Pub. L. 98-369, div. A, title V, §558(a), (c), (d), July 18, 1984, 98 Stat. 899, provided that:

“(a) IN GENERAL.—

“(1) LIABILITY.—Any withdrawal liability incurred by an employer pursuant to part 1 of subtitle E of title IV of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1381 et seq.) as a result of the complete or partial withdrawal of such employer from a multiemployer plan before September 26, 1980, shall be void.

“(2) REFUNDS.—Any amounts paid by an employer to a plan sponsor as a result of such withdrawal liability shall be refunded by the plan sponsor to the employer with interest (in accordance with section 401(a)(2) [26 U.S.C. 401(a)(2)]), less a reasonable amount for administrative expenses incurred by the plan sponsor (other than legal expenses incurred with respect to the plan) in calculating, assessing, and refunding such amounts.

“(c) NO INCREASE IN LIABILITY.—The amendments made by this section [amending sections 1391, 1397, 1399, 1415 and 1461 of this title and provisions set out as a note under section 1385 of this title] shall not be construed to increase the liability incurred by any employer pursuant to part 1 of subtitle E of title IV of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1381 et seq.), as in effect immediately before the amendments made by subsection (b) [amending sections 1391, 1397, 1399, 1415, and 1461 of this title and provisions set out as a note under section 1385 of this title], as a result of the complete or partial withdrawal of such employer from a multiemployer plan prior to September 26, 1980.

“(d) SPECIAL RULE FOR CERTAIN BINDING AGREEMENTS.—In the case of an employer who, on September 26, 1980, has a binding agreement to withdraw from a multiemployer plan, subsection (a)(1) shall be applied by substituting ‘December 31, 1980’ for ‘September 26, 1980.’”

APPLICABILITY TO CERTAIN EMPLOYERS WITHDRAWN BEFORE SEPT. 26, 1980, FROM MULTIEMPLOYER PLAN COVERING EMPLOYEES IN SEAGOING INDUSTRY; EFFECTIVE DATE, COVERAGE, ETC.

Section 108(c)(4) of Pub. L. 96-364 provided that: “In the case of an employer who withdrew before the date of enactment of this Act [Sept. 26, 1980] from a multiemployer plan covering employees in the seagoing industry (as determined by the corporation), sections 4201 through 4219 of the Employee Retirement Income Security Act of 1974, as added by this Act, [section 1381 through 1399 of this title], are effective as of May 3, 1979. For the purpose of applying section 4217 [section 1397 of this title] for purposes of the preceding sentence, the date ‘May 2, 1979,’ shall be substituted for ‘April 28, 1980,’ and the date ‘May 3, 1979’ shall be substituted for ‘April 29, 1980’. For purposes of this paragraph, terms which are used in title IV of the Employee Retirement Income Security Act of 1974 [this subchapter], or in regulations prescribed under that title, and which are used in the preceding sentence have the same meaning as when used in that Act [see Short Title note set out under sections 1001 of this title] or those regulations. For purposes of this paragraph, the term ‘employer’ includes only a substantial employer covering employees in the seagoing industry (as so determined) in connection with ports on the West Coast of the United States, but does not include an employer who withdrew from a plan because of a change in the collective bargaining representative.”

§ 1382. Determination and collection of liability; notification of employer

When an employer withdraws from a multiemployer plan, the plan sponsor, in accordance with this part, shall—

- (1) determine the amount of the employer’s withdrawal liability,
- (2) notify the employer of the amount of the withdrawal liability, and
- (3) collect the amount of the withdrawal liability from the employer.

(Pub. L. 93-406, title IV, §4202, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1218.)

§ 1383. Complete withdrawal**(a) Determinative factors**

For purposes of this part, a complete withdrawal from a multiemployer plan occurs when an employer—

- (1) permanently ceases to have an obligation to contribute under the plan, or
- (2) permanently ceases all covered operations under the plan.

(b) Building and construction industry

(1) Notwithstanding subsection (a) of this section, in the case of an employer that has an obligation to contribute under a plan for work performed in the building and construction industry, a complete withdrawal occurs only as described in paragraph (2), if—

- (A) substantially all the employees with respect to whom the employer has an obligation to contribute under the plan perform work in the building and construction industry, and
- (B) the plan—
 - (i) primarily covers employees in the building and construction industry, or
 - (ii) is amended to provide that this subsection applies to employers described in this paragraph.

(2) A withdrawal occurs under this paragraph if—

- (A) an employer ceases to have an obligation to contribute under the plan, and
- (B) the employer—

- (i) continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required, or
- (ii) resumes such work within 5 years after the date on which the obligation to contribute under the plan ceases, and does not renew the obligation at the time of the resumption.

(3) In the case of a plan terminated by mass withdrawal (within the meaning of section 1341a(a)(2) of this title), paragraph (2) shall be applied by substituting “3 years” for “5 years” in subparagraph (B)(ii).

(c) Entertainment industry

(1) Notwithstanding subsection (a) of this section, in the case of an employer that has an obligation to contribute under a plan for work performed in the entertainment industry, primarily on a temporary or project-by-project basis, if the plan primarily covers employees in the en-

tainment industry, a complete withdrawal occurs only as described in subsection (b)(2) of this section applied by substituting “plan” for “collective bargaining agreement” in subparagraph (B)(i) thereof.

(2) For purposes of this subsection, the term “entertainment industry” means—

(A) theater, motion picture (except to the extent provided in regulations prescribed by the corporation), radio, television, sound or visual recording, music, and dance, and

(B) such other entertainment activities as the corporation may determine to be appropriate.

(3) The corporation may by regulation exclude a group or class of employers described in the preceding sentence from the application of this subsection if the corporation determines that such exclusion is necessary—

(A) to protect the interest of the plan’s participants and beneficiaries, or

(B) to prevent a significant risk of loss to the corporation with respect to the plan.

(4) A plan may be amended to provide that this subsection shall not apply to a group or class of employers under the plan.

(d) Other determinative factors

(1) Notwithstanding subsection (a) of this section, in the case of an employer who—

(A) has an obligation to contribute under a plan described in paragraph (2) primarily for work described in such paragraph, and

(B) does not continue to perform work within the jurisdiction of the plan,

a complete withdrawal occurs only as described in paragraph (3).

(2) A plan is described in this paragraph if substantially all of the contributions required under the plan are made by employers primarily engaged in the long and short haul trucking industry, the household goods moving industry, or the public warehousing industry.

(3) A withdrawal occurs under this paragraph if—

(A) an employer permanently ceases to have an obligation to contribute under the plan or permanently ceases all covered operations under the plan, and

(B) either—

(i) the corporation determines that the plan has suffered substantial damage to its contribution base as a result of such cessation, or

(ii) the employer fails to furnish a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to 50 percent of the withdrawal liability of the employer.

(4) If, after an employer furnishes a bond or escrow to a plan under paragraph (3)(B)(ii), the corporation determines that the cessation of the employer’s obligation to contribute under the plan (considered together with any cessations by other employers), or cessation of covered operations under the plan, has resulted in substantial damage to the contribution base of the plan,

the employer shall be treated as having withdrawn from the plan on the date on which the obligation to contribute or covered operations ceased, and such bond or escrow shall be paid to the plan. The corporation shall not make a determination under this paragraph more than 60 months after the date on which such obligation to contribute or covered operations ceased.

(5) If the corporation determines that the employer has no further liability under the plan either—

(A) because it determines that the contribution base of the plan has not suffered substantial damage as a result of the cessation of the employer’s obligation to contribute or cessation of covered operations (considered together with any cessation of contribution obligation, or of covered operations, with respect to other employers), or

(B) because it may not make a determination under paragraph (4) because of the last sentence thereof,

then the bond shall be cancelled or the escrow refunded.

(6) Nothing in this subsection shall be construed as a limitation on the amount of the withdrawal liability of any employer.

(e) Date of complete withdrawal

For purposes of this part, the date of a complete withdrawal is the date of the cessation of the obligation to contribute or the cessation of covered operations.

(f) Special liability withdrawal rules for industries other than construction and entertainment industries; procedures applicable to amend plans

(1) The corporation may prescribe regulations under which plans in industries other than the construction or entertainment industries may be amended to provide for special withdrawal liability rules similar to the rules described in subsections (b) and (c) of this section.

(2) Regulations under paragraph (1) shall permit use of special withdrawal liability rules—

(A) only in industries (or portions thereof) in which, as determined by the corporation, the characteristics that would make use of such rules appropriate are clearly shown, and

(B) only if the corporation determines, in each instance in which special withdrawal liability rules are permitted, that use of such rules will not pose a significant risk to the corporation under this subchapter.

(Pub. L. 93-406, title IV, §4203, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1218.)

§ 1384. Sale of assets

(a) Complete or partial withdrawal not occurring as a result of sale and subsequent cessation of covered operations or cessation of obligation to contribute to covered operations; continuation of liability of seller

(1) A complete or partial withdrawal of an employer (hereinafter in this section referred to as the “seller”) under this section does not occur solely because, as a result of a bona fide, arm’s-length sale of assets to an unrelated party (here-

inafter in this section referred to as the “purchaser”), the seller ceases covered operations or ceases to have an obligation to contribute for such operations, if—

(A) the purchaser has an obligation to contribute to the plan with respect to the operations for substantially the same number of contribution base units for which the seller had an obligation to contribute to the plan;

(B) the purchaser provides to the plan for a period of 5 plan years commencing with the first plan year beginning after the sale of assets, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the greater of—

(i) the average annual contribution required to be made by the seller with respect to the operations under the plan for the 3 plan years preceding the plan year in which the sale of the employer’s assets occurs, or

(ii) the annual contribution that the seller was required to make with respect to the operations under the plan for the last plan year before the plan year in which the sale of the assets occurs,

which bond or escrow shall be paid to the plan if the purchaser withdraws from the plan, or fails to make a contribution to the plan when due, at any time during the first 5 plan years beginning after the sale; and

(C) the contract for sale provides that, if the purchaser withdraws in a complete withdrawal, or a partial withdrawal with respect to operations, during such first 5 plan years, the seller is secondarily liable for any withdrawal liability it would have had to the plan with respect to the operations (but for this section) if the liability of the purchaser with respect to the plan is not paid.

(2) If the purchaser—

(A) withdraws before the last day of the fifth plan year beginning after the sale, and

(B) fails to make any withdrawal liability payment when due,

then the seller shall pay to the plan an amount equal to the payment that would have been due from the seller but for this section.

(3)(A) If all, or substantially all, of the seller’s assets are distributed, or if the seller is liquidated before the end of the 5 plan year period described in paragraph (1)(C), then the seller shall provide a bond or amount in escrow equal to the present value of the withdrawal liability the seller would have had but for this subsection.

(B) If only a portion of the seller’s assets are distributed during such period, then a bond or escrow shall be required, in accordance with regulations prescribed by the corporation, in a manner consistent with subparagraph (A).

(4) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon payment of the bond or escrow to the plan, by the amount thereof.

(b) Liability of purchaser

(1) For the purposes of this part, the liability of the purchaser shall be determined as if the

purchaser had been required to contribute to the plan in the year of the sale and the 4 plan years preceding the sale the amount the seller was required to contribute for such operations for such 5 plan years.

(2) If the plan is in reorganization in the plan year in which the sale of assets occurs, the purchaser shall furnish a bond or escrow in an amount equal to 200 percent of the amount described in subsection (a)(1)(B) of this section.

(c) Variances or exemptions from continuation of liability of seller; procedures applicable

The corporation may by regulation vary the standards in subparagraphs (B) and (C) of subsection (a)(1) of this section if the variance would more effectively or equitably carry out the purposes of this subchapter. Before it promulgates such regulations, the corporation may grant individual or class variances or exemptions from the requirements of such subparagraphs if the particular case warrants it. Before granting such an individual or class variance or exemption, the corporation—

(1) shall publish notice in the Federal Register of the pendency of the variance or exemption,

(2) shall require that adequate notice be given to interested persons, and

(3) shall afford interested persons an opportunity to present their views.

(d) “Unrelated party” defined

For purposes of this section, the term “unrelated party” means a purchaser or seller who does not bear a relationship to the seller or purchaser, as the case may be, that is described in section 267(b) of title 26, or that is described in regulations prescribed by the corporation applying principles similar to the principles of such section.

(Pub. L. 93-406, title IV, § 4204, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1220; amended Pub. L. 101-239, title VII, § 7891(a)(1), Dec. 19, 1989, 103 Stat. 2445.)

AMENDMENTS

1989—Subsec. (d). Pub. L. 101-239 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1385. Partial withdrawals

(a) Determinative factors

Except as otherwise provided in this section, there is a partial withdrawal by an employer from a plan on the last day of a plan year if for such plan year—

(1) there is a 70-percent contribution decline,

or

(2) there is a partial cessation of the employer’s contribution obligation.

(b) Criteria applicable

For purposes of subsection (a) of this section—

(1)(A) There is a 70-percent contribution decline for any plan year if during each plan year in the 3-year testing period the employer's contribution base units do not exceed 30 percent of the employer's contribution base units for the high base year.

(B) For purposes of subparagraph (A)—

(i) The term “3-year testing period” means the period consisting of the plan year and the immediately preceding 2 plan years.

(ii) The number of contribution base units for the high base year is the average number of such units for the 2 plan years for which the employer's contribution base units were the highest within the 5 plan years immediately preceding the beginning of the 3-year testing period.

(2)(A) There is a partial cessation of the employer's contribution obligation for the plan year if, during such year—

(i) the employer permanently ceases to have an obligation to contribute under one or more but fewer than all collective bargaining agreements under which the employer has been obligated to contribute under the plan but continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required or transfers such work to another location or to an entity or entities owned or controlled by the employer, or

(ii) an employer permanently ceases to have an obligation to contribute under the plan with respect to work performed at one or more but fewer than all of its facilities, but continues to perform work at the facility of the type for which the obligation to contribute ceased.

(B) For purposes of subparagraph (A), a cessation of obligations under a collective bargaining agreement shall not be considered to have occurred solely because, with respect to the same plan, one agreement that requires contributions to the plan has been substituted for another agreement.

(c) Retail food industry

(1) In the case of a plan in which a majority of the covered employees are employed in the retail food industry, the plan may be amended to provide that this section shall be applied with respect to such plan—

(A) by substituting “35 percent” for “70 percent” in subsections (a) and (b) of this section, and

(B) by substituting “65 percent” for “30 percent” in subsection (b) of this section.

(2) Any amendment adopted under paragraph (1) shall provide rules for the equitable reduction of withdrawal liability in any case in which the number of the plan's contribution base units, in the 2 plan years following the plan year of withdrawal of the employer, is higher than such number immediately after the withdrawal.

(3) Section 1388 of this title shall not apply to a plan which has been amended under paragraph (1).

(d) Continuation of liability of employer for partial withdrawal under amended plan

In the case of a plan described in section 404(c) of title 26, or a continuation thereof, the plan may be amended to provide rules setting forth other conditions consistent with the purposes of this chapter under which an employer has liability for partial withdrawal.

“(i) the employer is engaged in the trade or business of shipping bulk cargoes in the Great Lakes Maritime Industry, and whose fleet consists of vessels the gross registered tonnage of which was at least 7,800, as stated in the American Bureau of Shipping Record, and

“(ii) whose fleet during any 5 years from the period 1970 through and including 1979 has experienced a 33 percent or more increase in the contribution units as

measured from the average annual contribution units for the calendar years 1970 and 1971.”

APPLICABILITY TO SPECIFIED PLAN YEAR, CESSATION OF CONTRIBUTION OBLIGATIONS, AND CONTRIBUTION BASE UNITS OF EMPLOYER

Section 108(d) of Pub. L. 96-364, as amended by Pub. L. 98-369, div. A, title V, §558(b)(2), July 18, 1984, 98 Stat. 899, provided that: “For purposes of section 4205 of the Employee Retirement Income Security Act of 1974 [this section]—

“(1) subsection (a)(1) of such section shall not apply to any plan year beginning before September 26, 1982,

“(2) subsection (a)(2) of such section shall not apply with respect to any cessation of contribution obligations occurring before September 26, 1980, and

“(3) in applying subsection (b) of such section, the employer’s contribution base units for any plan year ending before September 26, 1980, shall be deemed to be equal to the employer’s contribution base units for the last plan year ending before such date.”

