- suits, provide judicial review, and strengthen protections for Federal election records and election infrastructure (see S. 1487), [9MY]
- Employment: prohibit, or require disclosure of, surveillance, monitoring, and collection of certain worker data by employees (see S. 262), [2FE]
- EPA: establish consortium related to exposures to toxic substances and identifying chemicals that are safe to use (see S. 1685), [18MY]
- Executive Office of the President: prohibit downloading or using of TikTok video app on U.S. devices and require Director of National Intelligence submit report on threat to national security posed by TikTok (see S. 85), [25JA]
- FAA: reduce regulations on pilots by clarifying terms “common carrier” and “personal operator” to facilitate flight-sharing by noncommercial pilots on digital platforms (see S. 888), [21MR]
- FCC: apply certain standards on volume of commercials to video streaming services (see S. 1127), [30MR]
  - conduct study and report to Congress on feasibility of funding Universal Service Fund through contributions supplied by Internet edge providers (see S. 856), [16MR]
  - ensure equitable and nondiscriminatory contributions to mechanisms that preserve and advance universal service and reduce financial burden on consumers (see S. 3321), [15NO]
  - ensure that broadband maps are accurate before funds are allocated under Broadband Equity, Access, and Deployment Program based on those maps (see S. 1162), [30MR]
  - establish council to make recommendations on ways to increase security, reliability, and interoperability of communications networks (see S. 828), [15MR]
  - evaluate and consider impact of telecommunications network equipment supply chain on deployment of universal service (see S. 690), [7MR]
  - identify social media entities under influence of certain foreign entities and take measures to protect U.S. from such entities (see S. 872), [16MR]
  - issue rules prohibiting entities from offering minor consumers artificial intelligence features in products without parental consent (see S. 1626), [16MY]
  - prohibit reclassification of broadband Internet access service as telecommunications service and imposition of certain regulations on providers of such service (see S. 3119), [24OC]
  - prohibit schools that receive certain support from allowing access to social media platforms on subsidized services, devices, or networks (see S. 3074), [18OC]
  - reform broadband permitting (see S. 2663), [27JY]
  - require certain pornographic interactive computer services to adopt and operate technology verification measures to ensure that users are not minors (see S. 3314), [15NO]
  - require providers of interactive computer services to publicly disclose information relative to requests or recommendations made by government entities to moderate content (see S. 2314), [13JY]
- FDA: allow digital communication of prescribing information for drugs, including biological products (see S. 2916), [26SE]
  - establish electronic format for medical device recall notifications (see S. 2907), [21SE]
- FEC: enhance transparency and accountability for online political advertisements by requiring those who purchase and publish such ads to disclose information about advertisements (see S. 486), [16FE]
  - prohibit distribution of materially deceptive artificial intelligence (AI)-generated audio or visual media relating to candidates for Federal office (see S. 2770), [12SE]
- Federal agencies and departments: advance Federal Government innovation through implementation and use of multi-cloud computing software technology (see S. 2871), [20SE]
  - ensure that guidance, instructions, and other public information is written in plain language (see S. 717), [8MR]
  - establish task force on organizational structure for artificial intelligence governance and oversight (see S. 1356), [27AP]
  - improve visibility, accountability, and oversight of agency software asset management practices (see S. 931), [22MR]
  - increase access to agency guidance documents (see S. 791), [14MR]
  - modify requirements relative to data centers of certain Federal agencies (see S. 933), [22MR]
  - prohibit Federal employees and contractors from directing online platforms to censor any speech protected by First Amendment (see S. 2425), [20JY]
  - prohibit from restricting use of convertible virtual currency by person to purchase goods or services for own use (see S. 3229), [6NO]
  - require agencies that use, fund, or oversee algorithms to have office of civil rights focused on bias, discrimination, and other harms of algorithms (see S. 3478), [12DE]
  - require appointment or designation of emerging technology leading officials in relevant Federal agencies (see S. 1577), [11MY]
  - require reduction of reliance and expenditures on legacy information technology systems (see S. 2032), [15JN]
  - require to have compliance officers to ensure each department or agency is meeting requirements relative to disabled access to electronic information and data (see S. 2910), [21SE]
  - require use of Artificial Intelligence Risk Management Framework developed by NIST relative to use of artificial intelligence (see S. 3205), [2NO]
- Federal aid programs: prohibit receipt of Federal funds by individuals or entities conducting business with social media companies associated with countries of concern (see S. 875), [16MR]
- Federal Digital Platform Commission: establish (see S. 1671), [18MY]
- Federal Financial Institutions Examination Council: establish Portal for Appraisal Credentialing and Appraisal Management Companies (AMC) Registration information (see S. 2692), [27JY]
- Financial institutions: impose requirements on digital exchanges (see S. 3087), [19OC]
  - provide for responsible financial innovation and bring digital assets within regulatory perimeter (see S. 2281), [12JY]
- Firearms: ensure that all firearms are traceable by prohibiting manufacture or possession of 3-D printed guns made of plastic (see S. 2652), [27JY]
  - prohibit online publication of blueprints for 3-D printed plastic guns (see S. 1819), [6JN]
- Foreign trade: negotiate strong, inclusive, and forward-looking agreements on digital economy and trade with like-minded countries as part of broader trade and economic strategy (see S. Res. 155), [30MR]
- FRS: limit ability of Federal Reserve banks to issue central bank digital currency (see S. 967), [23MR]
- FTC: conduct study with CDC on social media use by teenagers and issue report and policy recommendations (see S. 687), [7MR]
  - ensure large online platforms are addressing needs of non-English users (see S. 1801), [1JN]
  - establish centralized system to allow individuals to request simultaneous deletion of their personal information across all data brokers (see S. 2121), [22JN]
  - establish duties to require online service providers to protect user data and prohibit use of user data to their detriment (see S. 744), [9MR]
  - extend, enhance, and revise certain laws on collection, use, and disclosure of personal information of children and establish additional protections (see S. 1418), [3MY]
  - improve communications between social media platforms and law enforcement agencies and establish Platform Safety Advisory Committee (see S. 2531), [26JY]
  - improve online ticket sales and protect consumers (see S. 3191), [1NO]
  - increase consumer choice by requiring large online communications platforms to make services interoperable with other platforms, make user data portable, and allow third-party services to manage account settings (see S. 2521), [26JY]
  - increase consumer protections relative to free trial, automatic renewal, and negative option offers for subscription-based services (see S. 1091), [30MR]
  - prohibit circumvention of control measures used by Internet retailers to ensure equitable consumer access to products (see S. 3511), [13DE]
  - prohibit data brokers from selling, reselling, trading, licensing, or otherwise providing for consideration lists of military servicemembers to covered nations (see S. 1029), [29MR]
