- Dept. of Education: establish grant programs to invest in public schools and infrastructure to combat climate change (see S. 2988), [28SE]
- Dept. of Energy: assign certain functions to Assistant Secs. of Energy relative to energy emergencies and energy security (see S. 934), [22MR]
- conduct study to determine feasibility and effectiveness of establishing a national strategic propane reserve (see S. 515), [16FE]
- develop and support adoption of voluntary streamlined permitting and inspection process for permitting of qualifying distributed energy systems (see S. 3099), [19OC]
- enhance research security protocols to prevent theft of Government research by nationals of foreign countries of concern (see S. 1734), [18MY]
- establish Energy Threat Analysis Center to improve information sharing across energy sector (see S. 914), [22MR]
- establish Financing Energy Efficient Manufacturing Program to provide financial assistance to promote energy efficiency and onsite renewable technologies in manufacturing facilities (see S. 3156), [26OC]
- establish grant program to support hydrogen-fueled equipment at ports and to conduct study on feasibility and safety of using hydrogen-derived fuels, including ammonia, as shipping fuel (see S. 647), [2MR]
- establish hydrogen infrastructure finance and innovation pilot program (see S. 649), [2MR]
- establish Hydrogen Technologies for Heavy Industry Grant Program (see S. 646), [2MR]
- establish procedure for siting of certain interstate electric transmission facilities (see S. 946), [22MR]
- establish program to encourage deployment of electric school buses and vehicle-to-grid technologies and applications (see S. 1548), [10MY]
- establish program to provide Federal financial assistance to support advanced nuclear reactors and associated supply chain infrastructure (see S. 452), [15FE]
- establish program to provide loans to manufacturers of energy grid products and components (see S. 34), [24JA]
- establish research, development, and demonstration program relative to abandoned wells (see S. 429), [15FE]
- expand exports of natural gas (see S. 438), [15FE]
- facilitate more expeditious review and permitting of certain electric transmission facilities (see S. 1804), [1JN]
- improve Weatherization Assistance Program (see S. 1005), [28MR]
- maintain National Coal Council to provide advice and recommendations on matters related to coal and coal industry (see S. 1089), [30MR]
- obtain consent of affected State and local governments before making Nuclear Waste Fund expenditure for nuclear waste repository (see S. 404), [14FE]
- prohibit changing energy conservation standards for distribution transformers for certain period (see S. 2036), [15JN]
- prohibit disbursement of financial awards to entities related to China (see S. 1717), [18MY]
- prohibit export of crude oil to certain countries as condition of sale at auction of any crude oil from Strategic Petroleum Reserve (see S. 283), [7FE]
- prohibit export of crude oil to certain countries or state-owned entities as condition of sale at auction of any crude oil from Strategic Petroleum Reserve (see S. 11), [23JA]
- prohibit export or sale of petroleum products from Strategic Petroleum Reserve to China (see S. 9), [23JA] (see S. 218), [1FE]
- prohibit from finalizing, implementing, or enforcing proposed rule titled “Energy Conservation Program—Energy Conservation Standards for Consumer Conventional Cooking Products” (see S. 1859), [7JN]
- prohibit suppliers of power to U.S. defense-critical electric infrastructure from using equipment owned, controlled, operated, or otherwise connected to, foreign adversaries (see S. 1050), [29MR]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1099), [30MR]
- provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 1643), [17MY]
- require certain financial assistance to be distributed without undue delay to support State and local high-impact energy efficiency and renewable energy initiatives (see S. 94), [26JA]
- require Strategic Petroleum Reserve to contain petroleum products produced or refined in U.S. (see S. 337), [9FE]
- research how quantum information science, technology, and engineering can enhance resilience and security of electric grid (see S. 3115), [24OC]
- study and report on greenhouse gas emissions intensity of certain products produced in U.S. and in certain foreign countries (see S. 1863), [7JN]
- Dept. of Energy and FAA: create Federal and international policies relative to safe and efficient use of hydrogen to increase aviation decarbonization and reduce air and noise pollution (see S. 1902), [8JN]
- Dept. of HHS: increase availability of LIHEAP heating and cooling assistance (see S. 405), [14FE]
- Dept. of Labor: establish offshore wind career training grant program (see S. 3226), [2NO]
- Dept. of the Interior: conduct certain offshore lease sales (see S. 2389), [19JY]
- convey Pilot Butte Power Plant to Midvale Irrigation District in Wyoming (see S. 1662), [17MY]
- distribute certain Outer Continental Shelf revenues to Alaska (see S. 620), [2MR]
- establish critical mineral environmental processing and mining cleanup program (see S. 2965), [28SE]
- establish moratorium on energy development in certain areas of Gulf of Mexico (see S. 279), [7FE]
- permanently prohibit offshore drilling on Outer Continental Shelf in Atlantic Ocean and Straits of Florida (see S. 617), [1MR]
- permanently prohibit oil and gas leasing activities on Outer Continental Shelf in Pacific Ocean (see S. 22), [23JA]
- provide for denial of certain applications for solar or wind energy development projects right-of-way applications (see S. 3122), [25OC]
- provide with certain authorities relative to projects affecting Klamath Basin watershed (see S. 482), [16FE]
- reinstate all approvals or orders to establish and administer Coastal Plain of Arctic National Wildlife Refuge oil and gas leasing program (see S. 3289), [9NO]
- Dept. of the Treasury: issue Clean Energy Victory Bonds to increase investment in domestic development and deployment of clean energy technologies (see S. 2893), [21SE]
- Dept. of Transportation: establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 648), [2MR]
- Depts. of Agriculture and Energy: establish joint research and development activities (see S. 3301), [14NO]
- Depts. of Commerce and the Interior: prevent from issuing maritime rules related to Rice’s whale that would impede offshore energy development and military activities (see S. 2986), [28SE]
- Developing countries: increase development, distribution, and use of clean cookstoves and fuels to improve health, protect climate and environment, empower women, create jobs, and help consumers save time and money (see S. 2179), [22JN]
- Domestic policy: develop and issue plan to increase oil and gas production on Federal land in conjunction with drawdown from Strategic Petroleum Reserve (see S. 31), [24JA]
- promote domestic energy production and require onshore and offshore oil and natural gas lease sales (see S. 3445), [7DE]
- Ecology and environment: restore, reaffirm, and reconcile environmental justice, health equity, climate justice, and civil rights (see S. 919), [22MR]
- Economy: provide greater output, price stability, and regulatory certainty relative to U.S. domestic energy production and exports (see S. 879), [21MR]
- Energy and water development: making appropriations (see S. 2443), [20JY]
- Energy Efficiency Day: designate (see S. Res. 404), [4OC]
- Energy Information Administration: submit and make publicly available report on Federal agency policies and regulations and Executive orders that have increased or may increase U.S. energy prices (see S. 783), [14MR]
- EPA: assess certain fees on shipping and other vessels (see S. 1920), [8JN]
- conduct measurement-based national methane research pilot study to quantify methane emissions from certain oil and gas infrastructure (see S. 1947), [13JN]
- disapprove rule entitled “Finding That Lead Emissions From Aircraft Engines That Operate on Leaded Fuel Cause or Contribute to Air Pollution That May Reasonably Be Anticipated To Endanger Public Health and Welfare” (see S.J. Res. 52), [6DE]
- establish standards to limit carbon intensity of fuel used by certain vessels and set requirements to eliminate in-port ship emissions (see S. 1917), [8JN]
- expand ethanol waiver for Reid vapor pressure limitations of motor vehicle fuels (see S. 785), [14MR] (see S. 2707), [27JY]
- make renewable fuel credits available for sale (see S. 2242), [11JY]
- prohibit from finalizing, implementing, or enforcing proposed rule relative to new source performance standards from certain stationary sources (see S. 1923), [12JN]
- reauthorize diesel emissions reduction program (see S. 2195), [22JN]
- update modeling used for lifecycle greenhouse gas assessments for corn-based ethanol and biodiesel (see S. 3055), [17OC]
- Europe: ensure energy security, modernize European energy resources and infrastructure according to

- international good governance principles, and support efforts to reduce reliance on Russian energy resources (see S. 2673), [27JY]
- reduce reliance on Russian energy resources through energy security cooperation and expediting U.S. natural gas exports and impose sanctions on development of Nord Stream 2 natural gas pipeline (see S. 548), [28FE]
- FAA: encourage use of hydrogen in aviation sector (see S. 1899), [8JN]
- identify standards required to meet definition of sustainable aviation fuel (see S. 1958), [13JN]
- Federal agencies and departments: prohibit from banning gas-burning stoves (see S. 244), [2FE]
- prohibit from issuing moratoriums on leasing and permitting energy and minerals on certain Federal land (see S. 319), [9FE]
- require applicable Federal agencies to take action on applications for Federal energy authorizations (see S. 782), [14MR]
- require regulators to disclose impact of proposed regulations on food or energy prices (see S. 415), [14FE]
- Federal Columbia River Power System: provide for operations pursuant to certain operation plan for specified period of time (see S. 966), [23MR]
- FERC: authorize allocation of costs of certain interstate electric power transmission lines and electric power transmission lines located offshore (see S. 2915), [26SE]
- bolster fairness and transparency in consideration of interstate natural gas pipeline permits and provide for greater public input in pipeline permitting process (see S. 2547), [26JY]
- coordinate process for reviewing certain natural gas projects (see S. 988), [27MR]
- establish minimum interregional transfer capabilities (see S. 2827), [18SE]
- extend time period during which licensees are required to commence construction of certain hydro-power projects (see S. 3373), [30NO]
- initiate rulemaking to reform interregional transmission planning process (see S. 1748), [18MY]
- promulgate regulations on regional and interregional planning to improve electricity infrastructure, reduce costs for ratepayers, and promote clean energy innovation (see S. 2480), [25JY]
- protect consumers from manipulation of electricity and natural gas markets by traders (see S. 1410), [3MY]
- Foreign policy: provide support for energy infrastructure projects in Indo-Pacific region (see S. 1720), [18MY]
- Foreign trade: improve process to authorize construction, connection, operation, and maintenance of international border-crossing facilities for import and export of oil and natural gas and transmission of electricity (see S. 23), [23JA] (see S. 989), [27MR]
- prohibit importation of crude oil, petroleum, petroleum products, and liquefied natural gas from Venezuela and Iran (see S. 3053), [17OC]
- reinstate ban on export of coal, crude oil, and natural gas produced in U.S. (see S. 1707), [18MY]
- Forest Service: improve assistance to community wood facilities (see S. 1735), [18MY]
- FRS: require financial firms to establish plans to reduce investing in financed greenhouse gas emissions to protect financial stability (see S. 1138), [30MR]
- FTC: conduct study on conduct relative to oil and gas prices (see S. 67), [25JA]
- ensure transparent and competitive transportation fuel markets in order to protect consumers from unwarranted price increases (see S. 259), [2FE]
- GAO: conduct study on carbon footprint and environmental impacts of electric vehicles (see S. 1304), [26AP]
- Government regulations: expedite permitting for oil, natural gas, and mineral development, increase energy production, and ensure Federal lands remain open to productive uses (see S. 1456), [4MY]
- improve environmental review process for energy, infrastructure, and transportation projects (see S. 1449), [4MY]
- prevent energy poverty in at-risk communities and ensure access to affordable energy in such communities (see S. 2826), [14SE]
- reform Federal regulatory permitting and project review processes for energy and infrastructure projects (see S. 1399), [2MY]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Hydroelectric power: modernize and improve licensing of non-Federal hydropower projects (see S. 1521), [10MY]
- support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 2994), [28SE]
- Infrastructure: improve Federal permitting processes for certain projects (see S. 877), [21MR]
- International economic relations: influence international financial institutions to advance transition to global clean energy economy and prohibit U.S. assistance to countries or entities to support fossil fuel activity (see S. 3455), [7DE]
- Iran: impose sanctions on persons engaged in import of petroleum from Iran (see S. 1829), [6JN]
- Mining and mineral resources: provide for security of tenure for use of mining claims for ancillary activities (see S. 1281), [25AP]
- Motor vehicles: prevent elimination of sale of internal combustion engines (see S. 2090), [21JN]
- National Clean Energy Week: designate (see S. Res. 388), [29SE] (see S. Res. 398), [4OC]
- National Energy Appreciation Day: designate (see S. Res. 386), [29SE]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 414), [18OC]
- National objectives: increase energy production, exports, infrastructure, and critical minerals processing, promote transparency, accountability, and permitting, and improve water quality certification (see S. 947), [22MR]
- Natural gas: expedite approval of applications to export natural gas to certain U.S. allies (see S. 2028), [15JN]
- Nevada: withdraw land in Humboldt-Toiyabe National Forest Ruby Mountains subdistrict and Ruby Lake National Wildlife Refuge in Elko and White Pine Counties, NV, from oil and gas leasing (see S. 706), [8MR]
- Nuclear energy: enhance U.S. civil nuclear leadership, support licensing of advanced nuclear technologies, strengthen domestic nuclear energy fuel cycle and supply chain, and improve regulation of nuclear energy (see S. 1111), [30MR]
- express that nuclear power is clean baseload energy source necessary to achieve reliable, secure, and diversified electric grid (see S. Res. 321), [27JY]
- facilitate development of whole-of-government strategy for nuclear cooperation and nuclear exports (see S. 826), [15MR]
- Pipelines: eliminate requirement for cost-benefit analyses in establishment of minimum safety standards for pipeline transportation and pipeline facilities (see S. 2980), [28SE]
- Public buildings: establish minimum temperature for thermostats at headquarters of Dept. of Energy and EPA (see S. 2373), [19JY]
- Public lands: achieve domestic energy independence by empowering States to control development and production of all forms of energy on all available Federal land (see S. 20), [23JA]
- clarify that States have sole authority to regulate hydraulic fracturing on Federal land within their boundaries (see S. 19), [23JA]
- discourage speculative oil and gas leasing and promote enhanced multiple use management of public land and National Forest System land (see S. 1622), [16MY]
- Puerto Rico: recognize need for sustainable, economically viable, and fair debt restructuring plan for Puerto Rico Electric Power Authority (see S. Con. Res. 12), [12JY]
- Renewable energy: modify disposition of certain outer Continental Shelf revenues and open Federal financial sharing to heighten opportunities for renewable energy (see S. 373), [9FE]
- repeal restrictions on onshore wind and solar (see S. 3025), [4OC]
- require assessments of opportunities to install and maintain floating photovoltaic solar panels at Corps of Engineers and Bureau of Reclamation projects (see S. 1215), [19AP]
- Renewable Fuels Month: designate (see S. Res. 213), [15MY]
- Russia: establish program to reduce reliance of allied and partner nations on natural gas, petroleum, nuclear fuel, and minerals produced in Russia (see S. 458), [15FE]
- SEC: prohibit from requiring issuers to disclose information relative to greenhouse gas emissions (see S. 391), [13FE]
- Ships and vessels: require certain percentage of liquefied natural gas and crude oil exports be transported on vessels documented under U.S. laws (see S. 3467), [12DE]
- Solar energy: prohibit procurement of solar panels manufactured or assembled in China (see S. 968), [23MR]
- Southwestern Power Administration Fund: establish (see S. 1324), [26AP]
- Taxation: allow for payments to certain individuals who dye fuel (see S. 1692), [18MY]
- allow intangible drilling and development costs to be taken into account when computing adjusted financial statement income (see S. 3381), [30NO]
- clarify use of State and local sales taxes on aviation fuel (see S. 882), [21MR] (see S. 2351), [18JY]
- establish credit for domestic production of rare earth magnets (see S. 3521), [14DE]
- establish tax credit for installation of regionally-significant electric power transmission lines (see S. 1793), [1JN]
- extend energy credit for qualified fuel cell property (see S. 3027), [4OC]
- extend exemption from excise tax on alternative motorboat fuels sold as supplies for vessels or aircraft to include certain vessels serving only one coast (see S. 3001), [29SE]
- extend publicly traded partnership ownership structure to energy power generation projects and transportation fuels (see S. 2641), [27JY]
- impose carbon border adjustment on energy-intensive imports and incentivize decarbonization of domestic manufacturing (see S. 3422), [6DE]
- impose windfall profits excise tax on crude oil and rebate tax collected back to individual taxpayers (see S. 408), [14FE]
- increase applicable dollar amount for qualified carbon oxide which is captured and utilized for purposes of carbon oxide sequestration credit (see S. 542), [28FE]
- increase excise taxes on fuel used by private jets (see S. 2378), [19JY]
- increase limitation on credit for biomass stoves and boilers (see S. 54), [24JA]
- increase low-income housing credit for rehabilitation expenditures for buildings achieving enhanced energy performance (see S. 611), [1MR]
- modify clean fuel production credit to provide special rate for sustainable vessel fuel (see S. 3002), [29SE]
- oppose Federal efforts to establish carbon tax on fuels for electricity and transportation (see S. Con. Res. 23), [26OC]
- prohibit use of clean vehicle credit on battery components manufactured or assembled by corporations associated with foreign entities of concern (see S. 756), [9MR]
- provide tax credit to issuers of American Infrastructure bonds (see S. 1695), [18MY]
- repeal clean vehicle credit (see S. 3016), [4OC]
- Technology: promote competition in area of digital energy management tools, enhance consumer access

Agriculture: address impact of climate change (see S. 1016), [28MR]

Aviation: provide increased funding and opportunities to achieve national, long-term production goals for sustainable aviation fuel (see S. 1962), [13JN]

Bureau of Reclamation: clarify jurisdiction relative to certain pumped storage development (see S. 739), [9MR]

Climate: impact of climate change on health, economic opportunity, and fundamental rights of children, importance of U.S. leadership in addressing crisis, and need for science-based plan to reduce fossil fuel emissions (see S. Con. Res. 13), [13JY]

—provide for high-priority research and extension grants for natural climate solutions (see S. 3500), [13DE]

Coastal zones: repeal certain restrictions on offshore wind leasing (see S. 3026), [4OC]

CPSC: promulgate consumer product safety standard relative to rechargeable lithium-ion batteries used in micromobility devices (see S. 1008), [28MR]

