- provide for use of Selected Reserve and Individual Ready Reserve members to respond to significant cyber events (see S. 2153), [22JN]
- report on security clearance process updates (see S. 2508), [26JY]
- require Director of Defense Media Activity establish course of education on digital content provenance and carry out pilot program implementing digital content provenance standards (see S. 2222), [10JY] (see S. 3504), [13DE]
- Dept. of Education: establish grant program for State and local educational agencies to promote digital citizenship and media literacy (see S. 394), [13FE]
- establish interactive online dashboard to improve public access to information about student loan forgiveness programs, repayment programs, and repayment plans (see S. 3524), [14DE]
- improve effectiveness and access to Net Price Calculator system to give prospective students more accurate understanding of true cost of college (see S. 531), [27FE]
- incorporate career and technical education into Institute for Education Sciences research and data collection agenda to improve State career readiness programs (see S. 2290), [13JY]
- provide program eligibility for distance education programs offered by foreign institutions of higher education (see S. 1168), [17AP]
- require institutions of higher education that receive Federal funds to adopt policies to prevent harassment and bullying (see S. 2902), [21SE]
- study use of mobile devices in elementary and secondary schools and establish pilot program to award grants to enable certain schools to create school environment free of mobile devices (see S. 3266), [9NO]
- update postsecondary student data system to ensure students and families have access to accurate and complete information on student outcomes (see S. 1349), [27AP] (see S. 1972), [14JN]
- Dept. of Energy: establish Energy Threat Analysis Center to improve information sharing across energy sector (see S. 914), [22MR]
- research how quantum information science, technology, and engineering can enhance resilience and security of electric grid (see S. 3115), [24OC]
- Dept. of HHS: allow community supports to meet specific needs of families and children through electronic care portal under Marylee Allen Promoting Safe and Stable Families program (see S. 73), [25JA]
- compile into searchable database information relating to Federal support for biomedical research and development (see S. 315), [9FE]
- establish home-based telemental health care demonstration program to increase mental health services in rural medically underserved populations and in farming, fishing, and forestry occupations (see S. 1077), [30MR]
- establish interactive online dashboard to improve public access to information about grant funding relative to mental health and substance use disorder programs (see S. 2444), [20JY]
- establish Mental Health Licensure Portability Program to award grants to incentivize interstate mental health provider networks (see S. 1075), [30MR]
- establish uniform data standards, strengthen data sharing processes between public health entities, and establish grant program to develop best practices on soliciting demographic information (see S. 3545), [14DE]
- extend health information technology assistance eligibility to behavioral health, mental health, and substance abuse professionals and facilities (see S. 2688), [27JY]
- furnish tailored information on resources available to expecting mothers through life.gov website (see S. 76), [25JA]
- improve Organ Procurement and Transplantation Network (see S. 1668), [17MY] (see S. 2404), [20JY]
- secure National Suicide Prevention Lifeline from cybersecurity incidents (see S. 1493), [9MY]
- study and prevent child abuse in youth residential programs (see S. 1351), [27AP]
- Dept. of Homeland Security: combat efforts of criminal organizations to recruit individuals in U.S. via social media platforms and other online services and assess use of such platforms and services for illicit activities (see S. 61), [24JA]
- direct Cybersecurity and Infrastructure Security Agency to establish K–12 Cybersecurity Technology Improvement Program (see S. 1191), [19AP]
- engage in cybersecurity cooperation with Abraham Accords countries (see S. 1777), [31MY]
- establish Civilian Cybersecurity Reserve to address U.S. cybersecurity needs relative to national security (see S. 885), [21MR]
- establish national risk management cycle (see S. 824), [15MR]
- publish report on number of migrants at each port of entry apprehended, paroled, or granted work authorization (see S. 3187), [1NO]
- require Cybersecurity and Infrastructure Security Agency to develop campaign program to raise awareness regarding importance of cybersecurity in U.S. (see S. 1835), [6JN]
- require Cybersecurity and Infrastructure Security Agency to develop comprehensive rural hospital cybersecurity workforce development strategy (see S. 1560), [11MY]
- Dept. of HUD: require public housing agency to establish and maintain online portal for tenants and applicants (see S. 2334), [18JY]
- Dept. of Justice: allow for civil and criminal actions against certain providers of interactive computer services relative to fentanyl trafficking (see S. 2264), [12JY]
- establish CCP Initiative program (see S. 511), [16FE]
- establish pilot program to address technology-related abuse in domestic violence cases (see S. 3213), [2NO]
- include data field in National Missing and Unidentified Persons System to indicate whether last known location of missing person was confirmed or suspected to have been on Federal land (see S. 2120), [22JN]
- prevent conflicts of interest and promote competition in sale and purchase of digital advertising (see S. 1073), [30MR]
- require electronic communication service providers and remote computing services to report unlawful sale and distribution of controlled substances (see S. 1080), [30MR]
- require Federal law enforcement agencies report on cases of missing or murdered Indians (see S. 465), [16FE]
- require reporting of suspicious transmissions in order to assist in criminal investigations and counterintelligence activities relative to terrorism, serious drug offenses, and violent crimes (see S. 147), [30JA]
- Dept. of Labor: address needs of workers in industries likely to be impacted by rapidly evolving technologies (see S. 2722), [5SE]
- enter into contracts with industry intermediaries for purposes of promoting development of and access to apprenticeships in technology sector (see S. 2124), [22JN]
- establish uniform accessibility standards for websites and applications of employers, employment agencies, labor organizations, public entities and accommodations, testing entities, and commercial providers (see S. 2984), [28SE]
- modernize unemployment compensation benefits (see S. 3140), [26OC]
- prohibit from constraining range or type of investments that may be offered to participants and beneficiaries of individual retirement accounts who exercise control over assets in such accounts (see S. 427), [15FE]
- Dept. of State: establish interagency working group to develop firewall circumvention technology to protect Internet access and online information sharing for people of Hong Kong (see S. 3114), [24OC]
- maintain capacity to transmit Internet access service abroad and domestically in case of emergency disruptions and support circumvention technologies that allow users to evade government censorship (see S. 861), [16MR]
- require information on ForeignAssistance.gov (Internet site) be searchable (see S. 1854), [7JN]
- Dept. of the Interior: allow States to issue fully electronic duck stamps (see S. 788), [14MR]
- identify locations in national parks with greatest need for broadband Internet access service and with greatest need for cellular service (see S. 2018), [15JN]
- Dept. of the Treasury: prevent foreign terrorist organizations and their financial enablers, whether in currency or digital assets, from accessing financial and other institutions of U.S. (see S. 3441), [7DE]
- Dept. of Veterans Affairs: allow for electronic request of certain records (see S. 2803), [14SE]
- authorize electronic health record modernization program and increase oversight and accountability of program to better serve veterans, medical professionals, and taxpayers (see S. 1125), [30MR]
- establish pilot program on community integration network infrastructure for services for veterans and collect information related to social determinants of health from veterans (see S. 2259), [12JY]
- establish portal for maintaining digital records of former Armed Forces members and establish advisory committee relative to maintenance of such records (see S. 3295), [14NO]
- establish Veterans Advisory Committee on Equal Access (see S. 2516), [26JY]
- prohibit from carrying out certain activities under Electronic Health Record Modernization Program until certification of system improvements and facility readiness (see S. 1037), [29MR]
- provide certain individuals with opportunity to enroll in high technology programs of education that provide training or skills sought by employers in relevant fields or industries (see S. 1877), [8JN]
- require medical facilities to share certain data with State cancer registries (see S. 1994), [14JN]
- restore veterans' rights to own or possess firearms by requiring proof of danger to self or others before reporting to National Instant Criminal Background Check System (see S. 1875), [8JN]
- update payment system to allow for electronic fund transfer of educational assistance to foreign institutions of higher education (see S. 1090), [30MR]
- Depts. of Agriculture and the Interior: carry out certain activities to enhance recreational opportunities for gateway communities and establish digital National Parks and Federal Recreational Lands Pass (see S. 390), [13FE]
- Depts. of Homeland Security and Veterans Affairs: authorize Cybersecurity and Infrastructure Security