  - prohibit discriminatory use of personal information by online platforms in any algorithmic process and require transparency in use of algorithmic processes and content moderation (see S. 2325), [13JY]
  - prohibit targeted advertising by advertising facilitators and advertisers (see S. 2833), [18SE]
  - prohibit unfair and deceptive advertising of prices for hotel rooms and other places of short-term lodging (see S. 2498), [26JY]
  - prohibit use of exploitative and deceptive practices by large online operators and promote consumer welfare in use of behavioral research by such providers (see S. 2708), [27JY]
  - promote fairness in sale of event tickets (see S. 3457), [7DE]
  - require covered digital advertising platforms to report their public service advertisements (see S. 2423), [20JY]
  - require generative artificial intelligence to disclose that their output has been generated by artificial intelligence (see S. 2691), [27JY]
  - require impact assessments of automated decision systems and augmented critical decision processes (see S. 2892), [21SE]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 1876), [8JN]
- GAO: conduct study on health and mental impact of social media use by teenagers and issue report and policy recommendations (see S. 410), [14FE]
  - require report on Federal support to cybersecurity of commercial satellite systems (see S. 1425), [3MY]
  - study sale of illicit drugs online (see S. 2982), [28SE]
- Government: require officers and employees of legislative and executive branches to disclose communications with information content providers and interactive computer services relative to restricting speech (see S. 1672), [18MY]
- Health: codify rule requiring hospitals and insurers disclose discounted cash pricing and negotiated rates to consumers (see S. 1130), [30MR] (see S. 3548), [14DE]
  - protect privacy of personal reproductive or sexual health information (see S. 1656), [17MY]
  - support public health infrastructure (see S. 1995), [14JN]
- Independent Financial Technology Working Group To Combat Terrorism and Illicit Financing: establish (see S. 1340), [27AP]
- Information technology: address governmental interference in content moderation decisions by providers of interactive computer services (see S. 1525), [10MY]
  - correct shortcomings in how laws address online content moderation, creation and development, and distribution (see S. 921), [22MR]
  - establish governmentwide approach to improving digital identity (see S. 884), [21MR]
  - establish national data privacy standards (see S. 3337), [15NO]
  - hold technology companies accountable for failure to remove child sexual abuse material from their networks and require reports on efforts to keep children safe from online predators (see S. 1199), [19AP]

- impose notice and consent requirements on Internet platforms that use algorithms to manipulate availability of content (see S. 688), [7MR]
  - improve transparency of purchases by Federal Government of data or information that can be used to identify individuals (see S. 2292), [13JY]
  - modernize and streamline permitting process for broadband infrastructure on Federal land (see S. 2855), [20SE]
  - modernize Federal information security management and establish Cyber Incident Review Office and Federal Risk and Authorization Management Program (FedRAMP) (see S. 2251), [11JY]
  - permit parents to bring civil action against social media companies that fail to provide parental access and data control rights relative to social media accounts of minor children (see S. 564), [28FE]
  - prohibit certain discriminatory conduct by covered platforms (see S. 2033), [15JN]
  - provide targeted exceptions to immunity for providers and users of interactive computer services and reaffirm civil rights, victims’ rights, and consumer protections (see S. 560), [28FE]
  - remove immunity protections from social media platforms which host accounts of censoring foreign adversaries (see S. 941), [22MR]
  - require application stores to publicly list country of origin of applications that they distribute and provide consumers ability to protect themselves (see S. 1732), [18MY]
  - require social media platforms to verify age of users, prohibit use of algorithmic recommendation systems on minors, require parental consent for minors, and prohibit access for users under age 13 (see S. 1291), [26AP]
  - require social media platforms verify all individuals who create an account are age 16 or older (see S. 419), [14FE]
  - strengthen transparency in process online platforms use to moderate content and hold those companies accountable for content that violates their own policies or is illegal (see S. 483), [16FE]
  - waive immunity for providers of social media services for claims and charges relative to generative artificial intelligence (see S. 1993), [14JN]
  - Investments: prohibit interference in U.S. digital commodity markets by entities organized or established in foreign adversary (see S. 1870), [7JN]
  - IRS: require employees teleworking due to pandemic precautions to return to full-time, in-office work until backlog of 2020 tax returns has been eliminated (see S. 155), [31JA]
  - Law enforcement: require Internet service providers to provide law enforcement limited window of time to investigate before notifying suspected child predators of existence of lawfully-issued subpoenas (see S. 1406), [2MY]
  - Medicare: expand access to telehealth services (see S. 2016), [15JN]
    - expand scope of practitioners eligible for payment for telehealth services (see S. 2880), [21SE]
    - improve access to diabetes outpatient self-management training services and require Center for Medicare and Medicaid Innovation to test virtual diabetes outpatient self-management training services (see S. 1832), [6JN]
      - protect access to telehealth services in rural and underserved communities (see S. 1636), [17MY]
      - provide for waiver of certain telehealth requirements to permit reimbursement of audio-only telehealth services during emergency declarations (see S. 729), [9MR]
      - test payment of blood transfusions separately from hospice all-inclusive per diem payment (see S. 2186), [22JN]
  - Medicare/Medicaid: provide coverage of prescription digital therapeutics for treatment of mental health and substance use disorders (see S. 723), [8MR]
    - provide for mental and behavioral health treatment through telehealth (see S. 730), [9MR]
  - National Commission on Online Child Sexual Exploitation Prevention: establish (see S. 1207), [19AP]
  - National Cybersecurity Education Month: designate (see S. Res. 247), [13JN]
  - National objectives: provide greater access to rural and agricultural media programming (see S. Res. 113), [15MR]
  - National “Slam the Scam” Day: designate (see S. Res. 101), [9MR]
  - National Telecommunications and Information Administration: establish food and agriculture cybersecurity clearinghouse (see S. 2393), [19JY]
    - establish Office of Policy Development and Cybersecurity (see S. 1526), [10MY]
  - National Weather Service: upgrade internal instant messaging service (see S. 1414), [3MY]
  - NIST: improve requirement to establish testbeds to support development and testing of trustworthy artificial intelligence systems and improve interagency coordination in development of such testbeds (see S. 3162), [30OC]
  - NSF: establish National Artificial Intelligence Research Resource (see S. 2714), [27JY]
    - provide grants to modernize mathematics and improve science, technology, engineering, and math (STEM) education through mathematical and statistical modeling, including data-driven and computational thinking (see S. 2739), [7SE]
    - support research on privacy enhancing technologies and promote responsible data use (see S. 3325), [15NO]
  - OMB: establish Chief Artificial Intelligence Officers Council, Chief Artificial Intelligence Officers, and Artificial Intelligence Governance Boards (see S. 2293), [13JY]
  - OPM: establish, or otherwise secure provision of, training program on artificial intelligence for Federal management officials and supervisors (see S. 1564), [11MY]
