"(j) PERMITTED FORECLOSURES.—This section shall not be construed to prevent any qualified lender from enforcing any contractual provision that allows the lender to foreclose a loan, or from taking such other lawful action as the lender deems appropriate, if the lender has reasonable grounds to believe that the loan collateral will be destroyed, dissipated, consumed, concealed, or permanently removed from the State in which the collateral is located.

"(k) APPLICATION OF SECTION.—The time limitation prescribed in subsection (b)(2), and the requirements of subsection (c), shall not apply to a loan that became a distressed loan before the date of the enactment of this section if the borrower and lender of the loan are in the process of negotiating loan restructuring with respect to the loan.

"(3) DEFAULTS.—

"(A) INTEREST.—

"(i) PAYMENT BY CORPORATION.—If a System institution defaults on the payment of interest due under this subsection during the first 15 years after an obligation is issued under subsection (a), the Financial Assistance Corporation shall pay the amount of the interest due by the System institution out of the Trust Fund, and shall recover the amount of the interest due from the defaulting System institution, and such amount shall be paid to the Trust Fund.

"(B) PRINCIPAL.—

"(i) EVALUATION.—Not later than 90 days before the maturity of any obligation issued under subsection (a), the Farm Credit Administration shall complete an evaluation of the general financial condition of each System institution that issued preferred stock under section 6.27(a) with respect to such obligation to determine whether such System institution will be able to redeem such stock at par value on the maturity of the obligation, and remain a viable institution capable of providing credit to eligible borrowers at equitable and competitive interest rates.

"(ii) AVAILABILITY OF EVALUATION.—A copy of the evaluation required under clause (i) shall be furnished to the Secretary of the Treasury and the appropriate committees of Congress.

"(iii) REDEMPTION BY INSTITUTION; PURCHASE BY SECRETARY OF THE TREASURY.—If the Farm Credit Adminis-

tration determines, in consultation with the Secretary of the Treasury, on the basis of the evaluation required under clause (i), that the redemption of such stock at par value would impair the other stock or equities of such institution or render such institution incapable of meeting its capital adequacy standards, the institution shall be prohibited from redeeming the preferred stock it issued under section 6.27 with respect to the maturing obligation. If the Farm Credit Administration determines, in consultation with the Secretary of the Treasury, on the basis of the evaluation required under clause (i), that such institution will be able to redeem, in a timely manner and at par value, the preferred stock it issued under section 6.27 with respect to the maturing obligation, and remain a viable and competitive institution, such institution shall have the option of redeeming or not redeeming such stock. If such institution elects not to redeem such stock, the Financial Assistance Corporation shall withdraw funds from the Trust Fund in an amount equal to the par value of the preferred stock issued by such institution under section 6.27 so as to enable the Financial Assistance Corporation to pay the principal of the maturing obligation. Simultaneously with such withdrawal of funds from the Trust Fund, the Financial Assistance Corporation shall transfer to the Insurance Fund an equal amount, at par value, of preferred stock of such institution. To the extent that the Trust Fund is insufficient to enable the Financial Assistance Corporation to pay the full principal of the maturing obligation, the Insurance Fund shall be used by the Farm Credit System Insurance Corporation to purchase, at par value, the preferred stock issued by such institution under section 6.27(a) to enable the Financial Assistance Corporation to pay the principal of the maturing obligation. To the extent that the Insurance Fund is insufficient to enable the Financial Assistance Corporation to pay the full principal of the maturing obligation, the Secretary of the Treasury shall purchase, at par value, the remaining quantity of the preferred stock issued by such institution to enable the Financial Assistance Corporation to make such full payment. For that purpose, the Secretary of the Treasury may use, as a public debt transaction, the proceeds from the sale of any securities issued under chapter 31 of title 31, United States Code. The purposes for which such securities may be issued under such chapter are extended to include such purchases of stock. Any preferred stock transferred to, or purchased by, the Farm Credit System Insurance Corporation under this clause shall be retired by the issuing institution at such times and under such terms and conditions as are agreed to between the Insurance Corporation and such institution.

“(C) RECOURSE BY OTHER SYSTEM INSTITUTIONS.—A defaulting institution shall be liable to the remaining System institutions for the amount of any interest paid by the remaining institutions under this paragraph.

“(4) PAYMENT BY UNITED STATES.—

“(A) INABILITY TO PAY.—Notwithstanding any other provision of this Act, if the Financial Assistance Corporation is unable to pay the principal or interest of any obligation issued under subsection (a), the Secretary of the Treasury shall pay to the Financial Assistance Corporation the amount due which shall be used by the Financial Assistance Corporation to pay the obligation.

