Strike out all after the enacting clause and insert:

**SECTION 1. SHORT TITLE.**

This Act may be cited as the “National Security Foreign Investment Reform and Strengthened Transparency Act of 2007”.

**SEC. 2. UNITED STATES SECURITY IMPROVEMENT AMENDMENTS; CLARIFICATION OF REVIEW AND INVESTIGATION PROCESS.**

Section 721 of the Defense Production Act of 1950 (50 U.S.C. App. 2170) is amended by striking subsections (a) and (b) and inserting the following new subsections:

“(a) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

“(1) COMMITTEE.—The term ‘Committee’ means the Committee on Foreign Investment in the United States.

“(2) CONTROL.—The term ‘control’ has the meaning given to such term in regulations which the Committee shall prescribe.

“(3) COVERED TRANSACTION.—The term ‘covered transaction’ means any merger, acquisition, or takeover by or with any foreign person which could result in foreign control of any person engaged in interstate commerce in the United States.

“(4) FOREIGN GOVERNMENT-CONTROLLED TRANSACTION.—The term ‘foreign government-controlled transaction’ means any covered transaction that could result in the control of any person engaged in interstate commerce in the United States by a foreign government or an entity controlled by or acting on behalf of a foreign government.

“(5) CLARIFICATION.—The term ‘national security’ shall be construed so as to include those issues relating to ‘homeland security’, including its application to critical infrastructure.

“(b) NATIONAL SECURITY REVIEWS AND INVESTIGATIONS.—

“(1) NATIONAL SECURITY REVIEWS.—

“(A) IN GENERAL.—Upon receiving written notification under subparagraph (C) of any covered transaction, or on a motion made under subparagraph (D) with respect to any covered transaction, the President, acting through the Committee, shall review the covered transaction to determine the effects of the transaction on the national security of the United States.

“(B) CONTROL BY FOREIGN GOVERNMENT.—If the Committee determines that the covered transaction is a foreign government-controlled transaction, the Committee shall conduct an investigation of the transaction under paragraph (2).

“(C) WRITTEN NOTICE.—

“(i) IN GENERAL.—Any party to any covered transaction may initiate a review of the transaction under this paragraph by submitting a written notice of the transaction to the Chairperson of the Committee.

“(ii) WITHDRAWAL OF NOTICE.—No covered transaction for which a notice was submitted under clause (i) may be withdrawn from review unless—

“(I) a written request for such withdrawal is submitted by any party to the transaction; and

“(II) the request is approved in writing by the Chairperson, in consultation with the Vice Chairpersons, of the Committee.

“(iii) CONTINUING DISCUSSIONS.—The approval of a withdrawal request under clause

(ii) shall not be construed as precluding any party to the covered transaction from continuing informal discussions with the Committee or any Committee member regarding possible resubmission for review pursuant to this paragraph.

“(D) UNILATERAL INITIATION OF REVIEW.—Subject to subparagraph (F), the President, the Committee, or any member acting on behalf of the Committee may move to initiate a review under subparagraph (A) of—

“(i) any covered transaction;

“(ii) any covered transaction that has previously been reviewed or investigated under this section, if any party to the transaction submitted false or misleading material information to the Committee in connection with the review or investigation or omitted material information, including material documents, from information submitted to the Committee; or

“(iii) any covered transaction that has previously been reviewed or investigated under this section, if any party to the transaction or the entity resulting from consummation of the transaction intentionally materially breaches a mitigation agreement or condition described in subsection (1)(1)(A), and—

“(I) such breach is certified by the lead department or agency monitoring and enforcing such agreement or condition as an intentional material breach; and

“(II) such department or agency certifies that there is no other remedy or enforcement tool available to address such breach.

“(E) TIMING.—Any review under this paragraph shall be completed before the end of the 30-day period beginning on the date of the receipt of written notice under subparagraph (C) by the Chairperson of the Committee, or the date of the initiation of the review in accordance with a motion under subparagraph (D).

“(F) LIMIT ON DELEGATION OF CERTAIN AUTHORITY.—The authority of the Committee or any member of the Committee to initiate a review under subparagraph (D) may not be delegated to any person other than the Deputy Secretary or an appropriate Under Secretary of the department or agency represented on the committee or by such member (or by a person holding an equivalent position to a Deputy Secretary or Under Secretary).

“(2) NATIONAL SECURITY INVESTIGATIONS.—

“(A) IN GENERAL.—In each case in which—

“(i) a review of a covered transaction under paragraph (1) results in a determination that—

“(I) the transaction threatens to impair the national security of the United States and that threat has not been mitigated during or prior to the review of a covered transaction under paragraph (1); or

“(II) the transaction is a foreign government-controlled transaction;

“(ii) a roll call vote pursuant to paragraph (3)(A) in connection with a review under paragraph (1) of any covered transaction results in at least 1 vote by a Committee member against approving the transaction; or

“(iii) the Director of National Intelligence identifies particularly complex intelligence concerns that could threaten to impair the national security of the United States and Committee members were not able to develop and agree upon measures to mitigate satisfactorily those threats during the initial review period under paragraph (1), the President, acting through the Committee, shall immediately conduct an investigation of the effects of the transaction on the national security of the United States

and take any necessary actions in connection with the transaction to protect the national security of the United States.

“(B) TIMING.—

“(i) IN GENERAL.—Any investigation under subparagraph (A) shall be completed before the end of the 45-day period beginning on the date of the investigation commenced.

“(ii) EXTENSIONS OF TIME.—The period established under subparagraph (B) for any investigation of a covered transaction may be extended with respect to any particular investigation by the President or by a rollcall vote of at least 2/3 of the members of the Committee involved in the investigation by the amount of time specified by the President or the Committee at the time of the extension, not to exceed 45 days, as necessary to collect and fully evaluate information relating to—

“(I) the covered transaction or parties to the transaction; and

“(II) any effect of the transaction that could threaten to impair the national security of the United States.

“(C) EXCEPTION.—Notwithstanding subparagraph (A)(i)(II), an investigation of a foreign government-controlled transaction shall not be required under this paragraph if the Secretary of the Treasury, the Secretary of Homeland Security, and the Secretary of Commerce determine, on the basis of the review of the transaction under paragraph (1), that the transaction will not affect the national security of the United States and no agreement or condition is required, with respect to the transaction, to mitigate any threat to the national security (and such authority of each such Secretary may not be delegated to any person other than the Deputy Secretary of the Treasury, of Homeland Security, or of Commerce, respectively).

“(3) APPROVAL OF CHAIRPERSON AND VICE CHAIRPERSONS REQUIRED.—

“(A) IN GENERAL.—A review or investigation under this subsection of a covered transaction shall not be treated as final or complete until the results of such review or investigation are approved by a majority of the members of the Committee in a roll call vote and signed by the Secretary of the Treasury, the Secretary of Homeland Security, and the Secretary of Commerce (and such authority of each such Secretary may not be delegated to any person other than the Deputy Secretary or an appropriate Under Secretary of the Treasury, of Homeland Security, or of Commerce, respectively).

“(B) ADDITIONAL ACTION REQUIRED IN CERTAIN CASES.—In the case of any roll call vote pursuant to subparagraph (A) in connection with an investigation under paragraph (2) of any foreign government-controlled transaction in which there is at least 1 vote by a Committee member against approving the transaction, the investigation shall not be treated as final or complete until the findings and report resulting from such investigation are signed by the President (in addition to the Chairperson and the Vice Chairpersons of the Committee under subparagraph (A)).

28.16 MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Ms. Wanda Evans, one of his secretaries.

28.17 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO ZIMBABWE

The SPEAKER pro tempore, Ms. CLARKE, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the Federal Register for publication, stating that the national emergency with respect to the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions is to continue in effect beyond March 6, 2007.

The crisis constituted by the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions has not been resolved. These actions and policies pose a continuing unusual and extraordinary threat to the foreign policy of the United States. For these reasons, I have determined that it is necessary to continue this national

emergency and to maintain in force the sanctions to respond to this threat.

GEORGE W. BUSH.