# INDEX

## RENEWABLE ENERGY

- Dept. of Agriculture: establish energy circuit rider program to disseminate technical and other assistance to rural communities to support energy efficiency and clean energy projects (see S. 3489), [13DE]
- improve Rural Energy for America Program (see S. 2594), [27JY] (see S. 3378), [30NO]
- modify Rural Energy for America Program (see S. 2931), [26SE]
- prioritize loan guarantees and grants under Rural Energy for America Program to solar projects that include creation of pollinator habitat (see S. 1555), [11MY]
- reauthorize Rural Energy Savings Program (see S. 1821), [6JN]
- support buildout of clean school bus charging infrastructure through community facilities direct loans and grants (see S. 1930), [12JN]
- Dept. of Defense: establish partnership program to assist military forces of partner countries in developing and maintaining military-wide transformational strategies for operational energy (see S. 1437), [3MY]
- submit report on incinerators and waste-to-energy waste disposal alternatives to burn pits (see S. 2083), [21JN]
- Dept. of Education: establish grant programs to invest in public schools and infrastructure to combat climate change (see S. 2988), [28SE]
- provide for long-term improvement of public school facilities (see S. 2608), [27JY]
- Dept. of Energy: develop and support adoption of voluntary streamlined permitting and inspection process for permitting of qualifying distributed energy systems (see S. 3099), [19OC]
- establish Financing Energy Efficient Manufacturing Program to provide financial assistance to promote energy efficiency and onsite renewable technologies in manufacturing facilities (see S. 3156), [26OC]
- establish grant program to facilitate electric vehicle sharing services operated at public housing projects (see S. 1704), [18MY]
- establish hydrogen infrastructure finance and innovation pilot program (see S. 649), [2MR]
- establish program to provide Federal financial assistance to support advanced nuclear reactors and associated supply chain infrastructure (see S. 452), [15FE]
- provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 1643), [17MY]
- require certain financial assistance to be distributed without undue delay to support State and local high-impact energy efficiency and renewable energy initiatives (see S. 94), [26JA]
- transfer funds for energy efficiency and renewable energy improvements in public schools to Dept. of Justice to award grants to States to promote safety and security in schools (see S. 809), [15MR]
- Dept. of Energy and FAA: create Federal and international policies relative to safe and efficient use of hydrogen to increase aviation decarbonization and reduce air and noise pollution (see S. 1902), [8JN]
- Dept. of Labor: establish offshore wind career training grant program (see S. 3226), [2NO]
- Dept. of the Interior: establish critical mineral environmental processing and mining cleanup program (see S. 2965), [28SE]
- establish moratorium on energy development in certain areas of Gulf of Mexico (see S. 279), [7FE]
- provide for denial of certain applications for solar or wind energy development projects right-of-way applications (see S. 3122), [25OC]
- Dept. of the Treasury: issue Clean Energy Victory Bonds to increase investment in domestic development and deployment of clean energy technologies (see S. 2893), [21SE]
- Dept. of Transportation: establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 648), [2MR]
- Energy Efficiency Day: designate (see S. Res. 404), [4OC]
- EPA: create additional opportunities for small refineries to generate credits under Renewable Fuel Program (see S. 2390), [19JY]
- expand ethanol waiver for Reid vapor pressure limitations of motor vehicle fuels (see S. 785), [14MR] (see S. 2707), [27JY]
- make renewable fuel credits available for sale (see S. 2242), [11JY]
- prohibit electric vehicle original equipment manufacturers from participating in renewable fuel program (see S. 1741), [18MY]
- update modeling used for lifecycle greenhouse gas assessments for corn-based ethanol and biodiesel (see S. 3055), [17OC]
- FAA: encourage use of hydrogen in aviation sector (see S. 1899), [8JN]
- Federal agencies and departments: require applicable Federal agencies to take action on applications for Federal energy authorizations (see S. 782), [14MR]
- FERC: extend time period during which licensees are required to commence construction of certain hydropower projects (see S. 3373), [30NO]
- initiate rulemaking to reform interregional transmission planning process (see S. 1748), [18MY]
- promulgate regulations on regional and inter-regional planning to improve electricity infrastructure, reduce costs for ratepayers, and promote clean energy innovation (see S. 2480), [25JY]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Health: prepare and empower health care sector to protect health and wellbeing of our workers, our communities, and our planet in face of climate crisis (see S. 1229), [20AP]
- Hydroelectric power: modernize and improve licensing of non-Federal hydropower projects (see S. 1521), [10MY]
- support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 2994), [28SE]
- International economic relations: influence international financial institutions to advance transition to global clean energy economy and prohibit U.S. assistance to countries or entities to support fossil fuel activity (see S. 3455), [7DE]
- National Clean Energy Week: designate (see S. Res. 388), [29SE] (see S. Res. 398), [4OC]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 414), [18OC]
- Power resources: achieve domestic energy independence by empowering States to control development and production of all forms of energy on all available Federal land (see S. 20), [23JA]
- increase energy production, exports, infrastructure, and critical minerals processing, promote transparency, accountability, and permitting, and improve water quality certification (see S. 947), [22MR]
- modify disposition of certain outer Continental Shelf revenues and open Federal financial sharing to heighten opportunities for renewable energy (see S. 373), [9FE]
- prevent energy poverty in at-risk communities and ensure access to affordable energy in such communities (see S. 2826), [14SE]
- promote domestic energy production and require onshore and offshore oil and natural gas lease sales (see S. 3445), [7DE]
- repeal restrictions on onshore wind and solar (see S. 3025), [4OC]
- Public works: require assessments of opportunities to install and maintain floating photovoltaic solar panels at Corps of Engineers and Bureau of Reclamation (see S. 1215), [19AP]
- Renewable Fuels Month: designate (see S. Res. 213), [15MY]
- Solar energy: prohibit procurement of solar panels manufactured or assembled in China (see S. 968), [23MR]
- Taxation: clarify guidelines relative to tax credits for new clean vehicles (see S. 63), [25JA]
- establish requirements for clean vehicle credit and qualifying advanced energy project credit to prevent offshoring by manufacturers (see S. 3397), [5DE]
- establish tax on sale of electric vehicles and batteries (see S. 2882), [21SE]
- expand new clean vehicle credit to include clean vehicles with fewer than 4 wheels (see S. 1779), [31MY]
- extend energy credit for qualified fuel cell property (see S. 3027), [4OC]
- extend publicly traded partnership ownership structure to energy power generation projects and transportation fuels (see S. 2641), [27JY]
- increase applicable dollar amount for qualified carbon oxide which is captured and utilized for purposes of carbon oxide sequestration credit (see S. 542), [28FE]
- increase limitation on credit for biomass stoves and boilers (see S. 54), [24JA]
- prohibit use of clean vehicle credit on battery components manufactured or assembled by corporations associated with foreign entities of concern (see S. 756), [9MR]
- repeal clean vehicle credit (see S. 3016), [4OC]
- repeal electric vehicle tax incentives and establish credit to promote U.S. automobile manufacturing (see S. 2962), [28SE]
- Motions*
- Public debt: extend public debt ceiling limit, reduce Federal spending, and promote economic growth (H.R. 3746), [1JN]
- Reports filed*
- Nuclear Fuel Security Act: Committee on Energy and Natural Resources (Senate) (S. 452) (S. Rept. 118–52), [11JY]
- RENEWABLE FUELS MONTH**
- Bills and resolutions*
- Designate (see S. Res. 213), [15MY]
- REPEAL CFPB ACT**
- Bills and resolutions*
- Enact (see S. 1363), [27AP]
- REPORTING EFFICIENTLY TO PROPER OFFICIALS IN RESPONSE TO TERRORISM (REPORT) ACT**
- Reports filed*
- Provisions: Committee on Homeland Security and Governmental Affairs (Senate) (S. 945) (S. Rept. 118–46), [22JN]
- REPRODUCTIVE FREEDOM FOR ALL ACT**
- Bills and resolutions*
- Enact (see S. 317), [9FE]
- REPRODUCTIVE HEALTH CARE ACCESSIBILITY ACT**
- Bills and resolutions*
- Enact (see S. 2544), [26JY]
- REPRODUCTIVE HEALTH CARE TRAINING ACT**
- Bills and resolutions*
- Enact (see S. 2024), [15JN]
- REPUBLICAN PARTY**
- Bills and resolutions*
- Committees of the Senate: minority party appointments (see S. Res. 31), [2FE]
- Heritage Foundation: anniversary (see S. Res. 164), [19AP]
- REQUIRE EMPLOYEES TO UNIFORMLY RETURN NOW (RETURN) ACT**
- Bills and resolutions*
- Enact (see S. 155), [31JA]
- RESEARCH related term(s) SCIENCE; TECHNOLOGY**
- Bills and resolutions*
- Administration for Strategic Preparedness and Response: address threats to public health and national security due to technical advancements in artificial intelligence or other emerging technology fields (see S. 2399), [19JY]
- Agricultural Research Service: conduct research on wildfire smoke exposure on wine grapes (see S. 2135), [22JN]
- Agriculture: address impact of climate change (see S. 1016), [28MR]
- Agriculture Advanced Research and Development Authority: reauthorize (see S. 834), [16MR]
- Alaska: improve access to healthy foods, food processing, housing, forestry, agricultural research, and

- other agricultural programs, and Tribal self-determination relative to those programs (see S. 2354), [18JY]
- ALS Awareness Month: designate (see S. Res. 224), [18MY] (see S. Res. 239), [7JN]
- American Diabetes Month: designate (see S. Res. 474), [27NO]
- Animals: allow for adoption or non-laboratory placement of certain animals used in Federal research (see S. 707), [8MR]
- require inspections of foreign laboratories conducting biomedical and behavioral research to ensure compliance with applicable animal welfare requirements (see S. 2397), [19JY]
- Armed Forces: ensure computer programming, coding, and artificial intelligence capabilities (see S. 1123), [30MR]
- Artificial intelligence: provide framework for innovation and accountability (see S. 3312), [15NO]
- ATF: improve ability to work with agencies to address violent crime, allow enforcement against “bad apple” gun dealers, protect against certain dangerous weapons, and make certain data available to researchers (see S. 118), [26JA]
- Aviation: provide increased funding and opportunities to achieve national, long-term production goals for sustainable aviation fuel (see S. 1962), [13JN]
- Biomedical Advanced Research and Development Authority: establish program to develop medical countermeasures for viral threats with pandemic potential (see S. 2093), [21JN]
- CCC: research and develop policy to insure production of mushrooms (see S. 1816), [6JN]
- CDC: advance population research for chronic pain (see S. 2922), [26SE]
- authorize appropriations for firearms safety or gun violence prevention research (see S. 1026), [29MR]
- provide for public health research and investment into understanding and eliminating structural racism and police violence (see S. 1317), [26AP]
- reauthorize certain substance use disorder prevention programs for pregnant and postpartum women (see S. 3370), [30NO]
- reauthorize program of surveillance and education regarding infections associated with illicit drug use and other risk factors (see S. 2918), [26SE]
- CDC and NIH: authorize funding for conducting or supporting research on barriers to gender affirming care (see S. 2246), [11JY]
- Center for Biomedical Innovation and Development: establish (see S. 1441), [4MY]
- Children and youth: provide families with tools, safeguards, and transparency needed to protect against threats to children’s health and well-being online (see S. 1409), [2MY]
- China: impose export controls and sanctions to address security threat posed by genetic mapping efforts of China and other countries (see S. 2551), [26JY]
- impose sanctions and other measures in response to failure to allow investigation into origins of coronavirus at suspect laboratories in Wuhan (see S. 588), [1MR]
- prohibit Federal funding for research (see S. 2525), [26JY]
- prohibit Federal funding to Wuhan Institute of Virology and require GAO study on Federal funds previously provided to such institute or to entities affiliated with Chinese government (see S. 421), [14FE]
- prohibit funding to universities and schools that provide support to People’s Liberation Army (see S. 2726), [5SE]
- Climate: prohibit U.S. contributions to Intergovernmental Panel on Climate Change, U.N. Framework Convention on Climate Change, or Green Climate Fund (see S. 3491), [13DE]
- provide for high-priority research and extension grants for natural climate solutions (see S. 3500), [13DE]
- Colleges and universities: modify areas of focus for centers of excellence at 1890 Land-Grant Educational Institutions (see S. 2058), [20JN]
- Commission on the Federal Regulation of Cannabis: establish (see S. 2650), [27JY]
- Construction industries: conduct research, development, demonstration, and commercial application of technologies to reduce emissions of U.S. cement, concrete, asphalt binder, and asphalt mixture production (see S. 3439), [7DE]
- Courts: establish appropriate penalties for cocaine-related offenses (see S. 522), [16FE]
- Dept. of Agriculture: address deferred maintenance at agricultural research facilities (see S. 2589), [27JY]
- carry out certain activities relating to research for wood products (see S. 2662), [27JY]
- carry out study, research, and demonstration on agrivoltaic systems (see S. 1778), [31MY]
- conduct research on measurement, monitoring, reporting, and verification of greenhouse gas emissions and carbon sequestration (see S. 2241), [11JY]
- consult with maple producers when determining education and research priorities for Acer Access and Development Program (see S. 1675), [18MY]
- direct Agricultural Research Service to expand organic research (see S. 2317), [13JY] (see S. 2756), [11SE]
- enter into cooperative agreements relating to drought prevention, preparedness, response, and mitigation (see S. 2706), [27JY]
- establish and maintain training program on rapidly evolving methodologies, science, and practices of biological soil health management systems on agricultural land (see S. 3023), [4OC]
- establish integrated research, education, and extension competitive grant program and scholarship grant program for certain Asian American and Native American Pacific Islander-Serving institutions (see S. 2582), [27JY]
- establish national biochar research network (see S. 732), [9MR]
- establish Office of Aquaculture (see S. 2211), [22JN]
- establish research and extension grant priorities (see S. 2316), [13JY]
- further plant cultivar and animal breed research, development, and commercialization (see S. 2023), [15JN]
- include spotted lanternfly control research and development as high-priority research and extension initiative (see S. 1837), [7JN]
- increase funding for purchase of specialty crops (see S. 1639), [17MY]
- modify macadamia tree health initiative (see S. 372), [9FE]
- modify matching funds requirements for research and extension activities at eligible institutions and related reporting requirements (see S. 2998), [29SE]
- prioritize funding for expanded and sustained national investment in agriculture research (see S. 1628), [16MY]
- provide research and extension grants to combat plant pests and noxious weeds that impact coffee plants (see S. 371), [9FE]
- publish report on fertilizer industry (see S. 3471), [12DE]
- reauthorize and rename Acer Access and Development Program as Maple Research and Market Promotion Program (see S. 1846), [7JN]
- reform Natural Resources Conservation Service programs (see S. 1078), [30MR]
- report on competitiveness of U.S. exports of specialty crops (see S. 3300), [14NO]
- require Economic Research Service to conduct research on consolidation and concentration in livestock industry (see S. 1020), [29MR]
- require research and development regarding policy to insure wine grapes against losses due to smoke exposure (see S. 2134), [22JN]
- require review of effectiveness of Cattle Fever Tick Eradication Program (see S. 1836), [6JN]
- Dept. of Commerce: establish National Manufacturing Advisory Council (see S. 1153), [30MR]
- Dept. of Defense: establish defense industrial base advanced capabilities pilot program (see S. 1463), [4MY]
- establish fund for conduct of collaborative defense projects between U.S. and Israel in emerging technologies (see S. 1802), [1JN]
- establish grant program to promote cooperative research with Israel on post-traumatic stress disorder (see S. 1143), [30MR]
- submit to Congress annual reports on unfunded priorities of research, development, test, and evaluation activities (see S. 2455), [20JY]
- Dept. of Education: collect, acquire, compile, and disseminate student attainment in languages other than English and support research on attainment in languages other than English (see S. 2543), [26JY]
- establish restrictions on receipt of Federal funds by institutions of higher education that enter contracts or agreements with Confucius Institutes (see S. 3088), [19OC]
- incorporate career and technical education into Institute for Education Sciences research and data collection agenda to improve State career readiness programs (see S. 2290), [13JY]
- reauthorize foreign language and international education programs at colleges and universities and support research and innovation projects in such areas (see S. 239), [2FE]
- strengthen research in adult education (see S. 1268), [25AP]
- Dept. of Energy: enhance research security protocols to prevent theft of Government research by nationals of foreign countries of concern (see S. 1734), [18MY]
- establish grant program to support hydrogen-fueled equipment at ports and to conduct study on feasibility and safety of using hydrogen-derived fuels, including ammonia, as shipping fuel (see S. 647), [2MR]
- establish Hydrogen Technologies for Heavy Industry Grant Program (see S. 646), [2MR]
- provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 1576), [11MY]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1099), [30MR]
- research how quantum information science, technology, and engineering can enhance resilience and security of electric grid (see S. 3115), [24OC]
- support carbon dioxide removal research and development (see S. 2812), [14SE]
- Dept. of Energy and NSF: improve coordination on activities carried out under National Quantum Initiative Program (see S. 2450), [20JY]
- Dept. of HHS: address and support research on long-term coronavirus symptoms (see S. 2560), [27JY]
- address behavioral health and well-being among education professionals and other school staff (see S. 2530), [26JY]
- address health needs of cancer survivors through entire continuum of care, in order to improve survivorship and long-term health outcomes, and develop standard of care for cancer survivorship (see S. 2213), [22JN]
- authorize scholarship and loan repayment program to incentivize physicians to enter into field of sickle cell disease research, treatment, and patient care (see S. 1423), [3MY]
- award grants to regional biocontainment laboratories for maintaining surge capacity to respond to outbreaks of infectious diseases or acts of bioterrorism (see S. 2538), [26JY]
- carry out activities to address neglected diseases of poverty (see S. 324), [9FE]
- carry out national project to prevent and cure Parkinson’s disease to be known as National Parkinson’s Project (see S. 1064), [29MR]
- carry out programs to prevent adverse childhood experiences and promote positive experiences, and conduct studies, evaluations, and research to address adverse childhood experiences (see S. 3085), [19OC]
- collect and disseminate information on concussion and traumatic brain injury among public safety officers (see S. 894), [21MR]

# INDEX

## RESEARCH

- compile into searchable database information relating to Federal support for biomedical research and development (see S. 315), [9FE]
- continue Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (see S. 2434), [20JY]
- develop strategic framework to improve development and distribution of diagnostic tests in response to chemical, biological, radiological, or nuclear threats (see S. 2672), [27JY]
- ensure consensual donation and respectful disposition of human bodies and body parts donated for education, research, or advancement of medical or mortuary science and not for use in human transplantation (see S. 2191), [22JN]
- establish program to develop antimicrobial innovations targeting most challenging pathogens and most threatening infections (see S. 1355), [27AP]
- establish programs to address addiction and overdoses caused by illicit fentanyl and other opioids (see S. 1785), [31MY]
- establish Public Health Information and Communications Advisory Committee (see S. 406), [14FE]
- establish working group to formulate recommendations for standardizing measurements of loneliness and isolation (see S. 3260), [8NO]
- expand and intensify programs on translational research and related activities relative to cerebral cavernous malformations (see S. 543), [28FE]
- extend National Alzheimer’s Project (see S. 133), [30JA]
- prescribe regulation reducing risks in gene synthesis products (see S. 2400), [19JY]
- promote healthy eating and physical activity among children (see S. 3171), [31OC]
- provide for outreach and education strategy and research to improve behavioral and mental health of Asian American, Native Hawaiian, and Pacific Islander population, while addressing stigma of such treatment (see S. 1773), [31MY]
- publish all information in possession relating to origin of coronavirus (see S. 2754), [11SE]
- reauthorize Special Diabetes Program for Type 1 Diabetes and Special Diabetes Program for Indians (see S. 1855), [7JN]
- require drug manufacturers to submit transparency and justification report prior to increasing certain drug prices (see S. 935), [22MR]
- require research into health consequences of environmental impacts of nuclear war (see S. 2398), [19JY]
- require study on women and lung cancer (see S. 2245), [11JY]
- support endemic fungal disease research, incentivize valley fever vaccine development, and discover new antifungal therapies and diagnostics to fight infections such as Valley Fever (see S. 3464), [12DE]
- update guidance relative to gene synthesis (see S. 2356), [18JY]
- Dept. of Homeland Security: establish funding restrictions on institutions of higher education that have relationship with Confucius Institutes (see S. 1121), [30MR]
- Dept. of HUD: combat toxic indoor mold in federally-assisted housing (see S. 2834), [18SE]
- Dept. of Justice: establish CCP Initiative program (see S. 511), [16FE]
- Dept. of State: provide for reallocation of unused waivers of foreign residency requirement for certain J-visa holders (see S. 2719), [5SE]
- require reciprocity from certain countries relative to reporting of official meetings with State and local officials (see S. 3405), [5DE]
- Dept. of the Treasury: abolish Office of Financial Research (see S. 1964), [14JN]
- Dept. of Veterans Affairs: carry out clinical trial of effects of cannabis on certain health outcomes of adults with chronic pain and post-traumatic stress disorder (see S. 326), [9FE]
- Depts. of Agriculture and Energy: establish joint research and development activities (see S. 3301), [14NO]
- Depts. of Defense and Veterans Affairs: improve productive assistance to certain Armed Forces members, veterans, and their spouses or partners (see S. 2801), [14SE]
- Depts. of Transportation and HUD and related agencies: making appropriations (see S. 2437), [20JY]
- DIPG Pediatric Brain Cancer Awareness Day: designate (see S. Res. 232), [11JN]
- Diseases and disorders: address research on, and improve access to, supportive services for individuals with long-term coronavirus symptoms (see S. 801), [15MR]
- facilitate development of treatments for cancers (see S. 642), [2MR]
- prevent, treat, and cure tuberculosis globally (see S. 288), [7FE]
- reauthorize Mosquito Abatement Safety and Health Act and epidemiology laboratory capacity grants and require GAO study on existing mosquito and other vector-borne surveillance and control programs (see S. 2580), [27JY]
- recognize critical role that President’s Emergency Plan for AIDS (PEPFAR) has played in global fight against HIV/AIDS (see S. Res. 139), [30MR]
- EcoHealth Alliance, Inc.: prohibit Federal funding (see S. 84), [25JA]
- Ecology and environment: address harmful algal blooms and hypoxia through research, forecasting and monitoring, and mitigation and control while helping communities detect, control, and mitigate such events (see S. 3348), [27NO]
- Education: reauthorize certain laws relative to improvement of Federal education research, statistics, evaluation, information, and dissemination (see S. 3392), [4DE]
- Endometriosis Awareness Month: designate (see S. Res. 90), [1MR]
- EPA: conduct measurement-based national methane research pilot study to quantify methane emissions from certain oil and gas infrastructure (see S. 1947), [13JN]
- establish consortium related to exposures to toxic substances and identifying chemicals that are safe to use (see S. 1685), [18MY]
- establish grant program to support local communities in detecting, preparing for, communicating about, or mitigating environmental and public health impacts of wildfire smoke and extreme heat (see S. 2383), [19JY]
- FAA: continue operation of Advanced Materials Center of Excellence (see S. 1796), [11JN]
- designate overland supersonic and hypersonic testing corridor to test military passenger and non-passenger aircraft (see S. 902), [21MR]
- modify authority for space transportation infrastructure modernization grants (see S. 1982), [14JN]
- Families and domestic relations: improve research and data collection on stillbirths (see S. 2647), [27JY]
- support stillbirth prevention and research (see S. 2231), [11JY]
- FDA: determine whether to permit use of enriched enrollment randomized withdrawal methodology relative to clinical trials (see S. 2737), [7SE]
- establish additional authorities regarding conduct of pediatric investigations of molecularly targeted drugs to treat cancer (see S. 2897), [21SE]
- establish postmarket reporting requirements for pharmaceuticals (see S. 3143), [26OC]
- provide authority to investigate animal feeding operations near produce farms where foodborne illness outbreaks occur to better determine root causes of such outbreaks (see S. 2782), [13SE]
- require research on fentanyl and xylazine test strips and authorize use of grant funds for such test strips (see S. 2919), [26SE]
- respect scientific judgement that mifepristone is safe and effective and ensure access to lifesaving, time-sensitive medication abortion care in U.S. is equitable and based on science (see S. Res. 510), [14DE]
- strengthen use of patient-experience data within benefit-risk framework for approval of new drugs (see S. 526), [16FE]
- Federal agencies and departments: encourage growth of research partnerships with historically Black colleges and universities to advance development in sub-Saharan Africa (see S. 3149), [26OC]
- prohibit Federal funding for gender transition research in minors (see S. 3035), [4OC]
- Federal aid programs: provide moratorium on all Federal research grants provided to any institution of higher education or other research institute conducting gain-of-function research (see S. 81), [25JA]
- Federal Crop Insurance Corp.: conduct research and development on frost or cold weather insurance (see S. 3253), [8NO]
- conduct research and development on inclusion of certain oilseed crops in double cropping policies (see S. 2541), [26JY]
- Firearms: end epidemic of gun violence and build safer communities by strengthening Federal firearms laws and supporting gun violence research, intervention, and prevention initiatives (see S. 3407), [5DE]
- Firefighter Cancer Registry Act: reauthorize (see S. 2119), [22JN]
- Foreign countries: prohibit use of taxpayer dollars to support animal experimentation in laboratories of adversarial nations (see S. 2716), [5SE]
- Fort Detrick, MD: authorize, strengthen, and designate laboratory as National Biodefense Analysis and Countermeasures Center (see S. 1210), [19AP]
- FTC: conduct study on conduct relative to oil and gas prices (see S. 67), [25JA]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 1876), [8JN]