“(B) RECOVERY.—

“(i) INTEREST PAYMENTS.—In each instance in which the Secretary of the Treasury is required to make a payment under subparagraph (A) to the Financial Assistance Corporation as a result of a default made by a System institution on interest due from such System institution under subsection (c), the Secretary of the Treasury shall recover the amount of the payments the Secretary made, with respect to each defaulting institution, from such defaulting institution. If the Secretary has not recovered the full amount due from the defaulting institution by the end of the 12-month period beginning on the date of payment by the Secretary, the uncollected amount shall be paid to the Secretary from the Insurance Fund established under section 5.60.

“(ii) PRINCIPAL PAYMENTS.—In each instance in which the Secretary of the Treasury is required under paragraph (3)(B)(iii) to purchase preferred stock issued by a System institution under section 6.27(a), the Farm Credit System Insurance Corporation shall use funds deposited in the Insurance Fund to repurchase, at par value, from the Secretary of the Treasury such stock required to be purchased under paragraph (3)(B)(iii) as funds become available for such repurchase.

“(iii) PRIORITY.—Notwithstanding any other provision of this Act except for section 5.60, during any year in which payments are due to the Secretary of the Treasury from the Insurance Fund under clause (i), or preferred stock held by the Secretary is due to be repurchased by the Insurance Fund under clause (ii), the funds in such Fund, and all funds deposited in such Fund during such year, shall be used first for the purposes specified in clauses (i) and (ii).

“(i) the size and location of the farming unit of the borrower; and

“(ii) local agricultural conditions (including natural and economic conditions), in at least 2 calendar years during the 6-year period preceding the calendar year in which the application is made;

“(C) have received from farming or ranching operations at least 60 percent of the gross annual income of the borrower and any spouse of the borrower in at least 2 calendar years during any 6-year period described in subparagraph (B);

“(D) have continuously occupied the homestead property during the 6-year period described in subparagraph (B), except that such requirement may be waived if a borrower has, due to circumstances beyond the control of the borrower, had to leave the homestead property for a period of time not to exceed 12 months during the 6-year period;

“(3) For the purposes of paragraph (1)(E), the failure of the borrower to make timely rental payments shall constitute cause for the termination of all rights of such borrower to possession and occupancy of the homestead property under this section. In effecting any such termination, the Secretary shall afford the borrower or lessee the notice and hearing procedural rights described in section 333B and shall comply with all applicable State and local laws governing eviction from residential property.

“(5) No rights of a borrower under this section, and no agreement entered into between the borrower and the Secretary for occupancy of the homestead property, shall be transferable or assignable by the borrower or by operation of any law, except that in the case of death or incompetency of such borrower, such rights and agreements shall be transferable to the spouse of the borrower if the spouse agrees to comply with the terms and conditions thereof.

“(6) Within 30 days of the acquisition of the homestead property securing a loan made or insured under this title, the Secretary shall notify the borrower from whom the property was acquired of the availability of homestead protection rights under this section. SEC. 615. DEBT RESTRUCTURING AND LOAN SERVICING.

(a) **IN GENERAL.**—Subtitle D (7 U.S.C. 1981 et seq.) is amended by adding at the end thereof the following new section:

7 USC 2001.

“SEC. 353. DEBT RESTRUCTURING AND LOAN SERVICING.

“(a) IN GENERAL.—The Secretary shall modify delinquent farmer program loans made or insured under this title, or purchased from the lender or the Federal Deposit Insurance Corporation under section 309B, to the maximum extent possible—

“(1) to avoid losses to the Secretary on such loans, with priority consideration being placed on writing-down the loan principal and interest (subject to subsections (d) and (e)), and debt set-aside (subject to subsection (e)), whenever these procedures would facilitate keeping the borrower on the farm or ranch, or otherwise through the use of primary loan service programs as provided in this section; and

“(2) to ensure that borrowers are able to continue farming or ranching operations.

“(b) ELIGIBILITY.—To be eligible to obtain assistance under subsection (a)—

“(1) the delinquency must be due to circumstances beyond the control of the borrower, as defined in regulations issued by the Secretary;

“(2) the borrower must have acted in good faith with the Secretary in connection with the loan as defined in regulations issued by the Secretary;

“(3) the borrower must present a preliminary plan to the Secretary that contains reasonable assumptions that demonstrate that the borrower will be able to—

“(A) meet the necessary family living and farm operating expenses; and

“(B) service all debts, including those of the loans restructured; and

“(4) the loan, if restructured, must result in a net recovery to the Federal Government, during the term of the loan as restructured, that would be more than or equal to the net recovery to the Federal Government from an involuntary liquidation or foreclosure on the property securing the loan.