29.6 EMPLOYEE FREE CHOICE

The SPEAKER pro tempore, Mr. CLEAVER, pursuant to House Resolution 203 and rule XVIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 800) to amend the National Labor Relations Act to establish an efficient system to enable employees to form, join, or assist labor organizations, to provide for mandatory injunctions for unfair labor practices during organizing efforts, and for other purposes.

The SPEAKER pro tempore, Mr. CLEAVER, by unanimous consent, designated Ms. LOFGREN of California, as Chairman of the Committee of the Whole; and after some time spent therein,

29.7 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 1, printed in House Report 110-126, submitted by Mr. KING of Iowa:

At the end of the bill and insert the following:

SEC. 5. PRESERVATION OF EMPLOYER RIGHTS.

(a) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the tactic of using professional union organizers and agents to infiltrate a targeted employer's workplace, a practice commonly referred to as "salting", has evolved into an aggressive form of harassment not contemplated when the National Labor Relations Act was enacted and threatens the balance of rights which is fundamental to our system of collective bargaining;

(2) increasingly, union organizers are seeking employment with nonunion employers not because of a desire to work for such employers but primarily to organize the employees of such employers or to inflict economic harm specifically designed to put non-union competitors out of business, or to do both; and

(3) while no employer may discriminate against employees based upon the views of employees concerning collective bargaining, an employer should have the right to expect job applicants to be primarily interested in utilizing the skills of the applicants to further the goals of the business of the employer.

(b) PRESERVATION OF EMPLOYER RIGHTS.—Section 8(a) of the National Labor Relations

Act (29 U.S.C. 158(a)) is amended by adding after and below paragraph (5) the following: "Nothing in this subsection shall be construed as requiring an employer to employ any person who seeks or has sought employment with the employer in furtherance of such person's other employment or agency status."

¶29.11 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 3, printed in House Report 110-126, submitted by Mr. MCKEON:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Secret Ballot Protection Act”.

SEC. 2. FINDINGS.

Congress finds that—  
(1) the right of employees under the National Labor Relations Act to choose whether to be represented by a labor organization by way of secret ballot election conducted by the National Labor Relations Board is among the most important protections afforded under Federal labor law;

(2) the right of employees to choose by secret ballot is the only method that ensures a choice free of coercion, intimidation, irregularity, or illegality; and

(3) the recognition of a labor organization by using a private agreement, rather than a secret ballot election overseen by the National Labor Relations Board, threatens the freedom of employees to choose whether to be represented by a labor organization, and severely limits the ability of the National

Labor Relations Board to ensure the protection of workers.

¶33.15 MESSAGE FROM THE PRESIDENT—  
NATIONAL EMERGENCY WITH RESPECT  
TO IRAN

The SPEAKER pro tempore, Mr. TIERNEY, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the Iran emergency declared on March 15, 1995, is to continue in effect beyond March 15, 2007.

The crisis between the United States and Iran constituted by the actions and

policies of the Government of Iran that led to the declaration of a national emergency on March 15, 1995, has not been resolved. The actions and policies of the Government of Iran are contrary to the interests of the United States in the region and pose a continuing unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to Iran and maintain in force comprehensive sanctions against Iran to respond to this threat.

GEORGE W. BUSH.

THE WHITE HOUSE, March 8, 2007.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 110-17).

35.9 GIRL SCOUTS OF AMERICA

Mr. DAVIS of Illinois, moved to suspend the rules and agree to the following resolution (H. Res. 136):

Whereas the Girl Scouts of the United States of America (hereinafter referred to as the "Girl Scouts") is an organization that is committed to helping girls of today become leaders of tomorrow and that delivers quality experiences for girls locally, nationally, and internationally (through USA Girl Scouts Overseas);

Whereas the Girl Scouts are celebrating their 95th anniversary on March 12, 2007;

Whereas the Girl Scout program is girl-driven, reflecting the ever-changing needs and interests of participating girls, and provides girls with a wide variety of opportunities through its new mission statement, "Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.";

Whereas the Girl Scouts encourage increased skill-building and responsibility, and also promotes the development of strong leadership and decision-making skills, through program activities that are age-appropriate and based on the "Girl Scout Promise and Law";

Whereas at all levels of the Girl Scouts, girls participate in activities that build self-confidence, responsibility, integrity, creative decision-making skills, and teamwork, helping them take steps toward becoming the leaders of tomorrow and developing real-world leadership abilities that will last them a lifetime;

Whereas the Girl Scouts advocate for public policy that is girl-centered and beneficial to all girls;

Whereas the Girl Scouts recognize that approximately 9,000,000 children over the age of 6 are obese; that obesity is highest among girls coming from families with low-income levels, and that fewer than 1 in 3 adolescents participate in an acceptable amount of physical exercise, with girls getting less exercise than boys overall; and

Whereas the Girl Scouts are focusing on promoting healthy living for girls during 2007 and recognize through a recent study "The New Normal: What Girls are Saying About Healthy Living" that girls define "health" as a combination of diet and exercise as well as emotional well-being and self-esteem: Now, therefore, be it

Resolved, That the House of Representatives—

(1) commends the Girl Scouts of the United States of America for its efforts to launch a

national dialogue on the issue of obesity among young girls;

(2) recognizes the Girl Scouts of the United States of America for its leadership and expertise in knowing the needs of girls through the work of the Girl Scout Research Institute; and

¶35.10 DUTCH-AMERICAN FRIENDSHIP DAY

Mr. DAVIS of Illinois, moved to suspend the rules and agree to the following resolution (H. Res. 89):

Whereas, 225 years ago, on the 19th of April, 1782 in the City of the Hague, the Ambassadorial credentials of John Adams were officially recognized by Prince William V of Orange and the States-General, thus establishing formal diplomatic ties between the new government of the United States and the Republic of the Netherlands.

Whereas the historical ties between the Dutch and American people go back nearly 200 years earlier to the period when the Pilgrims resided for almost 11 years in the Netherlands before sailing to the new world;

Whereas the diplomatic ties between the governments of the United States and the Netherlands are the longest continuous ties between the United States and any country of the world;

Whereas the Dutch contribution to the American melting pot has played such a significant role in the life of America as exemplified by Presidents Martin Van Buren, Theodore Roosevelt, and Franklin Delano Roosevelt;

Whereas the bonds of friendship linking the Dutch and American people continue to grow in strength and affection; and

Whereas the heritage of this friendship between peoples serves as a laudable example for the kinds of relations that should link all the peoples of the earth and should be properly extolled: Now, therefore, be it

Resolved, That it is the sense of the House of Representatives that a day should be established as Dutch-American Friendship Day to celebrate the historic ties of the United States and the Netherlands.

¶35.11 BLACK HISTORY MONTH

Mr. DAVIS of Illinois, moved to suspend the rules and agree to the following resolution (H. Res. 198):

Whereas the first African Americans were brought forcibly to the shores of America as early as the 17th century;

Whereas African Americans were enslaved in the United States and subsequently faced the injustices of lynch mobs, segregation, and denial of basic, fundamental rights;

Whereas despite this enslavement, early Black Americans made significant contributions to the economic, educational, political, artistic, literary, religious, scientific, and technological advancement of the United States;

Whereas in the face of these injustices, United States citizens of all races distinguished themselves in their commitment to ideals of which the United States was founded and fought for the rights and freedom of African Americans;

Whereas the United States was conceived, as stated in the Declaration of Independence, as a new country dedicated to the proposition that "all Men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness";

Whereas since its founding, the United States has been an imperfect work in making progress towards those noble goals;

Whereas the history of the United States is the story of a people regularly affirming high ideals, striving to reach them but often failing, and then struggling to come to terms with the disappointment of that failure before committing themselves to trying again; and

Whereas the month of February is officially celebrated as Black History Month, which dates back to 1926, when Dr. Carter G. Woodson set aside a special period of time in February to recognize the heritage and achievement of Black Americans: Now, therefore, be it

Resolved, That the House of Representatives—

(1) recognizes the significance of Black History Month as an important time to recognize the contributions of Black Americans in the Nation's history, and encourages the continued celebration of this month to provide an opportunity for all people of the United States to learn more about the past and to better understand the experiences that have shaped the Nation; and

(2) affirms that—

(A) the contributions of Black Americans are a significant part of the history, progress, and heritage of the United States; and

(B) the ethnic and racial diversity of the United States enriches and strengthens the Nation.

ize the United States Advisory Commission on Public Diplomacy.