LIABILITY OF CERTAIN EMPLOYERS ANNOUNCING PUBLICLY BEFORE DECEMBER 13, 1979, TOTAL CESSATION OF COVERED OPERATIONS AT A FACILITY IN A STATE; AMOUNT, COVERAGE, DETERMINATIVE FACTORS, ETC.

Section 108(e) of Pub. L. 96-364 provided that:

“(1) In the case of a partial withdrawal under section 4205 of the Employee Retirement Income Security Act of 1974 [this section], an employer who—

“(A) before December 13, 1979, had publicly announced the total cessation of covered operations at a facility in a State (and such cessation occurred within 12 months after the announcement),

“(B) had not been obligated to make contributions to the plan on behalf of the employees at such facility for more than 8 years before the discontinuance of contributions, and

“(C) after the discontinuance of contributions does not within 1 year after the date of the partial withdrawal perform work in the same State of the type for which contributions were previously required, shall be liable under such section with respect to such partial withdrawal in an amount not greater than the amount determined under paragraph (2).

“(2) The amount determined under this paragraph is the excess (if any) of—

“(A) the present value (on the withdrawal date) of the benefits under the plan which—

“(i) were vested on the withdrawal date (or, if earlier, at the time of separation from service with the employer at the facility),

“(ii) were accrued by employees who on December 13, 1979 (or, if earlier, at the time of separation from service with the employer at the facility), were employed at the facility, and

“(iii) are attributable to service with the withdrawing employer, over

“(B)(i) the sum of—

“(I) all employer contributions to the plan on behalf of employees at the facility before the withdrawal date,

“(II) interest (to the withdrawal date) on amounts described in subclause (I), and

“(III) \$100,000, reduced by

“(ii) the sum of—

“(I) the benefits paid under the plan on or before the withdrawal date with respect to former employees who separated from employment at the facility, and

“(II) interest (to the withdrawal date) on amounts described in subclause (I).

“(3) For purposes of paragraph (2)—

“(A) actuarial assumptions shall be those used in the last actuarial report completed before December 13, 1979,

“(B) the term ‘withdrawal date’ means the date on which the employer ceased work at the facility of the type for which contributions were previously required, and

“(C) the term ‘facility’ means the facility referred to in paragraph (1).”

§ 1386. Adjustment for partial withdrawal; determination of amount; reduction for partial withdrawal liability; procedures applicable

(a) The amount of an employer’s liability for a partial withdrawal, before the application of sections 1399(c)(1) and 1405 of this title, is equal to the product of—

(1) the amount determined under section 1391 of this title, and adjusted under section 1389 of this title if appropriate, determined as if the employer had withdrawn from the plan in a complete withdrawal—

(A) on the date of the partial withdrawal, or

(B) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), on the last day of the first plan year in the 3-year testing period,

multiplied by

(2) a fraction which is 1 minus a fraction—

(A) the numerator of which is the employer’s contribution base units for the plan year following the plan year in which the partial withdrawal occurs, and

(B) the denominator of which is the average of the employer’s contribution base units for—

(i) except as provided in clause (ii), the 5 plan years immediately preceding the plan year in which the partial withdrawal occurs, or

(ii) in the case of a partial withdrawal described in section 1385(a)(1) of this title (relating to 70-percent contribution decline), the 5 plan years immediately preceding the beginning of the 3-year testing period.

(b)(1) In the case of an employer that has withdrawal liability for a partial withdrawal from a plan, any withdrawal liability of that employer for a partial or complete withdrawal from that plan in a subsequent plan year shall be reduced by the amount of any partial withdrawal liability (reduced by any abatement or reduction of such liability) of the employer with respect to the plan for a previous plan year.

(2) The corporation shall prescribe such regulations as may be necessary to provide for proper adjustments in the reduction provided by paragraph (1) for—

(A) changes in unfunded vested benefits arising after the close of the prior year for which partial withdrawal liability was determined,

(B) changes in contribution base units occurring after the close of the prior year for which partial withdrawal liability was determined, and

(C) any other factors for which it determines adjustment to be appropriate,

so that the liability for any complete or partial withdrawal in any subsequent year (after the application of the reduction) properly reflects the employer’s share of liability with respect to the plan.

(Pub. L. 93-406, title IV, §4206, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1222.)

§ 1387. Reduction or waiver of complete withdrawal liability; procedures and standards applicable

(a) The corporation shall provide by regulation for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from a plan subsequently resumes covered operations under the plan or renews an obligation to contribute under the plan, to the extent that the corporation determines that reduction or waiver of withdrawal liability is consistent with the purposes of this chapter.

(b) The corporation shall prescribe by regulation a procedure and standards for the amendment of plans to provide alternative rules for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from the plan subsequently resumes covered operations or renews an obligation to contribute under the plan. The rules may apply only to the extent that the rules are consistent with the purposes of this chapter.

§ 1388. Reduction of partial withdrawal liability

(a) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year following the partial withdrawal year; criteria applicable; furnishing of bond in lieu of payment of partial withdrawal liability

(1) If, for any 2 consecutive plan years following the plan year in which an employer has partially withdrawn from a plan under section 1385(a)(1) of this title (referred to elsewhere in this section as the "partial withdrawal year"), the number of contribution base units with respect to which the employer has an obligation to contribute under the plan for each such year is not less than 90 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute under the plan for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title), then the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second consecutive plan year following the partial withdrawal year.

(2)(A) For any plan year for which the number of contribution base units with respect to which an employer who has partially withdrawn under section 1385(a)(1) of this title has an obligation to contribute under the plan equals or exceeds the number of units for the highest year determined under paragraph (1) without regard to "90 percent of", the employer may furnish (in lieu of

payment of the partial withdrawal liability determined under section 1386 of this title) a bond to the plan in the amount determined by the plan sponsor (not exceeding 50 percent of the annual payment otherwise required).

(B) If the plan sponsor determines under paragraph (1) that the employer has no further liability to the plan for the partial withdrawal, then the bond shall be cancelled.

(C) If the plan sponsor determines under paragraph (1) that the employer continues to have liability to the plan for the partial withdrawal, then—

(i) the bond shall be paid to the plan,

(ii) the employer shall immediately be liable for the outstanding amount of liability due with respect to the plan year for which the bond was posted, and

(iii) the employer shall continue to make the partial withdrawal liability payments as they are due.

(b) Obligation of employer for payments for partial withdrawal for plan years beginning after the second consecutive plan year; other criteria applicable

If—

(1) for any 2 consecutive plan years following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for each such year exceeds 30 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute for the high base year (within the meaning of section 1385(b)(1)(B)(ii) of this title,¹ and

(2) the total number of contribution base units with respect to which all employers under the plan have obligations to contribute in each of such 2 consecutive years is not less than 90 percent of the total number of contribution base units for which all employers had obligations to contribute in the partial withdrawal plan year;

then, the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second such consecutive plan year.

(c) Pro rata reduction of amount of partial withdrawal liability payment of employer for plan year following partial withdrawal year

In any case in which, in any plan year following a partial withdrawal under section 1385(a)(1) of this title, the number of contribution base units with respect to which the employer has an obligation to contribute for such year equals or exceeds 110 percent (or such other percentage as the plan may provide by amendment and which is not prohibited under regulations prescribed by the corporation) of the number of contribution base units with respect to which the employer had an obligation to contribute in the partial withdrawal year, then the amount of the employer's partial withdrawal liability payment for such year shall be reduced pro rata, in accordance with regulations prescribed by the corporation.

¹ So in original. Probably should be "title".

(d) Building and construction industry; entertainment industry

(1) An employer to whom section 1383(b)² of this title (relating to the building and construction industry) applies is liable for a partial withdrawal only if the employer's obligation to contribute under the plan is continued for no more than an insubstantial portion of its work in the craft and area jurisdiction of the collective bargaining agreement of the type for which contributions are required.

(2) An employer to whom section 1383(c)² of this title (relating to the entertainment industry) applies shall have no liability for a partial withdrawal except under the conditions and to the extent prescribed by the corporation by regulation.

(e) Reduction or elimination of partial withdrawal liability under any conditions; criteria; procedures applicable

(1) The corporation may prescribe regulations providing for the reduction or elimination of partial withdrawal liability under any conditions with respect to which the corporation determines that reduction or elimination of partial withdrawal liability is consistent with the purposes of this chapter.

(2) Under such regulations, reduction of withdrawal liability shall be provided only with respect to subsequent changes in the employer's contributions for the same operations, or under the same collective bargaining agreement, that gave rise to the partial withdrawal, and changes in the employer's contribution base units with respect to other facilities or other collective bargaining agreements shall not be taken into account.

(3) The corporation shall prescribe by regulation a procedure by which a plan may by amendment adopt rules for the reduction or elimination of partial withdrawal liability under any other conditions, subject to the approval of the corporation based on its determination that adoption of such rules by the plan is consistent with the purposes of this chapter.

§ 1389. De minimis rule**(a) Reduction of unfunded vested benefits allocable to employer withdrawn from plan**

Except in the case of a plan amended under subsection (b) of this section, the amount of the unfunded vested benefits allocable under section 1391 of this title to an employer who withdraws from a plan shall be reduced by the smaller of—

- (1) $\frac{3}{4}$ of 1 percent of the plan's unfunded vested obligations (determined as of the end of the plan year ending before the date of withdrawal), or
- (2) \$50,000,

reduced by the amount, if any, by which the unfunded vested benefits allowable to the employer, determined without regard to this subsection, exceeds \$100,000.

(b) Amendment of plan for reduction of amount of unfunded vested benefits allocable to employer withdrawn from plan

A plan may be amended to provide for the reduction of the amount determined under section 1391 of this title by not more than the greater of—

- (1) the amount determined under subsection (a) of this section, or
- (2) the lesser of—
 - (A) the amount determined under subsection (a)(1) of this section, or
 - (B) \$100,000,

reduced by the amount, if any, by which the amount determined under section 1391 of this title for the employer, determined without regard to this subsection, exceeds \$150,000.

(c) Nonapplicability

This section does not apply—

- (1) to an employer who withdraws in a plan year in which substantially all employers withdraw from the plan, or
- (2) in any case in which substantially all employers withdraw from the plan during a period of one or more plan years pursuant to an agreement or arrangement to withdraw, to an employer who withdraws pursuant to such agreement or arrangement.

(d) Presumption of employer withdrawal from plan pursuant to agreement or arrangement applicable in action or proceeding to determine or collect withdrawal liability

In any action or proceeding to determine or collect withdrawal liability, if substantially all employers have withdrawn from a plan within a period of 3 plan years, an employer who has withdrawn from such plan during such period shall be presumed to have withdrawn from the plan pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(Pub. L. 93-406, title IV, § 4209, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1225.)

§ 1390. Nonapplicability of withdrawal liability for certain temporary contribution obligation periods; exception

(a) An employer who withdraws from a plan in complete or partial withdrawal is not liable to the plan if the employer—

(1) first had an obligation to contribute to the plan after September 26, 1980,

(2) had an obligation to contribute to the plan for no more than the lesser of—

(A) 6 consecutive plan years preceding the date on which the employer withdraws, or

(B) the number of years required for vesting under the plan,

(3) was required to make contributions to the plan for each such plan year in an amount equal to less than 2 percent of the sum of all employer contributions made to the plan for each such year, and

(4) has never avoided withdrawal liability because of the application of this section with respect to the plan.

(b) Subsection (a) of this section shall apply to an employer with respect to a plan only if—

(1) the plan is amended to provide that subsection (a) of this section applies;

(2) the plan provides, or is amended to provide, that the reduction under section 411(a)(3)(E) of title 26 applies with respect to the employees of the employer; and

(3) the ratio of the assets of the plan for the plan year preceding the first plan year for which the employer was required to contribute to the plan to the benefit payments made during that plan year was at least 8 to 1.

AMENDMENTS

2006—Subsec. (b)(1) to (4). Pub. L. 109-280 redesignated pars. (2) to (4) as (1) to (3), respectively, and struck out former par. (1) which read as follows: “the plan is not a plan which primarily covers employees in the building and construction industry;”.

1989—Subsec. (b)(3). Pub. L. 101-239 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

EFFECTIVE DATE OF 2006 AMENDMENT

Pub. L. 109-280, title II, § 204(c)(3), Aug. 17, 2006, 120 Stat. 887, provided that: “The amendments made by this subsection [amending this section and section 1391 of this title] shall apply with respect to plan withdrawals occurring on or after January 1, 2007.”

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1391. Methods for computing withdrawal liability

(a) Determination of amount of unfunded vested benefits allocable to employer withdrawn from plan

The amount of the unfunded vested benefits allocable to an employer that withdraws from a plan shall be determined in accordance with subsection (b), (c), or (d) of this section.

(b) Factors determining computation of amount of unfunded vested benefits allocable to employer withdrawn from plan

(1) Except as provided in subsections (c) and (d) of this section, the amount of unfunded vested benefits allocable to an employer that withdraws is the sum of—

(A) the employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, as determined under paragraph (2),

(B) the employer’s proportional share, if any, of the unamortized amount of the plan’s unfunded vested benefits at the end of the plan year ending before September 26, 1980, as determined under paragraph (3); and

(C) the employer’s proportional share of the unamortized amounts of the reallocated unfunded vested benefits (if any) as determined under paragraph (4).

If the sum of the amounts determined with respect to an employer under paragraphs (2), (3), and (4) is negative, the unfunded vested benefits allocable to the employer shall be zero.

(2)(A) An employer’s proportional share of the unamortized amount of the change in the plan’s unfunded vested benefits for plan years ending after September 25, 1980, is the sum of the employer’s proportional shares of the unamortized amount of the change in unfunded vested benefits for each plan year in which the employer has an obligation to contribute under the plan ending—

(i) after such date, and

(ii) before the plan year in which the withdrawal of the employer occurs.

(B) The change in a plan’s unfunded vested benefits for a plan year is the amount by which—

(i) the unfunded vested benefits at the end of the plan year; exceeds

(ii) the sum of—

(I) the unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, and

(II) the sum of the unamortized amounts of the change in unfunded vested benefits for each plan year ending after September 25, 1980, and preceding the plan year for which the change is determined.

(C) The unamortized amount of the change in a plan’s unfunded vested benefits with respect to a plan year is the change in unfunded vested benefits for the plan year, reduced by 5 percent of such change for each succeeding plan year.

(D) The unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, is the amount of the unfunded vested benefits as of the end of that plan year reduced by 5 percent of such amount for each succeeding plan year.

(E) An employer’s proportional share of the unamortized amount of a change in unfunded vested benefits is the product of—

(i) the unamortized amount of such change (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of the contributions required to be made under the plan by the employer for the year in which such change arose and for the 4 preceding plan years, and

(II) the denominator of which is the sum for the plan year in which such change arose and the 4 preceding plan years of all contributions made by employers who had an obligation to contribute under the plan for the plan year in which such change arose reduced by the contributions made in such years by employers who had withdrawn from the plan in the year in which the change arose.

(3) An employer's proportional share of the unamortized amount of the plan's unfunded vested benefits for the last plan year ending before September 26, 1980, is the product of—

(A) such unamortized amount; multiplied by—

(B) a fraction—

(i) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the most recent 5 plan years ending before September 26, 1980, and

(ii) the denominator of which is the sum of all contributions made for the most recent 5 plan years ending before September 26, 1980, by all employers—

(I) who had an obligation to contribute under the plan for the first plan year ending on or after such date, and

(II) who had not withdrawn from the plan before such date.

(4)(A) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits is the sum of the employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits for each plan year ending before the plan year in which the employer withdrew from the plan.

(B) Except as otherwise provided in regulations prescribed by the corporation, the reallocated unfunded vested benefits for a plan year is the sum of—

(i) any amount which the plan sponsor determines in that plan year to be uncollectible for reasons arising out of cases or proceedings under title 11, or similar proceedings.¹

(ii) any amount which the plan sponsor determines in that plan year will not be assessed as a result of the operation of section 1389, 1399(c)(1)(B), or 1405 of this title against an employer to whom a notice described in section 1399 of this title has been sent, and

(iii) any amount which the plan sponsor determines to be uncollectible or unassessable in that plan year for other reasons under standards not inconsistent with regulations prescribed by the corporation.

