AMENDMENTS

2006—Par. (1). Pub. L. 109-284 substituted “1494” for “1494”.

§ 3142. Rate of wages for laborers and mechanics

(a) APPLICATION.—The advertised specifications for every contract in excess of \$2,000, to which the Federal Government or the District of Columbia is a party, for construction, alteration, or repair, including painting and decorating, of public buildings and public works of the Government or the District of Columbia that are located in a State or the District of Columbia and which requires or involves the employment of mechanics or laborers shall contain a provision stating the minimum wages to be paid various classes of laborers and mechanics.

(b) BASED ON PREVAILING WAGE.—The minimum wages shall be based on the wages the Secretary of Labor determines to be prevailing for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or in the District of Columbia if the work is to be performed there.

(c) STIPULATIONS REQUIRED IN CONTRACT.—Every contract based upon the specifications referred to in subsection (a) must contain stipulations that—

(1) the contractor or subcontractor shall pay all mechanics and laborers employed directly on the site of the work, unconditionally and at least once a week, and without subsequent deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications, regardless of any contractual relationship which may be alleged to exist between the contractor or subcontractor and the laborers and mechanics;

(2) the contractor will post the scale of wages to be paid in a prominent and easily accessible place at the site of the work; and

(3) there may be withheld from the contractor so much of accrued payments as the contracting officer considers necessary to pay to laborers and mechanics employed by the contractor or any subcontractor on the work the difference between the rates of wages required by the contract to be paid laborers and mechanics on the work and the rates of wages received by the laborers and mechanics and not refunded to the contractor or subcontractors or their agents.

(d) DISCHARGE OF OBLIGATION.—The obligation of a contractor or subcontractor to make payment in accordance with the prevailing wage determinations of the Secretary of Labor, under

this subchapter and other laws incorporating this subchapter by reference, may be discharged by making payments in cash, by making contributions described in section 3141(2)(B)(i) of this title, by assuming an enforceable commitment to bear the costs of a plan or program referred to in section 3141(2)(B)(ii) of this title, or by any combination of payment, contribution, and assumption, where the aggregate of the payments, contributions, and costs is not less than the basic hourly rate of pay plus the amount referred to in section 3141(2)(B) of this title.

(e) OVERTIME PAY.—In determining the overtime pay to which a laborer or mechanic is entitled under any federal law, the regular or basic hourly rate of pay (or other alternative rate on which premium rate of overtime compensation is computed) of the laborer or mechanic is deemed to be the rate computed under section 3141(2)(A) of this title, except that where the amount of payments, contributions, or costs incurred with respect to the laborer or mechanic exceeds the applicable prevailing wage, the regular or basic hourly rate of pay (or other alternative rate) is the amount of payments, contributions, or costs actually incurred with respect to the laborer or mechanic minus the greater of the amount of contributions or costs of the types described in section 3141(2)(B) of this title actually incurred with respect to the laborer or mechanic or the amount determined under section 3141(2)(B) of this title but not actually paid.

**§ 3162. Waiver for individuals who perform volunteer services**

(a) CRITERIA FOR RECEIVING WAIVER.—The requirement that certain laborers and mechanics be paid in accordance with the wage-setting provisions of subchapter IV of this chapter as set forth in the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.), the Indian Health Care Improvement Act (25 U.S.C. 1601 et seq.), and the Housing and Community

Development Act of 1974 (42 U.S.C. 5301 et seq.) does not apply to an individual—

(1) who volunteers to perform a service directly to a state or local government, a public agency, or a public or private nonprofit recipient of federal assistance—

(A) for civic, charitable, or humanitarian reasons;

(B) only for the personal purpose or pleasure of the individual;

(C) without promise, expectation, or receipt of compensation for services rendered, except as provided in subsection (b); and

(D) freely and without pressure or coercion, direct or implied, from any employer;

(2) whose contribution of service is not for the direct or indirect benefit of any contractor otherwise performing or seeking to perform work on the same project for which the individual is volunteering;

(3) who is not employed by and does not provide services to a contractor or subcontractor at any time on the federally assisted or insured project for which the individual is volunteering; and

(4) who otherwise is not employed by the same public agency or recipient of federal assistance to perform the same type of services as those for which the individual proposes to volunteer.

(b) PAYMENTS.—

(1) IN ACCORDANCE WITH REGULATIONS.—Volunteers described in subsection (a) who are performing services directly to a state or local government or public agency may receive payments of expenses, reasonable benefits, or a nominal fee only in accordance with regulations the Secretary of Labor prescribes. Volunteers who are performing services directly to a public or private nonprofit entity may not receive those payments.

(2) CRITERIA AND CONTENT OF REGULATIONS.—In prescribing the regulations, the Secretary shall consider criteria such as the total amount of payments made (relating to expenses, benefits, or fees) in the context of the economic realities. The regulations shall include provisions that provide that—

(A) a payment for an expense may be received by a volunteer for items such as uniform allowances, protective gear and clothing, reimbursement for approximate out-of-pocket expenses, or the cost or expense of meals and transportation;

(B) a reasonable benefit may include the inclusion of a volunteer in a group insurance plan (such as a liability, health, life, disability, or worker’s compensation plan) or pension plan, or the awarding of a length of service award; and

(C) a nominal fee may not be used as a substitute for compensation and may not be connected to productivity.

(3) NOMINAL FEE.—The Secretary shall decide what constitutes a nominal fee for purposes of paragraph (2)(C). The decision shall be based on the context of the economic realities of the situation involved.

(c) ECONOMIC REALITY.—In determining whether an expense, benefit, or fee described in sub-