The SPEAKER pro tempore, Mr. DAVIS of Alabama, recognized Ms. WATSON and Mr. BOOZMAN, each for 20 minutes.

The question being put, *viva voce*,  
Will the House suspend the rules and pass said bill?

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said bill was passed.

#### ¶36.7 ISRAELI SOLDIERS

Mr. ACKERMAN moved to suspend the rules and agree to the following resolution (H. Res. 107); as amended:

Whereas Israel completed its withdrawal from southern Lebanon on May 24, 2000;

Whereas Congress previously expressed its concern for Israeli soldiers missing in Lebanon and Syrian-controlled territory of Lebanon in Public Law 106-89 (113 Stat. 1305; November 8, 1999), which required the Secretary of State to raise the status of missing Israeli soldiers with appropriate government officials of Syria, Lebanon, the Palestinian Authority, and other governments in the region, and to submit to Congress reports on those efforts and any subsequent discovery of relevant information;

Whereas on June 18, 2000, the United Nations Security Council welcomed and endorsed United Nations Secretary-General Kofi Annan's report that Israel had withdrawn completely from Lebanon under the terms of United Nations Security Council Resolution 425 (1978);

Whereas Israel completed its withdrawal from Gaza on September 12, 2005;

Whereas on June 25, 2006, Hamas and allied terrorists crossed into Israel to attack a military post, killing two soldiers and wounding a third, Gilad Shalit, who was kidnapped;

Whereas on July 12, 2006, Hezbollah terrorists crossed into Israel to attack Israeli troops patrolling the Israeli side of the border with Lebanon, killing three, wounding two, and kidnapping Ehud Goldwasser and Eldad Regev;

Whereas Gilad Shalit has been held in captivity by Hamas for more than 7 months;

Whereas Ehud Goldwasser and Eldad Regev have been held in captivity by Hezbollah for more than 6 months;

Whereas Hamas and Hezbollah have withheld all information on the health and welfare of the men they have kidnapped; and

Whereas, contrary to the most basic standards of humanitarian conduct, Hamas and Hezbollah have prevented access to the Israeli captives by competent medical personnel and representatives of the International Committee of the Red Cross: Now, therefore, be it

Resolved, That the House of Representatives—

(1) demands that—  
(A) Hamas immediately and unconditionally release Israeli soldier Gilad Shalit;

(B) Hezbollah accept the mandate of United Nations Security Council Resolution

1701 (2006) by immediately and unconditionally releasing Israeli soldiers Ehud Goldwasser and Eldad Regev; and

(C) Hezbollah and Hamas accede to the most basic standards of humanitarian conduct and allow prompt access to the Israeli captives by competent medical personnel and representatives of the International Committee of the Red Cross;

(2) expresses—  
(A) its vigorous support and unwavering commitment to the welfare and survival of the State of Israel as a Jewish and democratic state with secure borders;

(B) its strong support and deep interest in achieving a resolution of the Israeli-Palestinian conflict through the creation of a viable and independent Palestinian state living in peace alongside of the State of Israel;

(C) its ongoing concern and sympathy for the families of Gilad Shalit, Ehud Goldwasser, and Eldad Regev and all other missing Israeli soldiers; and

(D) its full commitment to seek the immediate and unconditional release of the Israeli captives; and

(3) condemns—  
(A) Hamas and Hezbollah for the cross border attacks and kidnappings which precipitated weeks of intensive armed conflict between Israel, Hezbollah, and armed Palestinian groups; and

(B) Iran and Syria, the primary state sponsors of global terrorism and the patrons of Hezbollah and Hamas, for their ongoing support for international terrorism.

The SPEAKER pro tempore, Mr. DAVIS of Alabama, recognized Mr. ACKERMAN and Mr. BOOZMAN, each for 20 minutes.

After debate,  
The question being put, *viva voce*,  
Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. DAVIS of Alabama, announced that two-thirds of the Members present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said resolution, as amended, was agreed to.

A motion to reconsider the vote whereby the rules were suspended and said resolution, as amended, was agreed to was, by unanimous consent, laid on the table.

#### ¶36.8 GOVERNMENT OF BANGLADESH

Mr. ACKERMAN moved to suspend the rules and agree to the following resolution (H. Res. 64); as amended:

Whereas Salah Uddin Shoaib Choudhury is a Bangladeshi journalist who, because of his beliefs in an interfaith dialogue between Jews and Muslims and criticism of Islamic extremism, is on trial for sedition, an offense punishable by death;

Whereas on November 29, 2003, Mr. Choudhury was arrested at Zia International Airport in Dhaka, Bangladesh, on his way to board a flight bound for Tel Aviv; Mr. Choudhury's passport was seized, along with considerable sums of money and several personal items; on that same day police raided Mr. Choudhury's home and newspaper offices, seizing files, computers, and other valuables;

Whereas Mr. Choudhury was detained in Dhaka Central Jail for a passport violation, then subsequently charged with sedition; Mr. Choudhury suffered harsh interrogation techniques and received no treatment for a debilitating case of glaucoma; Mr. Choudhury's incarceration lasted 17 months without legal recourse;

Whereas on April 30, 2005, after intervention by the United States Department of State and congressional offices, Mr. Choudhury was released on bail;

Whereas in the subsequent months, senior members of the Bangladeshi Government made continuous public promises that there was no substance to Mr. Choudhury's pending charges and that all charges would be dropped;

Whereas on September 29, 2005, Mr. Choudhury was awarded the "Freedom to Write Award" by PEN USA;

Whereas on May 5, 2006, Mr. Choudhury was awarded the American Jewish Committee's Moral Courage Award in absentia in Washington, D.C.; two days prior to Mr. Choudhury receiving the award, after returning Mr. Choudhury's passport and appearing to allow him to attend, senior Bangladeshi Government officials issued threats to prevent him from leaving the country;

Whereas on September 18, 2006, a judge with alleged ties to an Islamic extremist party ruled that Mr. Choudhury will stand trial for sedition; the judge made this ruling despite the Public Prosecutor's testimony in court days before that the government did not have evidence and would not object to the charges being dropped;

Whereas members of the United States Commission on International Religious Freedom visited with Mr. Choudhury on their trip to Bangladesh in February and March 2006;

Whereas on October 6, 2006, the United States Commission on International Religious Freedom wrote a letter to U.S. Assistant Secretary of State for South and Central Asian Affairs Richard A. Boucher calling on the United States Government to strengthen the "voices of moderation" in countries like Bangladesh where the rule of law, democratic institutions, and respect for human rights are under assault by violent extremists; the Commission identified Mr. Choudhury as one of those voices that should not be silenced;

Whereas, according to the Department of State's 2005 Country Report on Human Rights Practices in Bangladesh, "Attacks on journalists and newspapers, and government efforts to intimidate them, political party activists, and others, occurred frequently."; and

Whereas moderate voices in the Muslim world must be supported and protected to advance the security of the United States and its allies; Now, therefore, be it

*Resolved*, That it is the sense of the House of Representatives that—

(1) the Government of Bangladesh should immediately drop all pending charges against Bangladeshi journalist Salah Uddin Shoaib Choudhury;

(2) the Government of Bangladesh should immediately return all of Mr. Choudhury's confiscated possessions; and

(3) the Government of Bangladesh should cease harassment and intimidation of Mr. Choudhury and take steps to protect Mr. Choudhury.

The SPEAKER pro tempore, Mr. DAVIS of Alabama, recognized Mr. ACKERMAN and Mr. BOOZMAN, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. DAVIS of Alabama, announced that two-thirds of the Members present had voted in the affirmative.

Mr. KIRK demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the

Members present, so the yeas and nays were ordered.