- prohibit certain dangerous drone aircraft activity (see S. 157), [31JA]
- protect domestic violence victims by preventing their abusers from possessing or receiving firearms and establish grant program for removal of firearms from adjudicated domestic violent offenders (see S. 3303), [14NO]
- provide Federal penalties for assault against journalists (see S. 1412), [3MY]
- provide penalties for individuals who knowingly and intentionally assault or intimidate hospital employees (see S. 2768), [12SE]
- DEA: make permanent scheduling of fentanyl-related substances (see S. 1141), [30MR]
- Dept. of Agriculture: allow interstate sale of State-inspected meat and poultry online (see S. 1512), [10MY]
- direct Agricultural Research Service to expand organic research (see S. 2317), [13JY] (see S. 2756), [11SE]
- ensure that all dogs entering U.S. do not pose health risk (see S. 502), [16FE]
- enter into self-determination contracts with Tribal organizations to carry out authority of Food Safety and Inspection Service (see S. 1780), [31MY]
- establish grant program to assist with purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products (see S. 806), [15MR]
- establish grocery, farm, and food worker stabilization grant program (see S. 3469), [12DE]
- establish Office of High-Risk AFO Disaster Mitigation and Enforcement (see S. 272), [2FE]
- expedite hazardous fuel or insect and disease risk reduction projects on certain National Forest System lands (see S. 808), [15MR]
- improve health and safety protections for meatpacking workers, protect market share of small processing plants, and require GAO report on racial disparities in meat and poultry processing (see S. 270), [2FE]
- prohibit use of M-44 devices, commonly known as “cyanide bombs”, on public land (see S. 1940), [13JN]
- provide administrative enforcement authority over live poultry dealers (see S. 2633), [27JY]
- reauthorize animal disease prevention and management programs (see S. 1666), [17MY]
- support buildout of clean school bus charging infrastructure through community facilities direct loans and grants (see S. 1930), [12JN]
- Dept. of Defense: develop strategy to counter fentanyl trafficking in U.S. (see S. 1619), [16MY]
- provide authority to include funding requests for chemical and biological defense program in military department budget accounts (see S. 1716), [18MY]
- require report on dangers posed by nuclear reactors in areas that might experience armed conflict (see S. 571), [28FE]
- submit report on incinerators and waste-to-energy waste disposal alternatives to burn pits (see S. 2083), [21JN]
- Dept. of Education: address and take action to prevent bullying and harassment of students (see S. 3105), [24OC]
- allow use of Student Support and Academic Enrichment Program grants to reinforce school safety infrastructure, technology, and personnel (see S. 1083), [30MR]
- clarify that prohibition on use of Federal education funds for certain weapons does not apply to sports clubs, teams, training, or related activities provided for students (see S. 2736), [7SE]
- clarify that prohibition on use of Federal education funds for certain weapons does not apply to use of such weapons for training in archery, hunter safety education, or culinary arts (see S. 2735), [6SE]
- clarify that prohibition on use of Federal education funds for certain weapons does not apply to use of such weapons for training in archery, hunting, other shooting sports, or culinary arts (see S. 2828), [18SE]
- end use of corporal punishment in schools by prohibiting funding to any institution or agency utilizing such practices and providing assistance with positive behavior support approaches (see S. 1762), [30MY]
- ensure needs of college students with disabilities are taken into account in campus efforts to prevent and respond to sexual assault (see S. 1070), [30MR]
- establish Council on Emergency Response Protocols (see S. 1072), [30MR]
- establish grant program to improve school security, including by training and hiring veterans and former law enforcement officers as school safety officers (see S. 1107), [30MR]
- establish Mental Health in Schools Excellence Program to increase recruitment and retention of school-based mental health services providers (see S. 1574), [11MY]
- keep schools safe using unobligated Federal funds to respond to coronavirus pandemic (see S. 1081), [30MR]
- prohibit and prevent seclusion, mechanical restraint, chemical restraint, and dangerous restraints that restrict breathing, and prevent and reduce use of physical restraint in schools (see S. 1750), [18MY]
- promote minimum State requirements for prevention and treatment of concussions caused by participation in school sports (see S. 205), [1FE]
- publish, in consultation with Depts. of HHS and Justice, annual report on indicators of school crime and safety that includes data on school shootings (see S. 1285), [25AP]
- remove prohibition on use of funds relating to provision of dangerous weapon or training in use of dangerous weapon (see S. 2802), [14SE]
- require federally-funded colleges and universities to certify school's president and member of Board of Trustees have reviewed all reported incidents involving employee sexual misconduct (see S. 2139), [22JN]
- require institutions of higher education to create venue-specific heat emergency action plan (see S. 2081), [21JN]
- require institutions of higher education to disclose hazing incidents (see S. 2901), [21SE]
- require institutions of higher education to include campus antisemitism in annual security report to ensure such institutions do not support terrorist activity of foreign terrorist organizations (see S. 3184), [1NO]
- require reporting of certain incidents resulting in serious physical injuries or death at institutions of higher education (see S. 2461), [25JY]
- Dept. of Energy: establish grant program to support hydrogen-fueled equipment at ports and to conduct study on feasibility and safety of using hydrogen-derived fuels, including ammonia, as shipping fuel (see S. 647), [2MR]
- prohibit from finalizing, implementing, or enforcing proposed rule titled “Energy Conservation Program—Energy Conservation Standards for Consumer Conventional Cooking Products” (see S. 1859), [7JN]
- transfer funds for energy efficiency and renewable energy improvements in public schools to Dept. of Justice to award grants to States to promote safety and security in schools (see S. 809), [15MR]
- Dept. of HHS: allow community supports to meet specific needs of families and children through electronic care portal under Marylee Allen Promoting Safe and Stable Families program (see S. 73), [25JA]
- allow expedited approval of generic prescription drugs and temporary importation of prescription drugs during noncompetitive drug markets and drug shortages (see S. 845), [16MR]
- award grants, contracts, or cooperative agreements to establish, maintain, or improve activities relative to detection and monitoring of infectious diseases through wastewater (see S. 2237), [11JY]
- award grants to pregnancy-help organizations to implement security upgrades (see S. 565), [28FE]
- create plan for completing review of approved opioid analgesic drugs that considers public health effects of such opioid drugs (see S. 3557), [19DE]
- develop strategic framework to improve development and distribution of diagnostic tests in response to chemical, biological, radiological, or nuclear threats (see S. 2672), [27JY]
- develop strategy for public health preparedness and response to artificial intelligence threats relating

- to biological or chemical weapons (see S. 2346), [18JY]
- establish exposure registry and conduct epidemiological studies to assess health outcomes associated with Red Hill Incident at Navy base in Hawaii (see S. 2183), [22JN]
- establish fentanyl lethality awareness campaign, establish Federal Interagency Work Group on Fentanyl Contamination of Illegal Drugs, and provide grants to mitigate effects of drug misuse (see S. 1235), [20AP]
- establish program to award grants to State, local, and Tribal governments to purchase and distribute anti-blood loss supplies for use in medical emergencies (see S. 1653), [17MY]
- establish programs to address addiction and overdoses caused by illicit fentanyl and other opioids (see S. 1785), [31MY]
- establish Reducing Youth Use of E-Cigarettes Initiative (see S. 3108), [24OC]
- limit scope of regulations to control communicable diseases (see S. 2602), [27JY]
- prohibit use of Federal funds to purchase, procure, or distribute pipes or cylindrical objects intended to be used to smoke or inhale illegal scheduled substances (see S. 1520), [10MY]
- provide for sexual health education of young people, including promotion of healthy relationships and prevention of unintended pregnancy, sexually transmitted infections, and dating violence (see S. 1697), [18MY]
- provide urgent acquisition and deployment authority for purposes of replenishing U.S. stockpiles (see S. 2055), [20JN]
- reauthorize certain programs relative to public health security and all-hazards preparedness and response (see S. 2333), [18JY]
- reauthorize Rural Emergency Medical Service Training and Equipment Assistance Program (see S. 265), [2FE]
- require training and education for school teachers, employees, students, and community about how to prevent, recognize, respond to, and report child sexual abuse in primary and secondary education (see S. 1147), [30MR]
- update and clarify rule on substances generally recognized as safe and establish Office of Food Chemical Safety, Dietary Supplements, and Innovation within FDA (see S. 3387), [4DE]
- Dept. of Homeland Security: continue to implement Migrant Protection Protocols (see S. 1479), [9MY]
- establish Aviation Security Checkpoint Technology Fund (see S. 2548), [26JY]
- establish Federal Clearinghouse on Safety and Best Practices for Nonprofit Organizations, Faith-based Organizations, and Houses of Worship (see S. 1886), [8JN]
- establish national risk management cycle (see S. 824), [15MR]
- provide standards for facilities at which aliens in custody are detained (see S. 1208), [19AP]
- reauthorize and expand National Threat Assessment Center (see S. 411), [14FE]
- require U.S. Customs and Border Protection provision of initial health screenings, adequate medical care, water, nutrition, hygiene, sanitation, and living accommodations for detainees (see S. 2864), [20SE]
- require U.S. Immigration and Customs Enforcement to take into custody certain aliens who have been charged with crime that resulted in death or serious injury of another person (see S. 160), [31JA]
- resume border wall system construction, preserve exclusive authority of immigration judges over asylum claims, and codify Migrant Protection Protocols (see S. 716), [8MR]
- Dept. of HUD: combat toxic indoor mold in federally-assisted housing (see S. 2834), [18SE]
- conduct annual risk assessment of properties receiving tenant-based or project-based rental assistance for lead-based hazards (see S. 577), [1MR]
- establish grant program for public housing agencies to install automatic sprinkler systems in public housing (see S. 2600), [27JY]
- improve safety and security of families living in public and federally assisted housing in high-crime areas (see S. 578), [1MR]
- reform policies and issue guidance related to health and safety accountability (see S. 553), [28FE]
- require public housing properties receiving Federal assistance to maintain comfortable and safe temperatures in dwelling units (see S. 579), [1MR]
- Dept. of Justice: allow use of Community Oriented Policing Services (COPS) Program grants to develop court processes to allow family members to petition courts to block dangerous individuals from purchasing weapons (see S. 247), [2FE]
- authorize use of grants to provide training for first responders on use of containment devices to prevent exposure to fentanyl and other potentially lethal substances and for purchasing such devices (see S. 261), [2FE]
- award grants to provide legal resources to petitioners seeking extreme risk protection orders (see S. 2214), [10JY]
- develop scenario-based training curriculum for law enforcement personnel (see S. 2637), [27JY]
- disapprove rule entitled “Factoring Criteria for Firearms With Attached ‘Stabilizing Braces’” (see S.J. Res. 20), [15MR]
- establish grant program to help law enforcement agencies with civilian law enforcement tasks (see S. 3335), [15NO]
- establish Office of Gun Violence Prevention (see S. 951), [22MR]
- establish standards for trauma kits purchased using funds provided under Edward Byrne Memorial Justice Assistance Grant Program (see S. 2644), [27JY]
- expand areas eligible under Radiation Exposure Compensation Program for those exposed to atmospheric nuclear testing (see S. 463), [16FE]
- extend compensation provided under Radiation Exposure Compensation Program relative to claims related to uranium mining (see S. 1681), [18MY]
- improve compensation under Radiation Exposure Compensation Program for workers involved in uranium mining (see S. 1751), [18MY]
- make competitive grants to eligible State, Tribal, and local prosecutors to establish and maintain witness protection and assistance programs (see S. 37), [24JA]
- prohibit funding to implement, administer, or enforce rule entitled “Factoring Criteria for Firearms With Attached ‘Stabilizing Braces’” (see S. 827), [15MR]
- provide for grants for State firearms dealer licensing programs (see S. 867), [16MR]
- provide grants to States to encourage implementation and maintenance of firearms licensing requirements (see S. 1824), [6JN]
- reauthorize and update Project Safe Childhood program to protect children from online predators (see S. 1170), [17AP]
- reauthorize Project Safe Neighborhoods Grant Program (see S. 1387), [1MY]
- remove linguistic barriers to participation in gun violence prevention strategies (see S. 2565), [27JY]
- require individuals to obtain license before purchasing or receiving firearm (see S. 3212), [2NO]
- require Inspector General to conduct inspections of Bureau of Prisons correctional facilities, provide recommendations to fix problems, and assign each facility risk score (see S. 1401), [2MY]
- Dept. of Labor: ensure that claims for benefits under Black Lung Benefits Act are processed in fair and timely manner and protect miners from pneumoconiosis (black lung disease) (see S. 3304), [15NO]
- issue occupational safety and health rule that requires covered health care and social service employers to adopt comprehensive workplace violence prevention plan (see S. 1176), [18AP]
- strengthen protections against child labor violations (see S. 3163), [30OC]
- Dept. of State: impose sanctions on Chinese pharmaceutical companies and certain cartels that traffic fentanyl (see S. 2059), [20JN]
- Dept. of the Interior: identify locations in national parks with greatest need for broadband Internet access service and with greatest need for cellular service (see S. 2018), [15JN]
- Dept. of the Treasury: impose sanctions with respect to trafficking of illicit fentanyl and its precursors by transnational criminal organizations, including cartels (see S. 1271), [25AP]
- Dept. of Transportation: enhance safety requirements for trains transporting hazardous materials (see S. 576), [1MR]
- establish airport infrastructure resilience pilot program to fund projects that improve climate resilience and ensure airports can respond to climate change, extreme weather events, and natural disasters (see S. 1055), [29MR]
- establish competitive grant program for projects for commercial motor vehicle parking (see S. 1034), [29MR]
- establish drone infrastructure inspection grant program and drone education and workforce training grant program (see S. 1817), [6JN]
- establish national motor carrier safety selection standard for entities that contract with certain motor carriers to transport goods (see S. 2426), [20JY]
- establish pilot program for intermodal transportation infrastructure grants (see S. 3331), [15NO]
- modify certain regulations relative to requirements for commercial driver’s license testing and commercial learner’s permit holders (see S. 1649), [17MY]
- modify Safe Streets and Roads for All program (see S. 2075), [21JN]
- reduce traffic fatalities to zero by 2050 (see S. Res. 274), [22JN]
- require schoolbuses to have seatbelts, automatic emergency braking systems, event data recorders, and electronic stability control systems and assist school districts with making such modifications (see S. 2746), [7SE]
- waive vehicle weight limitations for certain logging vehicles to allow for travel on Federal highways (see S. 1818), [6JN]
- Dept. of Veterans Affairs: expand health care and benefits for veterans who are victims of military sexual trauma (see S. 1028), [29MR]
- prohibit from replacing physician anesthesiologists with certified registered nurse anesthetists under departmental health care system (see S. 2070), [21JN]
- restore veterans’ rights to own or possess firearms by requiring proof of danger to self or others before reporting to National Instant Criminal Background Check System (see S. 1875), [8JN]
- Depts. of Homeland Security and Justice: enhance authority relative to unmanned aircraft systems and unmanned aircraft (see S. 1631), [16MY]
- Depts. of Transportation and HUD and related agencies: making appropriations (see S. 2437), [20JY]
- Developing countries: increase development, distribution, and use of clean cookstoves and fuels to improve health, protect climate and environment, empower women, create jobs, and help consumers save time and money (see S. 2179), [22JN]
- Disabled: protect rights of passengers with disabilities in air transportation (see S. 545), [28FE]
- Disasters: ensure that older adults and individuals with disabilities are prepared for disasters (see S. 1049), [29MR]
- Diseases and disorders: reauthorize Mosquito Abatement Safety and Health Act and epidemiology laboratory capacity grants and require GAO study on existing mosquito and other vector-borne surveillance and control programs (see S. 2580), [27JY]
- District of Columbia: disapprove law enacting certain justice reforms that limit police powers (see S.J. Res. 26), [11MY]
- prohibit use of Federal and local funds for coronavirus vaccine mandate in District of Columbia schools and repeal related legislation enacted by District of Columbia Council (see S. 165), [31JA]
- Drive Safer Sunday: designate (see S. Res. 468), [15NO]

# INDEX

## SAFETY

- Drugs: allow sponsors of certain new drug applications to rely on investigations conducted in certain foreign countries (see S. 1132), [30MR]
- clarify possession, sale, purchase, importation, exportation, or transportation of drug testing equipment that tests for presence of fentanyl or xylazine is not unlawful (see S. 2569), [27JY]
  - combat fentanyl crisis (see S. 2699), [27JY]
  - ensure that States do not prohibit individuals from obtaining, possessing, distributing, or using life-saving drug testing technologies (see S. 2484), [25JY]
  - establish incentive pay for positions requiring specialized skills to combat fentanyl trafficking (see S. 1175), [18AP]
  - prohibit certain uses of xylazine (see S. 993), [28MR]
- Elections: provide enhanced protections for election workers (see S. 1318), [26AP]
- provide increased protections for election workers and voters in Federal elections (see S. 2575), [27JY]
- EPA: clarify requisite timeline for making decision on approval or disapproval of State underground injection control program (see S. 1718), [18MY]
- disapprove rule entitled “Finding That Lead Emissions From Aircraft Engines That Operate on Leaded Fuel Cause or Contribute to Air Pollution That May Reasonably Be Anticipated To Endanger Public Health and Welfare” (see S.J. Res. 52), [6DE]
  - establish consortium related to exposures to toxic substances and identifying chemicals that are safe to use (see S. 1685), [18MY]
  - establish grant program to support local communities in detecting, preparing for, communicating about, or mitigating environmental and public health impacts of wildfire smoke and extreme heat (see S. 2383), [19JY]
  - establish pilot program that promotes cleanup of abandoned hardrock mines by good samaritans (see S. 2781), [13SE]
  - fully protect safety of children and environment and remove dangerous pesticides from use (see S. 269), [2FE]
  - improve interagency coordination in pesticide registration process by requiring EPA public response to Office of Pest Management guidance on pesticide use (see S. 2472), [25JY]
  - prohibit manufacture, processing, and distribution in commerce of asbestos and asbestos-containing mixtures and articles (see S. 1069), [30MR]
  - provide grants to expand local programs that provide free air filtration units to households and establish clean air centers in communities vulnerable to wildfire smoke (see S. 1948), [13JN]
- FAA: authorize appropriations (see S. 1939), [13JN]
- clarify minimum altitudes for go-arounds, inspection passes, practice approaches, and qualified instrument approaches (see S. 2675), [27JY]
  - conduct study on child safety in aviation (see S. 1683), [18MY]
  - enhance aeronautical experience requirements for applicants seeking airline transport pilot certificate with airplane category and class rating (see S. 2332), [18JY]
  - ensure certain projects related to natural hazards and emergency management are eligible for airport improvement program funding (see S. 1033), [29MR]
  - enter into contracts to demonstrate or validate technology related to integration of unmanned aircraft systems into national airspace system (see S. 1388), [1MY]
  - establish air tour management plan for certain areas of Hawaii (see S. 1093), [30MR]
  - establish certain rules relating to unmanned aircraft systems and operations (see S. 307), [7FE]
  - establish evacuation standards for transport category airplanes (see S. 1765), [31MY]
  - establish FAA Task Force on NOTAM Improvement (see S. 66), [25JA]
  - establish minimum dimensions for seats on passenger aircraft (see S. 1866), [7JN]
  - establish protections for air transportation passengers relative to boarding, seating, fees, delays and cancellations, claims against airlines, and penalty enforcement (see S. 178), [31JA]
  - improve hiring process for air traffic controllers by prioritizing hiring of veterans and FAA Certified Collegiate Training Initiative school graduates (see S. 891), [21MR]
  - improve processes for type certification (see S. 1506), [9MY]
  - improve safety of aircraft air supply by providing training to crew and first responders, issuing guidance on reporting smoke or fumes, investigating incidents, and installing air quality monitoring equipment (see S. 615), [1MR]
  - prohibit from awarding any Federal assistance to entities from certain foreign countries for projects related to unmanned aircraft systems (see S. 1830), [6JN]
  - provide for safe and timely integration of advanced aviation technologies into national airspace system (see S. 1888), [8JN]
  - provide progress reports on development and implementation of national transition plan related to fluorine-free firefighting foam (see S. 1929), [12JN]
  - raise mandatory retirement age for pilots engaged in commercial aviation operations (see S. 893), [21MR]
  - reform safety requirements for commercial air tour operators (see S. 1032), [29MR]
  - require installation of secondary cockpit barrier on certain aircraft (see S. 911), [22MR]
  - strengthen oversight of repair stations located outside U.S. (see S. 1256), [25AP]
- FCC: allow State or Federal correctional facilities to utilize jamming equipment to prevent contraband cell phone use in prisons (see S. 1047), [29MR]
- issue reports after activation of Disaster Information Reporting System and make improvements to network outage reporting (see S. 3556), [18DE]
  - require certain pornographic interactive computer services to adopt and operate technology verification measures to ensure that users are not minors (see S. 3314), [15NO]
- FDA: address regulation of zootechnical animal food substances (see S. 1842), [7JN]
- allow digital communication of prescribing information for drugs, including biological products (see S. 2916), [26SE]
  - allow for hemp-derived cannabidiol and hemp-derived cannabidiol containing substances in dietary supplements and food (see S. 2451), [20JY]
  - amend mission statement to require agency to address nation’s prescription opioid addiction epidemic (see S. 604), [1MR]
  - establish electronic format for medical device recall notifications (see S. 2907), [21SE]
  - establish postmarket reporting requirements for pharmaceuticals (see S. 3143), [26OC]
  - establish procedures relative to approval of opioid drugs (see S. 603), [1MR]
  - establish time-limited conditional approval pathway, subject to specific obligations, for certain drugs and biological products (see S. 1906), [8JN]
  - improve priority review process of human drug applications to encourage treatment for agents that present national security threats (see S. 1122), [30MR]
  - permit manufacturers to provide additional warnings on generic drugs in same manner as brand name drugs (see S. 2886), [21SE]
  - prohibit sale of poppy seeds, or food that contains poppy seeds, with unsafe levels of certain opiates (see S. 3354), [29NO]
  - provide authority to investigate animal feeding operations near produce farms where foodborne illness outbreaks occur to better determine root causes of such outbreaks (see S. 2782), [13SE]
  - provide increased transparency in generic drug applications (see S. 775), [14MR]
  - revoke approval of one opioid pain medication for each new opioid pain medication approved (see S. 606), [1MR]
  - strengthen authority relative to foreign drug facility inspections (see S. 1134), [30MR]
- Federal agencies and departments: prohibit Federal funding for gender transition research in minors (see S. 3035), [4OC]
- prohibit from banning gas-burning stoves (see S. 244), [2FE]
  - provide joint reports by relevant Federal agencies to Congress relative to incidents of terrorism (see S. 945), [22MR]
  - require head of each agency to establish plan to resume in-person operations (see S. 807), [15MR]
- Federal Motor Carrier Safety Administration: prohibit from issuing rule or regulation requiring certain commercial vehicles be equipped with speed limiting devices (see S. 2671), [27JY]
- Federal Water Pollution Control Act: modify certain allotments (see S. 115), [26JA]
- FEMA: provide grants for fire station construction (see S. 977), [27MR]
- Firearms: ban assault weapons, bump stocks, high-capacity ammunition magazines, and devices designed to evade assault weapons ban, and ensure right to keep and bear arms is not unlimited (see S. 25), [23JA]
- ban importation, sale, manufacture, transfer, or possession of gun silencers or suppressors and provide buyback program for such items (see S. 1383), [27AP]
  - end epidemic of gun violence and build safer communities by strengthening Federal firearms laws and supporting gun violence research, intervention, and prevention initiatives (see S. 3407), [5DE]
  - ensure greater accountability by licensed firearms dealers by increasing number of inspectors, frequency of inspections, and penalties for violations of law (see S. 1826), [6JN]
  - ensure that all firearms are traceable by prohibiting manufacture or possession of 3-D printed guns made of plastic (see S. 2652), [27JY]
  - establish Federal requirements for safe storage, penalties for violations, and incentives for States to establish similar requirements (see S. 173), [31JA]
  - prevent bulk ammunition sales, promote ammunition recordkeeping and reporting, end ammunition straw purchasing, and require background check before transfer of ammunition by firearms licensees to non-licensees (see S. 3223), [2NO]
  - prevent importation and trafficking of illegal gun modification devices that can convert semi-automatic weapons into fully-automatic weapons and seize all profits that come from such trafficking (see S. 1319), [26AP]
  - prevent purchase of ammunition by prohibited purchasers (see S. 2753), [11SE]
  - prohibit firearm dealers from proceeding with sale of weapon if background check on buyer is not returned by FBI within 3 days (see S. 1116), [30MR]
  - prohibit illegal modification of firearms (see S. 1909), [8JN]
  - prohibit importation, sale, manufacture, transfer, or possession of .50 caliber rifles (see S. 2926), [26SE]
  - prohibit online publication of blueprints for 3-D printed plastic guns (see S. 1819), [6JN]
  - prohibit purchase of assault weapons by persons under 21 years of age (see S. 14), [23JA]
  - prohibit transfer or possession of large capacity ammunition feeding devices (see S. 298), [7FE]
  - provide victims of gun violence access to same civil remedies available to those injured through other means and ensure gun industry is not shielded from liability when negligent (see S. 2048), [20JN]