  - Political campaigns: require advertisements to include statement if generative AI (artificial intelligence) was used to generate any image or video footage in such ads (see S. 1596), [15MY]
  - Postal Service: offer identity proofing and identity-related services to private sector (see S. 3003), [30SE]
  - Privacy: give option to delete personal information collected by Internet operators resulting from Internet activity prior to age 13 (see S. 395), [13FE]
    - prevent law enforcement and intelligence agencies from obtaining subscriber or customer records in exchange for anything of value and address communications and records in possession of intermediary Internet providers (see S. 2576), [27JY]
  - SBA: establish program to assist small business concerns with purchasing cybersecurity products and services (see S. 1458), [4MY]
    - help small businesses prepare for and combat cybersecurity threats (see S. 2740), [7SE]
    - improve certain programs to better assist small business customers in accessing broadband technology (see S. 2677), [27JY]
    - provide business loans to finance business software or cloud computing services (see S. 2330), [18JY]
      - require Office of Entrepreneurship Education to establish and maintain website regarding small business permitting and licensing requirements (see S. 1042), [29MR]
  - Schools: enable schools to provide science, technology, engineering, and math (STEM) classrooms and laboratories and high-speed Internet and modernize, renovate, or repair career and technical education facilities (see S. 2167), [22JN]
  - Science: establish public-private partnership for near-term quantum application development and acceleration (see S. 1439), [4MY]
  - SEC: address advertising by digital asset intermediaries (see S. 1357), [27AP]
    - disapprove rule entitled “Cybersecurity Risk Management, Strategy, Governance, and Incident Disclosure” (see S.J. Res. 50), [9NO]
    - prohibit from requiring that personally identifiable information be collected under consolidated audit trail reporting requirements (see S. 2230), [11JY]
  - Social Security: integrate telehealth models in maternity care services (see S. 1699), [18MY]
  - Taxation: apply mailbox rule for contracts to documents and payments electronically submitted to IRS (see S. 1338), [27AP]
    - exclude certain broadband grants from gross income (see S. 341), [9FE]
    - exempt telehealth services from certain high deductible health plan rules (see S. 1001), [28MR]
    - expand and modify employer educational assistance programs (see S. 3296), [14NO]
    - make permanent permissible first-dollar coverage of telehealth services in health savings accounts (see S. 731), [9MR]
    - require that online contributions to political organizations require credit verification value (see S. 491), [16FE]
  - Technology: increase knowledge and awareness of best practices to reduce cybersecurity risks in U.S. (see S. 2201), [22JN]
    - require disclosure of camera or recording capability in certain Internet-connected devices (see S. 90), [25JA]
    - require reports on artificial intelligence regulation in financial services and artificial intelligence-enabled military applications vulnerabilities, and establish artificial intelligence bug bounty programs (see S. 3050), [17OC]
    - require watermark for artificial intelligence (AI)-generated materials (see S. 2765), [12SE]
  - Telecommunications: preserve and protect ability of State and local governments, public-private partnerships, and cooperatives to provide broadband services (see S. 1197), [19AP]
  - Telehealth Awareness Week: designate (see S. Res. 368), [26SE]
  - Trademarks: establish contributory liability for online marketplace platforms when third party sells counterfeit products posing health or safety risk and require platforms to help prevent sale of such products (see S. 2934), [26SE]
  - 21st Century Communications and Video Accessibility Act: update (see S. 2494), [25JY]
  - U.S. Immigration and Customs Enforcement: expand Human Exploitation Rescue Operation (HERO) Child-Rescue Corps Program (see S. 987), [27MR]
  - Veterans: enhance penalties for convictions for conspiracy to commit telemarketing or email marketing fraud committed against veterans (see S. 2503), [26JY]
  - Voting: encourage Congress to pass legislation to increase voting access and registration, protect voting rights, and improve election security (see S. Res. 350), [19SE]

- Government regulations: provide that consumer room air cleaners are covered products to which certain energy conservation standards apply (see S. 235), [2FE]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Housing: repeal certain incentives to upgrade energy efficiency standards relative to taxpayer subsidies for home electrification (see S. 2806), [14SE]
- Public buildings: establish minimum temperature for thermostats at headquarters of Dept. of Energy and EPA (see S. 2373), [19JY]
- Taxation: increase low-income housing credit for rehabilitation expenditures for buildings achieving enhanced energy performance (see S. 611), [1MR]
- repeal electric vehicle tax incentives and establish credit to promote U.S. automobile manufacturing (see S. 2962), [28SE]
- Reports filed**
- Nuclear Fuel Security Act: Committee on Energy and Natural Resources (Senate) (S. 452) (S. Rept. 118–52), [11JY]
- CONSERVATION OF NATURAL RESOURCES related term(s) ECOLOGY AND ENVIRONMENT; NATURAL RESOURCES; RENEWABLE ENERGY**
- Appointments**
- Migratory Bird Conservation Commission, [27JY]
- Bills and resolutions**
- Agriculture: address impact of climate change (see S. 1016), [28MR]
- Agriculture, rural development, FDA, and related agencies programs: making appropriations (see S. 2131), [22JN]
- Arctic National Wildlife Refuge: preserve Arctic coastal plain as wilderness (see S. 282), [7FE]
- BatWeek: designate (see S. Res. 436), [26OC]
- BLM: withdraw rule relative to conservation and landscape health (see S. 1435), [3MY]
- Bureau of Reclamation: support water infrastructure in reclamation States (see S. 2162), [22JN]
- California: provide for protection of and investment in certain Federal land (see S. 1776), [31MY]
- Chesapeake Bay: conserve (see S. 2710), [27JY]
- Chesapeake National Recreation Area: establish (see S. 2620), [27JY]
- Climate: impact of climate change on health, economic opportunity, and fundamental rights of children, importance of U.S. leadership in addressing crisis, and need for science-based plan to reduce fossil fuel emissions (see S. Con. Res. 13), [13JY]
- Colorado: designate certain wilderness, recreation, and conservation areas (see S. 1634), [17MY]
- Corp. for National and Community Service: establish Civilian Climate Corps to help communities respond to climate change and transition to clean economy (see S. 2838), [19SE]
- Dept. of Agriculture: address emissions of certain greenhouse gases and carbon storage through conservation incentive contracts (see S. 2564), [27JY]
- clarify land eligible for enrollment in Conservation Reserve Program (see S. 2798), [14SE]
- convene blue ribbon panel to review Forest Service forest inventory and analysis program (see S. 433), [15FE]
- create permanent payments within Environmental Quality Incentives Program for soil health practices and carbon sequestration monitoring (see S. 2588), [27JY]
- designate composting as conservation practice and activity and provide grants and loan guarantees for composting facilities and programs (see S. 179), [31JA]
- disincentivize conversion of native sod to cropland by reducing crop insurance premium subsidy assistance and guaranteed yields of insured crops (see S. 1539), [10MY]
- ensure equal treatment of buy-protect-sell transactions and certain other transactions under Agricultural Conservation Easement Program (see S. 2507), [26JY]
- establish competitive grant program to provide grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices (see S. 900), [21MR]
- establish forest conservation easement program (see S. 2631), [27JY]
- establish fund for spotted wing drosophila research and mitigation (see S. 322), [9FE]
- establish Good Steward Cover Crop Program (see S. 1690), [18MY]
- establish grant program to address forestry workforce development needs (see S. 3063), [17OC]
