

HEIRS OF DANIEL GOOS.

JANUARY 31, 1910.—Committed to the Committee of the Whole House and ordered to be printed.

Mr. FLOYD, from the Committee on War Claims, submitted the following

REPORT.

[To accompany H. Res. No. 351.]

The Committee on War Claims, to whom was referred the bill (H. R. 15963) for the relief of the heirs of Daniel Goos, deceased, submit the following report:

This is a claim for the steamer *Dan*, alleged to have been seized by the military forces of the United States during the civil war, and was never returned to him. Claim stated at \$50,000.

The evidence offered in support of this claim is in the form of *ex parte* affidavits, and your committee have no opportunity of subjecting the witnesses to a cross-examination, and are therefore of the opinion that this claim should be referred to the Court of Claims, where depositions can be taken in the usual manner prescribed by law, counsel for the Government having the right to cross-examine the witnesses making such depositions; and when the facts shall have been determined by the court upon the legal testimony thus taken and submitted, said facts to be reported to Congress for its consideration; and report herewith a resolution to that effect and recommend its adoption.