- establish American opportunity accounts, modify estate and gift tax rules, and reform taxation of capital income (see S. 441), [15FE]
- expand earned income and child tax credits (see S. 1992), [14JN]
- permanently extend new markets tax credit (see S. 234), [2FE]
- permit legally married same-sex couples to amend their filing status for tax returns outside state of limitations (see S. 2171), [22JN]
- treat certain liquidations of new motor vehicle inventory as qualified liquidations of last in, first out (LIFO) inventory (see S. 443), [19AP]
- Technology: require reports on artificial intelligence regulation in financial services and artificial intelligence-enabled military applications vulnerabilities, and establish artificial intelligence bug bounty programs (see S. 3050), [17OC]
- U.S. Fish and Wildlife Service: establish New York-New Jersey Watershed Restoration Program (see S. 1335), [27AP]
- Veterans: expand eligibility for concurrent receipt of military retired pay or combat-related compensation with service-connected disability benefits (see S. 344), [9FE]
- expand eligibility for concurrent receipt of military retired pay or combat-related compensation with service-connected disability benefits and eliminate phase-in period for such benefits (see S. 1515), [10MY]
- Women: remove deadline for ratification of constitutional amendment to ensure equal rights (see S.J. Res. 4), [6MR]
- World War I: award Congressional Gold Medal to female telephone operators of Army Signal Corps, known as “Hello Girls” (see S. 815), [16MY]
- Bills and resolutions introduced**
- Bryan, Patricia Mack: appointment as Deputy Senate Legal Counsel (see S. Res. 9), [3JA]
- Buckley, James L.: tribute (see S. Res. 394), [3OC]
- Committees of the Senate: majority party appointments (see S. Res. 30), [2FE] (see S. Res. 370), [27SE] (see S. Res. 411), [17OC]
- Congress: notify President that quorum has assembled (see S. Res. 1), [3JA]
- Frankel, Morgan J.: appointment as Senate Legal Counsel (see S. Res. 8), [3JA]
- Hip Hop Celebration Day: designate (see S. Res. 305), [20JY]
- Hip Hop History Month: designate (see S. Res. 305), [20JY]
- Hip Hop Recognition Month: designate (see S. Res. 305), [20JY]
- House of Representatives: notify that quorum of Senate is present (see S. Res. 2), [3JA]
- Koed, Betty K.: designate as Senate Historian Emerita (see S. Res. 420), [19OC]
- Middle East: stand with Israel against war launched by Hamas (terrorist organization), condemn Iran’s support for global terrorism, and reaffirm commitment to Israel’s security (see S. Res. 417), [19OC]
- Murray, Senator: election as President pro tempore (see S. Res. 3), [3JA]
- notify House of Representatives of election as President pro tempore (see S. Res. 5), [3JA]
- notify President of election as President pro tempore (see S. Res. 4), [3JA]
- National Sepsis Day: designate (see S. Res. 340), [13SE]
- Public debt: temporarily suspend public debt ceiling limit (see S. 1395), [1MY]
- Senate: fixing hour of daily meeting (see S. Res. 6, 7), [3JA]
- Senate Legal Counsel: authorize testimony and representation in U.S. v. Antonio (see S. Res. 502), [13DE]
- authorize testimony and representation in U.S. v. Bozell (see S. Res. 315), [26JY]
- authorize testimony and representation in U.S. v. GossJankowski (see S. Res. 64), [14FE]
- authorize testimony and representation in U.S. v. Grillo (see S. Res. 132), [28MR]
- authorize testimony and representation in U.S. v. Horn (see S. Res. 329), [6SE]
- authorize testimony and representation in U.S. v. Hostetter (see S. Res. 278), [22JN]
- authorize testimony and representation in U.S. v. Kelly (see S. Res. 178), [26AP]
- authorize testimony and representation in U.S. v. Neely (see S. Res. 214), [16MY]
- authorize testimony and representation in U.S. v. Nformangum (see S. Res. 501), [13DE]
- authorize testimony and representation in U.S. v. Powell (see S. Res. 177), [26AP]
- authorize testimony and representation in U.S. v. Sahady (see S. Res. 314), [26JY]
- authorize testimony and representation in U.S. v. Samsel (see S. Res. 415), [18OC]
- authorize testimony and representation in U.S. v. Sullivan (see S. Res. 416), [18OC]
- Tony Bennett Day: designate (see S. Res. 322), [27JY]
- Trump, Donald J.: condemn calls to defund Dept. of Justice and FBI and reject attempts to degrade public trust in Federal law enforcement agencies (see S. Res. 165), [20AP]
- Cloture motions**
- Appropriations: making continuing (H.R. 6363), motion to proceed, [15NO]
- Armed Forces: repeal authority to use against Iraq (S. 316), [23MR], [27MR]
- repeal authority to use against Iraq (S. 316), motion to proceed, [14MR], [16MR]
- Dept. of Defense: authorizing appropriations for military activities, prescribing personnel strengths, and military construction (H.R. 2670), conference report, [7DE], [12DE]
- authorizing appropriations for military activities, prescribing personnel strengths, and military construction (S. 2226), motion to proceed, [13JY], [18JY]
- Dept. of Veterans Affairs: carry out clinical trial of effects of cannabis on certain health outcomes of adults with chronic pain and post-traumatic stress disorder (S. 326), motion to proceed, [20AP], [26AP]
- improve eligibility of veterans to receive reimbursement for emergency treatment furnished through Veterans Community Care program (H.R. 815), motion to proceed, [9NO], [4DE], [6DE]
- Depts. of Defense and Veterans Affairs, and related agencies: making appropriations for military construction and veterans’ services (H.R. 4366), [7SE], [12SE], [18SE]
- making appropriations for military construction and veterans’ services (H.R. 4366), motion to suspend rule on amendments, [20SE]
- FAA: reauthorize and improve FAA and other civil aviation programs (H.R. 3935), [21SE], [26SE], [28SE]
- FEMA: authorize appropriations for U.S. Fire Administration and firefighter assistance grant programs (S. 870), [30MR]
- authorize appropriations for U.S. Fire Administration and firefighter assistance grant programs (S. 870), motion to proceed, [27MR], [29MR]
- Tax Convention With Chile: ratify, [15JN], [21JN]
- Women: remove deadline for ratification of constitutional amendment to ensure equal rights (S.J. Res. 4), motion to proceed, [25AP], [27AP]
- Messages**
- Delimitation of Maritime Boundary Treaty With Cuba: President Biden, [18DE]
- Delimitation of Maritime Boundary Treaty With Mexico: President Biden, [18DE]
- Veto of S.J. Res. 9, Disapprove U.S. Fish and Wildlife Service Rule Relative to Endangered and Threatened Wildlife Status for Lesser Prairie-Chicken: President Biden, [26SE]

# INDEX

## SCIENCE

- impose sanctions and other measures in response to failure to allow investigation into origins of coronavirus at suspect laboratories in Wuhan (see S. 588), [1MR]
- prohibit Federal funding to Wuhan Institute of Virology and require GAO study on Federal funds previously provided to such institute or to entities affiliated with Chinese government (see S. 421), [14FE]
- Climate: acknowledge climate emergency which demands massive-scale mobilization to halt, reverse, and address its consequences and causes (see S. Con. Res. 9), [27AP]
- establish Global Climate Change Resilience Strategy and authorize admission of climate-displaced persons (see S. 3340), [15NO]
- impact of climate change on health, economic opportunity, and fundamental rights of children, importance of U.S. leadership in addressing crisis, and need for science-based plan to reduce fossil fuel emissions (see S. Con. Res. 13), [13JY]
- produce national climate adaptation and resilience strategy (see S. 3261), [8NO]
- prohibit U.S. contributions to Intergovernmental Panel on Climate Change, U.N. Framework Convention on Climate Change, or Green Climate Fund (see S. 3491), [13DE]
- provide for high-priority research and extension grants for natural climate solutions (see S. 3500), [13DE]
- Commercial Space Activity Advisory Committee: establish (see S. 3342), [15NO]
- Congress: rename Office of Technology Assessment as Congressional Office of Technology and revise functions and duties (see S. 2618), [27JY]
- Dept. of Agriculture: address emissions of certain greenhouse gases and carbon storage through conservation incentive contracts (see S. 2564), [27JY]
- carry out study, research, and demonstration on agrivoltaic systems (see S. 1778), [31MY]
- conduct research on measurement, monitoring, reporting, and verification of greenhouse gas emissions and carbon sequestration (see S. 2241), [11JY]
- establish and maintain training program on rapidly evolving methodologies, science, and practices of biological soil health management systems on agricultural land (see S. 3023), [4OC]
- establish competitive grant program to provide grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices (see S. 900), [21MR]
- establish national biochar research network (see S. 732), [9MR]
- establish research and extension grant priorities (see S. 2316), [13JY]
- increase funding for purchase of specialty crops (see S. 1639), [17MY]
- reform Natural Resources Conservation Service programs (see S. 1078), [30MR]
- require review of effectiveness of Cattle Fever Tick Eradication Program (see S. 1836), [6JN]
- Dept. of Commerce: clarify scope of major Federal action under National Environmental Policy Act relative to certain projects for production of semiconductors (see S. 2228), [11JY]
- Dept. of Defense: establish fund for conduct of collaborative defense projects between U.S. and Israel in emerging technologies (see S. 1802), [1JN]
- Dept. of Education: promote career awareness in accounting as part of well-rounded science, technology, engineering, and math (STEM) educational experience under Student Support and Academic Enrichment Grant program (see S. 1705), [18MY]
- Dept. of Energy: establish Hydrogen Technologies for Heavy Industry Grant Program (see S. 646), [2MR]
- provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 1576), [11MY]
- research how quantum information science, technology, and engineering can enhance resilience and security of electric grid (see S. 3115), [24OC]
- support carbon dioxide removal research and development (see S. 2812), [14SE]
- Dept. of Energy and NSF: improve coordination on activities carried out under National Quantum Initiative Program (see S. 2450), [20JY]
- Dept. of HHS: award grants to regional biocontainment laboratories for maintaining surge capacity to respond to outbreaks of infectious diseases or acts of bioterrorism (see S. 2538), [26JY]
- compile into searchable database information relating to Federal support for biomedical research and development (see S. 315), [9FE]
- continue Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (see S. 2434), [20JY]
- develop strategic framework to improve development and distribution of diagnostic tests in response to chemical, biological, radiological, or nuclear threats (see S. 2672), [27JY]
- ensure consensual donation and respectful disposition of human bodies and body parts donated for education, research, or advancement of medical or mortuary science and not for use in human transplantation (see S. 2191), [22JN]
- establish program to develop antimicrobial innovations targeting most challenging pathogens and most threatening infections (see S. 1355), [27AP]
- establish Public Health Information and Communications Advisory Committee (see S. 406), [14FE]
- prescribe regulation reducing risks in gene synthesis products (see S. 2400), [19JY]
- prohibit from restricting direct access by health care facilities to medical countermeasures (see S. 2617), [27JY]
- update guidance relative to gene synthesis (see S. 2356), [18JY]
- Dept. of Homeland Security: provide lawful permanent resident status for certain advanced science, technology, engineering, and math (STEM) degree holders (see S. 2384), [19JY]
- Dept. of Justice: reauthorize DNA Backlog Reduction Program (see S. 499), [16FE]
- Dept. of Labor: address needs of workers in industries likely to be impacted by rapidly evolving technologies (see S. 2722), [5SE]
- provide funds to certain science, technology, engineering, and math (STEM) businesses to offer mid-career workers paid internships or other returnships that lead to positions above entry level (see S. 662), [6MR]
- Dept. of State: require certain congressional notification prior to entering into, renewing, or extending science and technology agreements with China (see S. 2894), [21SE]
- Disasters: improve forecasting and understanding of tornadoes and other hazardous weather (see S. 1284), [25AP]
- EcoHealth Alliance, Inc.: prohibit Federal funding (see S. 84), [25JA]
- Energy Efficiency Day: designate (see S. Res. 404), [4OC]
- EPA: provide for consistent definition for plant biostimulants (see S. 802), [15MR]
- FAA: modify authority for space transportation infrastructure modernization grants (see S. 1982), [14JN]
- FDA: establish additional authorities regarding conduct of pediatric investigations of molecularly targeted drugs to treat cancer (see S. 2897), [21SE]
- provide authority to investigate animal feeding operations near produce farms where foodborne illness outbreaks occur to better determine root causes of such outbreaks (see S. 2782), [13SE]
- respect scientific judgement that mifepristone is safe and effective and ensure access to lifesaving, time-sensitive medication abortion care in U.S. is equitable and based on science (see S. Res. 510), [14DE]
- Federal agencies and departments: prohibit Federal funding for gender transition research in minors (see S. 3035), [4OC]
- require use of Artificial Intelligence Risk Management Framework developed by NIST relative to use of artificial intelligence (see S. 3205), [2NO]
- Fort Detrick, MD: authorize, strengthen, and designate laboratory as National Biodefense Analysis and Countermeasures Center (see S. 1210), [19AP]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 1876), [8JN]
- George Washington Carver Day: designate (see S. Res. 70), [15FE]
- Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]
- Health: protect access to genetically targeted technologies (see S. 476), [16FE]
- Helen Edwards Engineering Research Center, Batavia, IL: designate (see S. 241), [2FE]
- Immigration: require DNA test to determine familial relationship between alien and accompanying minor (see S. 1843), [7JN]
- Lacks, Henrietta: award Congressional Gold Medal posthumously for recognition of her invaluable contributions to global health, scientific research, quality of life, and patients' rights (see S. 2485), [25JY]
- Medicare: expand coverage of services furnished by genetic counselors under part B (see S. 2323), [13JY]
- NASA: establish program to acquire and disseminate commercial Earth observation data and imagery in order to satisfy scientific, operational, and educational requirements of NASA (see S. 2634), [27JY]
- National Chemistry Week: designate (see S. Res. 421), [19OC]
- National Disaster Safety Board: establish (see S. 3338), [15NO]
- National Forensic Science Week: support goals and ideals (see S. Res. 359), [21SE]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 414), [18OC]
- National Integrated Heat Health Information System Interagency Committee: improve extreme heat preparedness and response, require study, and establish grant program to address heat effects (see S. 2645), [27JY]
- National Science, Technology, Engineering, and Mathematics (STEM) Day: designate (see S. Res. 454), [8NO]
- National Science and Technology Council: establish Interagency Group on Large-Scale Carbon Management to implement Federal Carbon Removal Initiative (see S. 2002), [14JN]
- National Women of Color in Tech Day: designate (see S. Res. 124), [23MR]
- Native Americans: recognize heritage, culture, and contributions of American Indian, Alaska Native, and Native Hawaiian women in U.S. (see S. Res. 148), [30MR]
- NIH: establish Inspector General (see S. 80), [25JA]
- make awards to outstanding scientists, including physician-scientists, to support researchers focusing on pediatric research, including basic, clinical, translational, or pediatric pharmacological research (see S. 2345), [18JY]
- prioritize national security in strategic plan and address national security issues in licensure of biological products and research (see S. 289), [7FE]
- replace National Institute of Allergy and Infectious Diseases with three separate national research institutes (see S. 960), [23MR]
- take certain steps to increase clinical trial diversity (see S. 1701), [18MY]
- NIST: coordinate science and research activities relative to illicit drugs containing xylazine, novel synthetic opioids, and other substances of concern (see S. 1280), [25AP]
- improve commercialization of Federal research by domestic manufacturers (see S. 1956), [13JN]
- improve requirement to establish testbeds to support development and testing of trustworthy artificial intelligence systems and improve interagency coordination in development of such testbeds (see S. 3162), [30OC]
- NOAA: establish grant program to award grants to eligible entities to carry out projects on conservation,

- restoration, or management of kelp forest ecosystems (see S. 2807), [14SE]
  - prohibit issuance of interim or final rule that amends, updates, modifies, or replaces North Atlantic right whale vessel strike reduction rule until mitigation protocols are fully developed and deployed (see S. 1833), [6JN]
  - reauthorize Chesapeake Bay Office (see S. 2534), [26JY]
- NSF: establish National Artificial Intelligence Research Resource (see S. 2714), [27JY]
  - provide grants to modernize mathematics and improve science, technology, engineering, and math (STEM) education through mathematical and statistical modeling, including data-driven and computational thinking (see S. 2739), [7SE]
- Nuclear energy: enhance U.S. civil nuclear leadership, support licensing of advanced nuclear technologies, strengthen domestic nuclear energy fuel cycle and supply chain, and improve regulation of nuclear energy (see S. 1111), [30MR]
- Office of Science and Technology Policy: add CPSC to list of agencies required to be represented on per- and polyfluoroalkyl substances (PFAS) inter-agency working group (see S. 820), [15MR]
- Pharmaceuticals: improve actions available to eligible product developers in event of delays in receiving covered product for purposes of generic drug or bio-similar biological product development (see S. 1120), [30MR]
- Presidents of the U.S.: clarify inability to declare national emergencies on premise of climate change (see S. 2118), [22JN]
- Public Health Service: anniversary of Commissioned Corps (see S. Res. 483), [4DE]
- Research: include quantum molecular simulations and modeling in Federal scientific research (see S. 969), [23MR]
  - prohibit Federal funding for research in China (see S. 2525), [26JY]
  - prohibit human-animal chimeras (see S. 751), [9MR]
  - prohibit use of taxpayer dollars to support animal experimentation in laboratories of adversarial nations (see S. 2716), [5SE]
  - provide moratorium on all Federal research grants provided to any institution of higher education or other research institute conducting gain-of-function research (see S. 81), [25JA]
- SBA: establish Innovation Voucher Grant Program (see S. 1739), [18MY]
- Schools: enable schools to provide science, technology, engineering, and math (STEM) classrooms and laboratories and high-speed Internet and modernize, renovate, or repair career and technical education facilities (see S. 2167), [22JN]
- Science, Depts. of Justice and Commerce, and related agencies: making appropriations (see S. 2321), [13JY]
- Taxation: enhance tax benefits for research activities (see S. 866), [16MR]
- Technology: establish public-private partnership for near-term quantum application development and acceleration (see S. 1439), [4MY]
- U.S. Geological Survey: establish Open Access Evapotranspiration (OpenET) Data Program (see S. 1118), [30MR]
- World Quantum Day: support goals (see S. Res. 190), [2MY]
- Reports filed**
  - Accelerating Deployment of Versatile, Advanced Nuclear for Clean Energy (ADVANCE) Act: Committee on Environment and Public Works (Senate) (S. 1111), [10JY]
  - Protecting Consumers From PFAS Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 820) (S. Rept. 118–112), [27NO]
  - Science, Depts. of Justice and Commerce and Related Agencies Appropriations: Committee on Appropriations (Senate) (S. 2321) (S. Rept. 118–62), [13JY]
  - Testing, Rapid Analysis, and Narcotic Quality (TRANQ) Research Act: Committee on Commerce, Science, and Transportation (Senate) (S. 1280), [13DE]
  - Tornado Observations Research and Notification Assessment for Development of Operations (TOR-NADO) Act: Committee on Commerce, Science, and Transportation (Senate) (S. 1284), [4DE]
    - Committee on Commerce, Science, and Transportation (Senate) (S. 1284) (S. Rept. 118–138), [13DE]

  - Bills and resolutions*
    - SBA: reauthorize SCORE Association (see S. 1744), [18MY]
- SCOTLAND see UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND**
- SCOTT, RICK (a Senator from Florida)**
  - Appointments*
    - Conferee: H.R. 2670, Dept. of Defense appropriations for military activities, prescribing personnel strengths, and military construction, [15NO]
  - Attendance*
    - Present, [23JA]
  - Bills and resolutions cosponsored*
    - Abortion: prohibit award of Federal funds to higher education institutions that host or are affiliated with student-based service site that provides abortion drugs or abortions to students or employees (see S. 16), [23JA]
      - prohibit declaration of national emergency relative to abortion (see S. 196), [31JA]
      - prohibit discrimination by abortion against unborn children due to Down syndrome (see S. 18), [23JA]
      - prohibit health centers from providing abortions (see S. 750), [9MR]
      - prohibit taxpayer funded abortions (see S. 62), [25JA]
      - require health care practitioners to exercise proper degree of care in cases of children who survive abortion or attempted abortion (see S. 204), [2FE]
      - require parental notification and intervention for minors seeking abortion (see S. 1103), [30MR]
    - Abourezk, James G.: tribute (see S. Res. 110), [15MR]
    - Afghanistan: impose sanctions with respect to Taliban (see S. 1768), [31MY]
    - Agriculture: combat unfair trade practices affecting core seasonal industries by allowing producers to bring trade cases if they can prove illegal seasonal dumping of products by foreign producers (see S. 104), [26JA]
    - Air Force: extend prohibition on joint use of Homestead Air Reserve Base, FL, by Air Force and civil aircraft (see S. 755), [9MR]
    - American Revolution: award Congressional Gold Medal to First Rhode Island Regiment in recognition of first racially integrated American military unit (see S. 547), [1MR]
    - Animals: urge all countries to outlaw dog and cat meat trade and enforce existing laws against such trade (see S. Con. Res. 16), [20JY]
    - Appropriations: making continuing for military pay (see S. 2835), [21SE]
      - provide for period of continuing appropriations in event of lapse in appropriations and establish procedures and consequences for failure to complete regular appropriations process (see S. 135), [30JA]
    - Armed Forces: authorize appointment of spouses of servicemembers on active duty, disabled, or deceased to positions in which spouse will work remotely (see S. 349), [28MR]
      - ensure treatment in military is based on merit and performance (see S. 1811), [12JN]
      - grant members deployed to Niger, Mali, Burkina Faso, and Chad tax-free income status (see S. 3101), [19OC]
      - pay transitional compensation to dependents of members convicted of dependent abuse in Federal or State court or accused of dependent abuse who have forfeited all pay and allowances for unrelated offense (see S. 286), [7FE]
    - provide remedies to members discharged or subject to adverse action under coronavirus vaccine mandate (see S. 29), [24JA]
  - ATF: establish administrative relief process for individuals whose applications for transfer and registration of firearm were denied (see S. 632), [2MR]
  - Black History Month: observance (see S. Res. 63), [14FE]
  - Buckley, James L.: tribute (see S. Res. 394), [3OC]
  - Budget: require concurrent resolutions have balanced budgets, establish limits on waiver of budget points of order, and prevent excess appropriations (see S. 575), [1MR]