(C) The unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the reallocated unfunded vested benefits for the plan year, reduced by 5 percent

of such reallocated unfunded vested benefits for each succeeding plan year.

(D) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the product of—

(i) the unamortized amount of the reallocated unfunded vested benefits (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) the fraction defined in paragraph (2)(E)(ii).

(c) Amendment of multiemployer plan for determination respecting amount of unfunded vested benefits allocable to employer withdrawn from plan; factors determining computation of amount

(1) A multiemployer plan, other than a plan which primarily covers employees in the building and construction industry, may be amended to provide that the amount of unfunded vested benefits allocable to an employer that withdraws from the plan is an amount determined under paragraph (2), (3), (4), or (5) of this subsection, rather than under subsection (b) or (d) of this section. A plan described in section 1383(b)(1)(B)(i) of this title (relating to the building and construction industry) may be amended, to the extent provided in regulations prescribed by the corporation, to provide that the amount of the unfunded vested benefits allocable to an employer not described in section 1383(b)(1)(A) of this title shall be determined in a manner different from that provided in subsection (b) of this section.

(2)(A) The amount of the unfunded vested benefits allocable to any employer under this paragraph is the sum of the amounts determined under subparagraphs (B) and (C).

(B) The amount determined under this subparagraph is the product of—

(i) the plan's unfunded vested benefits as of the end of the last plan year ending before September 26, 1980, reduced as if those obligations were being fully amortized in level annual installments over 15 years beginning with the first plan year ending on or after such date; multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the last 5 plan years ending before September 26, 1980, and

(II) the denominator of which is the sum of all contributions made for the last 5 plan years ending before September 26, 1980, by all employers who had an obligation to contribute under the plan for the first plan year ending after September 25, 1980, and who had not withdrawn from the plan before such date.

(C) The amount determined under this subparagraph is the product of—

(i) an amount equal to—

(I) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less

(II) the sum of the value as of such date of all outstanding claims for withdrawal liabil-

¹ So in original. The period probably should be a comma.

ity which can reasonably be expected to be collected, with respect to employers withdrawing before such plan year, and that portion of the amount determined under subparagraph (B)(i) which is allocable to employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws and who also had an obligation to contribute under the plan for the first plan year ending after September 25, 1980; multiplied by

(ii) a fraction—

(I) the numerator of which is the total amount required to be contributed under the plan by the employer for the last 5 plan years ending before the date on which the employer withdraws, and

(II) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the date on which the employer withdraws, increased by the amount of any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed by an employer who withdrew from the plan under this part during those plan years.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this subchapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(3) The amount of the unfunded vested benefits allocable to an employer under this paragraph is the product of—

(A) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less the value as of the end of such year of all outstanding claims for withdrawal liability which can reasonably be expected to be collected from employers withdrawing before such year; multiplied by

(B) a fraction—

(i) the numerator of which is the total amount required to be contributed by the employer under the plan for the last 5 plan years ending before the withdrawal, and

(ii) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the withdrawal, increased by any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed to the plan during those plan years by employers who withdrew from the plan under this section during those plan years.

(4)(A) The amount of the unfunded vested benefits allocable to an employer under this paragraph is equal to the sum of—

(i) the plan's unfunded vested benefits which are attributable to participants' service with the employer (determined as of the end of the plan year preceding the plan year in which the employer withdraws), and

(ii) the employer's proportional share of any unfunded vested benefits which are not attributable to service with the employer or other employers who are obligated to contribute under the plan in the plan year preceding the plan year in which the employer withdraws (determined as of the end of the plan year preceding the plan year in which the employer withdraws).

(B) The plan's unfunded vested benefits which are attributable to participants' service with the employer is the amount equal to the value of nonforfeitable benefits under the plan which are attributable to participants' service with such employer (determined under plan rules not inconsistent with regulations of the corporation) decreased by the share of plan assets determined under subparagraph (C) which is allocated to the employer as provided under subparagraph (D).

(C) The value of plan assets determined under this subparagraph is the value of plan assets allocated to nonforfeitable benefits which are attributable to service with the employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws, which is determined by multiplying—

(i) the value of the plan assets as of the end of the plan year preceding the plan year in which the employer withdraws, by

(ii) a fraction—

(I) the numerator of which is the value of nonforfeitable benefits which are attributable to service with such employers, and

(II) the denominator of which is the value of all nonforfeitable benefits under the plan as of the end of the plan year.

(D) The share of plan assets, determined under subparagraph (C), which is allocated to the employer shall be determined in accordance with one of the following methods which shall be adopted by the plan by amendment:

(i) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the value of the nonforfeitable benefits which are attributable to service with the employer, and

(II) the denominator of which is the value of the nonforfeitable benefits which are attributable to service with all employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws;

(ii) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the sum of all contributions (accumulated with interest) which have been made to the plan by the employer for the plan year preceding the plan year in which the employer withdraws and all preceding plan years; and

(II) the denominator of which is the sum of all contributions (accumulated with interest) which have been made to the plan (for the plan year preceding the plan year in which the employer withdraws and all pre-

ceding plan years) by all employers who have an obligation to contribute to the plan for the plan year preceding the plan year in which the employer withdraws; or

(iii) by multiplying the value of plan assets under subparagraph (C) by a fraction—

(I) the numerator of which is the amount determined under clause (ii)(I) of this subparagraph, less the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(I) which are attributable to service with the employer; and

(II) the denominator of which is the amount determined under clause (ii)(II) of this subparagraph, reduced by the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(II) which are attributable to service with respect to the employers described in such clause (ii)(II).

(E) The amount of the plan's unfunded vested benefits for a plan year preceding the plan year in which an employer withdraws, which is not attributable to service with employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which such employer withdraws, is equal to—

(i) an amount equal to—

(I) the value of all nonforfeitable benefits under the plan at the end of such plan year, reduced by

(II) the value of nonforfeitable benefits under the plan at the end of such plan year which are attributable to participants' service with employers who have an obligation to contribute under the plan for such plan year; reduced by

(ii) an amount equal to—

(I) the value of the plan assets as of the end of such plan year, reduced by

(II) the value of plan assets as of the end of such plan year as determined under subparagraph (C); reduced by

(iii) the value of all outstanding claims for withdrawal liability which can reasonably be expected to be collected with respect to employers withdrawing before the year preceding the plan year in which the employer withdraws.

(F) The employer's proportional share described in subparagraph (A)(ii) for a plan year is the amount determined under subparagraph (E) for the employer, but not in excess of an amount which bears the same ratio to the sum of the amounts determined under subparagraph (E) for all employers under the plan as the amount determined under subparagraph (C) for the employer bears to the sum of the amounts determined under subparagraph (C) for all employers under the plan.

(G) The corporation may prescribe by regulation other methods which a plan may adopt for allocating assets to determine the amount of the unfunded vested benefits attributable to service with the employer and to determine the employer's share of unfunded vested benefits not

attributable to service with employers who have an obligation to contribute under the plan in the plan year in which the employer withdraws.

(5)(A) The corporation shall prescribe by regulation a procedure by which a plan may, by amendment, adopt any other alternative method for determining an employer's allocable share of unfunded vested benefits under this section, subject to the approval of the corporation based on its determination that adoption of the method by the plan would not significantly increase the risk of loss to plan participants and beneficiaries or to the corporation.

(B) The corporation may prescribe by regulation standard approaches for alternative methods, other than those set forth in the preceding paragraphs of this subsection, which a plan may adopt under subparagraph (A), for which the corporation may waive or modify the approval requirements of subparagraph (A). Any alternative method shall provide for the allocation of substantially all of a plan's unfunded vested benefits among employers who have an obligation to contribute under the plan.

(C) Unless the corporation by regulation provides otherwise, a plan may be amended to provide that a period of more than 5 but not more than 10 plan years may be used for determining the numerator and denominator of any fraction which is used under any method authorized under this section for determining an employer's allocable share of unfunded vested benefits under this section.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this chapter, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(E) FRESH START OPTION.—Notwithstanding paragraph (1), a plan may be amended to provide that the withdrawal liability method described in subsection (b) shall be applied by substituting the plan year which is specified in the amendment and for which the plan has no unfunded vested benefits for the plan year ending before September 26, 1980.

(d) Method of calculating allocable share of employer of unfunded vested benefits set forth in subsection (c)(3) of this section; applicability of certain statutory provisions

(1) The method of calculating an employer's allocable share of unfunded vested benefits set forth in subsection (c)(3) of this section shall be the method for calculating an employer's allocable share of unfunded vested benefits under a plan to which section 404(c) of title 26, or a continuation of such a plan, applies, unless the plan is amended to adopt another method authorized under subsection (b) or (c) of this section.

(2) Sections 1384, 1389, 1399(c)(1)(B), and 1405 of this title shall not apply with respect to the withdrawal of an employer from a plan described in paragraph (1) unless the plan is amended to provide that any of such sections apply.

(e) Reduction of liability of withdrawn employer in case of transfer of liabilities to another plan incident to withdrawal or partial withdrawal of employer

In the case of a transfer of liabilities to another plan incident to an employer's withdrawal

or partial withdrawal, the withdrawn employer's liability under this part shall be reduced in an amount equal to the value, as of the end of the last plan year ending on or before the date of the withdrawal, of the transferred unfunded vested benefits.

(f) Computations applicable in case of withdrawal following merger of multiemployer plans

In the case of a withdrawal following a merger of multiemployer plans, subsection (b), (c), or (d) of this section shall be applied in accordance with regulations prescribed by the corporation; except that, if a withdrawal occurs in the first plan year beginning after a merger of multiemployer plans, the determination under this section shall be made as if each of the multiemployer plans had remained separate plans.

EFFECTIVE DATE OF 2006 AMENDMENT

Amendment by Pub. L. 109-280 applicable with respect to plan withdrawals occurring on or after Jan. 1, 2007, see section 204(c)(3) of Pub. L. 109-280, set out as a note under section 1390 of this title.

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1392. Obligation to contribute

(a) “Obligation to contribute” defined

For purposes of this part, the term “obligation to contribute” means an obligation to contribute arising—

- (1) under one or more collective bargaining (or related) agreements, or
- (2) as a result of a duty under applicable labor-management relations law, but

does not include an obligation to pay withdrawal liability under this section or to pay delinquent contributions.

(b) Payments of withdrawal liability not considered contributions

Payments of withdrawal liability under this part shall not be considered contributions for purposes of this part.

(c) Transactions to evade or avoid liability

(Pub. L. 93-406, title IV, § 4212, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1233.)

§ 1393. Actuarial assumptions

(a) Use by plan actuary in determining unfunded vested benefits of a plan for computing withdrawal liability of employer

The corporation may prescribe by regulation actuarial assumptions which may be used by a plan actuary in determining the unfunded vested benefits of a plan for purposes of determining an employer's withdrawal liability under this part. Withdrawal liability under this part shall be determined by each plan on the basis of—

- (1) actuarial assumptions and methods which, in the aggregate, are reasonable (taking into account the experience of the plan and reasonable expectations) and which, in combination, offer the actuary's best estimate of anticipated experience under the plan, or
- (2) actuarial assumptions and methods set forth in the corporation's regulations for purposes of determining an employer's withdrawal liability.

(b) Factors determinative of unfunded vested benefits of plan for computing withdrawal liability of employer

In determining the unfunded vested benefits of a plan for purposes of determining an employer's withdrawal liability under this part, the plan actuary may—

- (1) rely on the most recent complete actuarial valuation used for purposes of section 412 of title 26 and reasonable estimates for the interim years of the unfunded vested benefits, and
- (2) in the absence of complete data, rely on the data available or on data secured by a sampling which can reasonably be expected to be representative of the status of the entire plan.

(c) Determination of amount of unfunded vested benefits

For purposes of this part, the term “unfunded vested benefits” means with respect to a plan, an amount equal to—

- (A) the value of nonforfeitable benefits under the plan, less
- (B) the value of the assets of the plan.

(Pub. L. 93-406, title IV, § 4213, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1233; amended Pub. L. 101-239, title VII, § 7891(a)(1), Dec. 19, 1989, 103 Stat. 2445.)

EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by Pub. L. 101-239 effective, except as otherwise provided, as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7891(f) of Pub. L. 101-239, set out as a note under section 1002 of this title.

§ 1394. Application of plan amendments; exception

(a) No plan rule or amendment adopted after January 31, 1981, under section 1389 or 1391(c) of this title may be applied without the employer's consent with respect to liability for a withdrawal or partial withdrawal which occurred before the date on which the rule or amendment was adopted.

(b) All plan rules and amendments authorized under this part shall operate and be applied uniformly with respect to each employer, except that special provisions may be made to take into account the creditworthiness of an employer. The plan sponsor shall give notice to all employers who have an obligation to contribute under the plan and to all employee organizations representing employees covered under the plan of any plan rules or amendments adopted pursuant to this section.

(Pub. L. 93-406, title IV, §4214, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1395. Plan notification to corporation of potentially significant withdrawals

The corporation may, by regulation, require the plan sponsor of a multiemployer plan to provide notice to the corporation when the withdrawal from the plan by any employer has resulted, or will result, in a significant reduction in the amount of aggregate contributions under the plan made by employers.

(Pub. L. 93-406, title IV, §4215, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1396. Special rules for plans under section 404(c) of title 26

(a) Amount of withdrawal liability; determinative factors

In the case of a plan described in subsection (b) of this section—

(1) if an employer withdraws prior to a termination described in section 1341a(a)(2) of this title, the amount of withdrawal liability to be paid in any year by such employer shall be an amount equal to the greater of—

(A) the amount determined under section 1399(c)(1)(C)(i) of this title, or

(B) the product of—

(i) the number of contribution base units for which the employer would have been required to make contributions for the prior plan year if the employer had not withdrawn, multiplied by

(ii) the contribution rate for the plan year which would be required to meet the amortization schedules contained in sec-

tion 1423(d)(3)(B)(ii) of this title (determined without regard to any limitation on such rate otherwise provided by this subchapter)

except that an employer shall not be required to pay an amount in excess of the withdrawal liability computed with interest; and

(2) the withdrawal liability of an employer who withdraws after December 31, 1983, as a result of a termination described in section 1341a(a)(2) of this title which is agreed to by the labor organization that appoints the employee representative on the joint board of trustees which sponsors the plan, shall be determined under subsection (c) of this section if—

(A) as a result of prior employer withdrawals in any plan year commencing after January 1, 1980, the number of contribution base units is reduced to less than 67 percent of the average number of such units for the calendar years 1974 through 1979; and

(B) at least 50 percent of the withdrawal liability attributable to the first 33 percent decline described in subparagraph (A) has been determined by the plan sponsor to be uncollectible within the meaning of regulations of the corporation of general applicability; and

(C) the rate of employer contributions under the plan for each plan year following the first plan year beginning after September 26, 1980 and preceding the termination date equals or exceeds the rate described in section 1423(d)(3) of this title.

(b) Covered plans

A plan is described in this subsection if—

(1) it is a plan described in section 404(c) of title 26 or a continuation thereof; and

(2) participation in the plan is substantially limited to individuals who retired prior to January 1, 1976.

(c) Amount of liability of employer; "a year of signatory service" defined

(1) The amount of an employer's liability under this paragraph is the product of—

(A) the amount of the employer's withdrawal liability determined without regard to this section, and

(B) the greater of 90 percent, or a fraction—

(i) the numerator of which is an amount equal to the portion of the plan's unfunded vested benefits that is attributable to plan participants who have a total of 10 or more years of signatory service, and

(ii) the denominator of which is an amount equal to the total unfunded vested benefits of the plan.

(2) For purposes of paragraph (1), the term "a year of signatory service" means a year during any portion of which a participant was employed for an employer who was obligated to contribute in that year, or who was subsequently obligated to contribute.

(Pub. L. 93-406, title IV, §4216, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1234.)