## INFORMATION TECHNOLOGY

- Agency to establish cybersecurity apprenticeship program and cybersecurity training program for veterans (see S. 2256), [12JY]
- Digital Consumer Protection Commission: establish (see S. 2597), [27JY]
- Disabled: ensure people with disabilities have full access to mainstream communication products and services necessary to participate equally in professional, educational, recreational, and civic contexts (see S. 2904), [21SE]
- Disasters: streamline sharing of information among disaster assistance agencies, expedite delivery of assistance, speed recovery of communities, and protect security and privacy of information provided by survivors (see S. 1528), [10MY]
- Drugs: allow for use of telehealth in substance use disorder treatment (see S. 3193), [1NO]
- prohibit delivery of opioids by means of dark web (see S. 1728), [18MY]
- provide for requirements for electronic-prescribing for controlled substances under group health plans and group and individual health insurance coverage (see S. 2666), [27JY]
- Education: strengthen and expand adult education programs (see S. 3075), [18OC]
- Election Assistance Commission: conduct penetration testing in testing and certification of voting systems and establish Independent Security Testing and Coordinated Vulnerability Disclosure Pilot Program for Election Systems (see S. 1500), [9MY]
- Elections: expand certain existing protections to election administrators who count ballots and certify results, provide judicial review, and strengthen protections for Federal election records and election infrastructure (see S. 1487), [9MY]
- Employment: prohibit, or require disclosure of, surveillance, monitoring, and collection of certain worker data by employees (see S. 262), [2FE]
- EPA: establish consortium related to exposures to toxic substances and identifying chemicals that are safe to use (see S. 1685), [18MY]
- Executive Office of the President: prohibit downloading or using of TikTok video app on U.S. devices and require Director of National Intelligence submit report on threat to national security posed by TikTok (see S. 85), [25JA]
- FAA: establish FAA Task Force on NOTAM Improvement (see S. 66), [25JA]
- reduce regulations on pilots by clarifying terms “common carrier” and “personal operator” to facilitate flight-sharing by noncommercial pilots on digital platforms (see S. 888), [21MR]
- FCC: apply certain standards on volume of commercials to video streaming services (see S. 1127), [30MR]
- conduct study and report to Congress on feasibility of funding Universal Service Fund through contributions supplied by Internet edge providers (see S. 856), [16MR]
- ensure equitable and nondiscriminatory contributions to mechanisms that preserve and advance universal service and reduce financial burden on consumers (see S. 3321), [15NO]
- ensure that broadband maps are accurate before funds are allocated under Broadband Equity, Access, and Deployment Program based on those maps (see S. 1162), [30MR]
- establish council to make recommendations on ways to increase security, reliability, and interoperability of communications networks (see S. 828), [15MR]
- establish vetting process for prospective applicants for high-cost Universal Service Program funding (see S. 275), [7FE]
- evaluate and consider impact of telecommunications network equipment supply chain on deployment of universal service (see S. 690), [7MR]
- identify social media entities under influence of certain foreign entities and take measures to protect U.S. from such entities (see S. 872), [16MR]
- improve access by Indian Tribes to support from universal service programs (see S. 2810), [14SE]
- improve enforcement and enhance penalties for violations involving illegal robocalls (see S. 3324), [15NO]
- issue reports after activation of Disaster Information Reporting System and make improvements to network outage reporting (see S. 3556), [18DE]
- issue rules prohibiting entities from offering minor consumers artificial intelligence features in products without parental consent (see S. 1626), [16MY]
- make grants available to States to inform Medicaid enrollees, Supplemental Nutrition Assistance Program participants, and low-income residents of potential eligibility for Affordable Connectivity and Lifeline programs (see S. 3024), [4OC]
- prohibit reclassification of broadband Internet access service as telecommunications service and imposition of certain regulations on providers of such service (see S. 3119), [24OC]
- prohibit schools that receive certain support from allowing access to social media platforms on subsidized services, devices, or networks (see S. 3074), [18OC]
- reform broadband permitting (see S. 2663), [27JY]
- require certain pornographic interactive computer services to adopt and operate technology verification measures to ensure that users are not minors (see S. 3314), [15NO]
- require providers of interactive computer services to publicly disclose information relative to requests or recommendations made by government entities to moderate content (see S. 2314), [13JY]
- transfer unobligated balances made available for coronavirus emergency response and relief to carry out Secure and Trusted Communications Networks Reimbursement Program (see S. 1245), [20AP]
- FDA: allow digital communication of prescribing information for drugs, including biological products (see S. 2916), [26SE]
- establish electronic format for medical device recall notifications (see S. 2907), [21SE]
- improve regulation of abortion drugs by prohibiting approval of new drugs, preventing labeling changes of existing drugs, and limiting dispensing of drugs remotely, by mail, or telemedicine (see S. 95), [26JA]
- FEC: enhance transparency and accountability for online political advertisements by requiring those who purchase and publish such ads to disclose information about advertisements (see S. 486), [16FE]
- Federal agencies and departments: advance Federal Government innovation through implementation and use of multi-cloud computing software technology (see S. 2871), [20SE]
- ensure that guidance, instructions, and other public information is written in plain language (see S. 717), [8MR]
- ensure transparency when using automated and augmented systems to interact with public or make critical decisions (see S. 1865), [7JN]
- establish task force on organizational structure for artificial intelligence governance and oversight (see S. 1356), [27AP]
- improve visibility, accountability, and oversight of agency software asset management practices (see S. 931), [22MR]
- increase access to agency guidance documents (see S. 791), [14MR]
- modify requirements relative to data centers of certain Federal agencies (see S. 933), [22MR]
- prohibit Federal employees and contractors from directing online platforms to censor any speech protected by First Amendment (see S. 2425), [20JY]
- prohibit from restricting use of convertible virtual currency by person to purchase goods or services for own use (see S. 3229), [6NO]
- prohibit procurement of drones and other unmanned aircraft systems from countries identified as national security threats (see S. 473), [16FE]
- require agencies that use, fund, or oversee algorithms to have office of civil rights focused on bias, discrimination, and other harms of algorithms (see S. 3478), [12DE]
- require appointment or designation of emerging technology leading officials in relevant Federal agencies (see S. 1577), [11MY]
- require each agency, in providing notice of rule-making, to include link to plain language summary of proposed rule (see S. 111), [26JA]
- require recipients of Federal awards to collect and report data relating to subawards granted to entities outside of U.S. (see S. 1775), [31MY]
- require reduction of reliance and expenditures on legacy information technology systems (see S. 2032), [15JN]
- require to have compliance officers to ensure each department or agency is meeting requirements relative to disabled access to electronic information and data (see S. 2910), [21SE]
- Federal aid programs: prohibit receipt of Federal funds by individuals or entities conducting business with social media companies associated with countries of concern (see S. 875), [16MR]
- Federal Digital Platform Commission: establish (see S. 1671), [18MY]
- Federal Financial Institutions Examination Council: establish Portal for Appraisal Credentialing and Appraisal Management Companies (AMC) Registration information (see S. 2692), [27JY]
- Federal Highway Administration: improve environmental review process for Federal aid highway projects through use of interactive, digital, cloud-based platforms (see S. 2319), [13JY]
- Financial institutions: impose requirements on digital exchanges (see S. 3087), [19OC]
- provide for responsible financial innovation and bring digital assets within regulatory perimeter (see S. 2281), [12JY]
- Firearms: ensure that all firearms are traceable by prohibiting manufacture or possession of 3-D printed guns made of plastic (see S. 2652), [27JY]
- prohibit online publication of blueprints for 3-D printed plastic guns (see S. 1819), [6JN]
- Firefighter Cancer Registry Act: reauthorize (see S. 2119), [22JN]
- Foreign trade: negotiate strong, inclusive, and forward-looking agreements on digital economy and trade with like-minded countries as part of broader trade and economic strategy (see S. Res. 155), [30MR]
- Forest Service: update forest inventory and analysis program strategic plan to include expanded data collection and integrated advanced remote sensing technology (see S. 1743), [18MY]
- Foundation for Digital Equity: establish (see S. 599), [1MR]
- FRS: limit ability of Federal Reserve banks to issue central bank digital currency (see S. 967), [23MR]
- FTC: conduct study with CDC on social media use by teenagers and issue report and policy recommendations (see S. 687), [7MR]
- ensure large online platforms are addressing needs of non-English users (see S. 1801), [1JN]
- establish centralized system to allow individuals to request simultaneous deletion of their personal information across all data brokers (see S. 2121), [22JN]
- establish duties to require online service providers to protect user data and prohibit use of user data to their detriment (see S. 744), [9MR]
- extend, enhance, and revise certain laws on collection, use, and disclosure of personal information of children and establish additional protections (see S. 1418), [3MY]
- improve communications between social media platforms and law enforcement agencies and establish Platform Safety Advisory Committee (see S. 2531), [26JY]
- improve online ticket sales and protect consumers (see S. 3191), [1NO]
- increase consumer choice by requiring large online communications platforms to make services interoperable with other platforms, make user data portable, and allow third-party services to manage account settings (see S. 2521), [26JY]
- increase consumer protections relative to free trial, automatic renewal, and negative option offers