- TAX-EXEMPT ORGANIZATIONS related term(s)**
- FUNDRAISING; NONPROFIT ORGANIZATIONS**
- Bills and resolutions*
  - Dept. of the Treasury: impose restrictions on investment in Chinese companies by tax-exempt entities (see S. 2750), [7SE]
  - Fraternal organizations: recognize benefits provided by tax-exempt fraternal benefit societies to their members and communities (see S. Con. Res. 8), [23MR]
  - IRS: codify Trump administration rule eliminating disclosure requirements for certain tax-exempt organizations that engage in political activity (see S. 1105), [30MR]
    - reform (see S. 1101), [30MR]
  - Medicare: allow qualified tax-exempt organizations to claim employee retention credit for employers affected by qualified disasters against Medicare hospital insurance taxes (see S. 3552), [14DE]
  - Taxation: impose asset test on professional sports leagues qualifying for tax-exempt status (see S. 2519), [26JY]
    - provide for deductibility of charitable contributions to veterans' service organizations that do not have wartime service membership requirements (see S. 677), [7MR]

# INDEX

## TAX-EXEMPT ORGANIZATIONS

- require return information from tax-exempt organizations be made available in searchable format and provide disclosure of identity of contributors to certain tax-exempt organizations (see S. 17), [23JA]
- World Food Day: designate (see S. Res. 397), [40C]
- TAXIS** *see* **COMMON CARRIERS; MOTOR VEHICLES**
- TAXPAYER NOTIFICATION AND PRIVACY ACT**  
*Bills and resolutions*  
Enact (see S. 2111), [22JN]
- TAXPAYERS AND SAVERS PROTECTION (TSP) ACT**  
*Bills and resolutions*  
Enact (see S. 1650), [17MY]
- TAYLOR FORCE MARTYR PAYMENT PREVENTION ACT** *see* **MARTYR PAYMENT PREVENTION ACT**
- TEACHERS** *see* **EDUCATION**
- TEACHING ASIAN PACIFIC AMERICAN HISTORY ACT**  
*Bills and resolutions*  
Enact (see S. 1702), [18MY]
- TECH SAFETY FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING ACT**  
*Bills and resolutions*  
Enact (see S. 3213), [2NO]
- TECHNICAL ASSISTANCE** *see* **FOREIGN AID**
- TECHNICAL CORRECTION TO THE SHOSHONE-PAIUTE TRIBES OF THE DUCK VALLEY RESERVATION WATER RIGHTS SETTLEMENT ACT**  
*Reports filed*  
Provisions: Committee on Indian Affairs (Senate) (S. 950) (S. Rept. 118–80), [26JY]
- TECHNOLOGY related term(s) ELECTRONICS; RESEARCH; SCIENCE**  
*Bills and resolutions*  
Administration for Strategic Preparedness and Response: address threats to public health and national security due to technical advancements in artificial intelligence or other emerging technology fields (see S. 2399), [19JY]  
Advisory Council to Support Victims of Gun Violence: establish (see S. 1893), [8JN]  
Air pollution: improve air quality management and safety of communities using best available monitoring technology and data (see S. 2045), [20JN]  
Armed Forces: ensure computer programming, coding, and artificial intelligence capabilities (see S. 1123), [30MR]  
Artificial intelligence: provide framework for innovation and accountability (see S. 3312), [15NO]  
Aviation: require interagency strategy for creating unified posture on counter-unmanned aircraft systems (C-UAS) capabilities and protections at U.S. international borders (see S. 1443), [4MY]  
Business and industry: prohibit all transactions from TikTok Inc., or other social media companies in, or under influence of, certain foreign countries of concern (see S. 347), [9FE]  
—prohibit certain uses of automated decision systems by employers (see S. 2419), [20JY]  
Cargo transportation: strengthen requirements relative to advance electronic information for cargo (see S. 1711), [18MY]  
Center for Biomedical Innovation and Development: establish (see S. 1441), [4MY]  
Centers for Medicare & Medicaid Services: make Care Compare website and its data more accessible by individuals using search engines (see S. 2112), [22JN]  
Children and youth: provide families with tools, safeguards, and transparency needed to protect against threats to children's health and well-being online (see S. 1409), [2MY]  
China: counter military-civil fusion strategy of Chinese Communist Party and prevent U.S. contributions to development of dual-use technology in China (see S. 1368), [27AP]  
—impose export controls and sanctions to address security threat posed by genetic mapping efforts of China and other countries (see S. 2551), [26JY]  
—prohibit money services businesses from engaging in any transaction that involves central bank digital currency issued by China (see S. 3248), [8NO]  
—require anyone who maintains Internet site or mobile app owned by Chinese Communist Party or located in China to disclose that fact to anyone who downloads or otherwise uses such application (see S. 3329), [15NO]  
—safeguard certain U.S. technology and intellectual property from export to or influence by China and protect U.S. industry from unfair competition by China (see S. 153), [30JA]  
Civil liberties: require disclosure of camera or recording capability in certain Internet-connected devices (see S. 90), [25JA]  
Classified information: improve classification and declassification of national security information (see S. 1518), [10MY] (see S. 3495), [13DE]  
Climate: create publicly accessible database of fossil-fuel powered travel of President, Vice President, and political appointees (see S. 2189), [22JN]  
Collector Car Appreciation Day: designate (see S. Res. 300), [18JY]  
Commercial Space Activity Advisory Committee: establish (see S. 3342), [15NO]  
Committee on Foreign Investment in the U.S.: include Sec. of Agriculture as member (see S. 168), [31JA]  
—require review of greenfield investments by China (see S. 2069), [21JN]  
Computers: require reports on artificial intelligence regulation in financial services and artificial intelligence-enabled military applications vulnerabilities, and establish artificial intelligence bug bounty programs (see S. 3050), [17OC]  
Congress: rename Office of Technology Assessment as Congressional Office of Technology and revise functions and duties (see S. 2618), [27JY]  
Conservation of energy: provide that consumer room air cleaners are covered products to which certain energy conservation standards apply (see S. 235), [2FE]  
Construction industries: conduct research, development, demonstration, and commercial application of technologies to reduce emissions of U.S. cement, concrete, asphalt binder, and asphalt mixture production (see S. 3439), [7DE]  
Consumers: protect privacy of personally-identifiable health and location data (see S. 631), [2MR]  
Copyrights: provide fair treatment of radio stations and artists for use of sound recordings (see S. 253), [2FE]  
Courts: authorize notaries public to perform, and establish minimum standards for, certain electronic and remote notarizations and require Federal and State courts to recognize such notarizations performed by notary public (see S. 1212), [19AP]  
—prescribe judicial review requirements for certain energy, manufacturing, and critical infrastructure projects (see S. 3170), [31OC]  
—provide for right of action against Federal employees for violations of rights secured by First Amendment to Constitution (see S. 2616), [27JY]  
Crime: make fraudulent dealings in firearms and ammunition online unlawful (see S. 2794), [13SE]  
—prohibit certain dangerous drone aircraft activity (see S. 157), [31JA]  
Cryptocurrency: clarify applicability of sanctions and anti-money laundering compliance obligations to U.S. persons in decentralized finance technology sector and virtual currency kiosk operators (see S. 2355), [18JY]  
—require interagency study on environmental and energy impacts of crypto-asset mining and assess crypto-asset mining compliance with Clean Air Act (see S. 661), [6MR]  
Cybersecurity: provide explicit authority for Dept. of Homeland Security and Cybersecurity and Infrastructure Security Agency to work with international partners on cybersecurity (see S. 1862), [7JN]  
Cybersecurity and Infrastructure Security Agency: establish duties of Director relative to open source software security (see S. 917), [22MR]
- Dept. of Agriculture: carry out activities to reduce food loss and waste (see S. 2889), [21SE]  
—conduct research on measurement, monitoring, reporting, and verification of greenhouse gas emissions and carbon sequestration (see S. 2241), [11JY]  
—develop voluntary interconnectivity standards and prioritize cybersecurity needs for precision agriculture technologies (see S. 734), [9MR]  
—establish energy circuit rider program to disseminate technical and other assistance to rural communities to support energy efficiency and clean energy projects (see S. 3489), [13DE]  
—establish last acre program to advance precision agriculture connectivity and broadband deployment in unserved and underserved areas (see S. 2542), [26JY]  
—establish precision agriculture loan program (see S. 719), [8MR]  
—expand national organic certification cost-share program into comprehensive organic program (see S. 1582), [11MY]  
—improve agricultural productivity, profitability, resilience, and ecological outcomes through modernized data infrastructure and analysis (see S. 98), [26JA]  
—improve process for awarding grants to counties in which majority of land is owned or managed by Federal Government and to other local and Tribal governments in those counties (see S. 1580), [11MY]  
—improve Rural Energy for America Program (see S. 2594), [27JY] (see S. 3378), [30NO]  
—leverage incentives for adoption of costly precision agriculture technology (see S. 720), [8MR]  
—permit video or telephone certifications under Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) (see S. 984), [27MR]  
—procure minimum amount of meat and poultry products from small meat processors and develop digital livestock exchange platform (see S. 2792), [13SE]  
—provide technical assistance to improve infrastructure in foreign markets for U.S. agricultural commodities (see S. 2570), [27JY]  
—reauthorize and improve ReConnect loan and grant program (see S. 130), [30JA] (see S. 1642), [17MY]  
—reauthorize Community Connect Grant Program (see S. 1611), [16MY]  
—reauthorize distance learning and telemedicine grant program (see S. 2447), [20JY]  
—streamline applications from farmers to be vendors under certain nutrition programs (see S. 2504), [26JY]
- Dept. of Commerce: apply Freedom of Information Act to actions and decisions of Assistant Sec. for Communications and Information in carrying out Broadband Equity, Access, and Deployment Program (see S. 1234), [20AP]  
—clarify scope of major Federal action under National Environmental Policy Act relative to certain projects for production of semiconductors (see S. 2228), [11JY]  
—develop national strategy to close digital divide (see S. 2238), [11JY]  
—include certain persons of China subject to export licensing regulations on entity list maintained by Dept. of the Treasury (see S. 2275), [12JY]  
—provide for presumption of denial of licenses for export, reexport, or in-country transfer of technology to end users in China or Russia (see S. 2170), [22JN]  
—require export controls relative to certain personal data of U.S. nationals and individuals in U.S. (see S. 1974), [14JN]  
—require pilot program on use of big data analytics to identify vessels evading sanctions and export controls and report on availability of emerging technologies subject to export controls (see S. 2248), [11JY]  
—require SelectUSA to coordinate with State-level economic development organizations to increase foreign direct investment in semiconductor-related manufacturing and production (see S. 229), [2FE]

- review, prohibit, and mitigate certain information communications and technology transactions between persons in U.S. and foreign adversaries (see S. 686), [7MR]
- strengthen export controls for emerging and foundational technologies that bolster destabilizing activities of Iran and prevent U.S. products and components from being used to support Iranian terrorism (see S. 450), [15FE]
- Dept. of Defense: allow certain military spouses employed by Dept. to telework full time (see S. 2533), [26JY]
- authorize appropriations for construction of cyber instructional facility at Fort Gordon, GA (see S. 2215), [10JY]
- conduct detection, monitoring, and other operations in cyberspace to counter Mexican transnational criminal organizations engaged in certain activities that cross southern U.S. border (see S. 2715), [27JY]
- develop bug bounty program relative to dual-use foundational artificial intelligence models (see S. 2502), [26JY]
- establish Chief Digital and Artificial Intelligence Officer Governing Council (see S. 3004), [3OC]
- establish Civilian Cybersecurity Reserve to address U.S. cybersecurity needs relative to national security (see S. 903), [21MR]
- establish fund for conduct of collaborative defense projects between U.S. and Israel in emerging technologies (see S. 1802), [1JN]
- extend and modify pilot program to improve cyber cooperation with foreign military partners in Southeast Asia (see S. 1517), [10MY]
- funding to test hypersonic weapon systems with B-1 bomber (see S. 2338), [18JY]
- prohibit use of Federal funds to launch nuclear weapon using autonomous weapons system that is not subject to meaningful human control (see S. 1394), [1MY]
- provide for use of Selected Reserve and Individual Ready Reserve members to respond to significant cyber events (see S. 2153), [22JN]
- require Director of Defense Media Activity establish course of education on digital content provenance and carry out pilot program implementing digital content provenance standards (see S. 2222), [10JY] (see S. 3504), [13DE]
- Dept. of Education: allow use of Student Support and Academic Enrichment Program grants to reinforce school safety infrastructure, technology, and personnel (see S. 1083), [30MR]
- disclose certain information about career and technical education and funding and require Free Application for Federal Student Aid (FAFSA) to include career and technical education acknowledgment (see S. 3537), [14DE]
- establish grant program for State and local educational agencies to promote digital citizenship and media literacy (see S. 394), [13FE]
- establish interactive online dashboard to improve public access to information about student loan forgiveness programs, repayment programs, and repayment plans (see S. 3524), [14DE]
- incorporate career and technical education into Institute for Education Sciences research and data collection agenda to improve State career readiness programs (see S. 2290), [13JY]
- promote career awareness in accounting as part of well-rounded science, technology, engineering, and math (STEM) educational experience under Student Support and Academic Enrichment Grant program (see S. 1705), [18MY]
- require institutions of higher education that receive Federal funds to adopt policies to prevent harassment and bullying (see S. 2902), [21SE]
- study use of mobile devices in elementary and secondary schools and establish pilot program to award grants to enable certain schools to create school environment free of mobile devices (see S. 3266), [9NO]
- Dept. of Energy: develop and support adoption of voluntary streamlined permitting and inspection process for permitting of qualifying distributed energy systems (see S. 3099), [19OC]
- establish Energy Threat Analysis Center to improve information sharing across energy sector (see S. 914), [22MR]
- establish Financing Energy Efficient Manufacturing Program to provide financial assistance to promote energy efficiency and onsite renewable technologies in manufacturing facilities (see S. 3156), [26OC]
- establish hydrogen infrastructure finance and innovation pilot program (see S. 649), [2MR]
- establish Hydrogen Technologies for Heavy Industry Grant Program (see S. 646), [2MR]
- prohibit changing energy conservation standards for distribution transformers for certain period (see S. 2036), [15JN]
- provide for advancements in carbon removal research, quantification, and commercialization, including by harnessing natural processes (see S. 1576), [11MY]
- provide for program of research, development, demonstration, and commercial application in vehicle technologies (see S. 1099), [30MR]
- provide grants and loans to support and expand domestic solar component manufacturing supply chain (see S. 1643), [17MY]
- provide technology grants to strengthen domestic mining education (see S. 912), [22MR]
- research how quantum information science, technology, and engineering can enhance resilience and security of electric grid (see S. 3115), [24OC]
- support carbon dioxide removal research and development (see S. 2812), [14SE]
- Dept. of Energy and NSF: improve coordination on activities carried out under National Quantum Initiative Program (see S. 2450), [20JY]
- Dept. of HHS: allow community supports to meet specific needs of families and children through electronic care portal under Marylee Allen Promoting Safe and Stable Families program (see S. 73), [25JA]
- develop strategy for public health preparedness and response to artificial intelligence threats relating to biological or chemical weapons (see S. 2346), [18JY]
- ensure expenses relating to acquisition or use of devices to detect fentanyl, xylazine, and other emerging adulterant substances, including test strips are allowable expenses under certain grant programs (see S. 2976), [28SE]
- establish home-based telemental health care demonstration program to increase mental health services in rural medically underserved populations and in farming, fishing, and forestry occupations (see S. 1077), [30MR]
- establish interactive online dashboard to improve public access to information about grant funding relative to mental health and substance use disorder programs (see S. 2444), [20JY]
- establish uniform data standards, strengthen data sharing processes between public health entities, and establish grant program to develop best practices on soliciting demographic information (see S. 3545), [14DE]
- extend health information technology assistance eligibility to behavioral health, mental health, and substance abuse professionals and facilities (see S. 2688), [27JY]
- improve access to and quality of primary health care and expand health workforce (see S. 2840), [19SE]
- prescribe regulation reducing risks in gene synthesis products (see S. 2400), [19JY]
- secure National Suicide Prevention Lifeline from cybersecurity incidents (see S. 1493), [9MY]
- update guidance relative to gene synthesis (see S. 2356), [18JY]
- Dept. of Homeland Security: combat efforts of criminal organizations to recruit individuals in U.S. via social media platforms and other online services and assess use of such platforms and services for illicit activities (see S. 61), [24JA]
- direct Cybersecurity and Infrastructure Security Agency to establish K-12 Cybersecurity Technology Improvement Program (see S. 1191), [19AP]
- engage in cybersecurity cooperation with Abraham Accords countries (see S. 1777), [31MY]
- enhance capabilities for outbound inspections at southern land border (see S. 1897), [8JN]
- ensure that efforts to engage in espionage or technology transfer are considered in visa issuance (see S. 370), [9FE]
- establish Aviation Security Checkpoint Technology Fund (see S. 2548), [26JY]
- establish Civilian Cybersecurity Reserve to address U.S. cybersecurity needs relative to national security (see S. 885), [21MR]
- provide lawful permanent resident status for certain advanced science, technology, engineering, and math (STEM) degree holders (see S. 2384), [19JY]
- publish report on number of migrants at each port of entry apprehended, paroled, or granted work authorization (see S. 3187), [1NO]
- reprogram certain IRS funding to improve border security and enforcement (see S. 1312), [26AP]
- require Cybersecurity and Infrastructure Security Agency to develop campaign program to raise awareness regarding importance of cybersecurity in U.S. (see S. 1835), [6JN]
- require Cybersecurity and Infrastructure Security Agency to develop comprehensive rural hospital cybersecurity workforce development strategy (see S. 1560), [11MY]
- require U.S. Customs and Border Protection to annually review and update policies and manuals to ensure uniform inspection practices along U.S. border (see S. 3112), [24OC]
- Dept. of HUD: improve safety and security of families living in public and federally assisted housing in high-crime areas (see S. 578), [1MR]
- Dept. of Justice: allow for civil and criminal actions against certain providers of interactive computer services relative to fentanyl trafficking (see S. 2264), [12JY]
- establish CCP Initiative program (see S. 511), [16FE]
- establish pilot program to address technology-related abuse in domestic violence cases (see S. 3213), [2NO]
- prevent conflicts of interest and promote competition in sale and purchase of digital advertising (see S. 1073), [30MR]
- provide grants to State and local law enforcement agencies to purchase chemical screening devices to detect dangerous drugs and train personnel on use of such devices (see S. 1507), [9MY]
- reauthorize and update Project Safe Childhood program to protect children from online predators (see S. 1170), [17AP]
- require electronic communication service providers and remote computing services to report unlawful sale and distribution of controlled substances (see S. 1080), [30MR]
- require reporting of suspicious transmissions in order to assist in criminal investigations and counterintelligence activities relative to terrorism, serious drug offenses, and violent crimes (see S. 147), [30JA]
- Dept. of Labor: address needs of workers in industries likely to be impacted by rapidly evolving technologies (see S. 2722), [5SE]
- enter into contracts with industry intermediaries for purposes of promoting development of and access to apprenticeships in technology sector (see S. 2124), [22JN]
- modernize unemployment compensation benefits (see S. 3140), [26OC]
- provide funds to certain science, technology, engineering, and math (STEM) businesses to offer mid-career workers paid internships or other returnships that lead to positions above entry level (see S. 662), [6MR]
- take initiatives to measure impact of automation on workforce in order to inform workforce development strategies (see S. 2138), [22JN]
- Dept. of State: establish interagency working group to develop firewall circumvention technology to protect Internet access and online information sharing for people of Hong Kong (see S. 3114), [24OC]