¶36.9 186TH ANNIVERSARY OF GREECE

Mr. WEXLER moved to suspend the rules and agree to the following resolution (H. Res. 228):

Whereas the ancient Greeks developed the concept of democracy, in which the supreme power to govern was vested in the people;

Whereas the Founding Fathers of the United States drew heavily on the political experience and philosophy of ancient Greece in forming our representative democracy;

Whereas Greek Commander in Chief Petros Mavromichalis, a founder of the modern Greek state, said to the citizens of the United States in 1821 that "it is in your land that liberty has fixed her abode and . . . in imitating you, we shall imitate our ancestors and be thought worthy of them if we succeed in resembling you";

Whereas Greece played a major role in the World War II struggle to protect freedom and democracy through such bravery as was shown in the historic Battle of Crete, which provided the Axis land war with its first major setback, setting off a chain of events that significantly affected the outcome of World War II;

Whereas the price for Greece in holding our common values in their region was high, as hundreds of thousands of civilians were killed in Greece during World War II;

Whereas throughout the 20th century, Greece was one of only three countries in the world, other than the former British Empire, that allied with the United States in every major international conflict;

Whereas President George W. Bush, in recognizing Greek Independence Day, said, "Greece and America have been firm allies in the great struggles for liberty. Americans will always remember Greek heroism and Greek sacrifice for the sake of freedom . . . [and] as the 21st Century dawns, Greece and America once again stand united; this time in the fight against terrorism. The United States deeply appreciates the role Greece is playing in the war against terror. . . . America and Greece are strong allies, and we're strategic partners.";

Whereas President Bush stated that Greece's successful "law enforcement operations against a terrorist organization [November 17] responsible for three decades of terrorist attacks underscore the important contributions Greece is making to the global war on terrorism";

Whereas Greece is a strategic partner and ally of the United States in bringing political stability and economic development to the volatile Balkan region, having invested over \$10 billion in the region;

Whereas Greece was extraordinarily responsive to requests by the United States during the war in Iraq, as Greece immediately granted unlimited access to its airspace and the base in Souda Bay, and many ships of the United States that delivered troops, cargo, and supplies to Iraq were refueled in Greece;

Whereas in August 2004, the Olympic games came home to Athens, Greece, the land of their ancient birthplace 2,500 years ago and the city of their modern revival in 1896;

Whereas Greece received world-wide praise for its extraordinary handling during the 2004 Olympics of over 14,000 athletes from 202 countries and over 2 million spectators and journalists, which it did so efficiently, se-

curely, and with its famous Greek hospitality;

Whereas the unprecedented security effort in Greece for the first summer Olympics after the attacks on the United States on September 11, 2001, included a record-setting expenditure of over \$1,390,000,000 and assignment of over 70,000 security personnel, as well as the utilization of an eight-country Olympic Security Advisory Group that included the United States;

Whereas Greece, located in a region where Christianity meets Islam and Judaism, maintains excellent relations with Muslim nations and Israel;

Whereas the Government of Greece has had extraordinary success in recent years in furthering cross-cultural understanding and reducing tensions between Greece and Turkey;

Whereas Greece and the United States are at the forefront of the effort for freedom, democracy, peace, stability, and human rights;

Whereas those and other ideals have forged a close bond between Greece and the United States and their peoples;

Whereas March 25, 2007, the National Day of Celebration of Greek and American Democracy, marks the 186th anniversary of the beginning of the revolution that freed the Greek people from the Ottoman Empire and celebrates the aspirations for democracy that the peoples of Greece and the United States share; and

Whereas it is proper and desirable for the United States to celebrate this anniversary with the Greek people and to reaffirm the democratic principles from which these two great nations were born: Now, therefore, be it

*Resolved*, That the House of Representatives—

(1) extends warm congratulations and best wishes to the people of Greece as they celebrate the 186th anniversary of the independence of Greece;

(2) expresses support for the principles of democratic governance to which the people of Greece are committed; and

(3) notes the important role that Greece has played in the wider European region and in the community of nations since gaining its independence 186 years ago.

The SPEAKER pro tempore, Mr. DAVIS of Alabama, recognized Mr. WEXLER and Mr. POE, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution?

The SPEAKER pro tempore, Mr. DAVIS of Alabama, announced that two-thirds of the Members present had voted in the affirmative.

Mr. WEXLER demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

¶36.10 50TH ANNIVERSARY OF THE TREATY OF ROME

Mr. WEXLER moved to suspend the rules and agree to the following resolution (H. Res. 230):

Whereas, after a half century marked by two world wars and at a time when Europe was divided and some nations were deprived of freedom, and as the continent faced the urgent need for economic and political recovery, major European statesmen such as

Robert Schuman, Jean Monnet, Paul-Henri Spaak, Konrad Adenauer, Alcide de Gasperi, Sir Winston Churchill, and others joined together to lay the foundations of an ever closer union among their peoples;

Whereas on March 25, 1957, the Federal Republic of Germany, France, Italy, Belgium, the Netherlands, and Luxembourg signed the Treaty of Rome to establish a customs union, to create a framework to promote the free movement of people, services, and capital among the member states, to support agricultural growth, and to create a common transport policy, which gave new impetus to the pledge of unity in the European Coal and Steel Agreement of 1951;

Whereas to fulfill its purpose, the European Union has created a unique set of institutions: the directly-elected European Parliament, the Council consisting of representatives of the Member States, the Commission acting in the general interest of the Community, and the Court of Justice to enforce the rule of law;

Whereas on February 7, 1992, the leaders of the then 12 members of the European Community signed the Treaty of Maastricht establishing a common European currency, the Euro, to be overseen by a common financial institution, the European Central Bank, for the purpose of a freer movement of capital and common European economic policies;

Whereas the European Union was expanded with the addition of the United Kingdom, Denmark, and Ireland in 1973, Greece in 1981, Spain and Portugal in 1986, a unified Germany in 1990, Austria, Finland, and Sweden in 1995, Cyprus, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, Slovakia, and Slovenia in 2004, and Bulgaria and Romania in 2007, making the European Union a body of 27 countries with a population of over 450 million people;

Whereas the European Union has developed policies in the economic, security, diplomatic, and political areas: it has established a single market with broad common policies to organize that market and ensure prosperity and cohesion; it has built an economic and monetary union, including the Euro currency; and it has built an area of freedom, security, and justice, extending stability to its neighbors;

Whereas following the end of the Cold War and the disintegration of the Soviet Union, the European Union has played a critical role in the former Central European communist states in promoting free markets, democratic institutions and values, respect for human rights, and the resolve to fight against tyranny and for common national security objectives;

Whereas for the past 50 years the United States and the European Union have shared a unique partnership, mindful of their common heritage, shared values and mutual interests, have worked together to strengthen transatlantic security, to preserve and promote peace and freedom, to develop free and prosperous economies, and to advance human rights; and

Whereas the United States has supported the European integration process and has consistently supported the objective of European unity and the enlargement of the European Union as desirable developments which promote prosperity, peace, and democracy, and which contribute to the strengthening of the vital relationship between the United States and the nations of Europe: Now, therefore, be it

*Resolved*, That the House of Representatives—

(1) recognizes the historic significance of the Treaty of Rome on the occasion of the 50th anniversary of its signing;

(2) commends the European Union and the member nations of the European Union for the positive role which the institution has

played in the growth, development, and prosperity of contemporary Europe;

(3) recognizes the important role played by the European Union in fostering the independence, democracy, and economic development of the former Central European communist states following the end of the Cold War;

(4) acknowledges the vital role of the European Union in the development of the close and mutually beneficial relationship that exists between the United States and Europe;

(5) affirms that in order to strengthen the transatlantic partnership there must be a renewed commitment to regular and intensive consultations between the United States and the European Union; and

(6) joins with the European Parliament in agreeing to strengthen the transatlantic partnership by enhancing the dialogue and collaboration between the United States Congress and the European Parliament.

The SPEAKER pro tempore, Mr. DAVIS of Alabama, recognized Mr. WEXLER and Mr. POE, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution?

The SPEAKER pro tempore, Mr. DAVIS of Alabama, announced that two-thirds of the Members present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said resolution was agreed to.

A motion to reconsider the vote whereby the rules were suspended and said resolution was agreed to was, by unanimous consent, laid on the table.