- establish groundwater conservation easement program (see S. 2250), [11JY]
- establish research and extension grant priorities (see S. 2316), [13JY]
- exempt persons or legal entities that derive income from agriculture from agricultural conservation assistance programs payment limitations (see S. 2704), [27JY]
- expand provision of farmer-led technical assistance (see S. 2614), [27JY]
- expedite hazardous fuel or insect and disease risk reduction projects on certain National Forest System lands (see S. 808), [15MR]
- extend and reform Conservation Reserve Program (see S. 1509), [10MY]
- include Indian Tribes among priority resource concerns (see S. 1998), [14JN]
- make adjustments to environmental quality incentives program (see S. 658), [6MR]
- mitigate threat of invasive species in forests (see S. 1238), [20AP]

## CONSERVATION OF NATURAL RESOURCES

- modify certain programs to improve flood protection and infrastructure resiliency (see S. 3147), [26OC]
- modify Conservation Reserve Enhancement Program (see S. 1224), [20AP]
- provide for enrollment of citrus land in Conservation Reserve Program (see S. 1365), [27AP]
- provide for floodplain easement restoration and management (see S. 1361), [27AP]
- provide grants to States and Indian Tribes for programs to voluntarily repurpose agricultural land to reduce consumptive water use (see S. 2166), [22JN]
- reauthorize Joint Chiefs Landscape Restoration Partnership program (see S. 2558), [27JY]
- reauthorize Voluntary Public Access and Habitat Incentive Program (see S. 1161), [30MR]
- reform farm loans and National Appeals Division process (see S. 2668), [27JY]
- reform Natural Resources Conservation Service programs (see S. 1078), [30MR]
- require State field offices of National Resources Conservation Service to give preference to in-State applicants (see S. 2568), [27JY]
- streamline regulatory process for farmers participating in, and applying for, conservation programs (see S. 2603), [27JY]
- Dept. of Commerce: establish grant program to facilitate training and employment of veterans for certain conservation activities (see S. 1918), [8JN]
- establish Working Waterfront Task Force and Working Waterfront Grant Program (see S. 3180), [1NO]
- Dept. of Education: promote environmental literacy (see S. 1239), [20AP]
- strengthen and expand Green Ribbon Schools Program to expand number of schools, applicants, and nominees engaged around environmental, environmental literacy, and environmental health goals (see S. 2822), [14SE]
- Dept. of the Interior: allow States to issue fully electronic duck stamps (see S. 788), [14MR]
- assist Indian Tribes and Tribal organizations with protection, conservation, and fostering of buffalo herds and habitat on Indian lands (see S. 2908), [21SE]
- authorize expenditures for conduct of certain water conservation measures in Great Salt Lake basin (see S. 1955), [13JN]
- create dedicated funds to protect North American butterflies, Pacific Island plants, freshwater mussels, and Southwest desert fish (see S. 1708), [18MY]
- increase Tribal access to water conservation and efficiency grants (see S. 2927), [26SE]
- provide grants to acquire land and water for parks and other outdoor recreation purposes and develop new or renovate existing outdoor recreation facilities (see S. 448), [15FE]
- reauthorize Delaware River Basin conservation programs (see S. 654), [6MR]
- reauthorize endangered fish and threatened fish recovery programs for Upper Colorado and San Juan River Basins (see S. 2247), [11JY]
- Dept. of the Treasury: issue Clean Energy Victory Bonds to increase investment in domestic development and deployment of clean energy technologies (see S. 2893), [21SE]
- Depts. of Agriculture and the Interior: eliminate requirement to reinstate consultation on land management or land use plans relative to certain new endangered species information (see S. 1540), [10MY]
- Deschutes River Conservancy Working Group: reauthorize (see S. 2020), [15JN]
- Dolores River National Conservation Area: establish (see S. 636), [2MR]
- Dolores River Special Management Area: establish (see S. 636), [2MR]
- Endangered Species Act: anniversary (see S. Res. 516), [19DE]
- EPA: modify water conservation or irrigation efficiency practice waiver authority (see S. 2696), [27JY]
- reauthorize Long Island Sound programs (see S. 2793), [13SE]
- Forest Service: enter into contracts, grants, and agreements to carry out ecosystem restoration activities relative to collection and maintenance of native seeds and production of seedlings for revegetation (see S. 1164), [30MR]
- establish forest incentives program to keep forests intact and sequester carbon on private forest land (see S. 1366), [27AP]
- provide lasting protection for inventoried roadless areas within National Forest System (see S. 1831), [6JN]
- reauthorize and improve Water Source Protection Program and Watershed Condition Framework (see S. 1853), [7JN]
- require greater transparency in consideration of projects for Legacy Road and Trail Remediation Program (see S. 3116), [24OC]
- Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Hawaii: establish competitive grant program to support conservation and recovery of native plant and animal species (see S. 1145), [30MR]
- Human rights: express concern about environmental crimes and attacks on human rights of environmental and land defenders in Latin America and Caribbean (see S. Res. 142), [30MR]
- Lake Tahoe Restoration Act: reauthorize (see S. 612), [1MR]
- Mining and mineral resources: provide for security of tenure for use of mining claims for ancillary activities (see S. 1281), [25AP]
- Missisquoi National Wildlife Refuge: anniversary (see S. Res. 433), [26OC]
- Montana: sustain economic development and recreational use of National Forest System land, add certain land to National Wilderness Preservation System, and designate new areas for recreation (see S. 2149), [22JN]
- National Estuaries Week: designate (see S. Res. 353), [20SE]
- National Marine Sanctuary Day: designate (see S. Res. 419), [19OC]
- National Park Week: designate (see S. Res. 161), [18AP]
- National Service and Conservation Corps Day: designate (see S. Res. 253), [14JN]
- National Wildlife Refuge Week: designate (see S. Res. 396), [4OC]
- New Mexico: withdraw certain Federal land in Pecos Watershed area from mineral entry and designate Thompson Peak Wilderness Area (see S. 3033), [4OC]
- NOAA: establish grant program to award grants to eligible entities to carry out projects on conservation, restoration, or management of kelp forest ecosystems (see S. 2807), [14SE]
- improve administration of Marine Debris Foundation and Marine Debris Program (see S. 318), [9FE]
- prohibit issuance of interim or final rule that amends, updates, modifies, or replaces North Atlantic right whale strike reduction rule until mitigation protocols are fully developed and deployed (see S. 1833), [6JN]
- reauthorize Marine Debris Program (see S. 3277), [9NO]
- Pollution: reduce production and use of single-use plastics, improve responsibility of producers over consumer products and packaging, and prevent plastics from entering animal and human food chains and waterways (see S. 3127), [25OC]
- Public lands: designate certain lands in Idaho, Montana, Oregon, Washington, and Wyoming as wilderness, wild and scenic rivers, wildland recovery areas, and biological connecting corridors (see S. 1531), [10MY]
- Renewable energy: repeal restrictions on onshore wind and solar (see S. 3025), [4OC]
- Rio Grand del Norte National Monument: designate Cerro de la Olla Wilderness (see S. 593), [1MR]
- Santa Monica Mountains National Recreation Area: adjust boundary to include Rim of the Valley Corridor (see S. 1466), [4MY]
- Shenandoah Mountain National Scenic Area: establish (see S. 2630), [27JY]
- Sloan Canyon National Conservation Area: adjust boundary and allow construction of underground water pipeline (see S. 2042), [15JN]
- Taxation: facilitate water leasing and water transfers to promote conservation and efficiency (see S. 1874), [8JN]
- U.N. Convention on Biological Diversity: urge Senate ratification (see S. Con. Res. 11), [31MY]