- for subscription-based services (see S. 1091), [30MR]
- prohibit circumvention of control measures used by Internet retailers to ensure equitable consumer access to products (see S. 3511), [13DE]
  - prohibit data brokers from selling, reselling, trading, licensing, or otherwise providing for consideration lists of military servicemembers to covered nations (see S. 1029), [29MR]
  - prohibit discriminatory use of personal information by online platforms in any algorithmic process and require transparency in use of algorithmic processes and content moderation (see S. 2325), [13JY]
  - prohibit targeted advertising by advertising facilitators and advertisers (see S. 2833), [18SE]
  - prohibit unfair and deceptive advertising of prices for hotel rooms and other places of short-term lodging (see S. 2498), [26JY]
  - prohibit use of exploitative and deceptive practices by large online operators and promote consumer welfare in use of behavioral research by such providers (see S. 2708), [27JY]
  - promote fairness in sale of event tickets (see S. 3457), [7DE]
  - require commercial websites and mobile apps to create simple and readable summary of their terms-of-service agreements (see S. 2225), [11JY]
  - require covered digital advertising platforms to report their public service advertisements (see S. 2423), [20JY]
  - require generative artificial intelligence to disclose that their output has been generated by artificial intelligence (see S. 2691), [27JY]
  - require impact assessments of automated decision systems and augmented critical decision processes (see S. 2892), [21SE]
  - require third-party delivery platforms to follow certain pricing practices (see S. 3161), [30OC]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 1876), [8JN]
- GAO: conduct study on health and mental impact of social media use by teenagers and issue report and policy recommendations (see S. 410), [14FE]
- require report on Federal support to cybersecurity of commercial satellite systems (see S. 1425), [3MY]
  - study sale of illicit drugs online (see S. 2982), [28SE]
- Government: improve transparency of purchases of data or information that can be used to identify individuals (see S. 2292), [13JY]
- modernize Federal information security management and establish Cyber Incident Review Office and Federal Risk and Authorization Management Program (FedRAMP) (see S. 2251), [11JY]
  - require officers and employees of legislative and executive branches to disclose communications with information content providers and interactive computer services relative to restricting speech (see S. 1672), [18MY]
- Government regulations: modernize and streamline permitting process for broadband infrastructure on Federal land (see S. 2855), [20SE]
- Health: codify rule requiring hospitals and insurers disclose discounted cash pricing and negotiated rates to consumers (see S. 1130), [30MR] (see S. 3548), [14DE]
- protect privacy of personal reproductive or sexual health information (see S. 1656), [17MY]
  - support public health infrastructure (see S. 1995), [14JN]
- Independent Financial Technology Working Group To Combat Terrorism and Illicit Financing: establish (see S. 1340), [27AP]
- Infrastructure Investment and Jobs Act: repeal provisions that impose new information reporting requirements for digital asset transfers (see S. 695), [8MR]
- Internet: require social media platforms verify all individuals who create an account are age 16 or older (see S. 419), [14FE]
- Investments: prohibit interference in U.S. digital commodity markets by entities organized or established in foreign adversary (see S. 1870), [7JN]
- IRS: require employees teleworking due to pandemic precautions to return to full-time, in-office work until backlog of 2020 tax returns has been eliminated (see S. 155), [31JA]
- Law enforcement: require Federal financial regulators to create public database of people who have committed financial crimes or have civil liability for financial misdeeds (see S. 1900), [8JN]
- require Internet service providers to provide law enforcement limited window of time to investigate before notifying suspected child predators of existence of lawfully-issued subpoenas (see S. 1406), [2MY]
- Medicaid: require States report abortion data to CDC to receive certain family planning funding (see S. 15), [23JA]
- Medicare: expand access to telehealth services (see S. 2016), [15JN]
- expand scope of practitioners eligible for payment for telehealth services (see S. 2880), [21SE]
  - improve access to diabetes outpatient self-management training services and require Center for Medicare and Medicaid Innovation to test virtual diabetes outpatient self-management training services (see S. 1832), [6JN]
  - protect access to telehealth services in rural and underserved communities (see S. 1636), [17MY]
  - provide for waiver of certain telehealth requirements to permit reimbursement of audio-only telehealth services during emergency declarations (see S. 729), [9MR]
  - test payment of blood transfusions separately from hospice all-inclusive per diem payment (see S. 2186), [22JN]
- Medicare/Medicaid: provide coverage of prescription digital therapeutics for treatment of mental health and substance use disorders (see S. 723), [8MR]
- provide for mental and behavioral health treatment through telehealth (see S. 730), [9MR]