#### ¶36.11 GOOD FRIDAY AGREEMENT

Mr. WEXLER moved to suspend the rules and agree to the following resolution (H. Res. 222):

Whereas the Good Friday Agreement, signed on April 10, 1998, sets out a plan for the creation of the Northern Ireland Assembly, and a devolved government in Northern Ireland on a stable and inclusive basis;

Whereas the Northern Ireland Assembly and Executive have been suspended since 2002;

Whereas the St. Andrews Agreement of October 2006 established a timetable for the restoration of a power-sharing government in Northern Ireland;

Whereas the St. Andrews Agreement required that "support for policing and the rule of law should be extended to every part of the community";

Whereas on January 28, 2007, Sinn Fein held a party conference during which it declared its support for the Police Service of Northern Ireland and the criminal justice system, consistent with the terms of the St. Andrews Agreement;

Whereas British Prime Minister Tony Blair and Irish Taoiseach Bertie Ahern stated on January 30, 2007, that "We remain fixed in our determination to see shared government returned to the people of Northern Ireland.";

Whereas British Prime Minister Tony Blair called for elections in Northern Ireland to take place on March 7, 2007, in adherence to the timeline established in the St. Andrews Agreement; and

Whereas the St. Andrews Agreement set a deadline of March 26, 2007, for devolved government to be restored to Northern Ireland: Now, therefore, be it

*Resolved*, That—

(1) the House of Representatives—

(A) reiterates its support for the Good Friday Agreement, signed on April 10, 1998, in Belfast, as a blueprint for a lasting peace in Northern Ireland;

(B) declares its support for the St. Andrews Agreement of October 2006;

(C) commends British Prime Minister Tony Blair and Irish Taoiseach Bertie Ahern for their leadership and persistence in seeking a peaceful resolution in Northern Ireland; and

(D) commends all parties for abiding by the terms agreed to in the St. Andrews Agreement; and

(2) it is the sense of the House of Representatives that all political parties in Northern Ireland should—

(A) agree to share power with all parties according to the democratic mandate of the Good Friday Agreement;

(B) meet all deadlines established by the St. Andrews Agreement; and

(C) commit to work in good faith with all the institutions of the Good Friday Agreement, which established the Northern Ireland Assembly and an inclusive Executive, the North-South Ministerial Council, and the British-Irish Inter-Governmental Conference, for the benefit of all the people of Northern Ireland.

**SEC. 10. NATIONAL SECURITY WHISTLEBLOWER RIGHTS.**

(a) IN GENERAL.—Chapter 23 of title 5, United States Code, is amended by inserting after section 2303 the following:

**“§ 2303a. National security whistleblower rights**

“(a) PROHIBITION OF REPRISALS.—

“(1) IN GENERAL.—In addition to any rights provided in section 2303 of this title, title VII of Public Law 105–272, or any other provision of law, an employee or former employee in a covered agency may not be discharged, demoted, or otherwise discriminated against (including by denying, suspending, or revoking a security clearance, or by otherwise restricting access to classified or sensitive information) as a reprisal for making a disclosure described in paragraph (2).

“(2) DISCLOSURES DESCRIBED.—A disclosure described in this paragraph is any disclosure of covered information which is made—

“(A) by an employee or former employee in a covered agency (without restriction as to time, place, form, motive, context, or prior disclosure made to any person by an employee or former employee, including a disclosure made in the course of an employee’s duties); and

“(B) to an authorized Member of Congress, an authorized official of an Executive agency, or the Inspector General of the covered agency in which such employee or former employee is or was employed.

“(b) INVESTIGATION OF COMPLAINTS.—An employee or former employee in a covered agency who believes that such employee or former employee has been subjected to a reprisal prohibited by subsection (a) may submit a complaint to the Inspector General and the head of the covered agency. The Inspector General shall investigate the complaint and, unless the Inspector General determines that the complaint is frivolous, submit a report of the findings of the investigation within 120 days to the employee or former employee (as the case may be) and to the head of the covered agency.

“(c) REMEDY.—

“(1) Within 180 days of the filing of the complaint, the head of the covered agency shall, taking into consideration the report of the Inspector General under subsection (b) (if any), determine whether the employee or former employee has been subjected to a reprisal prohibited by subsection (a), and shall either issue an order denying relief or shall implement corrective action to return the employee or former employee, as nearly as possible, to the position he would have held had the reprisal not occurred, including voiding any directive or order denying, suspending, or revoking a security clearance or otherwise restricting access to classified or sensitive information that constituted a reprisal, as well as providing back pay and related benefits, medical costs incurred, travel

expenses, any other reasonable and foreseeable consequential damages, and compensatory damages (including attorney’s fees, interest, reasonable expert witness fees, and costs). If the head of the covered agency issues an order denying relief, he shall issue a report to the employee or former employee detailing the reasons for the denial.

“(2)(A) If the head of the covered agency, in the process of implementing corrective action under paragraph (1), voids a directive or order denying, suspending, or revoking a security clearance or otherwise restricting access to classified or sensitive information that constituted a reprisal, the head of the covered agency may re-initiate procedures to issue a directive or order denying, suspending, or revoking a security clearance or otherwise restricting access to classified or sensitive information only if those re-initiated procedures are based exclusively on national security concerns and are unrelated to the actions constituting the original reprisal.

“(B) In any case in which the head of a covered agency re-initiates procedures under subparagraph (A), the head of the covered agency shall issue an unclassified report to its Inspector General and to authorized Members of Congress (with a classified annex, if necessary), detailing the circumstances of the agency’s re-initiated procedures and describing the manner in which those procedures are based exclusively on national security concerns and are unrelated to the actions constituting the original reprisal. The head of the covered agency shall also provide periodic updates to the Inspector General and authorized Members of Congress detailing any significant actions taken as a result of those procedures, and shall respond promptly to inquiries from authorized Members of Congress regarding the status of those procedures.

“(3) If the head of the covered agency has not made a determination under paragraph (1) within 180 days of the filing of the complaint (or he has issued an order denying relief, in whole or in part, whether within that 180-day period or thereafter, then, within 90 days after such order is issued), the employee or former employee may bring an action at law or equity for de novo review to seek any corrective action described in paragraph (1) in the appropriate United States district court (as defined by section 1221(k)(2)), which shall have jurisdiction over such action without regard to the amount in controversy. An appeal from a final decision of a district court in an action under this paragraph may, at the election of the appellant, be taken to the Court of Appeals for the Federal Circuit (which shall have jurisdiction of such appeal), in lieu of the United States court of appeals for the circuit embracing the district in which the action was brought.

“(4) An employee or former employee adversely affected or aggrieved by an order issued under paragraph (1), or who seeks review of any corrective action determined under paragraph (1), may obtain judicial review of such order or determination in the United States Court of Appeals for the Federal Circuit or any United States court of appeals having jurisdiction over appeals from any United States district court which, under section 1221(k)(2), would be an appropriate United States district court. No petition seeking such review may be filed more than 60 days after issuance of the order or the determination to implement corrective action by the head of the agency. Review shall conform to chapter 7.

“(5)(A) If, in any action for damages or relief under paragraph (3) or (4), an Executive agency moves to withhold information from discovery based on a claim that disclosure would be inimical to national security by as-

serting the privilege commonly referred to as the ‘state secrets privilege’, and if the assertion of such privilege prevents the employee or former employee from establishing an element in support of the employee’s or former employee’s claim, the court shall resolve the disputed issue of fact or law in favor of the employee or former employee, provided that an Inspector General investigation under subsection (b) has resulted in substantial confirmation of that element, or those elements, of the employee’s or former employee’s claim.

“(B) In any case in which an Executive agency asserts the privilege commonly referred to as the ‘state secrets privilege’, whether or not an Inspector General has conducted an investigation under subsection (b), the head of that agency shall, at the same time it asserts the privilege, issue a report to authorized Members of Congress, accompanied by a classified annex if necessary, describing the reasons for the assertion, explaining why the court hearing the matter does not have the ability to maintain the protection of classified information related to the assertion, detailing the steps the agency has taken to arrive at a mutually agreeable settlement with the employee or former employee, setting forth the date on which the classified information at issue will be declassified, and providing all relevant information about the underlying substantive matter.