§ 1397. Application of part in case of certain pre-1980 withdrawals; adjustment of covered plan

(a) For the purpose of determining the amount of unfunded vested benefits allocable to an employer for a partial or complete withdrawal from a plan which occurs after September 25, 1980, and for the purpose of determining whether there has been a partial withdrawal after such date, the amount of contributions, and the number of contribution base units, of such employer properly allocable—

(1) to work performed under a collective bargaining agreement for which there was a permanent cessation of the obligation to contribute before September 26, 1980, or

(2) to work performed at a facility at which all covered operations permanently ceased before September 26, 1980, or for which there was a permanent cessation of the obligation to contribute before that date,

shall not be taken into account.

(b) A plan may, in a manner not inconsistent with regulations, which shall be prescribed by the corporation, adjust the amount of unfunded vested benefits allocable to other employers under a plan maintained by an employer described in subsection (a) of this section.

(Pub. L. 93-406, title IV, § 4217, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1235; amended Pub. L. 98-369, div. A, title V, § 558(b)(1)(A), (B), July 18, 1984, 98 Stat. 899.)

AMENDMENTS

1984—Subsec. (a). Pub. L. 98-369, § 558(b)(1)(A), (B), substituted “September 25, 1980” for “April 28, 1980” in provisions preceding par. (1) and “September 26, 1980” for “April 29, 1980” in pars. (1) and (2).

§ 1398. Withdrawal not to occur because of change in business form or suspension of contributions during labor dispute

Notwithstanding any other provision of this part, an employer shall not be considered to have withdrawn from a plan solely because—

(1) an employer ceases to exist by reason of—

(A) a change in corporate structure described in section 1369(b) of this title, or

(B) a change to an unincorporated form of business enterprise,

if the change causes no interruption in employer contributions or obligations to contribute under the plan, or

(2) an employer suspends contributions under the plan during a labor dispute involving its employees.

For purposes of this part, a successor or parent corporation or other entity resulting from any such change shall be considered the original employer.

(Pub. L. 93-406, title IV, § 4218, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1236; amended Pub. L. 99-514, title XVIII, § 1879(u)(4), as added Pub. EFFECTIVE DATE OF 1989 AMENDMENT

Amendment by section 7862(b)(1)(C) of Pub. L. 101-239 effective as if included in the provision of the Tax Reform Act of 1986, Pub. L. 99-514, to which such amendment relates, see section 7863 of Pub. L. 101-239, set out as a note under section 106 of Title 26, Internal Revenue Code.

PLAN AMENDMENTS NOT REQUIRED UNTIL
JANUARY 1, 1989

For provisions directing that if any amendments made by subtitle A or subtitle C of title XI [§§ 1101-1147 and 1171-1177] or title XVIII [§§ 1800-1899A] of Pub. L. 99-514 require an amendment to any plan, such plan amendment shall not be required to be made before the first plan year beginning on or after Jan. 1, 1989, see section 1140 of Pub. L. 99-514, as amended, set out as a note under section 401 of Title 26, Internal Revenue Code.

§ 1399. Notice, collection, etc., of withdrawal liability

(a) Furnishing of information by employer to plan sponsor

An employer shall, within 30 days after a written request from the plan sponsor, furnish such information as the plan sponsor reasonably determines to be necessary to enable the plan sponsor to comply with the requirements of this part.

(b) Notification, demand for payment, and review upon complete or partial withdrawal by employer

(1) As soon as practicable after an employer's complete or partial withdrawal, the plan sponsor shall—

(A) notify the employer of—

- (i) the amount of the liability, and
- (ii) the schedule for liability payments, and

(B) demand payment in accordance with the schedule.

(2)(A) No later than 90 days after the employer receives the notice described in paragraph (1), the employer—

(i) may ask the plan sponsor to review any specific matter relating to the determination of the employer's liability and the schedule of payments,

(ii) may identify any inaccuracy in the determination of the amount of the unfunded vested benefits allocable to the employer, and

(iii) may furnish any additional relevant information to the plan sponsor.

(B) After a reasonable review of any matter raised, the plan sponsor shall notify the employer of—

- (i) the plan sponsor's decision,
- (ii) the basis for the decision, and
- (iii) the reason for any change in the determination of the employer's liability or schedule of liability payments.

(c) Payment requirements; amount, etc.

(1)(A)(i) Except as provided in subparagraphs (B) and (D) of this paragraph and in paragraphs (4) and (5), an employer shall pay the amount determined under section 1391 of this title, adjusted if appropriate first under section 1389 of this title and then under section 1386 of this title over the period of years necessary to amortize the amount in level annual payments determined under subparagraph (C), calculated as if the first payment were made on the first day of the plan year following the plan year in which the withdrawal occurs and as if each subsequent payment were made on the first day of each subsequent plan year. Actual payment shall commence in accordance with paragraph (2).

(ii) The determination of the amortization period described in clause (i) shall be based on the assumptions used for the most recent actuarial valuation for the plan.

(B) In any case in which the amortization period described in subparagraph (A) exceeds 20 years, the employer's liability shall be limited to the first 20 annual payments determined under subparagraph (C).

(C)(i) Except as provided in subparagraph (E), the amount of each annual payment shall be the product of—

(I) the average annual number of contribution base units for the period of 3 consecutive plan years, during the period of 10 consecutive plan years ending before the plan year in which the withdrawal occurs, in which the number of contribution base units for which the employer had an obligation to contribute under the plan is the highest, and

(II) the highest contribution rate at which the employer had an obligation to contribute under the plan during the 10 plan years ending with the plan year in which the withdrawal occurs.

For purposes of the preceding sentence, a partial withdrawal described in section 1385(a)(1) of this title shall be deemed to occur on the last day of the first year of the 3-year testing period described in section 1385(b)(1)(B)(i) of this title.

(ii)(I) A plan may be amended to provide that for any plan year ending before 1986 the amount of each annual payment shall be (in lieu of the amount determined under clause (i)) the average of the required employer contributions under the plan for the period of 3 consecutive plan years (during the period of 10 consecutive plan years ending with the plan year preceding the plan year in which the withdrawal occurs) for which such required contributions were the highest.

(II) Subparagraph (B) shall not apply to any plan year to which this clause applies.

(III) This clause shall not apply in the case of any withdrawal described in subparagraph (D).

(IV) If under a plan this clause applies to any plan year but does not apply to the next plan year, this clause shall not apply to any plan year after such next plan year.

(V) For purposes of this clause, the term "required contributions" means, for any period, the amounts which the employer was obligated to contribute for such period (not taking into account any delinquent contribution for any other period).

(iii) A plan may be amended to provide that for the first plan year ending on or after September 26, 1980, the number "5" shall be substituted for the number "10" each place it appears in clause (i) or clause (ii) (whichever is appropriate). If the plan is so amended, the number "5" shall be increased by one for each succeeding plan year until the number "10" is reached.

(D) In any case in which a multiemployer plan terminates by the withdrawal of every employer from the plan, or in which substantially all the employers withdraw from a plan pursuant to an agreement or arrangement to withdraw from the plan—

(i) the liability of each such employer who has withdrawn shall be determined (or redetermined) under this paragraph without regard to subparagraph (B), and

(ii) notwithstanding any other provision of this part, the total unfunded vested benefits of the plan shall be fully allocated among all such employers in a manner not inconsistent with regulations which shall be prescribed by the corporation.

Withdrawal by an employer from a plan, during a period of 3 consecutive plan years within which substantially all the employers who have an obligation to contribute under the plan withdraw, shall be presumed to be a withdrawal pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(E) In the case of a partial withdrawal described in section 1385(a) of this title, the amount of each annual payment shall be the product of—

(i) the amount determined under subparagraph (C) (determined without regard to this subparagraph), multiplied by

(ii) the fraction determined under section 1386(a)(2) of this title.

(2) Withdrawal liability shall be payable in accordance with the schedule set forth by the plan sponsor under subsection (b)(1) of this section beginning no later than 60 days after the date of the demand notwithstanding any request for review or appeal of determinations of the amount of such liability or of the schedule.

(3) Each annual payment determined under paragraph (1)(C) shall be payable in 4 equal installments due quarterly, or at other intervals specified by plan rules. If a payment is not made when due, interest on the payment shall accrue from the due date until the date on which the payment is made.

(4) The employer shall be entitled to prepay the outstanding amount of the unpaid annual withdrawal liability payments determined under paragraph (1)(C), plus accrued interest, if any, in whole or in part, without penalty. If the prepayment is made pursuant to a withdrawal which is later determined to be part of a withdrawal described in paragraph (1)(D), the withdrawal li-

ability of the employer shall not be limited to the amount of the prepayment.

(5) In the event of a default, a plan sponsor may require immediate payment of the outstanding amount of an employer's withdrawal liability, plus accrued interest on the total outstanding liability from the due date of the first payment which was not timely made. For purposes of this section, the term "default" means—

(A) the failure of an employer to make, when due, any payment under this section, if the failure is not cured within 60 days after the employer receives written notification from the plan sponsor of such failure, and

(B) any other event defined in rules adopted by the plan which indicates a substantial likelihood that an employer will be unable to pay its withdrawal liability.

(6) Except as provided in paragraph (1)(A)(ii), interest under this subsection shall be charged at rates based on prevailing market rates for comparable obligations, in accordance with regulations prescribed by the corporation.

(7) A multiemployer plan may adopt rules for other terms and conditions for the satisfaction of an employer's withdrawal liability if such rules—

(A) are consistent with this chapter, and

(B) are not inconsistent with regulations of the corporation.

(8) In the case of a terminated multiemployer plan, an employer's obligation to make payments under this section ceases at the end of the plan year in which the assets of the plan (exclusive of withdrawal liability claims) are sufficient to meet all obligations of the plan, as determined by the corporation.

(d) Applicability of statutory prohibitions

The prohibitions provided in section 1106(a) of this title do not apply to any action required or permitted under this part.

§ 1400. Approval of amendments

(a) Amendment of covered multiemployer plan; procedures applicable

Except as provided in subsection (b) of this section, if an amendment to a multiemployer plan authorized by any preceding section of this part is adopted more than 36 months after the effective date of this section, the amendment shall be effective only if the corporation ap-

§ 1401. Resolution of disputes

(a) Arbitration proceedings; matters subject to arbitration, procedures applicable, etc.

(1) Any dispute between an employer and the plan sponsor of a multiemployer plan concerning a determination made under sections 1381 through 1399 of this title shall be resolved through arbitration. Either party may initiate the arbitration proceeding within a 60-day period after the earlier of—

(A) the date of notification to the employer under section 1399(b)(2)(B) of this title, or

(B) 120 days after the date of the employer's request under section 1399(b)(2)(A) of this title.

The parties may jointly initiate arbitration within the 180-day period after the date of the plan sponsor's demand under section 1399(b)(1) of this title.

(2) An arbitration proceeding under this section shall be conducted in accordance with fair and equitable procedures to be promulgated by the corporation. The plan sponsor may purchase insurance to cover potential liability of the arbitrator. If the parties have not provided for the costs of the arbitration, including arbitrator's fees, by agreement, the arbitrator shall assess such fees. The arbitrator may also award reasonable attorney's fees.

(3)(A) For purposes of any proceeding under this section, any determination made by a plan sponsor under sections 1381 through 1399 of this title and section 1405 of this title is presumed correct unless the party contesting the determination shows by a preponderance of the evidence that the determination was unreasonable or clearly erroneous.

(B) In the case of the determination of a plan's unfunded vested benefits for a plan year, the determination is presumed correct unless a party contesting the determination shows by a preponderance of evidence that—

(i) the actuarial assumptions and methods used in the determination were, in the aggregate, unreasonable (taking into account the

experience of the plan and reasonable expectations), or

(ii) the plan's actuary made a significant error in applying the actuarial assumptions or methods.

(b) Alternative collection proceedings; civil action subsequent to arbitration award; conduct of arbitration proceedings

(1) If no arbitration proceeding has been initiated pursuant to subsection (a) of this section, the amounts demanded by the plan sponsor under section 1399(b)(1) of this title shall be due and owing on the schedule set forth by the plan sponsor. The plan sponsor may bring an action in a State or Federal court of competent jurisdiction for collection.

(2) Upon completion of the arbitration proceedings in favor of one of the parties, any party thereto may bring an action, no later than 30 days after the issuance of an arbitrator's award, in an appropriate United States district court in accordance with section 1451 of this title to enforce, vacate, or modify the arbitrator's award.

(3) Any arbitration proceedings under this section shall, to the extent consistent with this subchapter, be conducted in the same manner, subject to the same limitations, carried out with the same powers (including subpoena power), and enforced in United States courts as an arbitration proceeding carried out under title 9.

(c) Presumption respecting finding of fact by arbitrator

In any proceeding under subsection (b) of this section, there shall be a presumption, rebuttable only by a clear preponderance of the evidence, that the findings of fact made by the arbitrator were correct.

(d) Payments by employer prior and subsequent to determination by arbitrator; adjustments; failure of employer to make payments

Payments shall be made by an employer in accordance with the determinations made under this part until the arbitrator issues a final decision with respect to the determination submitted for arbitration, with any necessary adjustments in subsequent payments for overpayments or underpayments arising out of the decision of the arbitrator with respect to the determination. If the employer fails to make timely payment in accordance with such final decision, the employer shall be treated as being delinquent in the making of a contribution required under the plan (within the meaning of section 1145 of this title).

(e) Procedures applicable to certain disputes

(1) In general

If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to the complete or partial withdrawal of an employer from the plan,

(B) such determination is based in whole or in part on a finding by the plan sponsor

under section 1392(c) of this title that a principal purpose of a transaction that occurred before January 1, 1999, was to evade or avoid withdrawal liability under this subtitle, and

(C) such transaction occurred at least 5 years before the date of the complete or partial withdrawal,

then the special rules under paragraph (2) shall be used in applying subsections (a) and (d) of this section and section 1399(c) of this title to the employer.

(2) Special rules

(A) Determination

Notwithstanding subsection (a)(3) of this section—

(i) a determination by the plan sponsor under paragraph (1)(B) shall not be presumed to be correct, and

(ii) the plan sponsor shall have the burden to establish, by a preponderance of the evidence, the elements of the claim under section 1392(c) of this title that a principal purpose of the transaction was to evade or avoid withdrawal liability under this subtitle.

Nothing in this subparagraph shall affect the burden of establishing any other element of a claim for withdrawal liability under this subtitle.

(B) Procedure

Notwithstanding subsection (d) of this section and section 1399(c) of this title, if an employer contests the plan sponsor's determination under paragraph (1) through an arbitration proceeding pursuant to subsection (a) of this section, or through a claim brought in a court of competent jurisdiction, the employer shall not be obligated to make any withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination.

(f) Procedures applicable to certain disputes

(1) IN GENERAL.—If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to such complete or partial withdrawal, and

(B) such determination is based in whole or in part on a finding by the plan sponsor under section 1392(c) of this title that a principal purpose of any transaction which occurred after December 31, 1998, and at least 5 years (2 years in the case of a small employer) before the date of the complete or partial withdrawal was to evade or avoid withdrawal liability under this subtitle,

then the person against which the withdrawal liability is assessed based solely on the application of section 1392(c) of this title may elect to use the special rule under paragraph (2) in applying subsection (d) of this section and section 1399(c) of this title to such person.

(2) SPECIAL RULE.—Notwithstanding subsection (d) and section 1399(c) of this title, if an

electing person contests the plan sponsor's determination with respect to withdrawal liability payments under paragraph (1) through an arbitration proceeding pursuant to subsection (a), through an action brought in a court of competent jurisdiction for review of such an arbitration decision, or as otherwise permitted by law, the electing person shall not be obligated to make the withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination, but only if the electing person—

(A) provides notice to the plan sponsor of its election to apply the special rule in this paragraph within 90 days after the plan sponsor notifies the electing person of its liability by reason of the application of section 1392(c) of this title; and

(B) if a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute has not been rendered within 12 months from the date of such notice, the electing person provides to the plan, effective as of the first day following the 12-month period, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 1112 of this title, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the sum of the withdrawal liability payments that would otherwise be due under subsection (d) and section 1399(c) of this title for the 12-month period beginning with the first anniversary of such notice. Such bond or escrow shall remain in effect until there is a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute, at which time such bond or escrow shall be paid to the plan if such final decision upholds the plan sponsor's determination.