# INDEX

## TECHNOLOGY

- maintain capacity to transmit Internet access service abroad and domestically in case of emergency disruptions and support circumvention technologies that allow users to evade government censorship (see S. 861), [16MR]
- report to Congress on implementation of advanced capabilities pillar of trilateral security partnership between Australia, United Kingdom, and U.S. (see S. 1006), [28MR]
- require certain congressional notification prior to entering into, renewing, or extending science and technology agreements with China (see S. 2894), [21SE]
- Dept. of the Interior: establish critical mineral environmental processing and mining cleanup program (see S. 2965), [28SE]
- identify locations in national parks with greatest need for broadband Internet access service and with greatest need for cellular service (see S. 2018), [15JN]
- Dept. of the Treasury: issue Clean Energy Victory Bonds to increase investment in domestic development and deployment of clean energy technologies (see S. 2893), [21SE]
- prevent foreign terrorist organizations and their financial enablers, whether in currency or digital assets, from accessing financial and other institutions of U.S. (see S. 3441), [7DE]
- provide Financial Stability Oversight Council with duties regarding artificial intelligence in financial sector (see S. 3554), [18DE]
- provide investment screening mechanism for U.S. companies investing in certain technology sectors in countries of concern (see S. 2678), [27JY]
- require Financial Crimes Enforcement Network issue guidance on digital assets to deter money laundering and terrorist financing (see S. 2669), [27JY]
- Dept. of Transportation: establish drone infrastructure inspection grant program and drone education and workforce training grant program (see S. 1817), [6JN]
- establish grant program to demonstrate performance and reliability of heavy-duty fuel cell vehicles that use hydrogen as fuel source (see S. 648), [2MR]
- improve process for awarding grants to counties in which majority of land is owned or managed by Federal Government and to other local and Tribal governments in those counties (see S. 1579), [11MY]
- require schoolbuses to have seatbelts, automatic emergency braking systems, event data recorders, and electronic stability control systems and assist school districts with making such modifications (see S. 2746), [7SE]
- Dept. of Veterans Affairs: allow for electronic request of certain records (see S. 2803), [14SE]
- establish pilot program on community integration network infrastructure for services for veterans and collect information related to social determinants of health from veterans (see S. 2259), [12JY]
- establish portal for maintaining digital records of former Armed Forces members and establish advisory committee relative to maintenance of such records (see S. 3295), [14NO]
- establish Veterans Advisory Committee on Equal Access (see S. 2516), [26JY]
- provide certain individuals with opportunity to enroll in high technology programs of education that provide training or skills sought by employers in relevant fields or industries (see S. 1877), [8JN]
- reauthorize high technology program (see S. 1678), [18MY]
- Depts. of Homeland Security and Veterans Affairs: authorize Cybersecurity and Infrastructure Security Agency to establish cybersecurity apprenticeship program and cybersecurity training program for veterans (see S. 2256), [12JY]
- Digital Consumer Protection Commission: establish (see S. 2597), [27JY]
- Disabled: ensure people with disabilities have full access to mainstream communication products and services necessary to participate equally in professional, educational, recreational, and civic contexts (see S. 2904), [21SE]
- Disasters: improve forecasting and understanding of tornadoes and other hazardous weather (see S. 1284), [25AP]
- Drugs: allow for use of telehealth in substance use disorder treatment (see S. 3193), [1NO]
- clarify possession, sale, purchase, importation, exportation, or transportation of drug testing equipment that tests for presence of fentanyl or xylazine is not unlawful (see S. 2569), [27JY]
- ensure that States do not prohibit individuals from obtaining, possessing, distributing, or using life-saving drug testing technologies (see S. 2484), [25JY]
- prohibit delivery of opioids by means of dark web (see S. 1728), [18MY]
- provide for requirements for electronic-prescribing for controlled substances under group health plans and group and individual health insurance coverage (see S. 2666), [27JY]
- Education: increase knowledge and awareness of best practices to reduce cybersecurity risks in U.S. (see S. 2201), [22JN]
- strengthen and expand adult education programs (see S. 3075), [18OC]
- Election Assistance Commission: conduct penetration testing in testing and certification of voting systems and establish Independent Security Testing and Co-ordinated Vulnerability Disclosure Pilot Program for Election Systems (see S. 1500), [9MY]
- Elections: expand certain existing protections to election administrators who count ballots and certify results, provide judicial review, and strengthen protections for Federal election records and election infrastructure (see S. 1487), [9MY]
- Employment: establish interagency task force on employer surveillance and workplace technologies (see S. 2440), [20JY]
- prohibit, or require disclosure of, surveillance, monitoring, and collection of certain worker data by employees (see S. 262), [2FE]
- Energy Efficiency Day: designate (see S. Res. 404), [4OC]
- EPA: prohibit finalizing, implementing, or enforcing of proposed rules relative to emissions from vehicles (see S. 3094), [19OC]
- Executive Office of the President: prohibit downloading or using of TikTok video app on U.S. devices and require Director of National Intelligence submit report on threat to national security posed by TikTok (see S. 85), [25JA]
- FAA: clarify minimum altitudes for go-arounds, inspection passes, practice approaches, and qualified instrument approaches (see S. 2675), [27JY]
- continue operation of Advanced Materials Center of Excellence (see S. 1796), [1JN]
- designate overland supersonic and hypersonic testing corridor to test military passenger and non-passenger aircraft (see S. 902), [21MR]
- develop comprehensive unmanned aircraft system integration strategy (see S. 1927), [12JN]
- enter into contracts to demonstrate or validate technology related to integration of unmanned aircraft systems into national airspace system (see S. 1388), [1MY]
- establish certain rules relating to unmanned aircraft systems and operations (see S. 307), [7FE]
- establish FAA Task Force on NOTAM Improvement (see S. 66), [25JA]
- improve processes for type certification (see S. 1506), [9MY]
- modify authority for space transportation infrastructure modernization grants (see S. 1982), [14JN]
- prohibit from awarding any Federal assistance to entities from certain foreign countries for projects related to unmanned aircraft systems (see S. 1830), [6JN]
- provide for safe and timely integration of advanced aviation technologies into national airspace system (see S. 1888), [8JN]
- update navigable airspace and preserve State, local, and Tribal operational and zoning authorities relative to drones or unmanned aircraft systems (see S. 905), [21MR]
- FCC: allow State or Federal correctional facilities to utilize jamming equipment to prevent contraband cell phone use in prisons (see S. 1047), [29MR]
- apply certain standards on volume of commercials to video streaming services (see S. 1127), [30MR]
- enforce forfeiture penalties relative to violations of restrictions on use of telephone equipment (see S. 2095), [21JN]
- ensure equitable and nondiscriminatory contributions to mechanisms that preserve and advance universal service and reduce financial burden on consumers (see S. 3321), [15NO]
- establish council to make recommendations on ways to increase security, reliability, and interoperability of communications networks (see S. 828), [15MR]
- evaluate and consider impact of telecommunications network equipment supply chain on deployment of universal service (see S. 690), [7MR]
- identify social media entities under influence of certain foreign entities and take measures to protect U.S. from such entities (see S. 872), [16MR]
- improve enforcement and enhance penalties for violations involving illegal robocalls (see S. 3324), [15NO]
- issue rules prohibiting entities from offering minor consumers artificial intelligence features in products without parental consent (see S. 1626), [16MY]
- prohibit reclassification of broadband Internet access service as telecommunications service and imposition of certain regulations on providers of such service (see S. 3119), [24OC]
- publish list of entities that hold authorizations, licenses, or other grants of authority issued by Commission and that have certain foreign ownership (see S. 2114), [22JN]
- reform broadband permitting (see S. 2663), [27JY]
- require certain pornographic interactive computer services to adopt and operate technology verification measures to ensure that users are not minors (see S. 3314), [15NO]
- require providers of interactive computer services to publicly disclose information relative to requests or recommendations made by government entities to moderate content (see S. 2314), [13JY]
- transfer unobligated balances made available for coronavirus emergency response and relief to carry out Secure and Trusted Communications Networks Reimbursement Program (see S. 1245), [20AP]
- FDA: allow digital communication of prescribing information for drugs, including biological products (see S. 2916), [26SE]
- establish electronic format for medical device recall notifications (see S. 2907), [21SE]
- FEC: prohibit distribution of materially deceptive artificial intelligence (AI)-generated audio or visual media relating to candidates for Federal office (see S. 2770), [12SE]
- Federal agencies and departments: advance Federal Government innovation through implementation and use of multi-cloud computing software technology (see S. 2871), [20SE]
- ensure transparency when using automated and augmented systems to interact with public or make critical decisions (see S. 1865), [7JN]
- establish task force on organizational structure for artificial intelligence governance and oversight (see S. 1356), [27AP]
- improve visibility, accountability, and oversight of agency software asset management practices (see S. 931), [22MR]
- modify requirements relative to data centers of certain Federal agencies (see S. 933), [22MR]
- prohibit contracting with certain biotechnology providers (see S. 3385), [4DE] (see S. 3411), [5DE] (see S. 3558), [20DE]
- prohibit from restricting use of convertible virtual currency by person to purchase goods or services for own use (see S. 3229), [6NO]
- prohibit procurement of drones and other unmanned aircraft systems from countries identified as national security threats (see S. 473), [16FE]

- require agencies that use, fund, or oversee algorithms to have office of civil rights focused on bias, discrimination, and other harms of algorithms (see S. 3478), [12DE]
- require appointment or designation of emerging technology leading officials in relevant Federal agencies (see S. 1577), [11MY]
- require reduction of reliance and expenditures on legacy information technology systems (see S. 2032), [15JN]
- require to have compliance officers to ensure each department or agency is meeting requirements relative to disabled access to electronic information and data (see S. 2910), [21SE]
- require use of Artificial Intelligence Risk Management Framework developed by NIST relative to use of artificial intelligence (see S. 3205), [2NO]
- Federal aid programs: prohibit receipt of Federal funds by individuals or entities conducting business with social media companies associated with countries of concern (see S. 875), [16MR]
- Federal Digital Platform Commission: establish (see S. 1671), [18MY]
- Federal Financial Institutions Examination Council: establish Portal for Appraisal Credentialing and Appraisal Management Companies (AMC) Registration information (see S. 2692), [27JY]
- Federal Highway Administration: improve environmental review process for Federal aid highway projects through use of interactive, digital, cloud-based platforms (see S. 2319), [13JY]
- FERC: establish minimum interregional transfer capabilities (see S. 2827), [18SE]
- Financial institutions: impose requirements on digital exchanges (see S. 3087), [19OC]
- provide for responsible financial innovation and bring digital assets within regulatory perimeter (see S. 2281), [12JY]
- Firearms: ensure that all firearms are traceable by prohibiting manufacture or possession of 3-D printed guns made of plastic (see S. 2652), [27JY]
- prohibit online publication of blueprints for 3-D printed plastic guns (see S. 1819), [6JN]
- Foreign policy: bolster trilateral security partnership between Australia, United Kingdom, and U.S. (see S. 1471), [4MY]
- Foreign trade: negotiate strong, inclusive, and forward-looking agreements on digital economy and trade with like-minded countries as part of broader trade and economic strategy (see S. Res. 155), [30MR]
- Forest Service: update forest inventory and analysis program strategic plan to include expanded data collection and integrated advanced remote sensing technology (see S. 1743), [18MY]
- Foundation for Digital Equity: establish (see S. 599), [1MR]
- FRS: limit ability of Federal Reserve banks to issue central bank digital currency (see S. 967), [23MR]
- FTC: conduct study with CDC on social media use by teenagers and issue report and policy recommendations (see S. 687), [7MR]
- establish centralized system to allow individuals to request simultaneous deletion of their personal information across all data brokers (see S. 2121), [22JN]
- improve communications between social media platforms and law enforcement agencies and establish Platform Safety Advisory Committee (see S. 2531), [26JY]
- prohibit discriminatory use of personal information by online platforms in any algorithmic process and require transparency in use of algorithmic processes and content moderation (see S. 2325), [13JY]
- prohibit targeted advertising by advertising facilitators and advertisers (see S. 2833), [18SE]
- prohibit use of exploitative and deceptive practices by large online operators and promote consumer welfare in use of behavioral research by such providers (see S. 2708), [27JY]
- require commercial websites and mobile apps to create simple and readable summary of their terms-of-service agreements (see S. 2225), [11JY]
- require covered digital advertising platforms to report their public service advertisements (see S. 2423), [20JY]
- require generative artificial intelligence to disclose that their output has been generated by artificial intelligence (see S. 2691), [27JY]
- require impact assessments of automated decision systems and augmented critical decision processes (see S. 2892), [21SE]
- require third-party delivery platforms to follow certain pricing practices (see S. 3161), [30OC]
- FTC and NSF: support research about impact of digital communication platforms on society by providing privacy-protected, secure pathways for independent research on data held by large social media companies (see S. 1876), [8JN]
- GAO: conduct study on health and mental impact of social media use by teenagers and issue report and policy recommendations (see S. 410), [14FE]
- require report on Federal support to cybersecurity of commercial satellite systems (see S. 1425), [3MY]
- study sale of illicit drugs online (see S. 2982), [28SE]
- Government regulations: require watermark for artificial intelligence (AI)-generated materials (see S. 2765), [12SE]
- Health: protect access to genetically targeted technologies (see S. 476), [16FE]
- protect privacy of personal reproductive or sexual health information (see S. 1656), [17MY]
- support public health infrastructure (see S. 1995), [14JN]
- Hydroelectric power: modernize and improve licensing of non-Federal hydropower projects (see S. 1521), [10MY]
- Immigration: secure U.S. borders and reform immigration policies (see S. 2824), [14SE]
- Independent Financial Technology Working Group To Combat Terrorism and Illicit Financing: establish (see S. 1340), [27AP]
- Information technology: address governmental interference in content moderation decisions by providers of interactive computer services (see S. 1525), [10MY]
- correct shortcomings in how laws address online content moderation, creation and development, and distribution (see S. 921), [22MR]
- establish governmentwide approach to improving digital identity (see S. 884), [21MR]
- establish national data privacy standards (see S. 3337), [15NO]
- hold technology companies accountable for failure to remove child sexual abuse material from their networks and require reports on efforts to keep children safe from online predators (see S. 1199), [19AP]
- impose notice and consent requirements on Internet platforms that use algorithms to manipulate availability of content (see S. 688), [7MR]
- improve transparency of purchases by Federal Government of data or information that can be used to identify individuals (see S. 2292), [13JY]
- modernize and streamline permitting process for broadband infrastructure on Federal land (see S. 2855), [20SE]
- modernize Federal information security management and establish Cyber Incident Review Office and Federal Risk and Authorization Management Program (FedRAMP) (see S. 2251), [11JY]
- permit parents to bring civil action against social media companies that fail to provide parental access and data control rights relative to social media accounts of minor children (see S. 564), [28FE]
- prohibit certain discriminatory conduct by covered platforms (see S. 2033), [15JN]
- provide targeted exceptions to immunity for providers and users of interactive computer services and reaffirm civil rights, victims' rights, and consumer protections (see S. 560), [28FE]
- remove immunity protections from social media platforms which host accounts of censoring foreign adversaries (see S. 941), [22MR]
- require application stores to publicly list country of origin of applications that they distribute and provide consumers ability to protect themselves (see S. 1732), [18MY]
- require social media platforms to verify age of users, prohibit use of algorithmic recommendation systems on minors, require parental consent for minors, and prohibit access for users under age 13 (see S. 1291), [26AP]
- require social media platforms verify all individuals who create an account are age 16 or older (see S. 419), [14FE]
- strengthen transparency in process online platforms use to moderate content and hold those companies accountable for content that violates their own policies or is illegal (see S. 483), [16FE]
- waive immunity for providers of social media services for claims and charges relative to generative artificial intelligence (see S. 1993), [14JN]
- Infrastructure: encourage research and use of innovative materials and associated techniques in construction and preservation of domestic transportation and water infrastructure system (see S. 3292), [14NO]
- International Black Aviation Professionals Day: designate (see S. Res. 73), [16FE]
- Investments: prohibit interference in U.S. digital commodity markets by entities organized or established in foreign adversary (see S. 1870), [7JN]
- Iran: address threat from development of Iranian ballistic missile program and transfer or deployment of missiles and related goods and technology, including materials and equipment (see S. 2336), [18JY]
- require reports on and impose sanctions relative to development of space-launch vehicles, intercontinental ballistic missiles, and unmanned aerial systems (see S. 3334), [15NO]
- IRS: prohibit additional funding to be used to audit certain taxpayers (see S. 398), [14FE]
- Law enforcement: prohibit use of facial recognition or other biometric technology by Federal entities and condition Federal funding on similar moratoria by State and local entities (see S. 681), [7MR]
- Medicare: expand access to telehealth services (see S. 2016), [15JN]
- improve access to diabetes outpatient self-management training services and require Center for Medicare and Medicaid Innovation to test virtual diabetes outpatient self-management training services (see S. 1832), [6JN]
- protect access to telehealth services in rural and underserved communities (see S. 1636), [17MY]
- provide for waiver of certain telehealth requirements to permit reimbursement of audio-only telehealth services during emergency declarations (see S. 729), [9MR]
- Medicare/Medicaid: provide for mental and behavioral health treatment through telehealth (see S. 730), [9MR]
- Mental health: establish multi-stakeholder advisory committee to provide recommendations to address challenges to transmitting geolocation information with calls to 9-8-8 Suicide and Crisis Lifeline (see S. 3482), [13DE]
- Mining and mineral resources: combat U.S. reliance on China and certain other countries for critical minerals and rare earth metals (see S. 1871), [8JN]
- provide for security of tenure for use of mining claims for ancillary activities (see S. 1281), [25AP]
- Motor vehicles: clarify regulations to allow installation of pulsating light systems for high-mounted stop lamps (see S. 3092), [19OC]
- prevent elimination of sale of internal combustion engines (see S. 2090), [21JN]
- NASA: provide for public-private talent program (see S. 3488), [13DE]
- National Assistive Technology Awareness Day: designate (see S. Res. 85), [28FE]
- National Commission on Online Child Sexual Exploitation Prevention: establish (see S. 1207), [19AP]
- National Hydrogen and Fuel Cell Day: designate (see S. Res. 414), [18OC]
- National objectives: provide greater access to rural and agricultural media programming (see S. Res. 113), [15MR]
- National Science, Technology, Engineering, and Mathematics (STEM) Day: designate (see S. Res. 454), [8NO]

# INDEX

## TECHNOLOGY

- National Science and Technology Council: establish Interagency Group on Large-Scale Carbon Management to implement Federal Carbon Removal Initiative (see S. 2002), [14JN]
- National Telecommunications and Information Administration: audit Federal spectrum (see S. 998), [28MR]
- determine value of electromagnetic spectrum assigned or otherwise allocated to Federal entities (see S. 999), [28MR]
- establish Office of Policy Development and Cybersecurity (see S. 1526), [10MY]
- further deployment of Next Generation 9-1-1 services to enhance and upgrade 9-1-1 systems (see S. 2712), [27JY]
- National Weather Service: upgrade internal instant messaging service (see S. 1414), [3MY]
- National Women of Color in Tech Day: designate (see S. Res. 124), [23MR]
- NIST: improve commercialization of Federal research by domestic manufacturers (see S. 1956), [13JN]
- improve requirement to establish testbeds to support development and testing of trustworthy artificial intelligence systems and improve interagency coordination in development of such testbeds (see S. 3162), [30OC]
- NLRB: define labor slowdowns by maritime workers, blocking of modernization efforts at ports, and refusing to work automated vessels as unfair labor practices (see S. 2113), [22JN]
- NSF: establish National Artificial Intelligence Research Resource (see S. 2714), [27JY]
- provide grants to modernize mathematics and improve science, technology, engineering, and math (STEM) education through mathematical and statistical modeling, including data-driven and computational thinking (see S. 2739), [7SE]
- support research on privacy enhancing technologies and promote responsible data use (see S. 3325), [15NO]
- Nuclear energy: enhance U.S. civil nuclear leadership, support licensing of advanced nuclear technologies, strengthen domestic nuclear energy fuel cycle and supply chain, and improve regulation of nuclear energy (see S. 1111), [30MR]
- Oceans: establish Ocean Innovation Clusters to strengthen U.S. coastal communities and ocean economy through technological research and development, job training, and cross-sector partnerships (see S. 1806), [6JN]
- Office of Global Competition Analysis: establish (see S. 1873), [8JN]
- OMB: establish Chief Artificial Intelligence Officers Council, Chief Artificial Intelligence Officers, and Artificial Intelligence Governance Boards (see S. 2293), [13JY]
- OPM: establish, or otherwise secure provision of, training program on artificial intelligence for Federal management officials and supervisors (see S. 1564), [11MY]
- Patent and Trademark Office: address matters relative to patent subject matter eligibility (see S. 2140), [22JN]
- Patents: establish interagency task force between Patent and Trademark Office and FDA for sharing information and providing technical assistance relative to patents (see S. 79), [25JA]
- Political campaigns: require advertisements to include statement if generative AI (artificial intelligence) was used to generate any image or video footage in such ads (see S. 1596), [15MY]
- Postal Service: offer identity proofing and identity-related services to private sector (see S. 3003), [30SE]
- Power resources: promote competition in area of digital energy management tools, enhance consumer access to electric energy and natural gas information, and allow for adoption of innovative products and service (see S. 1936), [13JN]
- Privacy: give option to delete personal information collected by Internet operators resulting from Internet activity prior to age 13 (see S. 395), [13FE]
- prevent law enforcement and intelligence agencies from obtaining subscriber or customer records in exchange for anything of value and address communications and records in possession of intermediary Internet providers (see S. 2576), [27JY]
- Renewable energy: require assessments of opportunities to install and maintain floating photovoltaic solar panels at Corps of Engineers and Bureau of Reclamation projects (see S. 1215), [19AP]
- Research: prohibit Federal funding for research in China (see S. 2525), [26JY]
- SBA: establish Innovation Voucher Grant Program (see S. 1739), [18MY]
- establish program to assist small business concerns with purchasing cybersecurity products and services (see S. 1458), [4MY]
- help small businesses prepare for and combat cybersecurity threats (see S. 2740), [7SE]
- improve certain programs to better assist small business customers in accessing broadband technology (see S. 2677), [27JY]
- improve commercialization activities in Small Business Innovation Research Program and Small Business Technology Transfer Program (see S. 1396), [2MY]
- include requirements relative to graduates of career and technical education programs or programs of study for small business development centers and women's business centers (see S. 936), [22MR]
- modify Federal and State Technology Partnership Program to make grants more competitive and give priority to underserved States (see S. 1003), [28MR]
- provide business loans to finance business software or cloud computing services (see S. 2330), [18JY]
- Schools: enable schools to provide science, technology, engineering, and math (STEM) classrooms and laboratories and high-speed Internet and modernize, renovate, or repair career and technical education facilities (see S. 2167), [22JN]
- Science: establish public-private partnership for near-term quantum application development and acceleration (see S. 1439), [4MY]
- include quantum molecular simulations and modeling in Federal scientific research (see S. 969), [23MR]
- SEC: address advertising by digital asset intermediaries (see S. 1357), [27AP]
- revise shareholder threshold for registration under Securities Exchange Act for issuers that receive support through certain Federal universal service support mechanisms (see S. 3242), [7NO]
- Space policy: establish demonstration program for active remediation of orbital debris and develop uniform orbital debris standard practices to support safe and sustainable orbital environment (see S. 447), [15FE]
- impose sanctions on foreign persons responsible for negligent creation of space debris (see S. 587), [1MR]
- prohibit purchase of certain telecommunications or aerospace goods or services from entities affiliated with China or Russia and require reporting on investment by foreign persons in U.S. aerospace industry (see S. 1483), [9MY]
- Substance Abuse and Mental Health Services Administration: improve accessibility of National Suicide Prevention Lifeline (see S. 3444), [7DE]
- Task Force on Youth Mental Health Data Integration: establish (see S. 3532), [14DE]
- Taxation: allow refundable income tax credit for purchase of qualified access technology for blind individuals (see S. 1467), [4MY]
- apply mailbox rule for contracts to documents and payments electronically submitted to IRS (see S. 1338), [27AP]
- disallow companies associated with foreign adversaries from receiving advanced manufacturing production credit (see S. 3486), [13DE]
- enhance tax benefits for research activities (see S. 866), [16MR]
- establish credit for domestic production of rare earth magnets (see S. 3521), [14DE]
- establish tax on sale of electric vehicles and batteries (see S. 2882), [21SE]
- exclude certain broadband grants from gross income (see S. 341), [9FE]
- exempt telehealth services from certain high deductible health plan rules (see S. 1001), [28MR]
- expand and modify employer educational assistance programs (see S. 3296), [14NO]
- increase applicable dollar amount for qualified carbon oxide which is captured and utilized for purposes of carbon oxide sequestration credit (see S. 542), [28FE]
- make permanent permissible first-dollar coverage of telehealth services in health savings accounts (see S. 731), [9MR]
- permit 529 college savings program funds to be used for certain non-degree technical training certificate programs and apprenticeship programs (see S. 2921), [26SE]
- prohibit use of clean vehicle credit on battery components manufactured or assembled by corporations associated with foreign entities of concern (see S. 756), [9MR]
- provide for election to expense certain qualified sound recording costs otherwise chargeable to capital account (see S. 1625), [16MY]
- require that online contributions to political organizations require credit verification value (see S. 491), [16FE]
- Telecommunications: facilitate access to electromagnetic spectrum for commercial space launches and commercial space reentries (see S. 1648), [17MY]
- preserve and protect ability of State and local governments, public-private partnerships, and cooperatives to provide broadband services (see S. 1197), [19AP]
- Terrorism: provide remote access to court proceedings for victims of 1988 bombing of Pan Am Flight 103 over Lockerbie, Scotland (see S. 3250), [8NO]
- Trucking industry: establish voucher program for purchase and installation of emission reducing technologies for Class 8 trucks (see S. 3315), [15NO]
- TSA: prohibit use of facial recognition technology in airports (see S. 3361), [29NO]
- 21st Century Communications and Video Accessibility Act: update (see S. 2494), [25JY]
- Veterans: enhance penalties for convictions for conspiracy to commit telemarketing or email marketing fraud committed against veterans (see S. 2503), [26JY]
- Voting: encourage Congress to pass legislation to increase voting access and registration, protect voting rights, and improve election security (see S. Res. 350), [19SE]
- Wildfires: improve Federal activities relating to wildfires (see S. 1764), [31MY]
- Women: authorize appropriations for data collection, surveillance, and research on maternal health outcomes during public health emergencies (see S. 1605), [15MY]
- World Quantum Day: support goals (see S. Res. 190), [2MY]
- Wright Brothers Day: designate (see S. Res. 513), [18DE]