- U.N. Convention on the Law of the Sea: urge Senate ratification (see S. Res. 466), [15NO]
- U.S. Fish and Wildlife Service: make supplemental funding available for management of fish and wildlife species of greatest conservation need as determined by State fish and wildlife agencies (see S. 1149), [30MR]
- reauthorize Partners for Fish and Wildlife Program and certain conservation funds (see S. 2395), [19JY]
- reissue regulations removing gray wolf from list of endangered and threatened wildlife under Endangered Species Act (see S. 1895), [8JN]
- U.S. Foundation for International Conservation: establish (see S. 618), [1MR]
- Urban Water Federal Partnership Program: maintain (see S. 702), [8MR]
- USA Rice Federation: anniversary of USA Rice-Ducks Unlimited Rice Stewardship Partnership (see S. Res. 403), [4OC]
- Water: increase efficiency and conservation in public water systems (see S. 2654), [27JY]
- provide access to reliable, clean, and drinkable water on Native American lands (see S. 2385), [19JY]
- provide for drought preparedness and improved water supply reliability (see S. 2102), [21JN]

  - Conferees: H.R. 2670, Dept. of Defense appropriations for military activities, prescribing personnel strengths, and military construction, [15NO]
- Bills and resolutions*
  - Air pollution: promote low-carbon, high-octane fuels to protect public health and to improve vehicle efficiency and performance (see S. 944), [22MR]
    - provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 1576), [11MY]
    - support carbon dioxide removal research and development (see S. 2812), [14SE]
  - China: impose export controls and sanctions to address security threat posed by genetic mapping efforts of China and other countries (see S. 2551), [26JY]
  - Climate: study and report on greenhouse gas emissions intensity of certain products produced in U.S. and in certain foreign countries (see S. 1863), [7JN]
  - Construction industries: conduct research, development, demonstration, and commercial application of technologies to reduce emissions of U.S. cement, concrete, asphalt binder, and asphalt mixture production (see S. 3439), [7DE]
  - Dept. of Defense: authorizing appropriations for military activities, prescribing personnel strengths, and military construction (see S. 2226), [11JY]
  - Dept. of Energy and FAA: create Federal and international policies relative to safe and efficient use of hydrogen to increase aviation decarbonization and reduce air and noise pollution (see S. 1902), [8JN]
  - Dept. of Energy and NSF: improve coordination on activities carried out under National Quantum Initiative Program (see S. 2450), [20JY]
  - Dept. of the Treasury: issue Clean Energy Victory Bonds to increase investment in domestic development and deployment of clean energy technologies (see S. 2893), [21SE]
  - Dept. of Transportation: establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 648), [2MR]
  - Depts. of Agriculture and Energy: establish joint research and development activities (see S. 3301), [14NO]
  - Developing countries: increase development, distribution, and use of clean cookstoves and fuels to improve health, protect climate and environment, empower women, create jobs, and help consumers save time and money (see S. 2179), [22JN]
  - Electric power: establish procedure for siting of certain interstate electric transmission facilities (see S. 946), [22MR]
    - establish program to provide loans to manufacturers of energy grid products and components (see S. 34), [24JA]
    - facilitate more expeditious review and permitting of certain electric transmission facilities (see S. 1804), [1JN]
  - Energy and water development: making appropriations (see S. 2443), [20JY]
  - Energy Efficiency Day: designate (see S. Res. 404), [4OC]
  - Energy Information Administration: submit and make publicly available report on Federal agency policies and regulations and Executive orders that have increased or may increase U.S. energy prices (see S. 783), [14MR]
  - Energy Reorganization Act: clarify whistleblower rights and protections for Dept. of Energy and NRC employees (see S. 1112), [30MR]
  - Espionage: enhance research security protocols to prevent theft of Government research by nationals of foreign countries of concern (see S. 1734), [18MY]
  - Federal agencies and departments: prohibit from issuing moratoriums on leasing and permitting energy and minerals on certain Federal land (see S. 319), [9FE]
  - Federal aid programs: require certain financial assistance to be distributed without undue delay to support State and local high-impact energy efficiency and renewable energy initiatives (see S. 94), [26JA]
  - Federal Columbia River Power System: provide for operations pursuant to certain operation plan for specified period of time (see S. 966), [23MR]
  - Financing Energy Efficient Manufacturing Program: establish to provide financial assistance to promote energy efficiency and onsite renewable technologies in manufacturing facilities (see S. 3156), [26OC]
  - Foreign trade: prohibit export or sale of petroleum products from Strategic Petroleum Reserve to China (see S. 9), [23JA] (see S. 218), [1FE]
  - GAO: conduct study on carbon footprint and environmental impacts of electric vehicles (see S. 1304), [26AP]
  - Government regulations: modify standards for water heaters, furnaces, boilers, kitchen cooktops, ranges, and ovens (see S. 1043), [29MR]
    - prohibit changing energy conservation standards for distribution transformers for certain period (see S. 2036), [15JN]
    - prohibit disbursement of financial awards to entities related to China (see S. 1717), [18MY]
    - prohibit from finalizing, implementing, or enforcing proposed rule titled “Energy Conservation Program—Energy Conservation Standards for Consumer Conventional Cooking Products” (see S. 1859), [7JN]

## DEPARTMENT OF ENERGY

- Helen Edwards Engineering Research Center, Batavia, IL: designate (see S. 241), [2FE]
- Hydroelectric power: modernize and improve licensing of non-Federal hydropower projects (see S. 1521), [10MY]
- Hydrogen Technologies for Heavy Industry Grant Program: establish (see S. 646), [2MR]
- Mining and mineral resources: provide technology grants to strengthen domestic mining education (see S. 912), [22MR]
- Motor vehicles: establish grant program to facilitate electric vehicle sharing services operated at public housing projects (see S. 1704), [18MY]
- establish program to encourage deployment of electric school buses and vehicle-to-grid technologies and applications (see S. 1548), [10MY]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1099), [30MR]
- National Coal Council: maintain to provide advice and recommendations on matters related to coal and coal industry (see S. 1089), [30MR]
- National security: assign certain functions to Assistant Secs. of Energy relative to energy emergencies and energy security (see S. 934), [22MR]
- establish Energy Threat Analysis Center to improve information sharing across energy sector (see S. 914), [22MR]
- National Telecommunications and Information Administration: establish food and agriculture cybersecurity clearinghouse (see S. 2393), [19JY]
- Natural gas: expand exports (see S. 438), [15FE]
- Nuclear energy: enhance U.S. civil nuclear leadership, support licensing of advanced nuclear technologies, strengthen domestic nuclear energy fuel cycle and supply chain, and improve regulation of nuclear energy (see S. 1111), [30MR]
- establish program to provide Federal financial assistance to support advanced nuclear reactors and associated supply chain infrastructure (see S. 452), [15FE]
- Power resources: achieve domestic energy independence by empowering States to control development and production of all forms of energy on all available Federal land (see S. 20), [23JA]
- conduct study to determine feasibility and effectiveness of establishing a national strategic propane reserve (see S. 515), [16FE]
- establish grant program to support hydrogen-fueled equipment at ports and to conduct study on feasibility and safety of using hydrogen-derived fuels, including ammonia, as shipping fuel (see S. 647), [2MR]