(3) DEFINITION OF SMALL EMPLOYER.—For purposes of this subsection—

(A) IN GENERAL.—The term “small employer” means any employer which, for the calendar year in which the transaction referred to in paragraph (1)(B) occurred and for each of the 3 preceding years, on average—

(i) employs not more than 500 employees, and

(ii) is required to make contributions to the plan for not more than 250 employees.

(B) CONTROLLED GROUP.—Any group treated as a single employer under subsection (b)(1) of section 1301 of this title, without regard to any transaction that was a basis for the plan's finding under section 1392 of this title, shall be treated as a single employer for purposes of this subparagraph.

(4) ADDITIONAL SECURITY PENDING RESOLUTION OF DISPUTE.—If a withdrawal liability dispute to which this subsection applies is not concluded by 12 months after the electing person posts the bond or escrow described in paragraph (2), the electing person shall, at the start of each succeeding 12-month period, provide an additional bond or amount held in escrow equal to the sum of the withdrawal liability payments that would otherwise be payable to the plan during that period.

(5) The liability of the party furnishing a bond or escrow under this subsection shall be reduced,

upon the payment of the bond or escrow to the plan, by the amount thereof.

If any employer requests in writing that the plan sponsor make an estimate of such employer's potential withdrawal liability with respect to the plan or to provide information unique to that employer, the plan sponsor may require the employer to pay the reasonable cost of making such estimate or providing such information.”

§ 1402. Reimbursements for uncollectible withdrawal liability

(a) Required supplemental program to reimburse for payments due from employers uncollectible as a result of employer involvement in bankruptcy case or proceedings; program participation, premiums, etc.

By May 1, 1982, the corporation shall establish by regulation a supplemental program to reimburse multiemployer plans for withdrawal liability payments which are due from employers and which are determined to be uncollectible for reasons arising out of cases or proceedings involving the employers under title 11, or similar cases or proceedings. Participation in the supplemental program shall be on a voluntary basis, and a plan which elects coverage under the program shall pay premiums to the corporation in accordance with a premium schedule

which shall be prescribed from time to time by the corporation. The premium schedule shall contain such rates and bases for the application of such rates as the corporation considers to be appropriate.

(b) Discretionary supplemental program to reimburse for payments due from employers uncollectible for other appropriate reasons

The corporation may provide under the program for reimbursement of amounts of withdrawal liability determined to be uncollectible for any other reasons the corporation considers appropriate.

(c) Payment of cost of program

The cost of the program (including such administrative and legal costs as the corporation considers appropriate) may be paid only out of premiums collected under such program.

(d) Terms and conditions, limitations, etc., of supplemental program

The supplemental program may be offered to eligible plans on such terms and conditions, and with such limitations with respect to the payment of reimbursements (including the exclusion of de minimis amounts of uncollectible employer liability, and the reduction or elimination of reimbursements which cannot be paid from collected premiums) and such restrictions on withdrawal from the program, as the corporation considers necessary and appropriate.

(e) Arrangements by corporation with private insurers for implementation of program; election of coverage by participating plans with private insurers

The corporation may enter into arrangements with private insurers to carry out in whole or in part the program authorized by this section and may require plans which elect coverage under the program to elect coverage by those private insurers.

(Pub. L. 93-406, title IV, §4222, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1240.)

§ 1403. Withdrawal liability payment fund

(a) Establishment of or participation in fund by plan sponsors

The plan sponsors of multiemployer plans may establish or participate in a withdrawal liability payment fund.

(b) Definitions

For purposes of this section, the term “withdrawal liability payment fund”, and the term “fund”, mean a trust which—

- (1) is established and maintained under section 501(c)(22) of title 26,
- (2) maintains agreements which cover a substantial portion of the participants who are in multiemployer plans which (under the rules of the trust instrument) are eligible to participate in the fund,
- (3) is funded by amounts paid by the plans which participate in the fund, and
- (4) is administered by a Board of Trustees, and in the administration of the fund there is equal representation of—
 - (A) trustees representing employers who are obligated to contribute to the plans participating in the fund, and

(B) trustees representing employees who are participants in plans which participate in the fund.

(c) Payments to plan; amount, criteria, etc.

(1) If an employer withdraws from a plan which participates in a withdrawal liability payment fund, then, to the extent provided in the trust, the fund shall pay to that plan—

- (A) the employer’s unattributable liability,
- (B) the employer’s withdrawal liability payments which would have been due but for section 1388, 1389, 1399, or 1405 of this title,
- (C) the employer’s withdrawal liability payments to the extent they are uncollectible.

(2) The fund may provide for the payment of the employer’s attributable liability if the fund—

- (A) provides for the payment of both the attributable and the unattributable liability of the employer in a single payment, and
- (B) is subrogated to all rights of the plan against the employer.

(3) For purposes of this section, the term—

- (A) “attributable liability” means the excess, if any, determined under the provisions of a plan not inconsistent with regulations of the corporation, of—
 - (i) the value of vested benefits accrued as a result of service with the employer, over
 - (ii) the value of plan assets attributed to the employer, and
- (B) “unattributable liability” means the excess of withdrawal liability over attributable liability.

Such terms may be further defined, and the manner in which they shall be applied may be prescribed, by the corporation by regulation.

(4)(A) The trust of a fund shall be maintained for the exclusive purpose of paying—

- (i) any amount described in paragraph (1) and paragraph (2), and
- (ii) reasonable and necessary administrative expenses in connection with the establishment and operation of the trust and the processing of claims against the fund.

(B) The amounts paid by a plan to a fund shall be deemed a reasonable expense of administering the plan under sections 1103(c)(1) and 1104(a)(1)(A)(ii) of this title, and the payments made by a fund to a participating plan shall be deemed services necessary for the operation of the plan within the meaning of section 1108(b)(2) of this title or within the meaning of section 4975(d)(2) of title 26.

(d) Application of payments by plan

(1) For purposes of this part—

- (A) only amounts paid by the fund to a plan under subsection (c)(1)(A) of this section shall be credited to withdrawal liability otherwise payable by the employer, unless the plan otherwise provides, and
- (B) any amounts paid by the fund under subsection (c) of this section to a plan shall be treated by the plan as a payment of withdrawal liability to such plan.

(2) For purposes of applying provisions relating to the funding standard accounts (and mini-

mum contribution requirements), amounts paid from the plan to the fund shall be applied to reduce the amount treated as contributed to the plan.

(e) Subrogation of fund to rights of plan

The fund shall be subrogated to the rights of the plan against the employer that has withdrawn from the plan for amounts paid by a fund to a plan under—

(1) subsection (c)(1)(A) of this section, to the extent not credited under subsection (d)(1)(A) of this section, and

(2) subsection (c)(1)(C) of this section.

(f) Discharge of rights of fiduciary of fund; standards applicable, etc.

Notwithstanding any other provision of this chapter, a fiduciary of the fund shall discharge the fiduciary's duties with respect to the fund in accordance with the standards for fiduciaries prescribed by this chapter (to the extent not inconsistent with the purposes of this section), and in accordance with the documents and instruments governing the fund insofar as such documents and instruments are consistent with the provisions of this chapter (to the extent not inconsistent with the purposes of this section). The provisions of the preceding sentence shall supersede any and all State laws relating to fiduciaries insofar as they may now or hereafter relate to a fund to which this section applies.

(g) Prohibition on payments from fund to plan where certain labor negotiations involve employer withdrawn or partially withdrawn from plan and continuity of labor organization representing employees continues

No payments shall be made from a fund to a plan on the occasion of a withdrawal or partial withdrawal of an employer from such plan if the employees representing the withdrawn contribution base units continue, after such withdrawal, to be represented under section 159 of this title (or other applicable labor laws) in negotiations with such employer by the labor organization which represented such employees immediately preceding such withdrawal.

(h) Purchase of insurance by employer

Nothing in this section shall be construed to prohibit the purchase of insurance by an employer from any other person, to limit the circumstances under which such insurance would be payable, or to limit in any way the terms and conditions of such insurance.

(i) Promulgation of regulations for establishment and maintenance of fund

The corporation may provide by regulation rules not inconsistent with this section governing the establishment and maintenance of funds, but only to the extent necessary to carry out the purposes of this part (other than section 1402 of this title).

§ 1405. Limitation on withdrawal liability

(a) Unfunded vested benefits allocable to employer in bona fide sale of assets of employer in arms-length transaction to unrelated party; maximum amount; determinative factors

(1) In the case of bona fide sale of all or substantially all of the employer's assets in an arm's-length transaction to an unrelated party (within the meaning of section 1384(d) of this title), the unfunded vested benefits allocable to an employer (after the application of all sections of this part having a lower number designation than this section), other than an employer undergoing reorganization under title 11 or similar provisions of State law, shall not exceed the greater of—

(A) a portion (determined under paragraph (2)) of the liquidation or dissolution value of the employer (determined after the sale or exchange of such assets), or

(B) in the case of a plan using the attributable method of allocating withdrawal liability, the unfunded vested benefits attributable to employees of the employer.

(2) For purposes of paragraph (1), the portion shall be determined in accordance with the following table:

<p>If the liquidation or distribution value of the employer after the sale or exchange is—</p>	<p>The portion is—</p>

(b) Unfunded vested benefits allocable to insolvent employer undergoing liquidation or dissolution; maximum amount; determinative factors

In the case of an insolvent employer undergoing liquidation or dissolution, the unfunded vested benefits allocable to that employer shall not exceed an amount equal to the sum of—

- (1) 50 percent of the unfunded vested benefits allocable to the employer (determined without regard to this section), and
- (2) that portion of 50 percent of the unfunded vested benefits allocable to the employer (as determined under paragraph (1)) which does not exceed the liquidation or dissolution value of the employer determined—

- (A) as of the commencement of liquidation or dissolution, and
- (B) after reducing the liquidation or dissolution value of the employer by the amount determined under paragraph (1).

(c) Property not subject to enforcement of liability; precondition

To the extent that the withdrawal liability of an employer is attributable to his obligation to contribute to or under a plan as an individual (whether as a sole proprietor or as a member of a partnership), property which may be exempt from the estate under section 522 of title 11 or under similar provisions of law, shall not be subject to enforcement of such liability.

(d) Insolvency of employer; liquidation or dissolution value of employer

- For purposes of this section—
- (1) an employer is insolvent if the liabilities of the employer, including withdrawal liability under the plan (determined without regard to subsection (b) of this section), exceed the assets of the employer (determined as of the commencement of the liquidation or dissolution), and
 - (2) the liquidation or dissolution value of the employer shall be determined without regard to such withdrawal liability.

(e) One or more withdrawals of employer attributable to same sale, liquidation, or dissolution

In the case of one or more withdrawals of an employer attributable to the same sale, liquidation, or dissolution, under regulations prescribed by the corporation—

- (1) all such withdrawals shall be treated as a single withdrawal for the purpose of applying this section, and
- (2) the withdrawal liability of the employer to each plan shall be an amount which bears the same ratio to the present value of the withdrawal liability payments to all plans (after the application of the preceding provisions of this section) as the withdrawal liability of the employer to such plan (determined without regard to this section) bears to the withdrawal liability of the employer to all such plans (determined without regard to this section).

PART 2—MERGER OR TRANSFER OF PLAN ASSETS OR LIABILITIES

§ 1411. Mergers and transfers between multiemployer plans

(a) Authority of plan sponsor

Unless otherwise provided in regulations prescribed by the corporation, a plan sponsor may not cause a multiemployer plan to merge with one or more multiemployer plans, or engage in

a transfer of assets and liabilities to or from another multiemployer plan, unless such merger or transfer satisfies the requirements of subsection (b) of this section.

(b) Criteria

A merger or transfer satisfies the requirements of this section if—

(1) in accordance with regulations of the corporation, the plan sponsor of a multiemployer plan notifies the corporation of a merger with or transfer of plan assets or liabilities to another multiemployer plan at least 120 days before the effective date of the merger or transfer;

(2) no participant's or beneficiary's accrued benefit will be lower immediately after the effective date of the merger or transfer than the benefit immediately before that date;

(3) the benefits of participants and beneficiaries are not reasonably expected to be subject to suspension under section 1426 of this title; and

(4) an actuarial valuation of the assets and liabilities of each of the affected plans has been performed during the plan year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the start of that plan year, or other valuation of such assets and liabilities performed under such standards and procedures as the corporation may prescribe by regulation.

(c) Actions not deemed violation of section 1106(a) or (b)(2) of this title

The merger of multiemployer plans or the transfer of assets or liabilities between multiemployer plans, shall be deemed not to constitute a violation of the provisions of section 1106(a) of this title or section 1106(b)(2) of this title if the corporation determines that the merger or transfer otherwise satisfies the requirements of this section.

(d) Nature of plan to which liabilities are transferred

A plan to which liabilities are transferred under this section is a successor plan for purposes of section 1322a(b)(2)(B) of this title.

(Pub. L. 93-406, title IV, § 4231, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1244.)

EFFECTIVE DATE

Part effective Sept. 26, 1980, except as specifically provided, see section 1461(e) of this title.

§ 1412. Transfers between a multiemployer plan and a single-employer plan

(a) General authority

A transfer of assets or liabilities between, or a merger of, a multiemployer plan and a single-employer plan shall satisfy the requirements of this section.

(b) Accrued benefit of participant or beneficiary not lower immediately after effective date of transfer or merger

No accrued benefit of a participant or beneficiary may be lower immediately after the ef-

fective date of a transfer or merger described in subsection (a) of this section than the benefit immediately before that date.

(c) Liability of multiemployer plan to corporation where single-employer plan terminates within 60 months after effective date of transfer; amount of liability, exemption, etc.

(1) Except as provided in paragraphs (2) and (3), a multiemployer plan which transfers liabilities to a single-employer plan shall be liable to the corporation if the single-employer plan terminates within 60 months after the effective date of the transfer. The amount of liability shall be the lesser of—

(A) the amount of the plan asset insufficiency of the terminated single-employer plan, less 30 percent of the net worth of the employer who maintained the single-employer plan, determined in accordance with section 1362 or 1364 this title, or

(B) the value, on the effective date of the transfer, of the unfunded benefits transferred to the single-employer plan which are guaranteed under section 1322 of this title.

(2) A multiemployer plan shall be liable to the corporation as provided in paragraph (1) unless, within 180 days after the corporation receives an application (together with such information as the corporation may reasonably require for purposes of such application) from the multiemployer plan sponsor for a determination under this paragraph—

(A) the corporation determines that the interests of the plan participants and beneficiaries and of the corporation are adequately protected, or

(B) fails to make any determination regarding the adequacy with which such interests are protected with respect to such transfer of liabilities.

If, after the receipt of such application, the corporation requests from the plan sponsor additional information necessary for the determination, the running of the 180-day period shall be suspended from the date of such request until the receipt by the corporation of the additional information requested. The corporation may by regulation prescribe procedures and standards for the issuance of determinations under this paragraph. This paragraph shall not apply to any application submitted less than 180 days after September 26, 1980.

(3) A multiemployer plan shall not be liable to the corporation as provided in paragraph (1) in the case of a transfer from the multiemployer plan to a single-employer plan of liabilities which accrued under a single-employer plan which merged with the multiemployer plan, if, the value of liabilities transferred to the single-employer plan does not exceed the value of the liabilities for benefits which accrued before the merger, and the value of the assets transferred to the single-employer plan is substantially equal to the value of the assets which would have been in the single-employer plan if the employer had maintained and funded it as a separate plan under which no benefits accrued after the date of the merger.

(4) The corporation may make equitable arrangements with multiemployer plans which are

liable under this subsection for satisfaction of their liability.

(d) Guarantee of benefits under single-employer plan

Benefits under a single-employer plan to which liabilities are transferred in accordance with this section are guaranteed under section 1322 of this title to the extent provided in that section as of the effective date of the transfer and the plan is a successor plan.

(e) Transfer of liabilities by multiemployer plan to single-employer plan

(1) Except as provided in paragraph (2), a multiemployer plan may not transfer liabilities to a single-employer plan unless the plan sponsor of the plan to which the liabilities would be transferred agrees to the transfer.

