

L E T T E R

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING,

*In compliance with law, list of employés in the Treasury Department for
1885.*

MARCH 10, 1886.—Referred to the Committee on Appropriations and ordered to be printed. Accompanying papers to Committee on Printing.

APRIL 1, 1886.—Accompanying papers ordered to be printed.

TREASURY DEPARTMENT,
March 9, 1886.

SIR: I have the honor to transmit herewith, in compliance with the provisions of section 194 of the Revised Statutes of the United States, a list embracing the names of the clerks and other persons employed in the several bureaus of this Department during the calendar year ended December 31, 1885, and showing the time each was actually employed, and the sums paid to each.

So far as I am informed, the persons named were assigned to useful labor. I do not think that a reduction of the number of employés in any of the bureaus, beyond that provided for in my annual estimate for the next fiscal year, could be made without detriment to the service.

I am not at present advised that a general or extended removal of individuals, and the appointment of others in their stead, is required for the better dispatch of business; but I am satisfied that there are cases in which the removal of the incumbents, and the appointment of more active and efficient persons in their stead, would be of advantage to the public service. Such removals are being made by me from time to time, as facts justifying the same are brought to my attention.

Respectfully, yours,

D. MANNING,
Secretary.

Hon. JOHN SHERMAN,
President of the United States Senate pro tempore.

Officers and employés of the Treasury Department during the calendar year ending December 31, 1885.

OFFICE OF THE SECRETARY OF THE TREASURY.