“(c) RESTRUCTURING DETERMINATIONS.—

“(1) DETERMINATION OF NET RECOVERY.—In determining the net recovery from the involuntary liquidation of a loan under this section, the Secretary shall calculate—

“(A) the recovery value of the collateral securing the loan, in accordance with paragraph (2); and

“(B) the value of the restructured loan, in accordance with paragraph (3).

“(2) RECOVERY VALUE.—For the purpose of paragraph (1), the recovery value of the collateral securing the loan shall be based on—

“(A) the amount of the current appraised value of the property securing the loan; less

“(B) the estimated administrative, legal, and other expenses associated with the liquidation and disposition of the loan and collateral, including—

“(i) the payment of prior liens;

“(ii) taxes and assessments, depreciation, management costs, the yearly percentage decrease or increase in the value of the property, and lost interest income, each calculated for the average holding period for the type of property involved;

Taxes.

“(iii) resale expenses, such as repairs, commissions, and advertising; and

“(iv) other administrative and attorney's costs.

“(3) VALUE OF THE RESTRUCTURED LOAN.—

“(A) IN GENERAL.—For the purpose of paragraph (1), the value of the restructured loan shall be based on the present value of payments that the borrower would make to the Federal Government if the terms of such loan were modified under any combination of primary loan service programs to ensure that the borrower is able to meet such obligations and continue farming operations.

“(B) PRESENT VALUE.—For the purpose of calculating the present value referred to in subparagraph (A), the Secretary shall use a discount rate of not more than the current rate on 90-day Treasury bills.

“(4) NOTIFICATION.—Within 60 days after receipt of a written request for restructuring from the borrower, the Secretary shall—

“(A) make the calculations specified in paragraphs (2) and (3);

“(B) notify the borrower in writing of the results of such calculations; and

“(C) provide documentation for the calculations.

“(5) RESTRUCTURING OF LOANS.—If the value of the restructured loan is greater than or equal to the recovery value, the Secretary shall, within 45 days after notifying the borrower of such calculations, offer to restructure the loan obligations of the borrower under this title through primary loan service programs that would enable the borrower to meet the obligations (as modified) under the loan and to continue the farming operations of the borrower. If the borrower accepts such offer, within 45 days after receipt of notice of acceptance, the Secretary shall restructure the loan accordingly.

“(6) TERMINATION OF LOAN OBLIGATIONS.—If the value of the restructured loan is less than the recovery value and if, within 45 days after receipt of the notification described in paragraph (4)(B), the borrower pays (or obtains third-party financing to pay) the Secretary an amount equal to the recovery value, the obligations of the borrower to the Secretary under the loan shall terminate, except that the Secretary may require, as a condition of such termination of loan obligations, that the borrower enter into an agreement with the Secretary if the borrower sells or otherwise conveys the real property used to secure such loan within 2 years after the date of such agreement. Any such agreement shall provide for the recapture of part or all of the difference between the recovery value of the loan and the fair market value (on the date of such agreement) of the property securing the loan if the borrower realizes a gain on the sale or conveyance over the amount of the recovery value of the loan. In no event shall any such agreement provide for recapture of an amount that exceeds the difference between such recovery

value and the fair market value of the property securing the loan on the date of such agreement.

“(d) **PRINCIPAL AND INTEREST WRITE-DOWN.**—

“(1) **IN GENERAL.**—

“(A) **PRIORITY CONSIDERATION.**—In selecting the restructuring alternatives to be used in the case of a borrower who has requested restructuring under this section, the Secretary shall give priority consideration to the use of principal and interest write-down, except that this procedure shall not be given first priority in the case of a borrower unless other creditors of such borrower (other than those creditors who are fully collateralized) representing a substantial portion of the total debt of the borrower held by such creditors, agree to participate in the development of the restructuring plan or agree to participate in a State mediation program.

“(B) **FAILURE OF CREDITORS TO AGREE.**—Failure of creditors to agree to participate in the restructuring plan or mediation program shall not preclude the use of principal and interest write-down by the Secretary if the Secretary determines that this restructuring alternative results in the least cost to the Secretary.

“(2) **PARTICIPATION OF CREDITORS.**—Before eliminating the option to use debt write-down in the case of a borrower, the Secretary shall make a reasonable effort to contact the creditors of such borrower, either directly or through the borrower, and encourage such creditors to participate with the Secretary in the development of a restructuring plan for the borrower.

“(e) **SHARED APPRECIATION ARRANGEMENTS.**—

“(1) **IN GENERAL.**—As a condition of restructuring a loan in accordance with this section, the borrower of the loan may be required to enter into a shared appreciation arrangement that requires the repayment of amounts written off or set aside.