(2) In the case of a transfer described in subsection (c)(3) of this section, paragraph (1) of this subsection is satisfied by the advance agreement to the transfer by the employer who will be obligated to contribute to the single-employer plan.

(f) Additional requirements by corporation for protection of interests of plan participants, beneficiaries and corporation; approval by corporation of transfer of assets or liabilities to single-employer plan from plan in reorganization; covered transfers in connection with termination

(1) The corporation may prescribe by regulation such additional requirements with respect to the transfer of assets or liabilities as may be necessary to protect the interests of plan participants and beneficiaries and the corporation.

(2) Except as otherwise determined by the corporation, a transfer of assets or liabilities to a single-employer plan from a plan in reorganization under section 1421 of this title is not effective unless the corporation approves such transfer.

(3) No transfer to which this section applies, in connection with a termination described in section 1341a(a)(2) of this title shall be effective unless the transfer meets such requirements as may be established by the corporation to prevent an increase in the risk of loss to the corporation.

(Pub. L. 93-406, title IV, §4232, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1245.)

§ 1413. Partition

(a) Authority of corporation

The corporation may order the partition of a multiemployer plan in accordance with this section.

(b) Authority of plan sponsor upon application to corporation for partition order; procedures applicable to corporation

A plan sponsor may apply to the corporation for an order partitioning a plan. The corporation may not order the partition of a plan except upon notice to the plan sponsor and the participants and beneficiaries whose vested benefits will be affected by the partition of the plan, and upon finding that—

(1) a substantial reduction in the amount of aggregate contributions under the plan has resulted or will result from a case or proceeding under title 11 with respect to an employer;

(2) the plan is likely to become insolvent;

(3) contributions will have to be increased significantly in reorganization to meet the minimum contribution requirement and prevent insolvency; and

(4) partition would significantly reduce the likelihood that the plan will become insolvent.

(c) Authority of corporation notwithstanding pendency of partition proceeding

The corporation may order the partition of a plan notwithstanding the pendency of a proceeding described in subsection (b)(1) of this section.

(d) Scope of partition order

The corporation's partition order shall provide for a transfer of no more than the nonforfeitable benefits directly attributable to service with the employer referred to in subsection (b)(1) of this section and an equitable share of assets.

(e) Nature of plan created by partition

The plan created by the partition is—

(1) a successor plan to which section 1322a of this title applies, and

(2) a terminated multiemployer plan to which section 1341a(d) of this title applies, with respect to which only the employer described in subsection (b)(1) of this section has withdrawal liability, and to which section 1368 of this title applies.

(f) Authority of corporation to obtain decree partitioning plan and appointing trustee for terminated portion of partitioned plan

The corporation may proceed under section 1342(c) through (h) of this title for a decree partitioning a plan and appointing a trustee for the terminated portion of a partitioned plan. The court may order the partition of a plan upon making the findings described in subsection (b)(1) through (4) of this section, and subject to the conditions set forth in subsections (c) through (e) of this section.

(Pub. L. 93-406, title IV, §4233, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1246.)

§ 1414. Asset transfer rules

(a) Applicability and scope

A transfer of assets from a multiemployer plan to another plan shall comply with asset-transfer rules which shall be adopted by the multiemployer plan and which—

(1) do not unreasonably restrict the transfer of plan assets in connection with the transfer of plan liabilities, and

(2) operate and are applied uniformly with respect to each proposed transfer, except that the rules may provide for reasonable variations taking into account the potential financial impact of a proposed transfer on the multiemployer plan.

Plan rules authorizing asset transfers consistent with the requirements of section 1412(c)(3) of this title shall be considered to satisfy the requirements of this subsection.

(b) Exemption of de minimis transfers

The corporation shall prescribe regulations which exempt de minimis transfers of assets from the requirements of this part.

(c) Written reciprocity agreements

This part shall not apply to transfers of assets pursuant to written reciprocity agreements, except to the extent provided in regulations prescribed by the corporation.

(Pub. L. 93-406, title IV, §4234, as added Pub. L. 96-364, title I, §104(2), Sept. 26, 1980, 94 Stat. 1247.)

§ 1415. Transfers pursuant to change in bargaining representative**(a) Authority to transfer from old plan to new plan pursuant to employee participation in another multiemployer plan after certified change of representative**

In any case in which an employer has completely or partially withdrawn from a multiemployer plan (hereafter in this section referred to as the "old plan") as a result of a certified change of collective bargaining representative occurring after September 25, 1980, if participants of the old plan who are employed by the employer will, as a result of that change, participate in another multiemployer plan (hereafter in this section referred to as the "new plan"), the old plan shall transfer assets and liabilities to the new plan in accordance with this section.

(b) Notification by employer of plan sponsor of old plan; notification by plan sponsor of old plan of employer and plan sponsor of new plan; appeal by new plan to prevent transfer; further proceedings

(1) The employer shall notify the plan sponsor of the old plan of a change in multiemployer plan participation described in subsection (a) of this section no later than 30 days after the employer determines that the change will occur.

(2) The plan sponsor of the old plan shall—

(A) notify the employer of—

(i) the amount of the employer's withdrawal liability determined under part 1 of this subtitle with respect to the withdrawal,

(ii) the old plan's intent to transfer to the new plan the nonforfeitable benefits of the employees who are no longer working in covered service under the old plan as a result of the change of bargaining representative, and

(iii) the amount of assets and liabilities which are to be transferred to the new plan, and

(B) notify the plan sponsor of the new plan of the benefits, assets, and liabilities which will be transferred to the new plan.

(3) Within 60 days after receipt of the notice described in paragraph (2)(B), the new plan may file an appeal with the corporation to prevent the transfer. The transfer shall not be made if the corporation determines that the new plan would suffer substantial financial harm as a result of the transfer. Upon notification described in paragraph (2), if—

(A) the employer fails to object to the transfer within 60 days after receipt of the notice described in paragraph (2)(A), or

(B) the new plan either—

(i) fails to file such an appeal, or

(ii) the corporation, pursuant to such an appeal, fails to find that the new plan would suffer substantial financial harm as a result of the transfer described in the notice under paragraph (2)(B) within 180 days after the date on which the appeal is filed,

then the plan sponsor of the old plan shall transfer the appropriate amount of assets and liabilities to the new plan.

(c) Reduction of amount of withdrawal liability of employer upon transfer of appropriate amount of assets and liabilities by plan sponsor of old plan to new plan

If the plan sponsor of the old plan transfers the appropriate amount of assets and liabilities under this section to the new plan, then the amount of the employer's withdrawal liability (as determined under section 1381(b) of this title without regard to such transfer and this section) with respect to the old plan shall be reduced by the amount by which—

(1) the value of the unfunded vested benefits allocable to the employer which were transferred by the plan sponsor of the old plan to the new plan, exceeds

(2) the value of the assets transferred.

(d) Escrow payments by employer upon complete or partial withdrawal and prior to transfer

In any case in which there is a complete or partial withdrawal described in subsection (a) of this section, if—

(1) the new plan files an appeal with the corporation under subsection (b)(3) of this section, and

(2) the employer is required by section 1399 of this title to begin making payments of withdrawal liability before the earlier of—

(A) the date on which the corporation finds that the new plan would not suffer substantial financial harm as a result of the transfer, or

(B) the last day of the 180-day period beginning on the date on which the new plan files its appeal,

then the employer shall make such payments into an escrow held by a bank or similar financial institution satisfactory to the old plan. If the transfer is made, the amounts paid into the escrow shall be returned to the employer. If the transfer is not made, the amounts paid into the escrow shall be paid to the old plan and credited against the employer's withdrawal liability.

(e) Prohibition on transfer of assets to new plan by plan sponsor of old plan; exemptions

(1) Notwithstanding subsection (b) of this section, the plan sponsor shall not transfer any assets to the new plan if—

(A) the old plan is in reorganization (within the meaning of section 1421(a) of this title), or

(B) the transfer of assets would cause the old plan to go into reorganization (within the meaning of section 1421(a) of this title).

(2) In any case in which a transfer of assets from the old plan to the new plan is prohibited by paragraph (1), the plan sponsor of the old plan shall transfer—

(A) all nonforfeitable benefits described in subsection (b)(2) of this section, if the value of such benefits does not exceed the withdrawal liability of the employer with respect to such withdrawal, or

(B) such nonforfeitable benefits having a value equal to the withdrawal liability of the employer, if the value of such benefits exceeds the withdrawal liability of the employer.

(f) Agreement between plan sponsors of old plan and new plan to transfer in compliance with other statutory provisions; reduction of withdrawal liability of employer from old plan; amount of withdrawal liability of employer to new plan

(1) Notwithstanding subsections (b) and (e) of this section, the plan sponsors of the old plan and the new plan may agree to a transfer of assets and liabilities that complies with sections 1411 and 1414 of this title, rather than this section, except that the employer's liability with respect to the withdrawal from the old plan shall be reduced under subsection (c) of this section as if assets and liabilities had been transferred in accordance with this section.

(2) If the employer withdraws from the new plan within 240 months after the effective date of a transfer of assets and liabilities described in this section, the amount of the employer's withdrawal liability to the new plan shall be the greater of—

(A) the employer's withdrawal liability determined under part 1 of this subtitle with respect to the new plan, or

(B) the amount by which the employer's withdrawal liability to the old plan was reduced under subsection (c) of this section, reduced by 5 percent for each 12-month period following the effective date of the transfer and ending before the date of the withdrawal from the new plan.

(g) Definitions

For purposes of this section—

(1) "appropriate amount of assets" means the amount by which the value of the nonforfeitable benefits to be transferred exceeds the amount of the employer's withdrawal liability to the old plan (determined under part 1 of this subtitle without regard to section 1391(e) of this title), and

(2) "certified change of collective bargaining representative" means a change of collective bargaining representative certified under the Labor-Management Relations Act, 1947 [29 U.S.C. 141 et seq.], or the Railway Labor Act [45 U.S.C. 151 et seq.].

§ 1421. Reorganization status

(a) Reorganization index of plan for plan year greater than zero

A multiemployer plan is in reorganization for a plan year if the plan's reorganization index for that year is greater than zero.

(b) Determination of reorganization index of plan for plan year; applicable factors, definitions, etc.

(1) A plan's reorganization index for any plan year is the excess of—

(A) the vested benefits charge for such year, over

(B) the net charge to the funding standard account for such year.

(2) For purposes of this part, the net charge to the funding standard account for any plan year is the excess (if any) of—

(A) the charges to the funding standard account for such year under section 412(b)(2)¹ of title 26, over

(B) the credits to the funding standard account under section 412(b)(3)(B)¹ of title 26.

(3) For purposes of this part, the vested benefits charge for any plan year is the amount which would be necessary to amortize the plan's unfunded vested benefits as of the end of the base plan year in equal annual installments—

(A) over 10 years, to the extent such benefits are attributable to persons in pay status, and

(B) over 25 years, to the extent such benefits are attributable to other participants.

(4)(A) The vested benefits charge for a plan year shall be based on an actuarial valuation of the plan as of the end of the base plan year, adjusted to reflect—

(i) any—

(I) decrease of 5 percent or more in the value of plan assets, or increase of 5 percent or more in the number of persons in pay status, during the period beginning on the first day of the plan year following the base plan year and ending on the adjustment date, or

(II) at the election of the plan sponsor, actuarial valuation of the plan as of the adjustment date or any later date not later than the last day of the plan year for which the determination is being made,

(ii) any change in benefits under the plan which is not otherwise taken into account

¹ See References in Text note below.

under this subparagraph and which is pursuant to any amendment—

(I) adopted before the end of the plan year for which the determination is being made, and

(II) effective after the end of the base plan year and on or before the end of the plan year referred to in subclause (I), and

(iii) any other event (including an event described in subparagraph (B)(i)(I)) which, as determined in accordance with regulations prescribed by the Secretary, would substantially increase the plan's vested benefit charge.

(B)(i) In determining the vested benefits charge for a plan year following a plan year in which the plan was not in reorganization, any change in benefits which—

(I) results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits as a result of changes in a collective bargaining agreement, or

(II) results from any other change in a collective bargaining agreement,

shall not be taken into account except to the extent provided in regulations prescribed by the Secretary of the Treasury.

(ii) Except as otherwise determined by the Secretary of the Treasury, in determining the vested benefits charge for any plan year following any plan year in which the plan was in reorganization, any change in benefits—

(I) described in clause (i)(I), or

(II) described in clause (i)(II) as determined under regulations prescribed by the Secretary of the Treasury,

shall, for purposes of subparagraph (A)(ii), be treated as a change in benefits pursuant to an amendment to a plan.

(5)(A) For purposes of this part, the base plan year for any plan year is—

(i) if there is a relevant collective bargaining agreement, the last plan year ending at least 6 months before the relevant effective date, or

(ii) if there is no relevant collective bargaining agreement, the last plan year ending at least 12 months before the beginning of the plan year.

(B) For purposes of this part, a relevant collective bargaining agreement is a collective bargaining agreement—

(i) which is in effect for at least 6 months during the plan year, and

(ii) which has not been in effect for more than 36 months as of the end of the plan year.

(C) For purposes of this part, the relevant effective date is the earliest of the effective dates for the relevant collective bargaining agreements.

(D) For purposes of this part, the adjustment date is the date which is—

(i) 90 days before the relevant effective date, or

(ii) if there is no relevant effective date, 90 days before the beginning of the plan year.

(6) For purposes of this part, the term "person in pay status" means—

(A) a participant or beneficiary on the last day of the base plan year who, at any time during such year, was paid an early, late, normal, or disability retirement benefit (or a death benefit related to a retirement benefit), and

(B) to the extent provided in regulations prescribed by the Secretary of the Treasury, any other person who is entitled to such a benefit under the plan.

(7) For purposes of paragraph (3)—

(A) in determining the plan's unfunded vested benefits, plan assets shall first be allocated to the vested benefits attributable to persons in pay status, and

(B) the vested benefits charge shall be determined without regard to reductions in accrued benefits under section 1425 of this title which are first effective in the plan year.

(8) For purposes of this part, any outstanding claim for withdrawal liability shall not be considered a plan asset, except as otherwise provided in regulations prescribed by the Secretary of the Treasury.

(9) For purposes of this part, the term "unfunded vested benefits" means with respect to a plan, an amount (determined in accordance with regulations prescribed by the Secretary of the Treasury) equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of assets of the plan.

(c) Payment of benefits to participants

Except as provided in regulations prescribed by the corporation, while a plan is in reorganization a benefit with respect to a participant (other than a death benefit) which is attributable to employer contributions and which has a value of more than \$1,750 may not be paid in a form other than an annuity which (by itself or in combination with social security, railroad retirement, or workers' compensation benefits) provides substantially level payments over the life of the participant.

(d) Terminated multiemployer plans

Any multiemployer plan which terminates under section 1341a(a)(2) of this title shall not be considered in reorganization after the last day of the plan year in which the plan is treated as having terminated.

§ 1422. Notice of reorganization and funding requirements

(B) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer.

(3) The determination under paragraph (1)(B) shall be made without regard to the overburden credit provided by section 1424 of this title.

(b) The corporation may prescribe additional or alternative requirements for assuring, in the case of a plan with respect to which notice is required by subsection (a)(1) of this section, that the persons described in subsection (a)(2) of this section—

(1) receive appropriate notice that the plan is in reorganization,

(2) are adequately informed of the implications of reorganization status, and

(3) have reasonable access to information relevant to the plan's reorganization status.

(Pub. L. 93-406, title IV, § 4242, as added Pub. L. 96-364, title I, § 104(2), Sept. 26, 1980, 94 Stat. 1251.)

§ 1423. Minimum contribution requirement**(a) Maintenance of funding standard account; amount of accumulated funding deficiency**

(1) For any plan year for which a plan is in reorganization—

(A) the plan shall continue to maintain its funding standard account while it is in reorganization, and

(B) the plan's accumulated funding deficiency under section 1084(a) of this title for

such plan year shall be equal to the excess (if any) of—

(i) the sum of the minimum contribution requirement for such plan year (taking into account any overburden credit under section 1424(a) of this title) plus the plan's accumulated funding deficiency for the preceding plan year (determined under this section if the plan was in reorganization during such year or under section 1084(a) of this title if the plan was not in reorganization), over

(ii) amounts considered contributed by employers to or under the plan for the plan year (increased by any amount waived under subsection (f) of this section for the plan year).