- establish hydrogen infrastructure finance and innovation pilot program (see S. 649), [2MR]
- establish research, development, and demonstration program relative to abandoned wells (see S. 429), [15FE]
- expedite permitting for oil, natural gas, and mineral development, increase energy production, and ensure Federal lands remain open to productive uses (see S. 1456), [4MY]
- improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 23), [23JA] (see S. 989), [27MR]
- prohibit suppliers of power to U.S. defense-critical electric infrastructure from using equipment owned, controlled, operated, or otherwise connected to, foreign adversaries (see S. 1050), [29MR]
- Precious metals: establish program to incentivize investment in facilities that carry out metallurgy of rare earth elements and production of finished rare earth products (see S. 44), [24JA]
- Public buildings: establish minimum temperature for thermostats at headquarters of Dept. of Energy and EPA (see S. 2373), [19JY]
- Radioactive substances: obtain consent of affected State and local governments before making Nuclear Waste Fund expenditure for nuclear waste repository (see S. 404), [14FE]
- Renewable energy: develop and support adoption of voluntary streamlined permitting and inspection process for permitting of qualifying distributed energy systems (see S. 3099), [19OC]
- Research: prohibit Federal funding for research in China (see S. 2525), [26JY]
- Schools: transfer funds for energy efficiency and renewable energy improvements in public schools to Dept. of Justice to award grants to States to promote safety and security in schools (see S. 809), [15MR]
- Science: include quantum molecular simulations and modeling in Federal scientific research (see S. 969), [23MR]
- research how quantum information science, technology, and engineering can enhance resilience and security of electric grid (see S. 3115), [24OC]
- Solar energy: provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 1643), [17MY]
- Southwestern Power Administration Fund: establish (see S. 1324), [26AP]
- Strategic Petroleum Reserve: prohibit export of crude oil to certain countries as condition of sale at auction of any crude oil (see S. 283), [7FE]
- prohibit export of crude oil to certain countries or state-owned entities as condition of sale at auction of any crude oil from Strategic Petroleum Reserve (see S. 11), [23JA]
- require to contain petroleum products produced or refined in U.S. (see S. 337), [9FE]
- Weatherization Assistance Program: improve (see S. 1005), [28MR]
- Cloture motions*
- Dept. of Defense: authorizing appropriations for military activities, prescribing personnel strengths, and military construction (H.R. 2670), conference report, [7DE], [12DE]
- authorizing appropriations for military activities, prescribing personnel strengths, and military construction (S. 2226), [26JY]
- authorizing appropriations for military activities, prescribing personnel strengths, and military construction (S. 2226), motion to proceed, [13JY], [18JY]
- Motions*
- Dept. of Defense: authorizing appropriations for military activities, prescribing personnel strengths, and military construction (H.R. 2670), [15NO], [7DE]
- authorizing appropriations for military activities, prescribing personnel strengths, and military construction (H.R. 2670), conference report, [12DE], [13DE]
- authorizing appropriations for military activities, prescribing personnel strengths, and military construction (S. 2226), [12JY], [13JY], [18JY]
- Reports filed*
- Accelerating Deployment of Versatile, Advanced Nuclear for Clean Energy (ADVANCE) Act: Committee on Environment and Public Works (Senate) (S. 1111), [10JY]
- Dept. of Defense Appropriations for Military Activities, Prescribing Personnel Strengths, and Military Construction: Committee on Armed Services (Senate) (S. 2226), [11JY]
- Committee on Armed Services (Senate) (S. 2226) (S. Rept. 118–58), [12JY]
- Energy and Water Development Appropriations: Committee on Appropriations (Senate) (S. 2443) (S. Rept. 118–72), [20JY]
- Nuclear Fuel Security Act: Committee on Energy and Natural Resources (Senate) (S. 452) (S. Rept. 118–52), [11JY]
- Technology Grants To Strengthen Domestic Mining Education (Mining Schools) Act: Committee on Energy and Natural Resources (Senate) (S. 912) (S. Rept. 118–139), [18DE]
- DEPARTMENT OF HEALTH AND HUMAN SERVICES related term(s) CENTERS FOR MEDICARE & MEDICAID SERVICES**
- Bills and resolutions*
- Abortion: prohibit declaration of national emergency relative to abortion (see S. 196), [31JA]
- prohibit discrimination against eligible States, individuals, or other entities for refusing to counsel or refer for abortions relative to awarding of family planning grants (see S. 2539), [26JY]
- prohibit Federal family planning grants from being awarded to any entity that performs abortions (see S. 166), [31JA] (see S. 624), [2MR]
- prohibit health centers from providing abortions (see S. 750), [9MR]
- Administration for Community Living: expand activities authorized under Elder Justice Innovation Grants for Improving Guardianship program (see S. 1126), [30MR]
- Administration for Strategic Preparedness and Response: address threats to public health and national security due to technical advancements in artificial intelligence or other emerging technology fields (see S. 2399), [19JY]
- Adoption Opportunities program: define unregulated custody transfers of children and improve awareness and prevention of such transfers (see S. 3332), [15NO]
- Americans With Disabilities Act: recognize anniversary and importance of independent living for disabled individuals and call for further action to strengthen home and community living for such individuals (see S. Res. 312), [26JY]
- Biomedical Advanced Research and Development Authority: establish program to develop medical countermeasures for viral threats with pandemic potential (see S. 2093), [21JN]
- CDC: clarify application of appointment and confirmation requirements for Director (see S. 2622), [27JY]
- establish grant program to recruit, hire, and train public health nurses (see S. 2639), [27JY]
- promote mental wellness and resilience, heal mental and behavioral health and psychosocial problems, and award grants for community-based mental wellness and resilience programs (see S. 1452), [4MY]
- provide flexibility and funding for World Trade Center Health Program (see S. 569), [28FE]
- provide for earlier effective date for requirement of Senate confirmation of Director (see S. 2101), [21JN]
- provide for public health research and investment into understanding and eliminating structural racism and police violence (see S. 1317), [26AP]
- reform and limit scope of public health authorities (see S. 3383), [30NO]
- Center for Medicare and Medicaid Innovation: provide comprehensive dementia care management services, eliminate patient cost-sharing, support caregivers, and provide outreach to underrepresented populations (see S. 626), [2MR]
- Child Care Stabilization Grant program: extend funding (see S. 2777), [13SE]
- Children and youth: authorize funding for creation and implementation of infant mortality pilot programs in standard metropolitan statistical areas with high rates of infant mortality (see S. 2978), [28SE]
- award grants for providing evidence-based caregiver skills training to caregivers of children with autism spectrum disorder or other developmental disabilities or delays (see S. 1333), [27AP]
- carry out programs to prevent adverse childhood experiences and promote positive experiences, and conduct studies, evaluations, and research to address adverse childhood experiences (see S. 3085), [19OC]
- establish demonstration grant program to provide emergency relief to foster youth and improve pre-placement services offered by foster care stabilization agencies (see S. 102), [26JA]
- establish universal child care and early learning programs (see S. 388), [9FE]
- identify obstacles to identifying and responding to children missing from foster care and other vulnerable foster youth and provide technical assistance relative to removal of such obstacles (see S. 1146), [30MR]
