(2) For purposes of this section, an individual shall be treated as eligible to receive medical assistance under the plan of the State approved under subchapter XIX of this chapter if, for the month in which the modification is entered into under this subsection or for any month thereafter, he has been determined to be eligible to receive medical assistance under such plan. In the case of any individual who would (but for this subsection) be excluded from the agreement, subsections (c) and (d)(2) of this section shall be applied as if they referred to the modification under this subsection (in lieu of the agreement under subsection (a) of this section), and subsection (d)(2)(C) of this section shall be applied (except in the case of qualified medicare beneficiaries, as defined in section 1396d(p)(1) of this title) by substituting “second month following the first month” for “first month”.