“(2) **TERMS.**—Shared appreciation agreements shall have a term not to exceed 10 years, and shall provide for recapture based on the difference between the appraised values of the real security property at the time of restructuring and at the time of recapture.

“(3) **PERCENTAGE OF RECAPTURE.**—The amount of the appreciation to be recaptured by the Secretary shall be 75 percent of the appreciation in the value of such real security property if the recapture occurs within 4 years of the restructuring, and 50 percent if the recapture occurs during the remainder of the term of the agreement.

“(4) **TIME OF RECAPTURE.**—Recapture shall take place at the end of the term of the agreement, or sooner—

“(A) on the conveyance of the real security property;

“(B) on the repayment of the loans; or

“(C) if the borrower ceases farming operations.

“(5) **TRANSFER OF TITLE.**—Transfer of title to the spouse of a borrower on the death of such borrower shall not be treated as a conveyance for the purpose of paragraph (4).

“(f) **DETERMINATION TO RESTRUCTURE.**—If the appeal process results in a determination that a loan is eligible for restructuring, the Secretary shall restructure the loan in the manner consistent with this section, taking into consideration the restructuring recommendations, if any, of the appeals officer.

“(g) **PREREQUISITES TO FORECLOSURE OR LIQUIDATION.**—No foreclosure or other similar actions shall be taken to liquidate any loan determined to be ineligible for restructuring by the Secretary under this section—

“(1) until the borrower has been given the opportunity to appeal such decision; and

“(2) if the borrower appeals, the appeals process has been completed, and a determination has been made that the loan is ineligible for restructuring.

“(h) **TIME LIMITS FOR RESTRUCTURING.**—Once an appeal has been filed under section 333B, a decision shall be made at each level in the appeals process within 45 days after the receipt of the appeal or request for further review.

“(i) **NOTICE OF INELIGIBILITY FOR RESTRUCTURING.**—

“(1) **IN GENERAL.**—A notice of ineligibility for restructuring shall be sent to the borrower by registered or certified mail within 15 days after such determination.

“(2) **CONTENTS.**—The notice required under paragraph (1) shall contain—

“(A) the determination and the reasons for the determination;

“(B) the computations used to make the determination, including the calculation of the recovery value of the collateral securing the loan; and

“(C) a statement of the right of the borrower to appeal the decision to the appeals division, and to appear before a hearing officer.

“(j) **INDEPENDENT APPRAISALS.**—An appeal filed with the appeals division under section 333B may include a request by the borrower for an independent appraisal of any property securing the loan. On such request, the appeals division shall present the borrower with a list of three appraisers approved by the county supervisor, from which the borrower shall select an appraiser to conduct the appraisal, the cost of which shall be borne by the borrower. The results of such appraisal shall be considered in any final determination concerning the loan. A copy of any appraisal made under this paragraph shall be provided to the borrower.

“(k) **FUTURE CREDITWORTHINESS OF BORROWER DETERMINED WITHOUT REGARD TO RESTRUCTURING.**—The creditworthiness of, or the adequacy of collateral offered by, any borrower whose loan obligations are restructured under this section shall be determined without regard to such restructuring.”

(b) **OTHER RESTRUCTURING PROVISIONS.**—

(1) **OPTION TO RESTRUCTURE INTEREST RATES FOR CERTAIN WATER AND WASTE DISPOSAL AND COMMUNITY FACILITY BORROWERS.**—

SEC. 711. IMPROVEMENT OF SECONDARY MARKET OPERATIONS FOR LOANS GUARANTEED BY THE FARMERS HOME ADMINISTRATION.

(a) IN GENERAL.—Section 338 of the Consolidated Farm and Rural Development Act (7 U.S.C. 1988) is amended by adding at the end thereof the following:

“(f)(1)(A) The guaranteed portion of any loan made under this title may be sold by the lender, and by any subsequent holder, in accordance with regulations governing such sales as the Secretary shall establish, subject to the following limitations:

“(i) All fees due the Secretary with respect to a guaranteed loan are to be paid in full before any sale.

“(ii) The loan is to have been fully disbursed to the borrower before the sale.

“(B) After a loan is sold in the secondary market, the lender shall remain obligated under its guarantee agreement with the Secretary, and shall continue to service the loan in accordance with the terms and conditions of such agreement.

“(C) The Secretary shall develop such procedures as are necessary for the facilitation, administration, and promotion of secondary market operations, and for determining the increase of farmers' access to capital at reasonable rates and terms as a result of secondary market operations.