- promote child care and early learning (see S. 1354), [27AP]
- promote healthy eating and physical activity among children (see S. 3171), [31OC]
- provide assistance to States to expand child care workforce and child care facilities (see S. 268), [2FE]

# INDEX

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

- provide for sexual health education of young people, including promotion of healthy relationships and prevention of unintended pregnancy, sexually transmitted infections, and dating violence (see S. 1697), [18MY]
- require training and education for school teachers, employees, students, and community about how to prevent, recognize, respond to, and report child sexual abuse in primary and secondary education (see S. 1147), [30MR]
- study and prevent child abuse in youth residential programs (see S. 1351), [27AP]
- China: impose export controls and sanctions to address security threat posed by genetic mapping efforts of China and other countries (see S. 2551), [26JY]
- prohibit Federal funding to Wuhan Institute of Virology and require GAO study on Federal funds previously provided to such institute or to entities affiliated with Chinese government (see S. 421), [14FE]
- Climate: establish grant program to protect vulnerable mothers and babies from climate change risks (see S. 1601), [15MY]
- Colleges and universities: establish grant program to support schools of medicine and schools of osteopathic medicine in underserved areas (see S. 3175), [1NO]
- Committee on Foreign Investment in the U.S.: include Depts. of Agriculture and HHS and require to consider security of U.S. food and agriculture systems as factor when determining to take action on foreign investment (see S. 2312), [13JY]
- strengthen requirements for reviews of covered transactions involving genetic information (see S. 1827), [6JN]
- Consumers: prohibit group health plans and health insurance issuers from entering into contracts that prevent or restrict access to drug pricing information available through consumer decision-support tools (see S. 1374), [27AP]
- Courts: establish appropriate penalties for cocaine-related offenses (see S. 522), [16FE]
- Crime: divert certain parents, expectant parents, and other caregivers from incarceration and into programs providing resources, services, and training to those individuals and their families (see S. 3272), [9NO]
- provide grants to communities for evidence-based gun violence intervention and prevention programs (see S. 2638), [27JY]
- Dept. of Agriculture: reauthorize Farm and Ranch Stress Assistance Network Program (see S. 1736), [18MY]
- Dept. of Education: publish, in consultation with Depts. of HHS and Justice, annual report on indicators of school crime and safety that includes data on school shootings (see S. 1285), [25AP]
- Dept. of Homeland Security: establish procedure for terminating Surgeon General determination to suspend certain entries and imports from designated places relative to coronavirus public health emergency (see S. 208), [1FE]
- require Cybersecurity and Infrastructure Security Agency to develop comprehensive rural hospital cybersecurity workforce development strategy (see S. 1560), [11MY]
- require U.S. Customs and Border Protection to fingerprint noncitizen minors entering U.S. to combat human trafficking and impose criminal penalties for child recycling to gain entry into U.S. (see S. 3239), [7NO]
- Dept. of Justice: establish Federal grant program to award grants to States and nonprofit organizations to combat smuggling and trafficking of children and young women (see S. 1200), [19AP]
- Dept. of Veterans Affairs: establish Zero Suicide Initiative pilot program (see S. 853), [16MR]
- Depts. of HHS and Labor: conduct study and issue report on grant programs to support nursing workforce (see S. 2853), [19SE]
- Depts. of Labor, HHS, and Education, and related agencies: making appropriations (see S. 2624), [27JY]
- Developing countries: increase development, distribution, and use of clean cookstoves and fuels to improve health, protect climate and environment, empower women, create jobs, and help consumers save time and money (see S. 2179), [22JN]
- Disabled: clarify and strengthen integration mandate for individuals with disabilities who need long-term services and supports (see S. 1193), [19AP]
- improve reproductive health care of individuals with disabilities (see S. 2544), [26JY]
- provide health equity for people with disabilities (see S. 1219), [19AP]
- Disasters: ensure that older adults and individuals with disabilities are prepared for disasters (see S. 1049), [29MR]
- reauthorize certain programs relative to public health security and all-hazards preparedness and response (see S. 2333), [18JY]
- Diseases and disorders: address research on, and improve access to, supportive services for individuals with long-term coronavirus symptoms (see S. 801), [15MR]
- allow grantees under HIV Health Care Services Program to allocate portion of such funding for services to individuals at risk of acquiring HIV (see S. 2107), [22JN]
- award grants, contracts, or cooperative agreements to establish, maintain, or improve activities relative to detection and monitoring of infectious diseases through wastewater (see S. 2237), [11JY]
- carry out activities to address neglected diseases of poverty (see S. 324), [9FE]
- carry out national project to prevent and cure Parkinson's disease to be known as National Parkinson's Project (see S. 1064), [29MR]
- expand and intensify programs on translational research and related activities relative to cerebral cavernous malformations (see S. 543), [28FE]
- facilitate development of treatments for cancers (see S. 642), [2MR]
- improve access to pre-exposure prophylaxis (PrEP) to reduce transmission of HIV (see S. 2188), [22JN]
- limit scope of regulations to control communicable diseases (see S. 2602), [27JY]
- prohibit from restricting direct access by health care facilities to medical countermeasures (see S. 2617), [27JY]
- publish all information in possession relating to origin of coronavirus (see S. 2754), [11SE]
- reauthorize Mosquito Abatement Safety and Health Act and epidemiology laboratory capacity grants and require GAO study on existing mosquito and other vector-borne surveillance and control programs (see S. 2580), [27JY]
- reauthorize sickle cell disease prevention and treatment demonstration program (see S. 1852), [7JN]
- reauthorize Special Diabetes Program for Type 1 Diabetes and Special Diabetes Program for Indians (see S. 1855), [7JN]
- regulate human cadaveric islets for transplantation as organs (see S. 2205), [22JN]
- require study on women and lung cancer (see S. 2245), [11JY]
- support endemic fungal disease research, incentivize valley fever vaccine development, and discover new antifungal therapies and diagnostics to fight infections such as Valley Fever (see S. 3464), [12DE]
- Drugs: conduct study on designation of biosimilar biological products as interchangeable (see S. 1522), [10MY]
- conduct surveys of non-retail pharmacy drug prices (see S. 3245), [7NO]
- create plan for completing review of approved opioid analgesic drugs that considers public health effects of such opioid drugs (see S. 3557), [19DE]
- ensure expenses relating to acquisition or use of devices to detect fentanyl, xylazine, and other emerging adulterant substances, including test strips are allowable expenses under certain grant programs (see S. 2976), [28SE]
- ensure references to opioid overdose reversal agents in grant programs are not limited to naloxone (see S. 2809), [14SE]
- establish fentanyl lethality awareness campaign, establish Federal Interagency Work Group on Fentanyl Contamination of Illegal Drugs, and provide grants to mitigate effects of drug misuse (see S. 1235), [20AP]
- establish grant program for family community organizations that provide support for individuals struggling with substance use disorder and their families (see S. 1810), [6JN]
- establish program to develop antimicrobial innovations targeting most challenging pathogens and most threatening infections (see S. 1355), [27AP]