- National Archives and Records Administration: establish Missing Armed Forces Personnel Records Collection (see S. 2315), [13JY]
- National Center for Missing & Exploited Children: strengthen reporting to CyberTipline relative to online sexual exploitation of children and modernize liabilities and preserve contents of such reports (see S. 474), [16FE]
- National Commission on Online Child Sexual Exploitation Prevention: establish (see S. 1207), [19AP]
- National Cybersecurity Education Month: designate (see S. Res. 247), [13JN]
- National objectives: provide greater access to rural and agricultural media programming (see S. Res. 113), [15MR]
- National “Slam the Scam” Day: designate (see S. Res. 101), [9MR]
- National Telecommunications and Information Administration: determine value of electromagnetic spectrum assigned or otherwise allocated to Federal entities (see S. 999), [28MR]
- establish food and agriculture cybersecurity clearinghouse (see S. 2393), [19JY]
  - establish Office of Policy Development and Cybersecurity (see S. 1526), [10MY]
  - further deployment of Next Generation 9-1-1 services to enhance and upgrade 9-1-1 systems (see S. 2712), [27JY]
- National Weather Service: upgrade internal instant messaging service (see S. 1414), [3MY]
- News media: provide temporary safe harbor from anti-trust laws for publishers of online content to collectively negotiate with dominant online platforms about terms on which their content may be distributed (see S. 1094), [30MR]
- NIST: improve requirement to establish testbeds to support development and testing of trustworthy artificial intelligence systems and improve interagency coordination in development of such testbeds (see S. 3162), [30OC]
- NSF: establish National Artificial Intelligence Research Resource (see S. 2714), [27JY]
- provide grants to modernize mathematics and improve science, technology, engineering, and math (STEM) education through mathematical and statistical modeling, including data-driven and computational thinking (see S. 2739), [7SE]
  - support research on privacy enhancing technologies and promote responsible data use (see S. 3325), [15NO]
- OMB: establish Chief Artificial Intelligence Officers Council, Chief Artificial Intelligence Officers, and Artificial Intelligence Governance Boards (see S. 2293), [13JY]
- OPM: establish, or otherwise secure provision of, training program on artificial intelligence for Federal management officials and supervisors (see S. 1564), [11MY]
- Political campaigns: require advertisements to include statement if generative AI (artificial intelligence) was used to generate any image or video footage in such ads (see S. 1596), [15MY]
- Privacy: establish national data privacy standards (see S. 3337), [15NO]
- give option to delete personal information collected by Internet operators resulting from Internet activity prior to age 13 (see S. 395), [13FE]
  - prevent law enforcement and intelligence agencies from obtaining subscriber or customer records in exchange for anything of value and address communications and records in possession of intermediary Internet providers (see S. 2576), [27JY]
- SBA: establish program to assist small business concerns with purchasing cybersecurity products and services (see S. 1458), [4MY]
- help small businesses prepare for and combat cybersecurity threats (see S. 2740), [7SE]
  - improve certain programs to better assist small business customers in accessing broadband technology (see S. 2677), [27JY]
  - provide business loans to finance business software or cloud computing services (see S. 2330), [18JY]
  - require annual report on Small Business Development Centers entrepreneurial activities and provide assessment and report on data collecting practices (see S. 2185), [22JN]
  - require Office of Entrepreneurship Education to establish and maintain website regarding small business permitting and licensing requirements (see S. 1042), [29MR]
- Schools: enable schools to provide science, technology, engineering, and math (STEM) classrooms and laboratories and high-speed Internet and modernize, renovate, or repair career and technical education facilities (see S. 2167), [22JN]
- SEC: disapprove rule entitled “Cybersecurity Risk Management, Strategy, Governance, and Incident Disclosure” (see S.J. Res. 50), [9NO]
- prohibit from requiring that personally identifiable information be collected under consolidated audit trail reporting requirements (see S. 2230), [11JY]
- Senate Rules: prohibit consideration of legislation unless text that will be considered has been made publicly available in electronic form for mandatory minimum review period (see S. Res. 18), [26JA]
- Social Security: integrate telehealth models in maternity care services (see S. 1699), [18MY]
- SSA: provide for single point of contact for victims of identity theft (see S. 2392), [19JY]
- Substance Use-Disorder Prevention That Promotes Opioid Recovery and Treatment (SUPPORT) for Patients and Communities Act: reauthorize (see S. 3393), [4DE]
- reauthorize certain programs (see S. 2433), [20JY] (see S. 3106), [24OC]
  - reauthorize youth prevention and recovery initiative (see S. 3070), [18OC]
- Task Force on Youth Mental Health Data Integration: establish (see S. 3532), [14DE]
- Taxation: apply mailbox rule for contracts to documents and payments electronically submitted to IRS (see S. 1338), [27AP]
- exclude certain broadband grants from gross income (see S. 341), [9FE]

