(d) REPEALS.—

(1) IN GENERAL.—The following provisions of law are repealed:

(e) MILITARY SERVICE PROPOSALS.—

Deadlines.

(1) PROPOSALS.—The United States Postal Service, the Department of the Treasury, and the Office of Personnel Management shall, by September 30, 2003, each prepare and submit to the President, the Congress, and the General Accounting Office proposals detailing whether and to what extent the Department of the Treasury or the Postal Service should be responsible for the funding of benefits attributable to the military service of current and former employees of the Postal Service that, prior to the date of the enactment of this Act, were provided for under section 8348(g)(2) of title 5, United States Code.

(2) GAO REVIEW AND REPORT.—Not later than 60 days after the Postal Service, the Department of the Treasury, and the Office of Personnel Management have submitted their proposals under paragraph (1), the General Accounting Office shall prepare and submit a written evaluation of each such proposal to the Committee on Government Reform of the House of Representatives and the Committee on Governmental Affairs of the Senate.

SEC. 3. DISPOSITION OF SAVINGS ACCRUING TO THE UNITED STATES POSTAL SERVICE.

39 USC note
prec. 2001.

(a) IN GENERAL.—Savings accruing to the United States Postal Service as a result of the enactment of this Act—

(1) shall, to the extent that such savings are attributable to fiscal year 2003 or 2004, be used to reduce the postal debt (in consultation with the Secretary of the Treasury), and the Postal Service shall not incur additional debt to offset the use of the savings to reduce the postal debt in fiscal years 2003 and 2004;

(2) shall, to the extent that such savings are attributable to fiscal year 2005, be used to continue holding postage rates unchanged and to reduce the postal debt, to such extent and in such manner as the Postal Service shall specify (in consultation with the Secretary of the Treasury); and

(3) to the extent that such savings are attributable to any fiscal year after fiscal year 2005, shall be considered to be operating expenses of the Postal Service and, until otherwise provided for by law, shall be held in escrow and may not be obligated or expended.

(b) AMOUNTS SAVED.—

(1) IN GENERAL.—The amounts representing any savings accruing to the Postal Service in any fiscal year as a result of the enactment of this Act shall be computed by the Office of Personnel Management for each such fiscal year in accordance with paragraph (2).

(2) METHODOLOGY.—Not later than July 31, 2003, the Office of Personnel Management shall— Deadline.

(A) formulate a plan specifically enumerating the actuarial methods and assumptions by which the Office shall make its computations under paragraph (1); and

(B) submit such plan to the Committee on Government Reform of the House of Representatives and the Committee on Governmental Affairs of the Senate.

(3) REQUIREMENTS.—The plan shall be formulated in consultation with the Postal Service and shall include the opportunity for the Postal Service to request reconsideration of computations under this subsection, and for the Board of Actuaries of the Civil Service Retirement System to review and make adjustments to such computations, to the same extent and in the same manner as provided under section 8423(c) of title 5, United States Code.

(c) REPORTING REQUIREMENT.—The Postal Service shall include in each report rendered under section 2402 of title 39, United States Code, the amount applied toward reducing the postal debt, and the size of the postal debt before and after the application of subsection (a), during the period covered by such report.

(d) SENSE OF CONGRESS.—It is the sense of the Congress that—

(1) the savings accruing to the Postal Service as a result of the enactment of this Act will be sufficient to allow the Postal Service to fulfill its commitment to hold postage rates unchanged until at least 2006;

(2) because the Postal Service still faces substantial obligations related to postretirement health benefits for its current and former employees, some portion of the savings referred to in paragraph (1) should be used to address those unfunded obligations; and

(3) none of the savings referred to in paragraph (1) should be used in the computation of any bonuses for Postal Service executives.

Deadlines.

(e) POSTAL SERVICE PROPOSAL.—

(1) IN GENERAL.—The United States Postal Service shall, by September 30, 2003, prepare and submit to the President, the Congress, and the General Accounting Office its proposal detailing how any savings accruing to the Postal Service as a result of the enactment of this Act, which are attributable to any fiscal year after fiscal year 2005, should be expended.

(2) MATTERS TO CONSIDER.—In preparing its proposal under this subsection, the Postal Service shall consider—

(A) whether, and to what extent, those future savings should be used to address—

(i) debt repayment;

(ii) prefunding of postretirement healthcare benefits for current and former postal employees;

(iii) productivity and cost saving capital investments;

(iv) delaying or moderating increases in postal rates; and

(v) any other matter; and

(B) the work of the President's Commission on the United States Postal Service under section 5 of Executive Order 13278 (67 Fed. Reg. 76672).

(3) GAO REVIEW AND REPORT.—Not later than 60 days after the Postal Service submits its proposal pursuant to paragraph (1), the General Accounting Office shall prepare and

submit a written evaluation of such proposal to the Committee on Government Reform of the House of Representatives and the Committee on Governmental Affairs of the Senate.

(4) LEGISLATIVE ACTION.—Not later than 180 days after it has received both the proposal of the Postal Service and the evaluation of such proposal by the General Accounting Office under this subsection, Congress shall revisit the question of how the savings accruing to the Postal Service as a result of the enactment of this Act should be used.

(f) DETERMINATION AND DISPOSITION OF SURPLUS.—

(1) IN GENERAL.—If, as of the date under paragraph (2), the Office of Personnel Management determines (after consultation with the Postmaster General) that the computation under section 8348(h)(1)(A) of title 5, United States Code, yields a negative amount (hereinafter referred to as a “surplus”)—

(A) the Office shall inform the Postmaster General of its determination, including the size of the surplus so determined; and

(B) the Postmaster General shall submit to the Congress a report describing how the Postal Service proposes that such surplus be used, including a draft of any legislation that might be necessary.

Reports.

(2) DETERMINATION DATE.—The date to be used for purposes of paragraph (1) shall be September 30, 2025, or such earlier date as, in the judgment of the Office, is the date by which all postal employees under the Civil Service Retirement System will have retired.

(g) DEFINITIONS.—For purposes of this section—

(1) the savings accruing to the Postal Service as a result of the enactment of this Act shall, for any fiscal year, be equal to the amount (if any) by which—

(A) the contributions that the Postal Service would otherwise have been required to make to the Civil Service Retirement and Disability Fund for such fiscal year if this Act had not been enacted, exceed

(B) the contributions made by the Postal Service to such Fund for such fiscal year; and

(2) the term “postal debt” means the outstanding obligations of the Postal Service, as determined under chapter 20 of title 39, United States Code.

Applicability.
5 USC 8334 note.

This Act and the amendments made by this Act shall become effective on the date of the enactment of this Act, except that the amendments made by section 2(b) shall apply with respect to pay periods beginning on or after such date.