- establish program to support health care providers and pharmacies in providing discounted insulin products to uninsured individuals (see S. 954), [23MR]
- establish programs to address addiction and overdoses caused by illicit fentanyl and other opioids (see S. 1785), [31MY]
- establish reference prices for prescription drugs and require drug companies to offer drugs at such prices as condition of participation in Federal health program (see S. 2044), [20JN]
- establish requirements relative to prescription drug benefits (see S. 1131), [30MR]
- expand and clarify exclusion for orphan drugs under drug price negotiation program (see S. 3131), [25OC]
- increase access to medication for opioid overdose reversal (see S. 1373), [27AP]
- increase reporting and transparency requirements in 340B Drug Pricing Program (see S. 1182), [18AP]
- issue draft guidance to address non-addictive analgesics for chronic pain (see S. 3462), [11DE]
- issue guidance on whether hospital emergency departments should implement fentanyl testing as routine procedure for patients experiencing overdose (see S. 3519), [14DE]
- prohibit use of Federal funds to purchase sterile needles or syringes for injection of illegal drugs, or for pipes, or other paraphernalia that can be used to smoke, inhale, or ingest narcotics (see S. 1520), [10MY]
- provide for appropriate cost-sharing for insulin products covered under private health plans (see S. 954), [23MR]
- require drug manufacturers to submit transparency and justification report prior to increasing certain drug prices (see S. 935), [22MR]
- Education: address behavioral health and well-being among education professionals and other school staff (see S. 2530), [26JY]
- increase number of permanent faculty in palliative care at allopathic and osteopathic medical schools, nursing schools, and other programs, and promote education in palliative care and hospice (see S. 2243), [11JY]
- strengthen and expand adult education programs (see S. 3075), [18OC]
- EPA: prohibit manufacture, processing, and distribution in commerce of asbestos and asbestos-containing mixtures and articles (see S. 1069), [30MR]
- Families and domestic relations: disqualify States that discriminate against parents or guardians who oppose treatment or changes affirming minor's subjective claims of gender identity from eligibility for certain funding (see S. 2394), [19JY]
- furnish tailored information on resources available to expecting mothers through life.gov website (see S. 76), [25JA]
- improve foster and adoptive parent recruitment and retention (see S. 1313), [26AP]
- increase Federal support for nonprofit milk banks and access to donor milk for medically-vulnerable infants (see S. 2819), [14SE]
- provide enhanced funding for family planning services (see S. 2207), [22JN]
- support stillbirth prevention and research (see S. 2231), [11JY]

# INDEX

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

- FDA: allow digital communication of prescribing information for drugs, including biological products (see S. 2916), [26SE]
- amend mission statement to require agency to address nation's prescription opioid addiction epidemic (see S. 604), [1MR]
  - deny approval of new drug application for opioid analgesic drug on basis of such drug not being clinically superior to other commercially available drugs (see S. 607), [1MR]
  - improve priority review process of human drug applications to encourage treatment for agents that present national security threats (see S. 1122), [30MR]
- Federal agencies and departments: notify States and localities whenever transporting migrants from locations within certain distance of U.S. border to their jurisdictions (see S. 3218), [2NO]
- permanently enact certain appropriations restrictions on use of funds for abortions and involuntary sterilizations (see S. 197), [31JA]
- Federal aid programs: authorize grants to eligible entities to pay for travel-related expenses and logistical support for individuals relative to accessing abortion services (see S. 2152), [22JN]
- exclude individuals in Deferred Action for Childhood Arrivals program from eligibility for certain health plans, tax credits, cost-sharing reductions, and other tax-payer funded health assistance (see S. 2374), [19JY]
  - reauthorize program for strengthening communities of recovery for individuals with substance use disorders (see S. 3424), [6DE]
- Fetal Alcohol Spectrum Disorders Prevention and Services program: reauthorize and extend (see S. 1800), [1JN]
- Firearms: prohibit President and Dept. of HHS from declaring certain emergencies or disasters for purpose of imposing gun control (see S. 2911), [21SE]
- Firefighter Cancer Registry Act: reauthorize (see S. 2119), [22JN]
- Food: update and clarify rule on substances generally recognized as safe and establish Office of Food Chemical Safety, Dietary Supplements, and Innovation within FDA (see S. 3387), [4DE]
- Government regulations: extend requirement for State Medicaid plans to provide coverage for medication-assisted treatment (see S. 3136), [26OC]
- prescribe regulation reducing risks in gene synthesis products (see S. 2400), [19JY]
  - update guidance relative to gene synthesis (see S. 2356), [18JY]
- Health: address health, hygiene, and limited child care options available for infants and toddlers, medically complex children, and certain adults who lack sufficient diapers or adult incontinence supplies (see S. 2879), [21SE]
- address health needs of cancer survivors through entire continuum of care, in order to improve survivorship and long-term health outcomes, and develop standard of care for cancer survivorship (see S. 2213), [22JN]
  - award grants to regional biocontainment laboratories for maintaining surge capacity to respond to outbreaks of infectious diseases or acts of bioterrorism (see S. 2538), [26JY]
  - collect data on prevalence of brain injuries resulting from domestic and sexual violence (see S. 3144), [26OC]
  - develop strategic framework to improve development and distribution of diagnostic tests in response to chemical, biological, radiological, or nuclear threats (see S. 2672), [27JY]
  - establish national campaign to increase maternal vaccination rates (see S. 1603), [15MY]
  - establish program to award grants to State, local, and Tribal governments to purchase and distribute anti-blood loss supplies for use in medical emergencies (see S. 1653), [17MY]
  - extend funding for teaching health centers that operate graduate medical education programs, community health centers, and National Health Service Corps (see S. 2308), [13JY]
  - extend health information technology assistance eligibility to behavioral health, mental health, and substance abuse professionals and facilities (see S. 2688), [27JY]
  - improve access to and quality of primary health care and expand health workforce (see S. 2840), [19SE]
  - prepare and empower health care sector to protect health and wellbeing of our workers, our communities, and our planet in face of climate crisis (see S. 1229), [20AP]
  - prohibit insurance companies from denying or limiting coverage or charging higher premiums for living organ donors and allow use of family and medical leave by such donors (see S. 1384), [27AP]
  - provide authority to suspend right to introduce certain persons or property into U.S. in interest of public health (see S. 1192), [19AP]
  - provide for testing of community-based palliative care model (see S. 1845), [7JN]
  - provide urgent acquisition and deployment authority for purposes of replenishing U.S. stockpiles (see S. 2055), [20JN]
  - reauthorize and expand technical assistance and support for recovery community organizations and peer support networks (see S. 3259), [8NO]
- Health care facilities: award grants to pregnancy-help organizations to implement security upgrades (see S. 565), [28FE]
- establish grant program supporting trauma centers with violence intervention and prevention programs (see S. 1447), [4MY]
  - permanently authorize certified community behavioral health clinics (see S. 2993), [28SE]
  - publish list of hospitals found to be in non-compliance with hospital price transparency rule (see S. 3327), [15NO]
