521), [10MY]
- support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 2994), [28SE]
- Infrastructure: improve Federal permitting processes for certain projects (see S. 877), [21MR]
- Insects: encourage and facilitate efforts by States and other stakeholders to conserve and sustain western population of monarch butterflies (see S. 857), [16MR]
- International economic relations: influence international financial institutions to advance transition to global clean energy economy and prohibit U.S. assistance to countries or entities to support fossil fuel activity (see S. 3455), [7DE]
- Kids to Parks Day: designate (see S. Res. 226), [18MY]
- Lake Tahoe Restoration Act: reauthorize (see S. 612), [1MR]
- Mammoth Cave National Park: modify boundary (see S. 1277), [25AP]
- Mining and mineral resources: provide for security of tenure for use of mining claims for ancillary activities (see S. 1281), [25AP]
- Missisquoi National Wildlife Refuge: anniversary (see S. Res. 433), [26OC]

## ECOLOGY AND ENVIRONMENT

- Montana: designate certain streams in greater Yellowstone ecosystem and Smith River system as components of Wild and Scenic Rivers System (see S. 3346), [27NO]
- sustain economic development and recreational use of National Forest System land, add certain land to National Wilderness Preservation System, and designate new areas for recreation (see S. 2149), [22JN]
- Montreal Protocol on Substances That Deplete the Ozone Layer: prohibit funding until China is no longer defined as developing country (see S. 1035), [29MR]
- Morris K. Udall and Stewart L. Udall Trust Fund: reauthorize (see S. 1311), [26AP]
- Motor vehicles: prevent elimination of sale of internal combustion engines (see S. 2090), [21JN]
- National Academies of Sciences, Engineering, and Medicine: study and report on Federal research agenda to advance understanding of per- and polyfluoroalkyl substances (see S. 466), [16FE]
- National Arbor Day: anniversary (see S. Res. 183), [27AP]
- National Asbestos Awareness Week: designate (see S. Res. 149), [30MR]
- National Clean Energy Week: designate (see S. Res. 388), [29SE] (see S. Res. 398), [4OC]
- National Dam Safety Program Act: reauthorize (see S. 3111), [24OC]
- National Disaster Safety Board: establish (see S. 3338), [15NO]
- National Estuaries Week: designate (see S. Res. 353), [20SE]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 414), [18OC]
- National Loggers Day: designate (see S. Res. 387), [29SE] (see S. Res. 410), [17OC]
- National Marine Sanctuary Day: designate (see S. Res. 419), [19OC]
- National Native Plant Month: designate (see S. Res. 152), [30MR]
- National Park Service: encourage reduction of disposable plastic products in units of National Park System (see S. 2728), [6SE]
- National Science and Technology Council: establish Interagency Group on Large-Scale Carbon Management to implement Federal Carbon Removal Initiative (see S. 2002), [14JN]
- National Water Week: designate (see S. Res. 198), [4MY]
- National Wildlife Refuge Week: designate (see S. Res. 396), [4OC]
- Native Americans: recognize critical importance of access to reliable, clean drinking water for Native Americans and Alaska Natives and confirm responsibility of Federal Government to ensure such access (see S. Res. 355), [21SE]
- Natural Resources Conservation Service: allow watershed rehabilitation work after wildfires, carried out before project is approved, to count toward sponsor's required financial contribution to overall project (see S. 757), [9MR]
- Navy: notify Congress of pending retirement of any naval vessel that is viable candidate for artificial reefing (see S. 386), [9FE]
- Nevada: modify authorization of appropriations for Las Vegas Wash program (see S. 3418), [6DE]
- New Mexico: withdraw certain Federal land in Pecos Watershed area from mineral entry and designate Thompson Peak Wilderness Area (see S. 3033), [4OC]
- NOAA: codify and improve Coastal Management Fellowship and Digital Coast Fellowship (see S. 1552), [11MY]
- collaborate with State and local governments and Indian Tribes on vulnerability assessments related to ocean acidification, research planning, and similar activities (see S. 1808), [6JN]
- disapprove rule entitled “Endangered and Threatened Wildlife and Plants; Regulations for Listing Endangered and Threatened Species and Designating Critical Habitat” (see S.J. Res. 23), [30MR]
- establish grant program to award grants to eligible entities to carry out projects on conservation, restoration, or management of kelp forest ecosystems (see S. 2807), [14SE]
- establish grant program to fund youth fishing projects (see S. 1860), [7JN]
- establish Sea Turtle Rescue Assistance Grant Program (see S. 2086), [21JN]
- improve administration of Marine Debris Foundation and Marine Debris Program (see S. 318), [9FE]
- prohibit issuance of interim or final rule that amends, updates, modifies, or replaces North Atlantic right whale vessel strike reduction rule until mitigation protocols are fully developed and deployed (see S. 1833), [6JN]
- reauthorize Chesapeake Bay Office (see S. 2534), [26JY]
- reauthorize Marine Debris Program (see S. 3277), [9NO]