## INFORMATION TECHNOLOGY

- exempt telehealth services from certain high deductible health plan rules (see S. 1001), [28MR]
- make permanent permissible first-dollar coverage of telehealth services in health savings accounts (see S. 731), [9MR]
- require return information from tax-exempt organizations be made available in searchable format and provide disclosure of identity of contributors to certain tax-exempt organizations (see S. 17), [23JA]
- require that online contributions to political organizations require credit verification value (see S. 491), [16FE]
- Technology: establish governmentwide approach to improving digital identity (see S. 884), [21MR]
- increase knowledge and awareness of best practices to reduce cybersecurity risks in U.S. (see S. 2201), [22JN]
- require disclosure of camera or recording capability in certain Internet-connected devices (see S. 90), [25JA]

- FRS: use existing authorities to close racial employment and wage gaps and report on how gaps change over time (see S. 2257), [12JY]
- Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]
- Grand Ronde Reservation Act: amend (see S. 910), [22MR]
- Hawaiian Language Month: designate (see S. Res. 80), [28FE]
- History: develop and disseminate accurate, relevant, and accessible resources to promote understanding about Native American and Tribal histories (see S. 3019), [4OC]
- Idaho: make technical correction to water rights settlement for Shoshone-Paiute Tribes of the Duck Valley Reservation (see S. 950), [22MR]
- Illinois: provide for equitable settlement of certain Indian land disputes by Miami Tribe of Oklahoma relative to land in Illinois (see S. 1783), [31MY] (see S. 2796), [13SE]
- provide for settlement of claims by Prairie Band Potawatomi Nation relative to Shab-eh-nay Band Reservation (see S. 1492), [9MY]
- Indian Child Protection and Family Violence Prevention Act: amend (see S. 2273), [12JY]
- Indian Gaming Regulatory Act: ensure all federally recognized Tribes that are eligible for gaming in U.S. are regulated (see S. 1536), [10MY]
- Indian Health Service: allow scholarship and loan recipients to fulfill service obligations through half-time clinical practice (see S. 3022), [4OC]
- improve recruitment and retention of employees, restore accountability, and improve health services (see S. 3130), [25OC]
- Indigenous Peoples' Day: designate as legal public holiday and replace term "Columbus Day" with "Indigenous Peoples' Day" in laws and regulations (see S. 2970), [28SE]
- Law enforcement: eliminate racial, religious, or other discriminatory profiling (see S. 1084), [30MR]
- ensure Federal laws that enable Federal, State, and local law enforcement agencies to access firearms apply equally to Tribal law enforcement agencies (see S. 1562), [11MY]
- provide for advancements in public safety services to Indian communities (see S. 2695), [27JY]
- Mental health: address mental health issues for youth, particularly youth of color (see S. 1700), [18MY]
- Michigan: provide for settlement of claims by Keweenaw Bay Indian Community for U.S. taking without compensation land inside exterior boundaries of L-Anse Indian Reservation (see S. 195), [31JA]
- Minnesota: accept request to revoke charter of incorporation of Lower Sioux Indian Community (see S. 2868), [20SE]
- transfer certain Federal land to Leech Lake Band of Ojibwe (see S. 616), [1MR]
- Mississippi: establish Grand Village of the Natchez Indians and Jefferson College as affiliated areas of Natchez Historical Park (see S. 3241), [7NO]
- Morris K. Udall and Stewart L. Udall Trust Fund: reauthorize (see S. 1311), [26AP]
- Mount Hood National Forest: establish Indian Treaty Resources Emphasis Zones (see S. 3310), [15NO]
- National Advisory Council on Indian Education: include at least 1 president of Tribal college or university and require Depts. of Education and the Interior to consider Council's reports in budget material preparation (see S. 749), [9MR]
- National American Indian Veterans, Inc.: grant Federal charter (see S. 1554), [11MY]
- National Asian American, Native Hawaiian, and Pacific Islander Mental Health Day: designate (see S. Res. 205), [10MY]
- National Bison Day: designate (see S. Res. 426), [24OC]
- National Day of Awareness for Missing and Murdered Native Women and Girls: designate (see S. Res. 194), [3MY]
- National Disaster Safety Board: establish (see S. 3338), [15NO]
- National Elizabeth Peratrovich Day: designate (see S. Res. 77), [16FE]
- National Labor Relations Act: clarify rights of Indians and tribes on Indian lands (see S. 1328), [27AP]
- National Minority Health Month: support goals and ideals (see S. Res. 221), [18MY]
- National Native American Heritage Month: observance (see S. Res. 459), [9NO]
- National Tribal Colleges and Universities Week: designate (see S. Res. 29), [2FE]
- Native American Heritage Day: observance (see S. Res. 459), [9NO]
- Native American Housing Assistance and Self-Determination Act: reauthorize (see S. 2285), [12JY]
- NOAA: collaborate with State and local governments and Indian Tribes on vulnerability assessments related to ocean acidification, research planning, and similar activities (see S. 1808), [6JN]
- establish grant program to award grants to eligible entities to carry out projects on conservation, restoration, or management of kelp forest ecosystems (see S. 2807), [14SE]
- North Carolina: provide for recognition of Lumbee Tribe (see S. 521), [16FE]
- North Dakota: authorize relinquishment and in lieu selection of land and minerals and restore land and minerals to Indian Tribes (see S. 1088), [30MR]
- Northwestern New Mexico Rural Water Projects Act: amend (see S. 1898), [8JN]
- Oregon: address hunting, fishing, trapping, and animal gathering rights of Confederated Tribes of Siletz Indians (see S. 1286), [25AP]
- address hunting, fishing, trapping, and animal gathering rights of Confederated Tribes of the Grand Ronde Community (see S. 1287), [25AP]
- Power resources: prevent energy poverty in at-risk communities and ensure access to affordable energy in such communities (see S. 2826), [14SE]
- Public lands: designate certain lands in Idaho, Montana, Oregon, Washington, and Wyoming as wilderness, wild and scenic rivers, wildland recovery areas, and biological connecting corridors (see S. 1531), [10MY]
- protect Native cultural sites on Federal land, improve consultation with Tribes, and bring parity to Tribes relative to Federal public land management laws (see S. 3186), [1NO]
- transfer administrative jurisdiction of certain Federal lands from Corps of Engineers to BIA to take such lands into trust for Winnebago Tribe of Nebraska (see S. 3230), [6NO]
- SBA: enhance Office of Native American Affairs and increase funding (see S. 1156), [30MR]
- Schools: enable schools to provide science, technology, engineering, and math (STEM) classrooms and laboratories and high-speed Internet and modernize, renovate, or repair career and technical education facilities (see S. 2167), [22JN]
- Taxation: recognize Indian Tribal governments for purposes of determining under adoption credit whether child has special needs (see S. 1065), [29MR]
- reform low-income housing credit (see S. 1557), [11MY]
- Travel and tourism: authorize grants to Indian tribes, Tribal organizations, and Native Hawaiian organizations under Native American Tourism and Improving Visitor Experience (NATIVE) Act (see S. 385), [9FE]
- Tribal Cultural Areas System: establish (see S. 3185), [1NO]
- Truth and Healing Commission on Indian Boarding School Policies in the U.S.: establish (see S. 1723), [18MY]
- U.S. Commission on Truth, Racial Healing, and Transformation: establish (see S. Con. Res. 19), [27JY]
- Voting: modify and clarify certain notice and election requirements relative to provision of election materials in certain languages (see S. 2960), [27SE]
- Washington (State): take certain land into trust for benefit of Puyallup Tribe of the Puyallup Reservation (see S. 382), [9FE]
- Water: make technical corrections to Navajo Nation Water Resources Development Trust Fund, Taos Pueblo Water Development Fund, and Aamodt Settlement Pueblos' Fund (see S. 3406), [5DE]
- provide access to reliable, clean, and drinkable water on Native American lands (see S. 2385), [19JY]
- recognize critical importance of access to reliable, clean drinking water for Native Americans and Alaska Natives and confirm responsibility of Federal Government to ensure such access (see S. Res. 355), [21SE]
- Women: recognize heritage, culture, and contributions of American Indian, Alaska Native, and Native Hawaiian women in U.S. (see S. Res. 148), [30MR]