“(d) APPLICABILITY TO NON-COVERED AGENCIES.—An employee or former employee in an Executive agency (or element or unit thereof) that is not a covered agency shall, for purposes of any disclosure of covered information (as described in subsection (a)(2)) which consists in whole or in part of classified or sensitive information, be entitled to the same protections, rights, and remedies under this section as if that Executive agency (or element or unit thereof) were a covered agency.

“(e) CONSTRUCTION.—Nothing in this section may be construed—

“(1) to authorize the discharge of, demotion of, or discrimination against an employee or former employee for a disclosure other than a disclosure protected by subsection (a) or (d) of this section or to modify or derogate from a right or remedy otherwise available to an employee or former employee; or

“(2) to preempt, modify, limit, or derogate any rights or remedies available to an employee or former employee under any other provision of law, rule, or regulation (including the Lloyd-La Follette Act).

No court or administrative agency may require the exhaustion of any right or remedy under this section as a condition for pursuing any other right or remedy otherwise available to an employee or former employee under any other provision of law, rule, or regulation (as referred to in paragraph (2)).

“(f) DEFINITIONS.—For purposes of this section—

“(1) the term ‘covered information’, as used with respect to an employee or former employee, means any information (including classified or sensitive information) which the employee or former employee reasonably believes evidences—

“(A) any violation of any law, rule, or regulation; or

“(B) gross mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety;

“(2) the term ‘covered agency’ means—

“(A) the Federal Bureau of Investigation, the Office of the Director of National Intelligence, the Central Intelligence Agency, the Defense Intelligence Agency, the National Geospatial-Intelligence Agency, the National

Security Agency, and the National Reconnaissance Office; and

“(B) any other Executive agency, or element or unit thereof, determined by the President under section 2302(a)(2)(C)(ii)(II) to have as its principal function the conduct of foreign intelligence or counterintelligence activities;

“(3) the term ‘authorized Member of Congress’ means—

“(A) with respect to covered information about sources and methods of the Central Intelligence Agency, the Director of National Intelligence, and the National Intelligence Program (as defined in section 3(6) of the National Security Act of 1947), a member of the House Permanent Select Committee on Intelligence, the Senate Select Committee on Intelligence, or any other committees of the House of Representatives or Senate to which this type of information is customarily provided;

“(B) with respect to special access programs specified in section 119 of title 10, an appropriate member of the Congressional defense committees (as defined in such section); and

“(C) with respect to other covered information, a member of the House Permanent Select Committee on Intelligence, the Senate Select Committee on Intelligence, the House Committee on Oversight and Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, or any other committees of the House of Representatives or the Senate that have oversight over the program which the covered information concerns; and

“(4) the term ‘authorized official of an Executive agency’ shall have such meaning as the Office of Personnel Management shall by regulation prescribe, except that such term shall, with respect to any employee or former employee in an agency, include the head, the general counsel, and the ombudsman of such agency.”.

Page 28, line 19, strike “and”.

Page 28, line 21, strike “technical.” and insert “technical; and”.

Page 28, after line 21, add the following:

“(3) any action that restricts or prevents an employee or any person performing federally funded research or analysis from publishing in peer-reviewed journals or other scientific publications or making oral presentations at professional society meetings or other meetings of their peers.”.

The question being put, viva voce,

Will the House agree to the following amendment (STUPAK amendment numbered 1), on which a separate vote had been demanded?

So the amendment was agreed to.

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title.

Mr. WESTMORELAND moved to recommit the bill to the Committee on Oversight and Government Reform with instructions to report the bill back to the House forthwith with the following amendments:

Page 28, line 13, before “Section” insert “(a) IN GENERAL.—\_\_\_\_\_”.

Page 28, line 19, strike “and”.

Page 28, line 21, strike “.” and insert “; and”.

Page 28, after line 21, insert the following:

“(4) any action that discriminates for or against any employee or applicant for employment on the basis of religion, as defined by section 13(b) of the Whistleblower Protection Enhancement Act of 2007.”.

Page 28, after line 21 (following the matter inserted by the previous amendment), add the following:

(b) DEFINITION.—As used in section 2302(f)(3) of title 5, United States Code (as amended by subsection (a)), the term “on the basis of religion” means—

(1) prohibiting personal religious expression by Federal employees to the greatest extent possible, consistent with requirements of law and interests in workplace efficiency;

(2) requiring religious participation or non-participation as a condition of employment, or permitting religious harassment;

(3) failing to accommodate employees' exercise of their religion;

(4) failing to treat all employees with the same respect and consideration, regardless of their religion (or lack thereof);

(5) restricting personal religious expression by employees in the Federal workplace except where the employee's interest in the expression is outweighed by the government's interest in the efficient provision of public services or where the expression intrudes upon the legitimate rights of other employees or creates the appearance, to a reasonable observer, of an official endorsement of religion;

(6) regulating employees' personal religious expression on the basis of its content or viewpoint, or suppressing employees' private religious speech in the workplace while leaving unregulated other private employee speech that has a comparable effect on the efficiency of the workplace, including ideological speech on politics and other topics;

(7) failing to exercise their authority in an evenhanded and restrained manner, and with regard for the fact that Americans are used to expressions of disagreement on controversial subjects, including religious ones;

(8) failing to permit an employee to engage in private religious expression in personal work areas not regularly open to the public to the same extent that they may engage in nonreligious private expression, subject to reasonable content- and viewpoint-neutral standards and restrictions;

(9) failing to permit an employee to engage in religious expression with fellow employees, to the same extent that they may engage in comparable nonreligious private expression, subject to reasonable and content-neutral standards and restrictions;

(10) failing to permit an employee to engage in religious expression directed at fellow employees, and may even attempt to persuade fellow employees of the correctness of their religious views, to the same extent as those employees may engage in comparable speech not involving religion;

(11) inhibiting an employee from urging a colleague to participate or not to participate in religious activities to the same extent that, consistent with concerns of workplace efficiency, they may urge their colleagues to engage in or refrain from other personal endeavors, except that the employee must refrain from such expression when a fellow employee asks that it stop or otherwise demonstrates that it is unwelcome;

(12) failing to prohibit expression that is part of a larger pattern of verbal attacks on fellow employees (or a specific employee) not sharing the faith of the speaker;

(13) preventing an employee from— (A) wearing personal religious jewelry absent special circumstances (such as safety concerns) that might require a ban on all similar nonreligious jewelry; or

(B) displaying religious art and literature in their personal work areas to the same extent that they may display other art and literature, so long as the viewing public would reasonably understand the religious expression to be that of the employee acting in her personal capacity, and not that of the government itself;

(14) prohibiting an employee from using their private time to discuss religion with willing coworkers in public spaces to the same extent as they may discuss other subjects, so long as the public would reasonably understand the religious expression to be that of the employees acting in their personal capacities;

(15) discriminating against an employee on the basis of their religion, religious beliefs, or views concerning their religion by pro-

moting, refusing to promote, hiring, refusing to hire, or otherwise favoring or disfavoring, an employee or potential employee because of his or her religion, religious beliefs, or views concerning religion, or by explicitly or implicitly, insisting that the employee participate in religious activities as a condition of continued employment, promotion, salary increases, preferred job assignments, or any other incidents of employment or insisting that an employee refrain from participating in religious activities outside the workplace except pursuant to otherwise legal, neutral restrictions that apply to employees' off-duty conduct and expression in general (such as restrictions on political activities prohibited by the Hatch Act);

(16) prohibiting a supervisor's religious expression where it is not coercive and is understood to be his or her personal view, in the same way and to the same extent as other constitutionally valued speech;

(17) permitting a hostile environment, or religious harassment, in the form of religiously discriminatory intimidation, or pervasive or severe religious ridicule or insult, whether by supervisors or fellow workers, as determined by its frequency or repetitiveness, and severity;

(18) failing to accommodate an employee's exercise of their religion unless such accommodation would impose an undue hardship on the conduct of the agency's operations, based on real rather than speculative or hypothetical cost and without disfavoring other, nonreligious accommodations; and

(19) in those cases where an agency's work rule imposes a substantial burden on a particular employee's exercise of religion, failing to grant the employee an exemption from that rule, absent a compelling interest in denying the exemption and where there is no less restrictive means of furthering that interest.