- Northwestern New Mexico Rural Water Projects Act: amend (see S. 1898), [8JN]
- Nuclear energy: enhance U.S. civil nuclear leadership, support licensing of advanced nuclear technologies, strengthen domestic nuclear energy fuel cycle and supply chain, and improve regulation of nuclear energy (see S. 1111), [30MR]
- Office of Science and Technology Policy: add CPSC to list of agencies required to be represented on per- and polyfluoroalkyl substances (PFAS) interagency working group (see S. 820), [15MR]
- Oregon: expand Smith River National Recreation Area and designate certain wild rivers (see S. 162), [31JA]
- Plastic Pollution Action Month: designate (see S. Res. 296), [13JY]
- Pollution: reduce production and use of single-use plastics, improve responsibility of producers over consumer products and packaging, and prevent plastics from entering animal and human food chains and waterways (see S. 3127), [25OC]
- Power resources: address measuring methane emissions (see S. 3496), [13DE]
- clarify that States have sole authority to regulate hydraulic fracturing on Federal land within their boundaries (see S. 19), [23JA]
- expedite permitting for oil, natural gas, and mineral development, increase energy production, and ensure Federal lands remain open to productive uses (see S. 1456), [4MY]
- improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 23), [23JA] (see S. 989), [27MR]
- increase energy production, exports, infrastructure, and critical minerals processing, promote transparency, accountability, and permitting, and improve water quality certification (see S. 947), [22MR]
- prevent energy poverty in at-risk communities and ensure access to affordable energy in such communities (see S. 2826), [14SE]
- promote competition in area of digital energy management tools, enhance consumer access to electric energy and natural gas information, and allow for adoption of innovative products and service (see S. 1936), [13JN]
- Presidents of the U.S.: clarify inability to declare national emergencies on premise of climate change (see S. 2118), [22JN]
- Public buildings: establish minimum temperature for thermostats at headquarters of Dept. of Energy and EPA (see S. 2373), [19JY]
- Public lands: designate certain lands in Idaho, Montana, Oregon, Washington, and Wyoming as wilderness, wild and scenic rivers, wildland recovery areas, and biological connecting corridors (see S. 1531), [10MY]
- discourage speculative oil and gas leasing and promote enhanced multiple use management of public land and National Forest System land (see S. 1622), [16MY]
- establish emergency fire management areas on public lands to prevent catastrophic wildfires (see S. 1719), [18MY]
- modify procedures for issuing special recreation permits for certain public land units (see S. 1630), [16MY]
- provide for establishment of grazing management program on Federal land in Malheur County, OR (see S. 1890), [8JN]
- Renewable energy: repeal certain restrictions on offshore wind leasing (see S. 3026), [4OC]
- repeal restrictions on onshore wind and solar (see S. 3025), [4OC]
- require assessments of opportunities to install and maintain floating photovoltaic solar panels at Corps of Engineers and Bureau of Reclamation projects (see S. 1215), [19AP]
- Renewable Fuels Month: designate (see S. Res. 213), [15MY]
- Santa Monica Mountains National Recreation Area: adjust boundary to include Rim of the Valley Corridor (see S. 1466), [4MY]
- SBA: enhance Office of Credit Risk Management and issue rules relative to environmental obligations of certified development companies (see S. 1345), [27AP]
- SEC: prohibit from requiring issuers to disclose information relative to greenhouse gas emissions (see S. 391), [13FE]
- require that information required to be disclosed by issuers be material to investors of those issuers (see S. 2005), [15JN]
- Shenandoah Mountain National Scenic Area: establish (see S. 2630), [27JY]
- Shipping industry: eliminate certain requirements relative to dredging and dredged materials (see S. 3434), [7DE]
- permit use of NATO and major non-NATO ally dredge ships in U.S. (see S. 3432), [7DE]
- Southwest Forest Health and Wildfire Prevention Act: require establishment of additional Institute (see S. 2151), [22JN]
- Taxation: establish excise tax on plastics (see S. 2844), [19SE]
- expand new clean vehicle credit to include clean vehicles with fewer than 4 wheels (see S. 1779), [31MY]
- extend energy credit for qualified fuel cell property (see S. 3027), [4OC]
- facilitate water leasing and water transfers to promote conservation and efficiency (see S. 1874), [8JN]
- impose carbon border adjustment on energy intensive imports and incentivize decarbonization of domestic manufacturing (see S. 3422), [6DE]
- impose fee on certain imported products based on pollution intensity associated with production of such products (see S. 3198), [2NO]
- increase applicable dollar amount for qualified carbon oxide which is captured and utilized for purposes of carbon oxide sequestration credit (see S. 542), [28FE]
- increase excise taxes on fuel used by private jets (see S. 2378), [19JY]