- Urban Indian Health Confer Act: Committee on Indian Affairs (Senate) (S. 460) (S. Rept. 118–34), [30MY]
- NATURAL GAS related term(s) POWER RESOURCES Bills and resolutions**
- Arctic Ocean: prohibit drilling (see S. 3201), [2NO]
- BLM: streamline oil and gas permitting process and recognize fee ownership for certain oil and gas drilling or spacing units (see S. 535), [27FE]
- Chaco Culture National Historical Park: withdraw certain surrounding Federal land from further mineral development to protect Chaco ruins and landscape (see S. 1404), [2MY]
- Climate: impact of climate change on health, economic opportunity, and fundamental rights of children, importance of U.S. leadership in addressing crisis, and need for science-based plan to reduce fossil fuel emissions (see S. Con. Res. 13), [13JY]
- Colorado: designate certain wilderness, recreation, and conservation areas (see S. 1634), [17MY]
- CPSC: prohibit use of Federal funds to ban gas stoves (see S. 240), [2FE]
- Dept. of Energy: establish research, development, and demonstration program relative to abandoned wells (see S. 429), [15FE]
- expand exports of natural gas (see S. 438), [15FE]
- modify standards for water heaters, furnaces, boilers, kitchen cooktops, ranges, and ovens (see S. 1043), [29MR]
- prohibit from finalizing, implementing, or enforcing proposed rule titled “Energy Conservation Program—Energy Conservation Standards for Consumer Conventional Cooking Products” (see S. 1859), [7JN]
- study and report on greenhouse gas emissions intensity of certain products produced in U.S. and in certain foreign countries (see S. 1863), [7JN]
- Dept. of HHS: increase availability of LIHEAP heating and cooling assistance (see S. 405), [14FE]
- address measuring methane emissions (see S. 3496), [13DE]
- clarify that States have sole authority to regulate hydraulic fracturing on Federal land within their boundaries (see S. 19), [23JA]
- develop and issue plan to increase oil and gas production on Federal land in conjunction with draw-down from Strategic Petroleum Reserve (see S. 31), [24JA]
- establish program to reduce reliance of allied and partner nations on natural gas, petroleum, nuclear fuel, and minerals produced in Russia (see S. 458), [15FE]
- expedite permitting for oil, natural gas, and mineral development, increase energy production, and ensure Federal lands remain open to productive uses (see S. 1456), [4MY]
- improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 23), [23JA] (see S. 989), [27MR]
- increase energy production, exports, infrastructure, and critical minerals processing, promote transparency, accountability, and permitting, and improve water quality certification (see S. 947), [22MR]
- modify disposition of certain outer Continental Shelf revenues and open Federal financial sharing to heighten opportunities for renewable energy (see S. 373), [9FE]
- prevent energy poverty in at-risk communities and ensure access to affordable energy in such communities (see S. 2826), [14SE]
- prohibit importation of crude oil, petroleum, petroleum products, and liquefied natural gas from Venezuela and Iran (see S. 3053), [17OC]
- promote competition in area of digital energy management tools, enhance consumer access to electric energy and natural gas information, and allow for adoption of innovative products and service (see S. 1936), [13JN]
- promote domestic energy production and require onshore and offshore oil and natural gas lease sales (see S. 3445), [7DE]
- provide greater output, price stability, and regulatory certainty relative to U.S. domestic energy production and exports (see S. 879), [21MR]
- reinstate ban on export of coal, crude oil, and natural gas produced in U.S. (see S. 1707), [18MY]
- Public lands: discourage speculative oil and gas leasing and promote enhanced multiple use management of public land and National Forest System land (see S. 1622), [16MY]
- Ships and vessels: require certain percentage of liquefied natural gas and crude oil exports be transported on vessels documented under U.S. laws (see S. 3467), [12DE]
- Taxation: allow intangible drilling and development costs to be taken into account when computing adjusted financial statement income (see S. 3381), [30NO]
- increase applicable dollar amount for qualified carbon oxide which is captured and utilized for purposes of carbon oxide sequestration credit (see S. 542), [28FE]
- oppose Federal efforts to establish carbon tax on fuels for electricity and transportation (see S. Con. Res. 23), [26OC]