(c) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to create any new right, benefit, or trust responsibility, substantive or procedural, enforceable at law or equity by a party against the United States, its agencies, its officers, or any person.

After debate, By unanimous consent, the previous question was ordered on the motion to recommit with instructions.

### ¶41.7 HONORING 6,500 GLIDER PILOTS

Mrs. BOYDA of Kansas, moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 42); as amended:

Whereas the use of gliders during World War II provided an innovative method of transporting troops and equipment behind enemy lines;

Whereas the United States Army Air Forces began training glider pilots in 1942, eventually training thousands of men;

Whereas glider pilots exhibited exceptional valor by landing behind enemy lines in unarmed gliders;

Whereas glider pilots participated in 8 successful missions;

Whereas in Operation Husky, which took place in Sicily on July 9, 1943, glider pilots carried British airborne troops, completing

their mission despite heavy casualties resulting from landings at sea;

Whereas in Operation Broadway, which took place in Burma on March 5, 1944, glider pilots took the Japanese completely by surprise; carried troops, airborne engineers, and equipment by night; seized and prepared landing strips for forthcoming transport planes; and evacuated the wounded, accomplishing in 2 hours what would have taken 2 months by ambulance;

Whereas in Operation Overlord, on June 6, 1944, glider pilots took part in the Battle of Normandy, the largest combined airborne and seaborne invasion in history, carrying troopers of the 82nd and 101st Airborne Divisions and their equipment to landing areas behind enemy lines;

Whereas in Operation Dragoon, which took place in the coastal area of southern France on August 15, 1944, glider pilots delivered troops and cargo despite wooden poles erected in open fields to impede their landing;

Whereas in Operation Market-Garden, the largest glider operation of World War II, which took place in Holland on September 17, 1944, glider pilots carried their usual cargo of troops and heavy equipment, thereby providing cover for an attempt to clear a road to Berlin;

Whereas in Operation Repulse, which took place in Bastogne on December 27, 1944, as part of the Battle of the Bulge, glider pilots, although flying directly through enemy fire, were able to land every glider, delivering the badly needed ammunition, gasoline, and medical supplies that enabled defenders against the German offensive to persevere and secure the ultimate victory;

Whereas in Operation Varsity, which took place at the Rhine crossing in Wesel, Germany, on March 24, 1945, more than 1,300 glider pilots took part in their final European mission, delivering a fatal blow to Axis forces;

Whereas in Operation Gypsy Task Force-Appari Mission, which took place in the Philippine island of Luzon on June 23, 1945, glider pilots took part in their final, and only Pacific, mission, carrying members of the 11th Airborne Division; and

Whereas many glider pilots sacrificed their lives during the course of these missions: Now, therefore, be it

*Resolved by the House of Representatives (the Senate concurring), That Congress—*

(1) honors the heroic service and sacrifice of the glider pilots of the United States Army Air Forces during World War II; and

(2) urges the people of the United States to remember and teach future generations about the contributions and sacrifices that glider pilots, and all veterans, have made to and for the United States.

The SPEAKER pro tempore, Ms. HARMAN, recognized Mrs. BOYDA of Kansas, and Mr. WILSON of South Carolina, each for 20 minutes.

Will the House suspend the rules and agree to said concurrent resolution, as amended?

ceedings on the question were postponed.

41.18 MESSAGE FROM THE PRESIDENT—  
HAITIAN HEMISPHERIC OPPORTUNITY

The SPEAKER pro tempore, Ms. HARMAN, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

The Haitian Hemispheric Opportunity through Partnership Encouragement Act of 2006 (Division D, Title V of Public Law 109-432), amends the Caribbean Basin Economic Recovery Act (Title II of the Trade and Development

Act of 2000, Public Law 106-200) (CBERA), to make certain products from Haiti eligible for preferential tariff treatment. In accordance with section 213A of CBERA, as amended, I have determined that Haiti meets the eligibility requirements under section 213A(d)(1) of CBERA, as amended, and that Haiti is meeting the conditions regarding enforcement of circumvention under section 213A(e)(1) of CBERA, as amended.

GEORGE W. BUSH.  
THE WHITE HOUSE, March 19, 2007.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 110-20).

41.19 MESSAGE FROM THE PRESIDENT—  
UNITED STATES-SWEDEN SOCIAL  
SECURITY AGREEMENT

The SPEAKER pro tempore, Ms. HARMAN, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

Pursuant to section 233(e)(1) of the Social Security Act, as amended by the Social Security Amendments of 1977 (42 U.S.C. 433(d)(1)), I transmit herewith the Supplementary Agreement on Social Security between the United States of America and the Kingdom of Sweden. The Supplementary Agreement was signed in Stockholm on June 22, 2004, and is intended to modify certain provisions of the original United States-Sweden Agreement, which was signed May 27, 1985, and that entered into force January 1, 1987.

The United States-Sweden Agreement, as revised by the Supplementary Agreement, remains similar in objective to the social security agreements that are also in force with Australia, Austria, Belgium, Canada, Chile, Finland, France, Germany, Greece, Ireland, Italy, Korea, Luxembourg, the Netherlands, Norway, Portugal, Spain, Switzerland, and the United Kingdom. Such bilateral agreements provide for limited coordination between the United States and foreign social security systems to eliminate dual social security coverage and taxation, and to help prevent the loss of benefits that can occur when workers divide their careers between two countries. The United States-Sweden Agreement, as revised by the Supplementary Agreement, contains all provisions mandated by section 233 and other provisions that I deem appropriate to carry out the purposes of section 233, pursuant to section 233(c)(4).

I also transmit for the information of the Congress a report prepared by the Social Security Administration explaining the key points of the Supplementary Agreement with a paragraph-by-paragraph explanation of the provisions of the Supplementary Agreement. Annexed to this report is the report required by section 233(e)(1) of the Social Security Act on the effect of the Supplementary Agreement on income and

expenditures of the U.S. Social Security program and the number of individuals affected by the Supplementary Agreement and a composite text of the United States-Sweden Agreement showing the changes that will be made as a result of the Supplementary Agreement. The Department of State and the Social Security Administration have recommended the Supplementary Agreement and related documents to me.

I commend to the Congress the Supplementary Agreement to the United States-Sweden Social Security Agreement and related documents.

GEORGE W. BUSH.  
THE WHITE HOUSE, March 20, 2007.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 110-21).

41.20 GULF COAST HURRICANE HOUSING  
RECOVERY

The SPEAKER pro tempore, Ms. HARMAN, pursuant to House Resolution 254 and rule XVIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 1227) to assist in the provision of affordable housing to low-income families affected by Hurricane Katrina.

The SPEAKER pro tempore, Ms. HARMAN, by unanimous consent, designated Mr. BAIRD as Chairman of the Committee of the Whole; and after some time spent therein,

41.21 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 3, printed in House Report 110-53, submitted by Mr. HENSARLING:

At the end of title III, add the following new section:

SEC. 308. WORK REQUIREMENT.

(a) IN GENERAL.—Except as provided in paragraph (2), each individual who is 18 years of age or older and is a member of a household residing in a dwelling for which rental assistance is provided pursuant to an extension or authorization of rental assistance provided under this title shall, as a condition of the continued provision of such assistance on behalf of such household, perform not fewer than 20 hours of approved work activities (as such term is defined in section 407(d) of the Social Security Act (42 U.S.C. 607(d))) per week.

(b) EXEMPTION.—The Secretary of Housing and Urban Development shall provide an exemption from the applicability of paragraph (1) for any individual who—

- (1) is 62 years of age or older;
- (2) is a blind or disabled individual, as defined under section 216(i)(1) or 1614 of the Social Security Act (42 U.S.C. 416(i)(1); 1382c), and who is unable to comply with this section, or is a primary caretaker of such individual;
- (3) is engaged in a work activity (as such term is defined in section 407(d) of the Social Security Act (42 U.S.C. 607(d)), as in effect on and after July 1, 1997);
- (4) meets the requirements for being exempted from having to engage in a work activity under the State program funded under

part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the public housing agency administering rental assistance described in subsection (a) is located, including a State-administered welfare-to-work program;

(5) is in a family receiving assistance under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the public housing agency administering such rental assistance is located, including a State-administered welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such program; or

(6) is a single custodial parent caring for a child who has not attained 6 years of age, and the individual proves that the individual has a demonstrated inability (as determined by the State) to obtain needed child care, for one or more of the following reasons:

(A) Unavailability of appropriate child care within a reasonable distance from the individual's home or work site.