- increase limitation on credit for biomass stoves and boilers (see S. 54), [24JA]
- increase low-income housing credit for rehabilitation expenditures for buildings achieving enhanced energy performance (see S. 611), [1MR]
- oppose Federal efforts to establish carbon tax on fuels for electricity and transportation (see S. Con. Res. 23), [26OC]
- provide tax credit for purchase of certain new electric bicycles (see S. 881), [21MR]
- repeal clean vehicle credit (see S. 3016), [4OC]
- repeal excise tax on heavy trucks and trailers (see S. 694), [8MR]
- terminate Hazardous Substance Superfund financing rate (see S. 1942), [13JN]
- Transportation: award grants to entities that provide transportation connectors from critically underserved urban and rural communities to green spaces (see S. 1440), [4MY]
- Trucking industry: establish voucher program for purchase and installation of emission reducing technologies for Class 8 trucks (see S. 3315), [15NO]
- U.N. Convention on Biological Diversity: urge Senate ratification (see S. Con. Res. 11), [31MY]
- U.N. Convention on the Law of the Sea: urge Senate ratification (see S. Res. 466), [15NO]

- U.N. Framework Convention on Climate Change: prohibit funding until China is no longer defined as developing country (see S. 1035), [29MR]
- U.S. Fish and Wildlife Service: authorize livestock producers and their employees to take black vultures in order to prevent death, injury, or destruction of livestock (see S. 3358), [29NO]
- disapprove rule relative to endangered and threatened wildlife status for lesser prairie-chicken (see S.J. Res. 9), [7FE]
- disapprove rule relative to endangered species status for northern long-eared bat (see S.J. Res. 24), [30MR]
- establish New York-New Jersey Watershed Restoration Program (see S. 1335), [27AP]
- make supplemental funding available for management of fish and wildlife species of greatest conservation need as determined by State fish and wildlife agencies (see S. 1149), [30MR]
- provide for determination of grizzly bear species consistent with Endangered Species Act (see S. 2571), [27JY]
- reauthorize Partners for Fish and Wildlife Program and certain conservation funds (see S. 2395), [19JY]
- reissue regulations removing gray wolf from list of endangered and threatened wildlife under Endangered Species Act (see S. 1895), [8JN]
- reissue rule delisting grizzly bears in Greater Yellowstone Ecosystem and prohibit further judicial review of decision (see S. 445), [15FE]
- update post-delisting monitoring plan for Western Great Lakes distinct population segment of gray wolf (see S. 1788), [1JN]
- work with partners and support efforts to assess, protect, restore, and enhance important coastal areas that provide fish and wildlife habitat on which Federal trust species depend (see S. 1381), [27AP]
- U.S. Foundation for International Conservation: establish (see S. 618), [1MR]
- U.S. Geological Survey: establish Open Access Evapotranspiration (OpenET) Data Program (see S. 1118), [30MR]
- Veterans Get Outside Day: designate (see S. Res. 206), [10MY]
- Washington (State): designate and expand wilderness areas and designate certain rivers as wild and scenic rivers in Olympic National Forest and Olympic National Park (see S. 1254), [20AP]
- Water: carry out activities to control movement of aquatic invasive species into, across, and out of Federal land and waters and provide financial assistance for watercraft inspection and decontamination (see S. 2105), [22JN]
- disapprove rule entitled “Revised Definition of ‘Waters of the U.S.’” (see S.J. Res. 7), [2FE]
- establish advisory committee to inform Congress of impact of waters of U.S. regulations on agriculture (see S. 1023), [29MR]
- establish trust fund to provide adequate funding for water and sewer infrastructure (see S. 938), [22MR]
- increase efficiency and conservation in public water systems (see S. 2654), [27JY]
- provide access to reliable, clean, and drinkable water on Native American lands (see S. 2385), [19JY]
- provide for drought preparedness and improved water supply reliability (see S. 2102), [21JN]
- Water pollution: address harmful algal blooms and hypoxia through research, forecasting and monitoring, and mitigation and control while helping communities detect, control, and mitigate such events (see S. 3348), [27NO]
- Wildfires: provide for removal of small-diameter trees in fire hazard areas (see S. 3062), [17OC]
- Wildlife: enhance protections against importation, and transport between States, of injurious species (see S. 1614), [16MY]

## ECONOMY

- streamline applications from farmers to be vendors under certain nutrition programs (see S. 2504), [26JY]
- Dept. of Commerce: conduct interagency review of, and report to Congress on, ways to increase U.S. global competitiveness in attracting foreign direct investment (see S. 2368), [19JY]
- establish China Economic Data Coordination Center within Bureau of Economic Analysis (see S. 970), [23MR]
- establish Economic Development Administration Critical Supply Chain Site Development grant program (see S. 1915), [8JN]
- establish National Manufacturing Advisory Council (see S. 1153), [30MR]