## NATURAL GAS ACT

provide for greater public input in pipeline permitting process (see S. 2547), [26JY]

—protect consumers from manipulation of electricity and natural gas markets by traders (see S. 1410), [3MY]

Natural gas: expedite approval of applications to export natural gas to certain U.S. allies (see S. 2028), [15JN]

**NATURAL PRODUCT INDUSTRY WEEK**  
*Bills and resolutions*  
Designate (see S. Res. 35), [7FE]

**NATURAL RESOURCES**  
*Appointments*  
Migratory Bird Conservation Commission, [27JY]

*Bills and resolutions*  
Atchafalaya National Heritage Area: modify boundary to include Lafourche Parish, LA (see S. 3542), [14DE]

Bureau of Reclamation: approve settlement of water rights claims of Fort Belknap Indian Community in Montana (see S. 1987), [14JN]

—support water infrastructure in reclamation States (see S. 2162), [22JN]

California: approve settlement of water right claims of Tule River Tribe (see S. 306), [7FE]

Dept. of Agriculture: authorize capacity building grants for community college agriculture and natural resources programs (see S. 1740), [18MY]

—establish forest conservation easement program (see S. 2631), [27JY]

—establish Good Steward Cover Crop Program (see S. 1690), [18MY]

—modify definitions of terms “rural” and “rural area” for purpose of grants and loans to remedy lack of compliance with certain drinking water standards (see S. 2697), [27JY]

—provide grants to States and Indian Tribes for programs to voluntarily repurpose agricultural land to reduce consumptive water use (see S. 2166), [22JN]

—require State field offices of National Resources Conservation Service to give preference to in-State applicants (see S. 2568), [27JY]

—streamline regulatory process for farmers participating in, and applying for, conservation programs (see S. 2603), [27JY]

Dept. of Defense: prohibit from requiring contractors to disclose information relative to greenhouse gas emissions (see S. 27), [24JA]

Dept. of Energy: conduct study to determine feasibility and effectiveness of establishing a national strategic propane reserve (see S. 515), [16FE]

—maintain National Coal Council to provide advice and recommendations on matters related to coal and coal industry (see S. 1089), [30MR]

—prohibit export or sale of petroleum products from Strategic Petroleum Reserve to China (see S. 9), [23JA] (see S. 218), [1FE]

Dept. of the Treasury: establish Outdoor Restoration Fund to provide grants for restoration and resilience projects (see S. 540), [28FE]

Depts. of Agriculture and the Interior: prohibit taking of privately held water rights and uphold long-standing State water laws (see S. 64), [25JA]

EPA: modify water conservation or irrigation efficiency practice waiver authority (see S. 2696), [27JY]

—provide for consistent definition for plant biostimulants (see S. 802), [15MR]

Forest Service: reauthorize and improve Water Source Protection Program and Watershed Condition Framework (see S. 1853), [7JN]

FRS: require financial firms to establish plans to reduce investing in financed greenhouse gas emissions to protect financial stability (see S. 1138), [30MR]

Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]

Horticulture: require priority and consideration of using native plants in Federal projects (see S. 3510), [13DE]

Lake Tahoe Restoration Act: reauthorize (see S. 612), [1MR]

Morris K. Udall and Stewart L. Udall Trust Fund: reauthorize (see S. 1311), [26AP]

Native Americans: make technical corrections to Navajo Nation Water Resources Development Trust Fund, Taos Pueblo Water Development Fund, and Aamodt Settlement Pueblos’ Fund (see S. 3406), [5DE]

—provide for equitable settlement of certain Indian land disputes by Miami Tribe of Oklahoma relative to land in Illinois (see S. 1783), [31MY] (see S. 2796), [13SE]

New Mexico: withdraw certain Federal land in Pecos Watershed area from mineral entry and designate Thompson Peak Wilderness Area (see S. 3033), [4OC]

Power resources: develop and issue plan to increase oil and gas production on Federal land in conjunction with drawdown from Strategic Petroleum Reserve (see S. 31), [24JA]

SEC: prohibit from requiring issuers to disclose information relative to greenhouse gas emissions (see S. 391), [13FE]

Shipping industry: eliminate certain requirements relative to dredging and dredged materials (see S. 3434), [7DE]

Sloan Canyon National Conservation Area: adjust boundary and allow construction of underground water pipeline (see S. 2042), [15JN]

Taxation: establish credit for domestic production of rare earth magnets (see S. 3521), [14DE]

—facilitate water leasing and water transfers to promote conservation and efficiency (see S. 1874), [8JN]

U.N. Convention on Biological Diversity: urge Senate ratification (see S. Con. Res. 11), [31MY]

U.S. Fish and Wildlife Service: establish New York-New Jersey Watershed Restoration Program (see S. 1335), [27AP]

