

Statement on Representative Maurice D. Hinchey's Decision Not To Seek Reelection

January 19, 2012

As a native New Yorker, Maurice Hinchey has served the people of the Empire State for over 35 years. Prior to his time in office, Maurice proudly served his country as a member of the United States Navy. He then went on to serve as a member in the State Assembly for 18 years, followed by 10 consecutive terms as a U.S. Representative for the 22d congres-

sional district of New York. Throughout his career Maurice has been a champion for the middle class, leading the charge for renewable energy and Wall Street reform and working tirelessly to get Americans back to work. Michelle and I join the people of New York in thanking Congressman Hinchey for his service.

Letter to Congressional Leaders on Continuation of the National Emergency With Respect to Terrorists Who Threaten To Disrupt the Middle East Peace Process

January 19, 2012

Dear Mr. Speaker: (Dear Mr. President:)

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared with respect to foreign terrorists who threaten to disrupt the Middle East peace process is to continue in effect beyond January 23, 2012.

The crisis with respect to grave acts of violence committed by foreign terrorists who threaten to disrupt the Middle East peace process that led to the declaration of a national emergency on January 23, 1995, has not been resolved. Terrorist groups continue to engage

in activities that have the purpose or effect of threatening the Middle East peace process and that are hostile to United States interests in the region. Such actions constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency with respect to foreign terrorists who threaten to disrupt the Middle East peace process and to maintain in force the economic sanctions against them to respond to this threat.

Sincerely,

BARACK OBAMA

NOTE: Identical letters were sent to John A. Boehner, Speaker of the House of Representatives, and Joseph R. Biden, Jr., President of the Senate. The notice is listed in Appendix D at the end of this volume.