- establish Resilient Communities Program to provide communities impacted by trade with grants for economic development (see S. 3425), [6DE]
- establish university centers to encourage certain economic development (see S. 3169), [31OC]
- report on recommendations to improve effectiveness, efficiency, and impact of programs related to supply chain resilience and manufacturing and industrial innovation (see S. 2116), [22JN]
- require SelectUSA to coordinate with State-level economic development organizations to increase foreign direct investment in semiconductor-related manufacturing and production (see S. 229), [2FE]
- Dept. of Defense: provide for closure and disposal of Pueblo Chemical Depot (see S. 1892), [8JN]
- Dept. of Energy: expand exports of natural gas (see S. 438), [15FE]
- Dept. of Justice: establish CCP Initiative program (see S. 511), [16FE]
- Dept. of Labor: increase minimum salary threshold for employees who are exempt from overtime pay and provide for periodic updates of such threshold (see S. 1041), [29MR]
- Dept. of State: establish U.S.-ASEAN Center to support U.S. economic and cultural engagement with Southeast Asia (see S. 2725), [5SE]
- Dept. of the Interior: repay States for amounts expended to operate units of National Park System during Government shutdown (see S. 2972), [28SE]
- Dept. of the Treasury: adjust for inflation maximum amount of assistance provided by Community Development Financial Institutions Fund (see S. 1442), [4MY]
- prevent foreign terrorist organizations and their financial enablers, whether in currency or digital assets, from accessing financial and other institutions of U.S. (see S. 3441), [7DE]
- support U.S. dollar as world reserve currency and combat economic influence of China (see S. Res. 460), [13NO]
- Dept. of Transportation: ensure consideration of affordable housing in Reconnecting Communities Pilot Program (see S. 3350), [28NO]
- Employment: strengthen workers' right to organize and bargain for higher wages, better benefits, and safer working conditions and deter employers from violating workers' rights to form unions (see S. 567), [28FE]
- EPA: disapprove rule entitled "Control of Air Pollution From New Motor Vehicles—Heavy-Duty Engine and Vehicle Standards" (see S.J. Res. 11), [9FE]
- Executive Office of the President: establish Office of Social Connection Policy (see S. 2350), [18JY]
- provide inflation estimate relative to Executive orders with significant impact on annual gross budget (see S. 715), [8MR]
- Federal agencies and departments: prohibit from issuing moratoriums on leasing and permitting energy and minerals on certain Federal land (see S. 319), [9FE]
- Federal Crop Insurance Corp.: require certain membership on Board of Directors (see S. 2523), [26JY]
- Federal employees: calculate cost-of-living adjustments for retirees under Federal Employee Retirement System in same way as those for retirees under Civil Service Retirement System (see S. 3194), [1NO]
- Financial institutions: repeal exemption from enhanced supervision and prudential standards applicable to bank holding companies with certain total consolidated assets (see S. 817), [15MR]
- Foreign countries: promote economic and commercial opportunities internationally (see S. 367), [9FE]
- Foreign policy: establish partnership with Western Hemisphere nations to promote economic competitiveness, democratic governance, and security (see S. 1325), [26AP]
- grant certain authorities to President to combat economic coercion by foreign adversaries (see S. 295), [7FE]
- Foreign trade: negotiate strong, inclusive, and forward-looking agreements on digital economy and trade with like-minded countries as part of broader trade and economic strategy (see S. Res. 155), [30MR]
- FRS: ensure that at least one Board of Governors member has demonstrated primary experience in supporting or protecting rights of workers (see S. 496), [16FE]
- limit purchases of Federal reserve banks and require Generally Accepted Accounting Principles standards (see S. 2409), [20JY]
- limit total assets of Federal reserve banks (see S. 2410), [20JY]
- place further congressional oversight and reporting on quantitative easing or tightening programs or emergency lending programs and require congressional approval to extend such programs (see S. 2411), [20JY]
- provide greater accountability (see S. 1155), [30MR]
- FTC: ensure transparent and competitive transportation fuel markets in order to protect consumers from unwarranted price increases (see S. 259), [2FE]
- GAO: conduct study on economic impact and health outcomes associated with response to coronavirus pandemic (see S. 2686), [27JY]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Health: prepare and empower health care sector to protect health and wellbeing of our workers, our communities, and our planet in face of climate crisis (see S. 1229), [20AP]
- Hong Kong: provide for review of sanctions (see S. 3177), [1NO]
- Housing: repeal certain incentives to upgrade energy efficiency standards relative to taxpayer subsidies for home electrification (see S. 2806), [14SE]
- Inflation Reduction Act: repeal Medicare prescription drug price control provisions (see S. 2157), [22JN]