Water: disapprove rule entitled “Revised Definition of ‘Waters of the U.S.’” (see S.J. Res. 7), [2FE]

—establish advisory committee to inform Congress of impact of waters of U.S. regulations on agriculture (see S. 1023), [29MR]

—establish trust fund to provide adequate funding for water and sewer infrastructure (see S. 938), [22MR]

—provide for drought preparedness and improved water supply reliability (see S. 2102), [21JN]

## PETROLEUM

- improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 23), [23JA] (see S. 989), [27MR]
- increase energy production, exports, infrastructure, and critical minerals processing, promote transparency, accountability, and permitting, and improve water quality certification (see S. 947), [22MR]
- modify disposition of certain outer Continental Shelf revenues and open Federal financial sharing to heighten opportunities for renewable energy (see S. 373), [9FE]
- prevent energy poverty in at-risk communities and ensure access to affordable energy in such communities (see S. 2826), [14SE]
- prohibit importation of crude oil, petroleum, petroleum products, and liquefied natural gas from Venezuela and Iran (see S. 3053), [17OC]
- promote domestic energy production and require onshore and offshore oil and natural gas lease sales (see S. 3445), [7DE]
- provide greater output, price stability, and regulatory certainty relative to U.S. domestic energy production and exports (see S. 879), [21MR]
- reinstate ban on export of coal, crude oil, and natural gas produced in U.S. (see S. 1707), [18MY]
- Public lands: discourage speculative oil and gas leasing and promote enhanced multiple use management of public land and National Forest System land (see S. 1622), [16MY]
- Ships and vessels: require certain percentage of liquefied natural gas and crude oil exports be transported on vessels documented under U.S. laws (see S. 3467), [12DE]
- Taxation: allow for payments to certain individuals who dye fuel (see S. 1692), [18MY]
- allow intangible drilling and development costs to be taken into account when computing adjusted financial statement income (see S. 3381), [30NO]
- extend exemption from excise tax on alternative motorboat fuels sold as supplies for vessels or aircraft to include certain vessels serving only one coast (see S. 3001), [29SE]
- impose windfall profits excise tax on crude oil and rebate tax collected back to individual taxpayers (see S. 408), [14FE]
- increase excise taxes on fuel used by private jets (see S. 2378), [19JY]
- modify clean fuel production credit to provide special rate for sustainable vessel fuel (see S. 3002), [29SE]
- oppose Federal efforts to establish carbon tax on fuels for electricity and transportation (see S. Con. Res. 23), [26OC]
- repeal excise tax on heavy trucks and trailers (see S. 694), [8MR]

EPA: assess certain fees on shipping and other vessels (see S. 1920), [8JN]  
 —conduct measurement-based national methane research pilot study to quantify methane emissions from certain oil and gas infrastructure (see S. 1947), [13JN]  
 —create additional opportunities for small refineries to generate credits under Renewable Fuel Program (see S. 2390), [19JY]  
 —disapprove rule entitled “Finding That Lead Emissions From Aircraft Engines That Operate on Leaded Fuel Cause or Contribute to Air Pollution That May Reasonably Be Anticipated To Endanger Public Health and Welfare” (see S.J. Res. 52), [6DE]  
 —establish pilot program that promotes cleanup of abandoned hardrock mines by good samaritans (see S. 2781), [13SE]  
 —establish standards to limit carbon intensity of fuel used by certain vessels and set requirements to eliminate in-port ship emissions (see S. 1917), [8JN]  
 —exclude certain air emissions from emergency notification requirements (see S. 2430), [20JY]  
 —expand ethanol waiver for Reid vapor pressure limitations of motor vehicle fuels (see S. 785), [14MR] (see S. 2707), [27JY]  
 —facilitate efficient State implementation of certain national ambient air quality standards (see S. 2125), [22JN]  
 —impose dioxide emission surcharge on private jet travel and certain first class and business tickets (see S. 2599), [27JY]  
 —prohibit from using funds for methane monitoring to monitor emissions of methane from livestock (see S. 937), [22MR]  
 —promulgate certain limitations relative to pre-production plastic pellet pollution (see S. 2337), [18JY]  
 —reauthorize diesel emissions reduction program (see S. 2195), [22JN]  
 —reauthorize Long Island Sound programs (see S. 2793), [13SE]  
 Federal agencies and departments: prohibit from banning gas-burning stoves (see S. 244), [2FE]  
 Federal aid programs: provide additional assistance to rural water and waste disposal systems affected by coronavirus pandemic (see S. 1079), [30MR]  
 Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]  
 Government regulations: improve environmental review process for energy, infrastructure, and transportation projects (see S. 1449), [4MY]  
 —reform Federal regulatory permitting and project review processes for energy and infrastructure projects (see S. 1399), [2MY]  
 Hazardous substances: establish national mercury monitoring program to protect human health, safeguard fisheries, and track environmental effects of emissions reductions (see S. 1772), [31MY]  
 —prohibit procurement of certain items containing perfluorooctane sulfonate (PFOS) or perfluorooctanoic acid (PFOA) and prioritize procurement of products without per- and polyfluoroalkyl substances (PFAS) (see S. 2283), [12JY]  
 National Academies of Sciences, Engineering, and Medicine: study and report on Federal research agenda to advance understanding of per- and polyfluoroalkyl substances (see S. 466), [16FE]  
 National Clean Energy Week: designate (see S. Res. 388), [29SE] (see S. Res. 398), [40C]  
 NOAA: establish grant program to award grants to eligible entities to carry out projects on conservation, restoration, or management of kelp forest ecosystems (see S. 2807), [14SE]  
 Office of Science and Technology Policy: add CPSC to list of agencies required to be represented on per- and polyfluoroalkyl substances (PFAS) inter-agency working group (see S. 820), [15MR]  
 Plastic: reduce production and use of single-use plastics, improve responsibility of producers over consumer products and packaging, and prevent plastics

from entering animal and human food chains and waterways (see S. 3127), [25OC]  
 Plastic Pollution Action Month: designate (see S. Res. 296), [13JY]  
 Power resources: address measuring methane emissions (see S. 3496), [13DE]  
 —clarify that States have sole authority to regulate hydraulic fracturing on Federal land within their boundaries (see S. 19), [23JA]