### Messages

- Budget of the U.S. Government for Fiscal Year 2024: President Biden, [28MR]
- National Emergency Relative to Securing the Information and Communications Technology and Services Supply to China: President Biden, [10MY]

### Reports filed

- Accelerating Deployment of Versatile, Advanced Nuclear for Clean Energy (ADVANCE) Act: Committee on Environment and Public Works (Senate) (S. 1111), [10JY]
- American Cybersecurity Literacy Act: Committee on Commerce, Science, and Transportation (Senate) (S. 2201), [13DE]

- Dept. of Homeland Security Civilian Cybersecurity Reserve Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 885) (S. Rept. 118–96), [11SE]
- Eliminating Abusive and Rampant Neglect of Interactive Technologies (EARN IT) Act: Committee on the Judiciary (Senate) (S. 1207), [15MY]
- Federal Cybersecurity Workforce Expansion Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 2256) (S. Rept. 118–117), [30NO]
- Federal Data Center Enhancement Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 933) (S. Rept. 118–15), [27AP]
- Improving Digital Identity Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 884) (S. Rept. 118–47), [11JY]
- Informing Consumers About Smart Devices Act: Committee on Commerce, Science, and Transportation (Senate) (S. 90) (S. Rept. 118–114), [28NO]
- Interagency Patent Coordination and Improvement Act: Committee on the Judiciary (Senate) (S. 79), [1MR]
- Intergovernmental Critical Minerals Task Force Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 1871) (S. Rept. 118–93), [5SE]
- Kids Online Safety Act: Committee on Commerce, Science, and Transportation (Senate) (S. 1409), [13DE]
- Launch Communications Act: Committee on Commerce, Science, and Transportation (Senate) (S. 1648), [18SE]
- National Weather Service Communications Improvement Act: Committee on Commerce, Science, and Transportation (Senate) (S. 1414), [4DE]
- Committee on Commerce, Science, and Transportation (Senate) (S. 1414) (S. Rept. 118–140), [19DE]
- NOTAM Improvement Act: Committee on Commerce, Science, and Transportation (Senate) (S. 66), [13DE]
- Orbital Sustainability (ORBITS) Act: Committee on Commerce, Science, and Transportation (Senate) (S. 447), [12SE]
- Project Safe Childhood Act: Committee on the Judiciary (Senate) (S. 1170), [15MY]
- Protecting the Border From Unmanned Aircraft Systems Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 1443) (S. Rept. 118–103), [30C]
- Require Electronic Communication Service Providers and Remote Computing Services To Report Unlawful Sale and Distribution of Controlled Substances: Committee on the Judiciary (Senate) (S. 1080), [5SE]
- Research Advancing to Market Production for Innovators Act: Committee on Small Business and Entrepreneurship (Senate) (S. 1396), [25JY]
- Satellite Cybersecurity Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 1425) (S. Rept. 118–92), [5SE]
- Securing Open Source Software Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 917) (S. Rept. 118–32), [16MY]
- Securing Semiconductor Supply Chains Act: Committee on Commerce, Science, and Transportation (Senate) (S. 229), [5DE]
- Strengthening Agency Management and Oversight of Software Assets Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 931) (S. Rept. 118–73), [25JY]
- Strengthening Transparency and Obligations To Protect Children Suffering From Abuse and Mistreatment (STOP CSAM) Act: Committee on the Judiciary (Senate) (S. 1199), [15MY]
- Supporting Small Business and Career and Technical Education Act: Committee on Small Business and Entrepreneurship (Senate) (S. 936), [25JY]
- Technology Grants To Strengthen Domestic Mining Education (Mining Schools) Act: Committee on Energy and Natural Resources (Senate) (S. 912) (S. Rept. 118–139), [18DE]
- Tornado Observations Research and Notification Assessment for Development of Operations (TOR-NADO) Act: Committee on Commerce, Science, and Transportation (Senate) (S. 1284), [4DE]
- Committee on Commerce, Science, and Transportation (Senate) (S. 1284) (S. Rept. 118–138), [13DE]
- Transparent Automated Governance (TAG) Act: Committee on Homeland Security and Governmental Affairs (Senate) (S. 1865) (S. Rept. 118–89), [5SE]
- TECHNOLOGY ASSESSMENT FOR AIR QUALITY MANAGEMENT ACT**
- Bills and resolutions*
- Enact (see S. 2045), [20JN]
- TECHNOLOGY GRANTS TO STRENGTHEN DOMESTIC MINING EDUCATION (MINING SCHOOLS) ACT**
- Bills and resolutions*
- Enact (see S. 912), [22MR]
- Reports filed*
- Provisions: Committee on Energy and Natural Resources (Senate) (S. 912) (S. Rept. 118–139), [18DE]
- TELECOMMUNICATIONS related term(s) PUBLIC BROADCASTING**
- Bills and resolutions*
- Business and industry: prohibit all transactions from TikTok Inc., or other social media companies in, or under influence of, certain foreign countries of concern (see S. 347), [9FE]
- Dept. of Agriculture: permit video or telephone certifications under Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) (see S. 984), [27MR]
- reauthorize and improve ReConnect loan and grant program (see S. 130), [30JA] (see S. 1642), [17MY]
- reauthorize distance learning and telemedicine grant program (see S. 2447), [20JY]
- Dept. of Commerce: develop national strategy to close digital divide (see S. 2238), [11JY]
- review, prohibit, and mitigate certain information communications and technology transactions between persons in U.S. and foreign adversaries (see S. 686), [7MR]
- Dept. of Defense: require Director of Defense Media Activity establish course of education on digital content provenance and carry out pilot program implementing digital content provenance standards (see S. 2222), [10JY] (see S. 3504), [13DE]
- Dept. of HHS: establish home-based telemental health care demonstration program to increase mental health services in rural medically underserved populations and in farming, fishing, and forestry occupations (see S. 1077), [30MR]
- establish Mental Health Licensure Portability Program to award grants to incentivize interstate mental health provider networks (see S. 1075), [30MR]
- establish uniform data standards, strengthen data sharing processes between public health entities, and establish grant program to develop best practices on soliciting demographic information (see S. 3545), [14DE]
- facilitate nationwide accessibility and coordination of 2-1-1 and 9-8-8 services to provide information and referrals for mental health emergencies, homeless needs, and social and human services needs (see S. 1729), [18MY]
- maintain peer-to-peer support line, provide information, brief intervention, and mental health resources to at-risk youth, and establish grant for local educational agencies to employ mental health coordinators (see S. 3525), [14DE]
- secure National Suicide Prevention Lifeline from cybersecurity incidents (see S. 1493), [9MY]
- Dept. of Homeland Security: engage in cybersecurity cooperation with Abraham Accords countries (see S. 1777), [31MY]
- Dept. of Justice: allow for civil and criminal actions against certain providers of interactive computer services relative to fentanyl trafficking (see S. 2264), [12JY]
- require electronic communication service providers and remote computing services to report unlawful sale and distribution of controlled substances (see S. 1080), [30MR]
- require reporting of suspicious transmissions in order to assist in criminal investigations and counterintelligence activities relative to terrorism, serious drug offenses, and violent crimes (see S. 147), [30JA]
- Dept. of State: establish interagency working group to develop firewall circumvention technology to protect Internet access and online information sharing for people of Hong Kong (see S. 3114), [24OC]

- Bills and resolutions*
- Enact (see S. 1350), [27AP]
- WATER** *related term(s)* **ECOLOGY AND ENVIRONMENT**
- Bills and resolutions*
- Agriculture: establish advisory committee to inform Congress of impact of waters of the U.S. regulations on agriculture (see S. 1023), [29MR]
- Bureau of Reclamation: approve settlement of water rights claims of Fort Belknap Indian Community in Montana (see S. 1987), [14JN]
- authorize certain extraordinary operation and maintenance work for urban canals of concern (see S. 2160), [22JN]
- authorize modification of transferred works to increase public benefits and other project benefits as part of extraordinary operation and maintenance work (see S. 2202), [22JN]
- clarify jurisdiction relative to certain pumped storage development (see S. 739), [9MR]
- make certain irrigation districts eligible for Pick-Sloan Missouri Basin Program pumping power (see S. 461), [16FE]
- support water infrastructure in reclamation States (see S. 2162), [22JN]
- California: approve settlement of water right claims of Tule River Tribe (see S. 306), [7FE]
- Canada: ensure that Canada does not permanently store nuclear waste in Great Lake Basin (see S. Res. 117), [22MR]
- Coastal Barrier Resources Act: improve (see S. 2958), [27SE]
- Corps of Engineers: propose new nationwide permit under Federal Water Pollution Control Act for dredging projects (see S. 3433), [7DE]
- Courts: limit attorney fees for those harmed by exposure to water at Camp Lejeune, NC (see S. 378), [9FE] (see S. 1275), [25AP]
- Dept. of Agriculture: allow emergency haying under Conservation Reserve Program during primary nesting season (see S. 2412), [20JY]
- clarify land eligible for enrollment in Conservation Reserve Program (see S. 2798), [14SE]
- ensure producers who rely on acequia systems have access to drought protections (see S. 2077), [21JN]
- establish alternative manure management program (see S. 2479), [25JY]
- establish emergency preparedness and response technical assistance program to assist entities that operate rural water or wastewater systems to prepare for and respond to natural or man-made disasters (see S. 2917), [26SE]
- establish grant program to assist with purchase, installation, and maintenance of point-of-entry and point-of-use drinking water quality improvement products (see S. 806), [15MR]
- expand and strengthen Rural Decentralized Water Systems Grant Program (see S. 1233), [20AP]
- expand snow survey and water supply forecasting program to serve northeastern U.S. (see S. 2611), [27JY]
- improve Conservation Reserve Program by improving access to grazing, providing more enrollment options to producers, and addressing certain implementation issues (see S. 174), [31JA]
- include cybersecurity technical assistance in national rural water and wastewater circuit rider program (see S. 2388), [19JY]
- modify Conservation Reserve Enhancement Program (see S. 1224), [20AP]
- modify definitions of terms “rural” and “rural area” for purpose of grants and loans to remedy lack of compliance with certain drinking water standards (see S. 2697), [27JY]
- provide grants to States and Indian Tribes for programs to voluntarily repurpose agricultural land to reduce consumptive water use (see S. 2166), [22JN]
- reauthorize Joint Chiefs Landscape Restoration Partnership program (see S. 2558), [27JY]
- require State field offices of National Resources Conservation Service to give preference to in-State applicants (see S. 2568), [27JY]
- support commercial fishing industry (see S. 1756), [30MY]
- Dept. of Defense: establish task force to address effects of per- and polyfluoroalkyl substances release from departmental activities and include exposure to such substances in periodic health assessments of Armed Forces (see S. 1360), [27AP]
- Dept. of Energy: establish research, development, and demonstration program relative to abandoned wells (see S. 429), [15FE]
- Dept. of HHS: establish exposure registry and conduct epidemiological studies to assess health outcomes associated with Red Hill Incident at Navy base in Hawaii (see S. 2183), [22JN]
- Dept. of Homeland Security: require U.S. Customs and Border Protection provision of initial health screenings, adequate medical care, water, nutrition, hygiene, sanitation, and living accommodations for detainees (see S. 2864), [20SE]
- Dept. of HUD: conduct annual risk assessment of properties receiving tenant-based or project-based rental assistance for lead-based hazards (see S. 577), [1MR]
- Dept. of State: ensure U.S. diplomats and officials can advance efforts seeking Mexican compliance with 1944 Treaty on Utilization of Waters of the Colorado and Tijuana Rivers and of the Rio Grande (see S. 2969), [28SE]

- authorize expenditures for conduct of certain water conservation measures in Great Salt Lake basin (see S. 1955), [13JN]
- carry out watershed pilots (see S. 2169), [22JN]
- increase Tribal access to water conservation and efficiency grants (see S. 2927), [26SE]
- make financial assistance to States under Land and Water Conservation Fund available for water quality projects (see S. 798), [14MR]
- modify certain requirements applicable to salinity control units in Colorado River (see S. 2514), [26JY]
- provide grants to acquire land and water for parks and other outdoor recreation purposes and develop new or renovate existing outdoor recreation facilities (see S. 448), [15FE]
- provide with certain authorities relative to projects affecting Klamath Basin watershed (see S. 482), [16FE]
- reauthorize Delaware River Basin conservation programs (see S. 654), [6MR]
- Dept. of Transportation: establish drone infrastructure inspection grant program and drone education and workforce training grant program (see S. 1817), [6JN]
- establish payment and performance security requirements for water infrastructure projects (see S. 2928), [26SE]
- Depts. of Agriculture and the Interior: prevent from prohibiting use of lead ammunition or tackle on certain Federal land or water (see S. 1185), [18AP]
- prohibit taking of privately held water rights and uphold longstanding State water laws (see S. 64), [25JA]
- Deschutes River Conservancy Working Group: reauthorize (see S. 2020), [15JN]
- Dolores River National Conservation Area: establish (see S. 636), [2MR]
- Dolores River Special Management Area: establish (see S. 636), [2MR]
- Ecology and environment: carry out activities to control movement of aquatic invasive species into, across, and out of Federal land and waters and provide financial assistance for watercraft inspection and decontamination (see S. 2105), [22JN]
- restore, reaffirm, and reconcile environmental justice, health equity, climate justice, and civil rights (see S. 919), [22MR]
- Energy and water development: making appropriations (see S. 2443), [20JY]
- EPA: clarify requisite timeline for making decision on approval or disapproval of State underground injection control program (see S. 1718), [18MY]
- establish pilot program that promotes cleanup of abandoned hardrock mines by good samaritans (see S. 2781), [13SE]
- exempt discharges of fire retardant by Federal agencies, State and local governments, and Tribal governments from National Pollutant Discharge Elimination System permitting requirements (see S. 796), [14MR]
- make changes relative to water quality certification (see S. 3082), [19OC]
- modify water conservation or irrigation efficiency practice waiver authority (see S. 2696), [27JY]
- promulgate certain limitations relative to pre-production plastic pellet pollution (see S. 2337), [18JY]
- reauthorize South Florida Geographic Program (see S. 119), [26JA]
- Federal aid programs: provide additional assistance to rural water and waste disposal systems affected by coronavirus pandemic (see S. 1079), [30MR]

- provide for drought preparedness and improved water supply reliability (see S. 2102), [21JN]
  - Federal Columbia River Power System: provide for operations pursuant to certain operation plan for specified period of time (see S. 966), [23MR]
  - Federal Water Pollution Control Act: modify certain allotments (see S. 115), [26JA]
  - FERC: extend time period during which licensees are required to commence construction of certain hydro-power projects (see S. 3373), [30NO]
  - Forest Service: reauthorize and improve Water Source Protection Program and Watershed Condition Framework (see S. 1853), [7JN]
  - Government: establish National Biodiversity Strategy (see S. Res. 494), [12DE]
  - Government regulations: disapprove rule entitled ‘‘Revised Definition of ‘‘Waters of the U.S.’’’ (see S.J. Res. 7), [2FE]
  - provide definition of navigable waters (see S. 1022), [29MR]
  - Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
  - Holy Cross Wilderness: authorize additional entities to be eligible to complete maintenance work on Bolts Ditch and Bolts Ditch Headgate (see S. 2156), [22JN]
  - Hydroelectric power: modernize and improve licensing of non-Federal hydropower projects (see S. 1521), [10MY]
  - support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 2994), [28SE]
  - Idaho: make technical correction to water rights settlement for Shoshone-Paiute Tribes of the Duck Valley Reservation (see S. 950), [22MR]
  - Infrastructure: encourage research and use of innovative materials and associated techniques in construction and preservation of domestic transportation and water infrastructure system (see S. 3292), [14NO]
  - establish trust fund to provide adequate funding for water and sewer infrastructure (see S. 938), [22MR]
  - Infrastructure Investment and Jobs Act: authorize use of funds for water infrastructure and dam projects (see S. 843), [16MR]
  - International Boundary and Water Commission: assume full ownership and control of International Outfall Interceptor in Nogales, AZ (see S. 128), [30JA]
  - Lake Tahoe Restoration Act: reauthorize (see S. 612), [1MR]
  - Mexico: support diplomatic relations to encourage fulfillment of water deliveries annually to U.S. under treaty regarding utilization of Colorado and Tijuana Rivers and Rio Grande (see S. Res. 379), [28SE]
  - National Water Week: designate (see S. Res. 198), [4MY]
  - Native Americans: make technical corrections to Navajo Nation Water Resources Development Trust Fund, Taos Pueblo Water Development Fund, and Aamodt Settlement Pueblos’ Fund (see S. 3406), [5DE]
  - provide access to reliable, clean, and drinkable water on Native American lands (see S. 2385), [19JY]
  - recognize critical importance of access to reliable, clean drinking water for Native Americans and Alaska Natives and confirm responsibility of Federal Government to ensure such access (see S. Res. 355), [21SE]
  - Nevada: modify authorization of appropriations for Las Vegas Wash program (see S. 3418), [6DE]
  - NOAA: codify and improve Coastal Management Fellowship and Digital Coast Fellowship (see S. 1552), [11MY]
  - collaborate with State and local governments and Indian Tribes on vulnerability assessments related to ocean acidification, research planning, and similar activities (see S. 1808), [6JN]
  - establish Sea Turtle Rescue Assistance Grant Program (see S. 2086), [21JN]
  - Northwestern New Mexico Rural Water Projects Act: amend (see S. 1898), [8JN]
  - Pollution: reduce production and use of single-use plastics, improve responsibility of producers over consumer products and packaging, and prevent plastics from entering animal and human food chains and waterways (see S. 3127), [25OC]
  - Power resources: increase energy production, exports, infrastructure, and critical minerals processing, promote transparency, accountability, and permitting, and improve water quality certification (see S. 947), [22MR]
  - Public lands: designate certain lands in Idaho, Montana, Oregon, Washington, and Wyoming as wilderness, wild and scenic rivers, wildland recovery areas, and biological connecting corridors (see S. 1531), [10MY]
  - Public utilities: increase efficiency and conservation in public water systems (see S. 2654), [27JY]
  - Public works: establish program to increase drinking water and wastewater system threat preparedness and resilience (see S. 660), [6MR]
  - Shipping industry: eliminate certain requirements relative to dredging and dredged materials (see S. 3434), [7DE]
  - Sloan Canyon National Conservation Area: adjust boundary and allow construction of underground water pipeline (see S. 2042), [15JN]
  - Taxation: facilitate water leasing and water transfers to promote conservation and efficiency (see S. 1874), [8JN]
  - modify private business use requirements for bonds issued for lead service line replacement projects (see S. 726), [9MR]
  - U.N. Convention on Biological Diversity: urge Senate ratification (see S. Con. Res. 11), [31MY]
  - U.N. Convention on the Law of the Sea: urge Senate ratification (see S. Res. 466), [15NO]
  - U.S. Fish and Wildlife Service: establish New York-New Jersey Watershed Restoration Program (see S. 1335), [27AP]
  - U.S. Geological Survey: establish Open Access Evapotranspiration (OpenET) Data Program (see S. 1118), [30MR]
  - Urban Water Federal Partnership Program: maintain (see S. 702), [8MR]
  - USA Rice Federation: anniversary of USA Rice-Ducks Unlimited Rice Stewardship Partnership (see S. Res. 403), [4OC]
  - Veterans: ensure claimants who were harmed by exposure to water at Camp Lejeune, NC, are adequately informed relative to filing Federal cause of action (see S. 3237), [7NO]
  - Washington (State): designate and expand wilderness areas and designate certain rivers as wild and scenic rivers in Olympic National Forest and Olympic National Park (see S. 1254), [20AP]
  - Waterways: address severe subsidence impacts that have substantially reduced carrying capacity of water delivery system in California (see S. 2161), [22JN]
  - provide for standardization, consolidation, and publication of data relating to public outdoor recreational use of Federal waterways among Federal land and water management agencies (see S. 3123), [25OC]