(B) Unavailability or unsuitability of informal child care by a relative or under other arrangements.

(C) Unavailability of appropriate and affordable formal child care arrangements.

(c) ADMINISTRATION.—A public housing agency providing rental assistance described in subsection (a) may administer the work activities requirement under this section directly, through a resident organization, or through a contractor having experience in administering work activities programs within the service area of the public housing agency. The Secretary may establish qualifications for such organizations and contractors.

(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated, from any amounts made available before the date of the enactment of this Act under any provision of law to the Federal Emergency Management Agency for disaster relief under the Robert T. Stafford Disaster Relief and Emergency Assistance Act relating to the consequences of Hurricane Katrina, Rita, or Wilma that remain unobligated, such sums as may be necessary for the Secretary of Housing and Urban Development to carry out this section.

The SPEAKER pro tempore, Ms. SCHAKOWSKY, pursuant to House Resolution 254 and rule XVIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 1227) to assist in the provision of affordable housing to low-income families affected by Hurricane Katrina.

Mr. CARDOZA, Acting Chairman of the Committee of the Whole, resumed the chair; and after some time spent therein,

The SPEAKER pro tempore, Mr. PASTOR, assumed the Chair.

#### ¶42.5 WORDS TAKEN DOWN IN COMMITTEE

When Mr. HOLDEN, Acting Chairman, reported that during the consideration of said bill in Committee, certain words used in debate were objected to and upon request, were read at the Clerk's desk.

The Clerk read the words taken down as follows:

"Mr. PRICE, I wish you would have the decency, if you are going to do that to the people of south Mississippi, that maybe you ought to come visit south Mississippi before you hold them to a standard that you would never hold your own people to and that you failed to hold the Bush administration to. With that, I yield back my time."

The SPEAKER pro tempore, Mr. PASTOR, spoke and said:

"The Chair holds that remarks in debate that question the decency of another Member improperly descend to personality. The words are not in order."

By unanimous consent, the words ruled unparliamentary were stricken from the Congressional Record.

The SPEAKER pro tempore, Mr. PASTOR, by unanimous consent, provided that Mr. TAYLOR be permitted to proceed in order.

Mr. SENSENBRENNER objected to permission for Mr. TAYLOR to proceed in order.

Mr. FRANK of Massachusetts, moved that the gentleman from Mississippi [Mr. TAYLOR], be permitted to proceed in order during this day.

The SPEAKER pro tempore, Mr. PASTOR, stated the question: "Will the gentleman be permitted to proceed in order?"

The question being put, viva voce,

Will the gentleman be permitted to proceed in order?

Mr. SENSENBRENNER objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

(3) DE NOVO REVIEW.—With respect to a complaint under paragraph (1)(C), if the Secretary of Labor has not issued a final decision within 180 days after the filing of the complaint (or, in the event that a final order or decision is issued by the Secretary of Labor, whether within the 180-day period or thereafter, then, not later than 90 days after such an order or decision is issued), the covered individual may bring an original action at law or equity for de novo review in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy, and which action shall, at the request of either party to such action, be tried by the court with a jury.

(c) REMEDIES.—

(1) IN GENERAL.—A covered individual prevailing in any action under subsection (b)(1)(C) shall be entitled to all relief necessary to make the covered individual whole.

(2) DAMAGES.—Relief in an action under subsection (b)(1)(C) (including an action described in subsection (b)(3)) shall include—

(A) reinstatement with the same seniority status that the covered individual would have had, but for the discrimination;

(B) the amount of any back pay, with interest; and

including litigation costs, expert witness fees, and reasonable attorney fees.

(3) POSSIBLE RELIEF.—Relief in an action under subsection (b)(1)(C) may include punitive damages in an amount not to exceed the greater of 3 times the amount of any compensatory damages awarded under this section or \$5,000,000.

(d) USE OF STATE SECRETS PRIVILEGE.—

(1) If, in any action for relief sought by a covered individual in accordance with the provisions of subsection (b)(1)(A), (B), or (C), the Government agency moves to withhold information from discovery based on a claim that disclosure would be inimical to national security by asserting the privilege commonly referred to as the "state secrets privilege", and if the assertion of such privilege prevents the covered individual from establishing an element in support of the covered individual's claim, the court shall resolve the disputed issue of fact or law in favor of the covered individual, provided that, in an action brought by a covered individual in accordance with the provisions of subsection (b)(1)(A) or (B), an Inspector General investigation under section 112B has resulted in substantial confirmation of that element, or those elements, of the covered individual's claim.

(2) In any case in which the Government agency asserts the privilege commonly referred to as the "state secrets privilege", whether or not an Inspector General has conducted an investigation with respect to the alleged discrimination, the head of the Government agency involved shall, at the same time it asserts the privilege, issue a report to authorized Members of Congress, accompanied by a classified annex if necessary, describing the reasons for the assertion, explaining why the court hearing the matter does not have the ability to maintain the protection of classified information related to the assertion, detailing the steps the agency has taken to arrive at a mutually agreeable settlement with the covered individual, setting forth the date on which the classified information at issue will be declassified, and providing all relevant information about the underlying substantive matter.

(e) CRIMINAL PENALTIES.—

(1) IN GENERAL.—It shall be unlawful for any person employing a covered individual described in subsection (b)(1)(C) to commit an act prohibited by subsection (a). Any person who willfully violates this section by terminating or retaliating against any such covered individual who makes a claim under this section shall be fined under title 18, United States Code, imprisoned not more than 1 year, or both.

(2) REPORTING REQUIREMENT.—

(A) IN GENERAL.—The Attorney General shall submit to the appropriate congressional committees an annual report on the enforcement of paragraph (1).

(B) CONTENTS.—Each such report shall—

(i) identify each case in which formal charges under paragraph (1) were brought;

(ii) describe the status or disposition of each such case; and

(iii) in any actions under subsection (b)(1)(C) in which the covered individual was the prevailing party or the substantially prevailing party, indicate whether or not any formal charges under paragraph (1) have been brought and, if not, the reasons therefor.

(f) NO PREEMPTION.—Nothing in this section, section 112A, or section 112B preempts or diminishes any other safeguards against discrimination, demotion, discharge, suspension, threats, harassment, reprimand, retaliation, or any other manner of discrimination provided by Federal or State law.

(g) RIGHTS RETAINED BY COVERED INDIVIDUAL.—Nothing in this section, section 112A, or section 112B shall be deemed to di-

minish the rights, privileges, or remedies of any covered individual under any Federal or State law or under any collective bargaining agreement. The rights and remedies in this section, section 112A and section 112B may not be waived by any agreement, policy, form, or condition of employment.

(4) An alternate route or storage facility that will avoid an area of concern may be considered by the railroad carrier to be impractical if the shipment originates in or is destined for the area of concern, or if there would be no harm beyond the property of the railroad carrier transporting the shipment or storage facility storing the shipment in the event of a successful terrorist attack on the shipment.

(f) ALTERNATIVE ROUTE AND STORAGE PATTERN SELECTION FOR SECURITY SENSITIVE MATERIALS.—A railroad carrier shall use the analysis required by subsections (d) and (e) to select the most secure route and storage pattern to be used in moving the materials specified in subsection (b).

(g) REVIEW.—Not less than once every 5 years, the analyses route and storage pattern selection determinations required under subsections (c), (d), (e), and (f) shall include a comprehensive, system-wide review of all operational changes, infrastructure modifications, traffic adjustments, changes in the nature of the areas of concern located along or in proximity to the route, or other changes affecting the security of the movements of the materials specified in subsection (b) of this section that were implemented during the 5-year period.