(2) For purposes of paragraph (1), withdrawal liability payments (whether or not received) which are due with respect to withdrawals before the end of the base plan year shall be considered amounts contributed by the employer to or under the plan if, as of the adjustment date, it was reasonable for the plan sponsor to anticipate that such payments would be made during the plan year.

(b) Determination of amount; applicable factors

(1) Except as otherwise provided in this section, for purposes of this part the minimum contribution requirement for a plan year in which a plan is in reorganization is an amount equal to the excess of—

(A) the sum of—

(i) the plan's vested benefits charge for the plan year, and

(ii) the increase in normal cost for the plan year determined under the entry age normal funding method which is attributable to plan amendments adopted while the plan was in reorganization, over

(B) the amount of the overburden credit (if any) determined under section 1424 of this title for the plan year.

(2) If the plan's current contribution base for the plan year is less than the plan's valuation contribution base for the plan year, the minimum contribution requirement for such plan year shall be equal to the product of the amount determined under paragraph (1) (after any adjustment required by this part other than this paragraph) and a fraction—

(A) the numerator of which is the plan's current contribution base for the plan year, and

(B) the denominator of which is the plan's valuation contribution base for the plan year.

(3)(A) If the vested benefits charge for a plan year of a plan in reorganization is less than the plan's cash-flow amount for the plan year, the plan's minimum contribution requirement for the plan year is the amount determined under paragraph (1) (determined before the application of paragraph (2)) after substituting the term "cash-flow amount" for the term "vested benefits charge" in paragraph (1)(A).

(B) For purposes of subparagraph (A), a plan's cash-flow amount for a plan year is an amount equal to—

(i) the amount of the benefits payable under the plan for the base plan year, plus the amount of the plan's administrative expenses for the base plan year, reduced by

(ii) the value of the available plan assets for the base plan year determined under regulations prescribed by the Secretary of the Treasury,

adjusted in a manner consistent with section 1421(b)(4) of this title.

(c) Current contribution base; valuation contribution base

(1) For purposes of this part, a plan's current contribution base for a plan year is the number of contribution base units with respect to which contributions are required to be made under the plan for that plan year, determined in accordance with regulations prescribed by the Secretary of the Treasury.

(2)(A) Except as provided in subparagraph (B), for purposes of this part a plan's valuation contribution base is the number of contribution base units for which contributions were received for the base plan year—

(i) adjusted to reflect declines in the contribution base which have occurred (or could reasonably be anticipated) as of the adjustment date for the plan year referred to in paragraph (1),

(ii) adjusted upward (in accordance with regulations prescribed by the Secretary of the Treasury) for any contribution base reduction in the base plan year caused by a strike or lockout or by unusual events, such as fire, earthquake, or severe weather conditions, and

(iii) adjusted (in accordance with regulations prescribed by the Secretary of the Treasury) for reductions in the contribution base resulting from transfers of liabilities.

(B) For any plan year—

(i) in which the plan is insolvent (within the meaning of section 1426(b)(1) of this title), and

(ii) beginning with the first plan year beginning after the expiration of all relevant collective bargaining agreements which were in effect in the plan year in which the plan became insolvent,

the plan's valuation contribution base is the greater of the number of contribution base units for which contributions were received for the first or second plan year preceding the first plan year in which the plan is insolvent, adjusted as provided in clause (ii) or (iii) of subparagraph (A).

(d) Maximum amount; amount of funding standard requirement; applicability to plan amendments increasing benefits

(1) Under regulations prescribed by the Secretary of the Treasury, the minimum contribution requirement applicable to any plan for any plan year which is determined under subsection (b) of this section (without regard to subsection (b)(2) of this section) shall not exceed an amount which is equal to the sum of—

(A) the greater of—

(i) the funding standard requirement for such plan year, or

(ii) 107 percent of—

(I) if the plan was not in reorganization in the preceding plan year, the funding standard requirement for such preceding plan year, or

(II) if the plan was in reorganization in the preceding plan year, the sum of the amount determined under this subparagraph for the preceding plan year and the amount (if any) determined under subparagraph (B) for the preceding plan year, plus

(B) if for the plan year a change in benefits is first required to be considered in computing the charges under section 412(b)(2)(A) or (B)¹ of title 26, the sum of—

(i) the increase in normal cost for a plan year determined under the entry age normal funding method due to increases in benefits described in section 1421(b)(4)(A)(ii) of this title (determined without regard to section 1421(b)(4)(B)(i) of this title), and

(ii) the amount necessary to amortize in equal annual installments the increase in the value of vested benefits under the plan due to increases in benefits described in clause (i) over—

(I) 10 years, to the extent such increase in value is attributable to persons in pay status, or

(II) 25 years, to the extent such increase in value is attributable to other participants.

(2) For purposes of paragraph (1), the funding standard requirement for any plan year is an amount equal to the net charge to the funding standard account for such plan year (as defined in section 1421(b)(2) of this title).

(3)(A) In the case of a plan described in section 1396(b) of this title, if a plan amendment which increases benefits is adopted after January 1, 1980—

(i) paragraph (1) shall apply only if the plan is a plan described in subparagraph (B), and

(ii) the amount under paragraph (1) shall be determined without regard to paragraph (1)(B).

(B) A plan is described in this subparagraph if—

(i) the rate of employer contributions under the plan for the first plan year beginning on or after the date on which an amendment increasing benefits is adopted, multiplied by the valuation contribution base for that plan year, equals or exceeds the sum of—

(I) the amount that would be necessary to amortize fully, in equal annual installments, by July 1, 1986, the unfunded vested benefits attributable to plan provisions in effect on July 1, 1977 (determined as of the last day of the base plan year); and

(II) the amount that would be necessary to amortize fully, in equal annual installments, over the period described in subparagraph (C), beginning with the first day of the first plan year beginning on or after the date on which the amendment is adopted, the unfunded vested benefits (determined as of the last day of the base plan year) attributable to each plan amendment after July 1, 1977; and

(ii) the rate of employer contributions for each subsequent plan year is not less than the lesser of—

¹ See References in Text note below.

(I) the rate which when multiplied by the valuation contribution base for that subsequent plan year produces the annual amount that would be necessary to complete the amortization schedule described in clause (i), or

(II) the rate for the plan year immediately preceding such subsequent plan year, plus 5 percent of such rate.

(C) The period determined under this subparagraph is the lesser of—

(i) 12 years, or

(ii) a period equal in length to the average of the remaining expected lives of all persons receiving benefits under the plan.

(4) Paragraph (1) shall not apply with respect to a plan, other than a plan described in paragraph (3), for the period of consecutive plan years in each of which the plan is in reorganization, beginning with a plan year in which occurs the earlier of the date of the adoption or the effective date of any amendment of the plan which increases benefits with respect to service performed before the plan year in which the adoption of the amendment occurred.

(e) Adjustment of vested benefits charge

In determining the minimum contribution requirement with respect to a plan for a plan year under subsection (b) of this section, the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under section 412(c)(8)¹ of title 26.

(f) Waiver of accumulated funding deficiency

(1) The Secretary of the Treasury may waive any accumulated funding deficiency under this section in accordance with the provisions of section 1082(c) of this title.

(2) Any waiver under paragraph (1) shall not be treated as a waived funding deficiency (within the meaning of section 1082(c)(3) of this title).

(g) Statutory methods applicable for determinations

For purposes of making any determination under this part, the requirements of section 1084(c)(3) of this title shall apply.

§ 1424. Overburden credit against minimum contribution requirement

(a) Applicability of overburden credit to determinations

For purposes of determining the minimum contribution requirement under section 1423 of this title (before the application of section 1423(b)(2) or (d) of this title) the plan sponsor of a plan which is overburdened for the plan year shall apply an overburden credit against the plan's minimum contribution requirement for the plan year (determined without regard to section 1423(b)(2) or (d) of this title and without regard to this section).

(b) Determination of overburden status of plan

A plan is overburdened for a plan year if—

(1) the average number of pay status participants under the plan in the base plan year exceeds the average of the number of active participants in the base plan year and the 2 plan years preceding the base plan year, and

(2) the rate of employer contributions under the plan equals or exceeds the greater of—

(A) such rate for the preceding plan year,

or

(B) such rate for the plan year preceding the first year in which the plan is in reorganization.

(c) Amount of overburden credit

The amount of the overburden credit for a plan year is the product of—

(1) one-half of the average guaranteed benefit paid for the base plan year, and

(2) the overburden factor for the plan year.

The amount of the overburden credit for a plan year shall not exceed the amount of the minimum contribution requirement for such year (determined without regard to this section).

(d) Amount of overburden factor

For purposes of this section, the overburden factor of a plan for the plan year is an amount equal to—

(1) the average number of pay status participants for the base plan year, reduced by

(2) the average of the number of active participants for the base plan year and for each of the 2 plan years preceding the base plan year.

(e) Definitions; determinative factors

For purposes of this section—

(1) The term “pay status participant” means, with respect to a plan, a participant receiving retirement benefits under the plan.

(2) The number of active participants for a plan year shall be the sum of—

(A) the number of active employees who are participants in the plan and on whose behalf contributions are required to be made during the plan year;

(B) the number of active employees who are not participants in the plan but who are in an employment unit covered by a collective bargaining agreement which requires the employees’ employer to contribute to the plan, unless service in such employment unit was never covered under the plan or a predecessor thereof, and

(C) the total number of active employees attributed to employers who made payments to the plan for the plan year of withdrawal liability pursuant to part 1 of this subtitle, determined by dividing—

(i) the total amount of such payments, by

(ii) the amount equal to the total contributions received by the plan during the plan year divided by the average number of active employees who were participants in the plan during the plan year.

The Secretary of the Treasury shall by regulation provide alternative methods of determining active participants where (by reason of irregular employment, contributions on a unit basis, or otherwise) this paragraph does not yield a representative basis for determining the credit.

(3) The term “average number” means, with respect to pay status participants for a plan year, a number equal to one-half the sum of—

(A) the number with respect to the plan as of the beginning of the plan year, and

(B) the number with respect to the plan as of the end of the plan year.

(4) The average guaranteed benefit paid is 12 times the average monthly pension payment guaranteed under section 1322a(c)(1) of this title determined under the provisions of the plan in effect at the beginning of the first plan year in which the plan is in reorganization and without regard to section 1322a(c)(2)¹ of this title.

(5) The first year in which the plan is in reorganization is the first of a period of 1 or more consecutive plan years in which the plan has been in reorganization not taking into account any plan years the plan was in reorganization prior to any period of 3 or more consecutive plan years in which the plan was not in reorganization.

¹ See References in Text note below.

(f) Eligibility of plan for overburden credit for plan year

(1) Notwithstanding any other provision of this section, a plan is not eligible for an overburden credit for a plan year if the Secretary of the Treasury finds that the plan’s current contribution base for the plan year was reduced, without a corresponding reduction in the plan’s unfunded vested benefits attributable to pay status participants, as a result of a change in an agreement providing for employer contributions under the plan.

(2) For purposes of paragraph (1), a complete or partial withdrawal of an employer (within the meaning of part 1 of this subtitle) does not impair a plan’s eligibility for an overburden credit, unless the Secretary of the Treasury finds that a contribution base reduction described in paragraph (1) resulted from a transfer of liabilities to another plan in connection with the withdrawal.

(g) Overburden credit where 2 or more multiemployer plans merge

Notwithstanding any other provision of this section, if 2 or more multiemployer plans merge, the amount of the overburden credit which may be applied under this section with respect to the plan resulting from the merger for any of the 3 plan years ending after the effective date of the merger shall not exceed the sum of the used overburden credit for each of the merging plans for its last plan year ending before the effective date of the merger. For purposes of the preceding sentence, the used overburden credit is that portion of the credit which does not exceed the excess of the minimum contribution requirement (determined without regard to any overburden requirement under this section) over the employer contributions required under the plan.

§ 1425. Adjustments in accrued benefits

(a) Amendment of multiemployer plan in reorganization to reduce or eliminate accrued benefits attributable to employer contributions ineligible for guarantee of corporation; adjustment of vested benefits charge to reflect plan amendment

(1) Notwithstanding sections 1053 and 1054 of this title, a multiemployer plan in reorganization may be amended in accordance with this section, to reduce or eliminate accrued benefits attributable to employer contributions which, under section 1322a(b) of this title, are not eligible for the corporation’s guarantee. The preceding sentence shall only apply to accrued benefits under plan amendments (or plans) adopted after March 26, 1980, or under collective bargaining agreements entered into after March 26, 1980.

(2) In determining the minimum contribution requirement with respect to a plan for a plan

year under section 1423(b) of this title, the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under this section or section 412(c)(8)¹ of title 26, but only if the amendment is adopted and effective no later than 2½ months after the end of the plan year, or within such extended period as the Secretary of the Treasury may prescribe by regulation under section 412(c)(10)¹ of title 26.

(b) Reduction of accrued benefits; notice by plan sponsors to plan participants and beneficiaries

(1) Accrued benefits may not be reduced under this section unless—

(A) notice has been given, at least 6 months before the first day of the plan year in which the amendment reducing benefits is adopted, to—

- (i) plan participants and beneficiaries,
- (ii) each employer who has an obligation to contribute (within the meaning of section 1392(a) of this title) under the plan, and
- (iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer,

that the plan is in reorganization and that, if contributions under the plan are not increased, accrued benefits under the plan will be reduced or an excise tax will be imposed on employers;

(B) in accordance with regulations prescribed by the Secretary of the Treasury—

- (i) any category of accrued benefits is not reduced with respect to inactive participants to a greater extent proportionally than such category of accrued benefits is reduced with respect to active participants,
- (ii) benefits attributable to employer contributions other than accrued benefits and the rate of future benefit accruals are reduced at least to an extent equal to the reduction in accrued benefits of inactive participants, and
- (iii) in any case in which the accrued benefit of a participant or beneficiary is reduced by changing the benefit form or the requirements which the participant or beneficiary must satisfy to be entitled to the benefit, such reduction is not applicable to—

(I) any participant or beneficiary in pay status on the effective date of the amendment, or the beneficiary of such a participant, or

(II) any participant who has attained normal retirement age, or who is within 5 years of attaining normal retirement age, on the effective date of the amendment, or the beneficiary of any such participant; and

(C) the rate of employer contributions for the plan year in which the amendment becomes effective and for all succeeding plan years in which the plan is in reorganization equals or exceeds the greater of—

- (i) the rate of employer contributions, calculated without regard to the amendment,

for the plan year in which the amendment becomes effective, or

- (ii) the rate of employer contributions for the plan year preceding the plan year in which the amendment becomes effective.

(2) The plan sponsors shall include in any notice required to be sent to plan participants and beneficiaries under paragraph (1) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.

(c) Recoupment by plan of excess benefit payment

A plan may not recoup a benefit payment which is in excess of the amount payable under the plan because of an amendment retroactively reducing accrued benefits under this section.

(d) Amendment of plan to increase or restore accrued benefits previously reduced or rate of future benefit accruals; conditions, applicable factors, etc.

(1)(A) A plan which has been amended to reduce accrued benefits under this section may be amended to increase or restore accrued benefits, or the rate of future benefit accruals, only if the plan is amended to restore levels of previously reduced accrued benefits of inactive participants and of participants who are within 5 years of attaining normal retirement age to at least the same extent as any such increase in accrued benefits or in the rate of future benefit accruals.

(B) For purposes of this subsection, in the case of a plan which has been amended under this section to reduce accrued benefits—

- (i) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit increase to the extent that the benefit, or the accrual rate, is thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan before the effective date of the amendment reducing accrued benefits, and
- (ii) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit restoration to the extent that the benefit, or the accrual rate, is not thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan immediately before the effective date of the amendment reducing accrued benefits.

(2) If a plan is amended to partially restore previously reduced accrued benefit levels, or the rate of future benefit accruals, the benefits of inactive participants shall be restored in at least the same proportions as other accrued benefits which are restored.