- reauthorize endangered fish and threatened fish recovery programs for Upper Colorado and San Juan River Basins (see S. 2247), [11JY]
- Dept. of the Treasury: establish Outdoor Restoration Fund to provide grants for restoration and resilience projects (see S. 540), [28FE]
- Dept. of Transportation: establish payment and performance security requirements for water infrastructure projects (see S. 2928), [26SE]
- Depts. of Agriculture and the Interior: prevent from prohibiting use of lead ammunition or tackle on certain Federal land or water (see S. 1185), [18AP]
- Disasters: improve disaster relief funding (see S. 116), [26JA]
- Ecology and environment: address harmful algal blooms and hypoxia through research, forecasting and monitoring, and mitigation and control while helping communities detect, control, and mitigate such events (see S. 3348), [27NO]
- EPA: exempt discharges of fire retardant by Federal agencies, State and local governments, and Tribal governments from National Pollutant Discharge Elimination System permitting requirements (see S. 796), [14MR]
- give priority consideration to selecting Pensacola and Perdido Bays as estuary of national significance (see S. 50), [24JA]
- promulgate certain limitations relative to pre-production plastic pellet pollution (see S. 2337), [18JY]
- reauthorize Long Island Sound programs (see S. 2793), [13SE]
- Everglades National Park: incorporate Osceola Camp into Micosukee Reserved Area and carry out activities to protect structures within Osceola Camp from flooding (see S. 2783), [13SE]
- Holy Cross Wilderness: authorize additional entities to be eligible to complete maintenance work on Bolts Ditch and Bolts Ditch Headgate (see S. 2156), [22JN]
- Hydroelectric power: support upgrades at existing hydroelectric dams to increase clean energy production, improve resiliency and reliability of electric grid, and enhance health of rivers and associated wildlife habitats (see S. 2994), [28SE]
- Montana: designate certain streams in greater Yellowstone ecosystem and Smith River system as components of Wild and Scenic Rivers System (see S. 3346), [27NO]
- National Estuaries Week: designate (see S. Res. 353), [20SE]
- Nevada: modify authorization of appropriations for Las Vegas Wash program (see S. 3418), [6DE]
- NOAA: reauthorize Chesapeake Bay Office (see S. 2534), [26JY]
- Parks and recreation areas: provide for standardization, consolidation, and publication of data relating to public outdoor recreational use of Federal waterways among Federal land and water management agencies (see S. 3123), [25OC]
- Pollution: reduce production and use of single-use plastics, improve responsibility of producers over consumer products and packaging, and prevent plastics from entering animal and human food chains and waterways (see S. 3127), [25OC]
- Public works: address severe subsidence impacts that have substantially reduced carrying capacity of water delivery system in California (see S. 2161), [22JN]
- Shipping industry: eliminate certain requirements relative to dredging and dredged materials (see S. 3434), [7DE]

—permit use of NATO and major non-NATO ally dredge ships in U.S. (see S. 3432), [7DE]

Taxation: facilitate water leasing and water transfers to promote conservation and efficiency (see S. 1874), [8JN]

U.S. Fish and Wildlife Service: establish New York-New Jersey Watershed Restoration Program (see S. 1335), [27AP]

Urban Water Federal Partnership Program: maintain (see S. 702), [8MR]

Washington (State): designate and expand wilderness areas and designate certain rivers as wild and scenic rivers in Olympic National Forest and Olympic National Park (see S. 1254), [20AP]

Water: carry out activities to control movement of aquatic invasive species into, across, and out of Federal land and waters and provide financial assistance for watercraft inspection and decontamination (see S. 2105), [22JN]

—disapprove rule entitled “Revised Definition of ‘Waters of the U.S.’” (see S.J. Res. 7), [2FE]

—provide definition of navigable waters (see S. 1022), [29MR]

—provide for drought preparedness and improved water supply reliability (see S. 2102), [21JN]

Watershed Protection and Flood Prevention Act: improve (see S. 2636), [27JY]

Arms sales: enhance consideration of human rights in arms exports (see S. 1025), [29MR]

ATF: establish administrative relief process for individuals whose applications for transfer and registration of firearm were denied (see S. 632), [2MR]

—improve ability to work with agencies to address violent crime, allow enforcement against “bad apple” gun dealers, protect against certain dangerous weapons, and make certain data available to researchers (see S. 118), [26JA]

—repeal certain impediments to administration of firearms laws (see S. 598), [1MR]

—require electronic, searchable database of importation, production, shipment, receipt, sale or other disposition of firearms (see S. 203), [1FE]

CDC: authorize appropriations for firearms safety or gun violence prevention research (see S. 1026), [29MR]

Crime: establish new Federal crimes for killing, assaulting, or fleeing from assault on law enforcement officers and judges, limit rights of offenders, and allow officers to carry firearms in Federal facilities (see S. 1569), [11MY]

—make fraudulent dealings in firearms and ammunition online unlawful (see S. 2794), [13SE]

—prohibit certain dangerous drone aircraft activity (see S. 157), [31JA]

—protect domestic violence victims by preventing their abusers from possessing or receiving firearms and establish grant program for removal of firearms from adjudicated domestic violent offenders (see S. 3303), [14NO]

Dept. of Commerce: prohibit actions to carry out pause in issuance of new export licenses for certain fire-

arms, related components, and ammunition controlled on Commerce Control List (see S. 3531), [14DE]

Dept. of Defense: clarify meaning of term “aggregate value” relative to Presidential drawdown authority (see S. 2255), [12JY]

—deliver on foreign military sales to Taiwan (see S. 2057), [20JN]

—develop strategy for deploying ground-based theater-range missiles in Indo-Pacific region (see S. 2318), [13JY]

—establish Baltic Security Initiative (see S. 1465), [4MY]

—establish fund for conduct of collaborative defense projects between U.S. and Israel in emerging technologies (see S. 1802), [1JN]

—extend and modify training for Eastern European national security forces in course of multilateral exercises (see S. 3506), [13DE]

—extend prohibition on certain reductions to B–1 bomber aircraft squadrons (see S. 2339), [18JY]

—funding to test hypersonic weapon systems with B–1 bomber (see S. 2338), [18JY]

—prohibit use of Federal funds to launch nuclear weapon using autonomous weapons system that is not subject to meaningful human control (see S. 1394), [1MY]

—provide authority to include funding requests for chemical and biological defense program in military department budget accounts (see S. 1716), [18MY]

—provide multiyear procurement authority for LGM–35A Sentinel intercontinental ballistic missiles (see S. 2017), [15JN]

—reduce number of nuclear weapons and related programs (see S. 1754), [30MY]

—require assessment of quantity of precision-guided munitions and other munitions for use by Israel (see S. 1504), [9MY]

—review war plans to improve Taiwan defense capabilities, prioritize and fast-track military sales, establish joint military training programs, and prohibit defense contractors from doing business in China (see S. 1997), [14JN]

—streamline and expedite foreign military sales process (see S. 2265), [12JY]

Dept. of Education: clarify that prohibition on use of Federal education funds for certain weapons does not apply to sports clubs, teams, training, or related activities provided for students (see S. 2736), [7SE]

—clarify that prohibition on use of Federal education funds for certain weapons does not apply to use of such weapons for training in archery, hunter safety education, or culinary arts (see S. 2735), [6SE]

—clarify that prohibition on use of Federal education funds for certain weapons does not apply to use of such weapons for training in archery, hunting, other shooting sports, or culinary arts (see S. 2828), [18SE]

—remove prohibition on use of funds relating to provision of dangerous weapon or training in use of dangerous weapon (see S. 2802), [14SE]

Dept. of HHS: provide grants to communities for evidence-based gun violence intervention and prevention programs (see S. 2638), [27JY]

Dept. of Homeland Security: establish Countering Weapons of Mass Destruction Office (see S. 1798), [1JN]

Dept. of Justice: allow use of Community Oriented Policing Services (COPS) Program grants to develop court processes to allow family members to petition courts to block dangerous individuals from purchasing weapons (see S. 247), [2FE]

—award grants to provide legal resources to petitioners seeking extreme risk protection orders (see S. 2214), [10JY]

—disapprove rule entitled “Factoring Criteria for Firearms With Attached ‘Stabilizing Braces’” (see S.J. Res. 20), [15MR]

—establish Office of Gun Violence Prevention (see S. 951), [22MR]

—prohibit funding to implement, administer, or enforce rule entitled “Factoring Criteria for Firearms

With Attached ‘Stabilizing Braces’” (see S. 827), [15MR]

—provide for grants for State firearms dealer licensing programs (see S. 867), [16MR]

—provide grant program for handgun licensing programs (see S. 117), [26JA]

—provide procedures for appealing certain ATF rules or determinations (see S. 3529), [14DE]

—reauthorize Project Safe Neighborhoods Grant Program (see S. 1387), [1MY]

—remove linguistic barriers to participation in gun violence prevention strategies (see S. 2565), [27JY]

—require individuals to obtain license before purchasing or receiving firearm (see S. 3212), [2NO]

Dept. of State: request information on Israel’s human rights practices, in response to act of war by Hamas (terrorist organization), relative to eligibility for security assistance (see S. Res. 504), [14DE]

Dept. of Veterans Affairs: restore veterans’ rights to own or possess firearms by requiring proof of danger to self or others before reporting to National Instant Criminal Background Check System (see S. 1875), [8JN]

Explosives: limit funding for destruction of landmines (see S. 2486), [25JY]

Firearms: ban assault weapons, bump stocks, high-capacity ammunition magazines, and devices designed to evade assault weapons ban, and ensure right to keep and bear arms is not unlimited (see S. 25), [23JA]

—ban importation, sale, manufacture, transfer, or possession of gun silencers or suppressors and provide buyback program for such items (see S. 1383), [27AP]

—define “State of residence” and “resident” relative to listing of address by firearm buyers on ATF forms (see S. 741), [9MR]

—end epidemic of gun violence and build safer communities by strengthening Federal firearms laws and supporting gun violence research, intervention, and prevention initiatives (see S. 3407), [5DE]

—enhance penalties for certain thefts of firearms from Federal firearms licensee (see S. 1907), [8JN]

—ensure greater accountability by licensed firearms dealers by increasing number of inspectors, frequency of inspections, and penalties for violations of law (see S. 1826), [6JN]

—ensure that all firearms are traceable by prohibiting manufacture or possession of 3–D printed guns made of plastic (see S. 2652), [27JY]

—establish Federal requirements for safe storage, penalties for violations, and incentives for States to establish similar requirements (see S. 173), [31JA]

—permit States to provide reciprocal treatment for carrying of certain concealed firearms by non-residents (see S. 214), [1FE]

—prevent bulk ammunition sales, promote ammunition recordkeeping and reporting, end ammunition straw purchasing, and require background check before transfer of ammunition by firearms licensees to non-licensees (see S. 3223), [2NO]

—prevent importation and trafficking of illegal gun modification devices that can convert semi-automatic weapons into fully-automatic weapons and seize all profits that come from such trafficking (see S. 1319), [26AP]

—prevent persons convicted of misdemeanor hate crime, or who received enhanced sentence for misdemeanor because of hate or bias in its commission, from obtaining firearm (see S. 2776), [13SE]

—prevent purchase of ammunition by prohibited purchasers (see S. 2753), [11SE]

—prohibit Federal funding of State firearm ownership databases (see S. 1680), [18MY]

—prohibit firearm dealers from proceeding with sale of weapon if background check on buyer is not returned by FBI within 3 days (see S. 1116), [30MR]

—prohibit illegal modification of firearms (see S. 1909), [8JN]

—prohibit importation, sale, manufacture, transfer, or possession of .50 caliber rifles (see S. 2926), [26SE]

# INDEX

## WEAPONS

- prohibit online publication of blueprints for 3-D printed plastic guns (see S. 1819), [6JN]
- prohibit purchase of assault weapons by persons under 21 years of age (see S. 14), [23JA]
- prohibit transfer or possession of large capacity ammunition feeding devices (see S. 298), [7FE]
- provide exception for stabilizing braces from certain regulations (see S. 361), [9FE]
- provide victims of gun violence access to same civil remedies available to those injured through other means and ensure gun industry is not shielded from liability when negligent (see S. 2048), [20JN]
- remove short-barreled rifles, short-barreled shotguns, and certain other weapons from definition of firearms for purposes of National Firearms Act (see S. 163), [31JA]
- remove silencers from definition of firearms relative to taxation, registration, and transfer laws (see S. 401), [14FE]
- require background check for every firearm sale (see S. 494), [16FE]
- require federally licensed firearms importers, manufacturers, and dealers to meet certain requirements relative to securing their firearms inventory, business records, and business premises (see S. 246), [2FE]
- restrict ability of person with certain Federal firearms license revocations, denials, or notices, to transfer business inventory firearms (see S. 3100), [19OC]
- restrict possession of gas-operated semi-automatic weapons (see S. 3369), [30NO]
- Fort Detrick, MD: authorize, strengthen, and designate laboratory as National Biodefense Analysis and Countermeasures Center (see S. 1210), [19AP]
- FTC: establish rules prohibiting marketing of firearms to minors (see S. 252), [2FE]
- India: enhance eligibility for foreign military sales and exports under Arms Export Control Act (see S. 2096), [21JN]
- Iran: address threat from development of Iranian ballistic missile program and transfer or deployment of missiles and related goods and technology, including materials and equipment (see S. 2336), [18JY]
- impose certain requirements relative to renegotiation or reentry into Joint Comprehensive Plan of Action (JCPOA) agreement or other agreement with Iran relative to its nuclear program (see S. 3461), [11DE]
- provide congressional review of actions to terminate or waive imposed sanctions (see S. 2210), [22JN]
- require reports on and impose sanctions relative to development of space-launch vehicles, intercontinental ballistic missiles, and unmanned aerial systems (see S. 3334), [15NO]
- terminate certain waivers of sanctions on Iran issued in connection with agreement relative to its nuclear program (see S. 256), [2FE]
- Iran Sanctions Act: repeal sunset (see S. 1390), [1MY]
- IRS: prohibit audits based on Merchant Category Codes and require annual report listing total number of audits initiated for each Merchant Category Code (see S. 898), [21MR]
- prohibit from providing firearms and ammunition to its employees (see S. 1949), [13JN]
- Law enforcement: permit search and retention of certain firearm records relative to conducting criminal background checks (see S. 2381), [19JY]
- Law enforcement officers: allow Federal officers to purchase retired service weapons (see S. 1585), [11MY]
- Middle East: making emergency supplemental appropriations to provide funding to Israel in response to act of war by Hamas (terrorist organization) (see S. 3135), [25OC] (see S. 3168), [30OC] (see S. 3210), [2NO]
- provide authority to enter into cooperative agreement to protect civilians in Iraq and Arabian Peninsula from weaponized unmanned aerial systems (see S. 430), [15FE]
- reallocate funding originally appropriated for Gaza to grants to Israel for Iron Dome short-range rocket defense system (see S. 3083), [19OC]
- stand with Israel against war launched by Hamas (terrorist organization), condemn Iran's support for global terrorism, and reaffirm commitment to Israel's security (see S. Res. 417), [19OC]
- National Gun Violence Awareness Day: designate (see S. Res. 231), [1JN]
- National Gun Violence Awareness Month: designate (see S. Res. 231), [1JN]
- Nuclear weapons: designate national day of remembrance for workers of U.S. nuclear weapons program (see S. Res. 452), [6NO]
- prohibit conduct of first-use nuclear strike absent declaration of war by Congress (see S. 1186), [18AP]
- provide for better security and accountability relative to strategic and non-strategic nuclear arsenals of Russia and China (see S. 1674), [18MY]
- reduce and eliminate threats of such weapons to U.S. (see S. 1499), [9MY]
- Orlando, FL: honor victims and survivors of shooting at Pulse nightclub, express condolences to friends and families of victims, and commend law enforcement and first responders (see S. Res. 245), [8JN]
- Pooler, GA: designate National Museum of the Mighty Eighth Air Force as official National Museum of the Mighty Eighth Air Force in the U.S. (see S. 2478), [25JY]
- Saudi Arabia: disapprove sale of certain defense articles and services (see S.J. Res. 53), [11DE]
- Substance Abuse and Mental Health Services Administration: authorize use of certain grants for health care providers to purchase lethal-means safety supplies for children at risk of suicide or overdose (see S. 3364), [30NO]
- Taiwan: provide for U.S. loan and lease of defense articles (see S. 770), [9MR]
- United Kingdom: anniversary of Polaris Sales Agreement with U.S. (see S. Res. 207), [11MY]
- Vietnamese Conflict: support clearance of landmines, unexploded ordnance, and other explosive remnants of war in certain countries and recognize refugee and immigrant communities who supported and defended Armed Forces (see S. 3189), [1NO]
- Violence Against Women Act: define intimate partner to include someone with whom there is or was dating relationship (see S. 321), [9FE]
- Cloture motions*
  - Middle East: making emergency supplemental appropriations to provide funding to Israel in response to act of war by Hamas (terrorist organization) (H.R. 6126), motion to proceed, [14NO]

  - Bills and resolutions*
    - Agriculture: address impact of climate change (see S. 1016), [28MR]
    - Air Force: require conduct of winter season reconnaissance of atmospheric rivers on West Coast (see S. 2203), [22JN]
    - Bureau of Reclamation: authorize certain extraordinary operation and maintenance work for urban canals of concern (see S. 2160), [22JN]
    - authorize modification of transferred works to increase public benefits and other project benefits as part of extraordinary operation and maintenance work (see S. 2202), [22JN]
    - support water infrastructure in reclamation States (see S. 2162), [22JN]
  - Climate: acknowledge climate emergency which demands massive-scale mobilization to halt, reverse, and address its consequences and causes (see S. Con. Res. 9), [27AP]
  - authorize Dept. of the Treasury to issue climate change bonds, deposit funds in Dept. of Commerce Climate Change Resiliency Fund, and establish Climate Change Advisory Commission to award such funds to projects (see S. 3416), [6DE]
  - establish Global Climate Change Resilience Strategy and authorize admission of climate-displaced persons (see S. 3340), [15NO]
  - impact of climate change on health, economic opportunity, and fundamental rights of children, importance of U.S. leadership in addressing crisis, and need for science-based plan to reduce fossil fuel emissions (see S. Con. Res. 13), [13JY]
  - produce national climate adaptation and resilience strategy (see S. 3261), [8NO]
  - prohibit U.S. contributions to Intergovernmental Panel on Climate Change, U.N. Framework Convention on Climate Change, or Green Climate Fund (see S. 3491), [13DE]
  - provide for high-priority research and extension grants for natural climate solutions (see S. 3500), [13DE]
  - Dept. of Agriculture: allow emergency haying under Conservation Reserve Program during primary nesting season (see S. 2412), [20JY]
  - allow for separation of enterprise units by continuous and fallow cropping systems (see S. 2104), [22JN]
  - amend Federal crop insurance program to improve education and risk management assistance (see S. 795), [14MR]
  - enter into cooperative agreements relating to drought prevention, preparedness, response, and mitigation (see S. 2706), [27JY]
  - establish competitive grant program to provide grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices (see S. 900), [21MR]
  - establish emergency preparedness and response technical assistance program to assist entities that operate rural water or wastewater systems to prepare for and respond to natural or man-made disasters (see S. 2917), [26SE]
  - establish groundwater conservation easement program (see S. 2250), [11JY]
  - expand snow survey and water supply forecasting program to serve northeastern U.S. (see S. 2611), [27JY]
  - expedite hazardous fuel or insect and disease risk reduction projects on certain National Forest System lands (see S. 808), [15MR]
  - improve Conservation Reserve Program by improving access to grazing, providing more enrollment options to producers, and addressing certain implementation issues (see S. 174), [31JA]
  - improve disaster assistance programs (see S. 555), [28FE]
  - improve purchasing of food (see S. 3390), [4DE]
  - modify certain programs to improve flood protection and infrastructure resiliency (see S. 3147), [26OC]
  - modify eligibility for prevented planting insurance under certain drought conditions (see S. 2643), [27JY]
  - provide States and communities with additional assistance to plant and maintain trees (see S. 1380), [27AP]
  - select and implement landscape-scale forest restoration projects to assist communities in increasing resilience to wildfire (see S. 188), [31JA] (see S. 1715), [18MY]
  - Dept. of Commerce: provide grants to environmental justice communities to promote investment in catalytic local predevelopment projects for resilient climate infrastructure innovation (see S. 2148), [22JN]
  - Dept. of Defense: prohibit from requiring contractors to disclose information relative to greenhouse gas emissions (see S. 27), [24JA]

- Dept. of Education: establish grant programs to invest in public schools and infrastructure to combat climate change (see S. 2988), [28SE]
- Dept. of Energy: study and report on greenhouse gas emissions intensity of certain products produced in U.S. and in certain foreign countries (see S. 1863), [7JN]
- Dept. of HHS: establish grant program to protect vulnerable mothers and babies from climate change risks (see S. 1601), [15MY]
- Dept. of HUD: establish excess urban heat mitigation grant program (see S. 1379), [27AP]
- Depts. of Agriculture and the Interior: codify authority to select and implement landscape-scale forest restoration projects to assist communities in increasing resilience to wildfire (see S. 199), [1FE]
- Disasters: improve forecasting and understanding of tornadoes and other hazardous weather (see S. 1284), [25AP]
- Ecology and environment: highlight risks that environmental defenders face and commend their role in defending human rights, combating climate chaos, and supporting clean, healthy, and sustainable environment (see S. Res. 138), [29MR]
- restore, reaffirm, and reconcile environmental justice, health equity, climate justice, and civil rights (see S. 919), [22MR]
- EPA: establish grant program to support local communities in detecting, preparing for, communicating about, or mitigating environmental and public health impacts of wildfire smoke and extreme heat (see S. 2383), [19JY]
- exclude certain air emissions from emergency notification requirements (see S. 2430), [20JY]
- Federal Crop Insurance Corp.: carry out research and development on single index insurance policy that is more responsive to crop and income losses faced by farmers due to extreme weather (see S. 3401), [5DE]
- conduct research and development on frost or cold weather insurance (see S. 3253), [8NO]
- FERC: establish minimum interregional transfer capabilities (see S. 2827), [18SE]
- FRS: require financial firms to establish plans to reduce investing in financed greenhouse gas emissions to protect financial stability (see S. 1138), [30MR]
- GAO: study and report on operational preparedness of air carriers for preparing for changing weather and other events related to changing conditions and natural hazards (see S. 787), [14MR]
- Green New Deal: address climate change, invest in infrastructure, reduce greenhouse gases and agricultural and hazardous waste, convert to clean energy, create jobs, and protect vulnerable communities (see S. Res. 173), [25AP]
- Hawaii: tribute to first responders and those who lost their lives in Maui wildfires (see S. Res. 392), [30SE]