“(D) This subsection shall not be interpreted to impede or extinguish the right of the borrower or the successor in interest to such borrower to prepay (in whole or in part) any loan made under this title, or to impede or extinguish the rights of any party under any provision of this title.

“(2)(A) The Secretary may, directly or through a market maker approved by the Secretary, issue pool certificates representing ownership of part or all of the guaranteed portion of any loan guaranteed by the Secretary under this title. Such certificates shall be based on and backed by a pool established or approved by the

Contracts.

Secretary and composed solely of the entire guaranteed portion of such loans.

“(B) The Secretary may, on such terms and conditions as the Secretary deems appropriate, guarantee the timely payment of the principal and interest on pool certificates issued on behalf of the Secretary by approved market makers for purposes of this subsection. Such guarantee shall be limited to the extent of principal and interest on the guaranteed portions of loans that compose the pool. If a loan in such pool is prepaid, either voluntarily or by reason of default, the guarantee of timely payment of principal and interest on the pool certificates shall be reduced in proportion to the amount of principal and interest such prepaid loan represents in the pool. Interest on prepaid or defaulted loans shall accrue and be guaranteed by the Secretary only through the date of payment on the guarantee. During the term of the pool certificate, the certificate may be called for redemption due to prepayment or default of all loans constituting the pool.

“(C) The full faith and credit of the United States is pledged to the payment of all amounts that may be required to be paid under any guarantee of such pool certificates issued by approved market makers under this subsection. The Secretary may expend amounts in the Agricultural Credit Insurance Fund to make payments on such guarantees.

“(D) The Secretary shall not collect any fee for any guarantee under this subsection. The preceding sentence shall not preclude the Secretary from collecting a fee for the functions described in paragraph (3).

“(E) Within 30 days after a borrower of a guaranteed loan is in default of any principal or interest payment due for 60 days or more, the Secretary shall—

“(i) purchase the pool certificates representing ownership of the guaranteed portion of the loan; and

“(ii) pay the registered holder of the certificates an amount equal to the guaranteed portion of the loan represented by the certificate.

Claims.

“(F)(i) If the Secretary pays a claim under a guarantee issued under this subsection, the claim shall be subrogated fully to the rights satisfied by such payment, as may be provided by the Secretary.

“(ii) No State or local law, and no Federal law, shall preclude or limit the exercise by the Secretary of the Secretary's ownership rights in the portions of loans constituting the pool against which the certificates are issued.

“(3) On the adoption of final rules and regulations, the Secretary shall do the following:

“(A) Provide for the central collection of registration information from all participating market makers for all loans and pool certificates sold under paragraphs (1) and (2). Such information shall include, with respect to each original sale and any subsequent sale, identification of the interest rate paid by the borrower to the lender, the lender's servicing fee, whether interest on the loan is at a fixed or variable rate, identification of each purchaser of a pool certificate, the interest rate paid on the certificate, and such other information as the Secretary deems appropriate.

“(B) Before any sale, require the seller to disclose to each prospective purchaser of the portion of a loan guaranteed under

this title and to each prospective purchaser of a pool certificate issued under paragraph (2), information on the terms, conditions, and yield of such instrument. As used in this subparagraph, if the instrument being sold is a loan, the term 'seller' does not include (i) the person who made the loan or (ii) any person who sells three or fewer guaranteed loans per year.

"(C) Provide for adequate custody of any pooled guaranteed loans.

"(D) Take such actions as are necessary, in restructuring pools of the guaranteed portion of loans, to minimize the estimated costs of paying claims under guarantees issued under this subsection.

"(E) Require each market maker—

"(i) to service all pools formed, and participations sold, by the market maker; and

"(ii) to provide the Secretary with information relating to the collection and disbursement of all periodic payments, prepayments, and default funds from lenders, to or from the reserve fund that the Secretary shall establish to enable the timely payment guarantee to be self-funding, and from all beneficial holders.

"(F) Regulate market makers in pool certificates sold under this subsection.

"(4)(A) Not later than March 31 of each year, the Secretary shall transmit to the Committee on Agriculture, Nutrition, and Forestry of the Senate and the Committee on Agriculture of the House of Representatives a report on the secondary market operations under this subsection during the preceding calendar year.

Reports.

"(B) Each report under subparagraph (A) shall include—

"(i) the number and the total dollar amount of loans sold in the secondary market and the distribution of such loans by size of loan, size of lender, geographic location of lender, interest rate, maturity, lender servicing fees, whether the interest rate is fixed or variable, and premium paid;

"(ii) the number and dollar amount of loans resold in the secondary market and the distribution of such loans by size of loan, interest rate, and premiums;

"(iii) the number and total dollar amount of pools formed;