(3) No benefit increase under a plan may take effect in a plan year in which an amendment reducing accrued benefits under the plan, in accordance with this section, is adopted or first becomes effective.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of an accrued benefit which was reduced and subsequently restored under this section.

(e) “Inactive participant” defined

For purposes of this section, “inactive participant” means a person not in covered service

under the plan who is in pay status under the plan or who has a nonforfeitable benefit under the plan.

(f) Promulgation of rules; contents, etc.

The Secretary of the Treasury may prescribe rules under which, notwithstanding any other provision of this section, accrued benefit reductions or benefit increases for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors reflecting differences in negotiated levels of financial support for plan benefit obligations.

§ 1426. Insolvent plans

(a) Suspension of payments of benefits; conditions, amount, etc.

Notwithstanding sections 1053 and 1054 of this title, in any case in which benefit payments under an insolvent multiemployer plan exceed the resource benefit level, any such payments of benefits which are not basic benefits shall be suspended, in accordance with this section, to the extent necessary to reduce the sum of such payments and the payments of such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation under section 1322a(g)(5) of this title.

(b) Determination of insolvency status for plan year; definitions

For purposes of this section, for a plan year—

(1) a multiemployer plan is insolvent if the plan’s available resources are not sufficient to pay benefits under the plan when due for the plan year, or if the plan is determined to be insolvent under subsection (d) of this section;

(2) “resource benefit level” means the level of monthly benefits determined under subsections (c)(1) and (3) and (d)(3) of this section to be the highest level which can be paid out of the plan’s available resources;

(3) “available resources” means the plan’s cash, marketable assets, contributions, withdrawal liability payments, and earnings, less reasonable administrative expenses and

amounts owed for such plan year to the corporation under section 1431(b)(2) of this title; and

(4) “insolvency year” means a plan year in which a plan is insolvent.

(c) Determination by plan sponsor of plan in reorganization of resource benefit level of plan for each insolvency year; uniform application of suspension of benefits; adjustments of benefit payments

(1) The plan sponsor of a plan in reorganization shall determine in writing the plan’s resource benefit level for each insolvency year, based on the plan sponsor’s reasonable projection of the plan’s available resources and the benefits payable under the plan.

(2) The suspension of benefit payments under this section shall, in accordance with regulations prescribed by the Secretary of the Treasury, apply in substantially uniform proportions to the benefits of all persons in pay status (within the meaning of section 1421(b)(6) of this title) under the plan, except that the Secretary of the Treasury may prescribe rules under which benefit suspensions for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors including differences in negotiated levels of financial support for plan benefit obligations.

(3) Notwithstanding paragraph (2), if a plan sponsor determines in writing a resource benefit level for a plan year which is below the level of basic benefits, the payment of all benefits other than basic benefits must be suspended for that plan year.

(4)(A) If, by the end of an insolvency year, the plan sponsor determines in writing that the plan’s available resources in that insolvency year could have supported benefit payments above the resource benefit level for that insolvency year, the plan sponsor shall distribute the excess resources to the participants and beneficiaries who received benefit payments from the plan in that insolvency year, in accordance with regulations prescribed by the Secretary of the Treasury.

(B) For purposes of this paragraph, the term “excess resources” means available resources above the amount necessary to support the resource benefit level, but no greater than the amount necessary to pay benefits for the plan year at the benefit levels under the plan.

(5) If, by the end of an insolvency year, any benefit has not been paid at the resource benefit level, amounts up to the resource benefit level which were unpaid shall be distributed to the participants and beneficiaries, in accordance with regulations prescribed by the Secretary of the Treasury, to the extent possible taking into account the plan’s total available resources in that insolvency year.

(6) Except as provided in paragraph (4) or (5), a plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this section.

(d) Applicability and determinations respecting plan assets; time for determinations of resource benefit level and level of basic benefits

(1) As of the end of the first plan year in which a plan is in reorganization, and at least every 3

plan years thereafter (unless the plan is no longer in reorganization), the plan sponsor shall compare the value of plan assets (determined in accordance with section 1423(b)(3)(B)(ii) of this title) for that plan year with the total amount of benefit payments made under the plan for that plan year. Unless the plan sponsor determines that the value of plan assets exceeds 3 times the total amount of benefit payments, the plan sponsor shall determine whether the plan will be insolvent in any of the next 5 plan years. If the plan sponsor makes such a determination that the plan will be insolvent in any of the next 5 plan years, the plan sponsor shall make the comparison under this paragraph at least annually until the plan sponsor makes a determination that the plan will not be insolvent in any of the next 5 plan years.

(2) If, at any time, the plan sponsor of a plan in reorganization reasonably determines, taking into account the plan's recent and anticipated financial experience, that the plan's available resources are not sufficient to pay benefits under the plan when due for the next plan year, the plan sponsor shall make such determination available to interested parties.

(3) The plan sponsor of a plan in reorganization shall determine in writing for each insolvency year the resource benefit level and the level of basic benefits no later than 3 months before the insolvency year.

(e) Notice, etc., requirements of plan sponsor of plan in reorganization regarding insolvency and resource benefit levels

(1) If the plan sponsor of a plan in reorganization determines under subsection (d)(1) or (2) of this section that the plan may become insolvent (within the meaning of subsection (b)(1) of this section), the plan sponsor shall—

(A) notify the Secretary of the Treasury, the corporation, the parties described in section 1422(a)(2) of this title, and the plan participants and beneficiaries of that determination, and

(B) inform the parties described in section 1422(a)(2) of this title and the plan participants and beneficiaries that if insolvency occurs certain benefit payments will be suspended, but that basic benefits will continue to be paid.

(2) No later than 2 months before the first day of each insolvency year, the plan sponsor of a plan in reorganization shall notify the Secretary of the Treasury, the corporation, and the parties described in paragraph (1)(B) of the resource benefit level determined in writing for that insolvency year.

(3) In any case in which the plan sponsor anticipates that the resource benefit level for an insolvency year may not exceed the level of basic benefits, the plan sponsor shall notify the corporation.

(4) Notice required by this subsection shall be given in accordance with regulations prescribed by the corporation, except that notice to the Secretary of the Treasury shall be given in accordance with regulations prescribed by the Secretary of the Treasury.

(5) The corporation may prescribe a time other than the time prescribed by this section for the making of a determination or the filing of a notice under this section.

(f) Financial assistance from corporation; conditions and criteria applicable

(1) If the plan sponsor of an insolvent plan, for which the resource benefit level is above the level of basic benefits, anticipates that, for any month in an insolvency year, the plan will not have funds sufficient to pay basic benefits, the plan sponsor may apply for financial assistance from the corporation under section 1431 of this title.

(2) A plan sponsor who has determined a resource benefit level for an insolvency year which is below the level of basic benefits shall apply for financial assistance from the corporation under section 1431 of this title.

EFFECTIVE DATE OF 2006 AMENDMENT

Pub. L. 109-280, title II, § 203(b), Aug. 17, 2006, 120 Stat. 886, provided that: “The amendments made by this section [amending this section] shall apply with respect to determinations made in plan years beginning after 2007.”

WITHDRAWAL LIABILITY OF EMPLOYER FROM PLAN TERMINATING WHILE PLAN INSOLVENT WITHIN THIS SECTION: DETERMINATIONS, FACTORS, ETC.

Section 108(c)(3) of Pub. L. 96-364 provided that:

“(A) For the purpose of determining the withdrawal liability of an employer under title IV of the Employee Retirement Income Security Act of 1974 [this subchapter] from a plan that terminates while the plan is insolvent (within the meaning of section 4245 of such Act [this section]), the plan's unfunded vested benefits shall be reduced by an amount equal to the sum of all overburden credits that were applied in determining the plan's accumulated funding deficiency for all plan years preceding the first plan year in which the plan is insolvent, plus interest thereon.

“(B) The provisions of subparagraph (A) apply only if—

“(i) the plan would have been eligible for the overburden credit in the last plan year beginning before the date of the enactment of this Act [Sept. 26, 1980], if section 4243 of the Employee Retirement Income Security Act of 1974 [section 1423 of this title] had been in effect for that plan year, and

“(ii) the Pension Benefit Guaranty Corporation determines that the reduction of unfunded vested benefits under subparagraph (A) would not significantly increase the risk of loss to the corporation.”

PART 4—FINANCIAL ASSISTANCE

§ 1431. Assistance by corporation

(a) Authority; procedure applicable; amount

If, upon receipt of an application for financial assistance under section 1426(f) of this title or section 1441(d) of this title, the corporation verifies that the plan is or will be insolvent and un-

able to pay basic benefits when due, the corporation shall provide the plan financial assistance in an amount sufficient to enable the plan to pay basic benefits under the plan.

(b) Conditions; repayment terms

(1) Financial assistance shall be provided under such conditions as the corporation determines are equitable and are appropriate to prevent unreasonable loss to the corporation with respect to the plan.

(2) A plan which has received financial assistance shall repay the amount of such assistance to the corporation on reasonable terms consistent with regulations prescribed by the corporation.

(c) Assistance pending final determination of application

Pending determination of the amount described in subsection (a) of this section, the corporation may provide financial assistance in such amounts as it considers appropriate in order to avoid undue hardship to plan participants and beneficiaries.

§ 1441. Benefits under certain terminated plans

(a) Amendment of plan by plan sponsor to reduce benefits, and suspension of benefit payments

Notwithstanding sections 1053 and 1054 of this title, the plan sponsor of a terminated multiemployer plan to which section 1341a(d) of this title applies shall amend the plan to reduce benefits, and shall suspend benefit payments, as required by this section.

(b) Determinations respecting value of nonforfeitable benefits under terminated plan and value of assets of plan

(1) The value of nonforfeitable benefits under a terminated plan referred to in subsection (a) of this section, and the value of the plan's assets, shall be determined in writing, in accordance with regulations prescribed by the corporation, as of the end of the plan year during which section 1341a(d) of this title becomes applicable to the plan, and each plan year thereafter.

(2) For purposes of this section, plan assets include outstanding claims for withdrawal liability (within the meaning of section 1301(a)(12) of this title).

(c) Amendment of plan by plan sponsor to reduce benefits for conservation of assets; factors applicable

(1) If, according to the determination made under subsection (b) of this section, the value of nonforfeitable benefits exceeds the value of the plan's assets, the plan sponsor shall amend the plan to reduce benefits under the plan to the extent necessary to ensure that the plan's assets are sufficient, as determined and certified in ac-

cordance with regulations prescribed by the corporation, to discharge when due all of the plan's obligations with respect to nonforfeitable benefits.

(2) Any plan amendment required by this subsection shall, in accordance with regulations prescribed by the Secretary of the Treasury—

(A) reduce benefits only to the extent necessary to comply with paragraph (1);

(B) reduce accrued benefits only to the extent that those benefits are not eligible for the corporation's guarantee under section 1322a(b) of this title;

(1) In any case in which benefit payments under a plan which is insolvent under paragraph (2)(A) exceed the resource benefit level, any payments which are not basic benefits shall be suspended, in accordance with this subsection, to the extent necessary to reduce the sum of such payments and such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation in connection with a supplemental guarantee program established under section 1322a(g)(2) of this title.

(2) For purposes of this subsection, for a plan year—

(A) a plan is insolvent if—

(i) the plan has been amended to reduce benefits to the extent permitted by subsection (c) of this section, and

(ii) the plan's available resources are not sufficient to pay benefits under the plan when due for the plan year; and

(B) "resource benefit level" and "available resources" have the meanings set forth in paragraphs (2) and (3), respectively, of section 1426(b) of this title.

(3) The plan sponsor of a plan which is insolvent (within the meaning of paragraph (2)(A)) shall have the powers and duties of the plan sponsor of a plan in reorganization which is insolvent (within the meaning of section 1426(b)(1) of this title), except that regulations governing the plan sponsor's exercise of those powers and duties under this section shall be prescribed by the corporation, and the corporation shall prescribe by regulation notice requirements which assure that plan participants and beneficiaries receive adequate notice of benefit suspensions.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this subsection, except that the provisions of section 1426(c)(4) and (5) of this title shall apply in the case of plans which are insolvent under para-

graph (2)(A), in connection with the plan year during which such section 1341a(d) of this title first became applicable to the plan and every year thereafter, in the same manner and to the same extent as such provisions apply to insolvent plans in reorganization under section 1426 of this title, in connection with insolvency years under such section 1426 of this title.

(2) Notwithstanding paragraph (1), this section does not authorize an action against the Secretary of the Treasury, the Secretary of Labor, or the corporation.

(b) Failure of employer to make withdrawal liability payment within prescribed time

Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation, that the plan shall not be treated as a multiemployer plan for any purpose under this chapter or the Internal Revenue Code of 1954, if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

- (1) the plan was not a multiemployer plan because the plan was not a plan described in section 1002(37)(A)(iii) of this title and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

(b) Requirements

An election described in subsection (a) of this section shall be effective only if—

SUBTITLE F—TRANSITION RULES AND EFFECTIVE DATES

AMENDMENTS

1980—Pub. L. 96-364, title I, §104(1), Sept. 26, 1980, 94 Stat. 1217, substituted "Subtitle F—Transition Rules and Effective Dates" for "Subtitle E—Effective Date; Special Rules".

§ 1461. Effective date; special rules

(a) The provisions of this subchapter take effect on September 2, 1974.

(b) Notwithstanding the provisions of subsection (a) of this section, the corporation shall pay benefits guaranteed under this subchapter with respect to any plan—

(1) which is not a multiemployer plan,

(2) which terminates after June 30, 1974, and before September 2, 1974,

(3) to which section 1321 of this title would apply if that section were effective beginning on July 1, 1974, and

(4) with respect to which a notice is filed with the Secretary of Labor and received by him not later than 10 days after September 2, 1974, except that, for reasonable cause shown, such notice may be filed with the Secretary of Labor and received by him not later than October 31, 1974, stating that the plan is a plan described in paragraphs (1), (2), and (3).

The corporation shall not pay benefits guaranteed under this subchapter with respect to a plan described in the preceding sentence unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this subchapter or for the purpose of avoiding the liability which might be imposed under subtitle D of this subchapter if the plan terminated on or after September 2, 1974. The provisions of subtitle D of this subchapter do

not apply in the case of such a plan which terminates before September 2, 1974. For purposes of determining whether a plan is a plan described in paragraph (2), the provisions of section 1348 of this title shall not apply, but the corporation shall make the determination on the basis of the date on which benefits ceased to accrue or on any other reasonable basis consistent with the purposes of this subsection.

(c)(1) Except as provided in paragraphs (2), (3), and (4), the corporation shall not pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980. Whenever the corporation exercises the authority granted under paragraph (2) or (3), the corporation shall notify the Committee on Education and Labor and the Committee on Ways and Means of the House of Representatives, and the Committee on Labor and Public Welfare and the Committee on Finance of the Senate.

(2) The corporation may, in its discretion, pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates after September 2, 1974 and before August 1, 1980, if—

(A) the plan was maintained during the 60 months immediately preceding the date on which the plan terminates, and

(B) the corporation determines that the payment by the corporation of benefits guaranteed under this subchapter with respect to that plan will not jeopardize the payments the corporation anticipates it may be required to make in connection with benefits guaranteed under this subchapter with respect to multiemployer plans which terminate after July 31, 1980.

(3) Notwithstanding any provision of section 1321 or 1322 of this title which would prevent such payments, the corporation, in carrying out its authority under paragraph (2), may pay benefits guaranteed under this subchapter with respect to a multiemployer plan described in paragraph (2) in any case in which those benefits would otherwise not be payable if—

(A) the plan has been in effect for at least 5 years,

(B) the plan has been in substantial compliance with the funding requirements for a qualified plan with respect to the employees and former employees in those employment units on the basis of which the participating employers have contributed to the plan for the preceding 5 years, and

(C) the participating employers and employee organization or organizations had no reasonable recourse other than termination.

(4) If the corporation determines, under paragraph (2) or (3), that it will pay benefits guaranteed under this subchapter with respect to a multiemployer plan which terminates before August 1, 1980, the corporation—

(A) may establish requirements for the continuation of payments which commenced before January 2, 1974, with respect to retired participants under the plan,

(B) may not, notwithstanding any other provision of this subchapter, make payments with respect to any participant under such a plan
