§ 5303. Annual adjustments to pay schedules

(a) Effective as of the first day of the first applicable pay period beginning on or after January 1 of each calendar year, the rates of basic pay for each statutory pay system shall be increased by the percentage (rounded to the nearest one-tenth of 1 percent) equal to one-half of 1 percentage point less than the percentage by which the ECI for the base quarter of the year before the preceding calendar year exceeds the ECI for the base quarter of the second year before the preceding calendar year (if at all).

(b)(1) If, because of national emergency or serious economic conditions affecting the general welfare, the President should consider the pay adjustment which would otherwise be required by subsection (a) in any year to be inappropriate, the President shall—

(A) prepare and transmit to Congress before September 1 of the preceding calendar year a plan for such alternative pay adjustments as he considers appropriate, together with the reasons therefor; and

§ 5304. Locality-based comparability payments

(a) Pay disparities shall be identified and reduced as follows:

(1) Comparability payments shall be payable within each locality determined to have a pay disparity greater than 5 percent.

(2)(A) The localities having pay disparities, and the size of those disparities, shall, for purposes of any comparability payment scheduled to take effect in any calendar year, be determined in accordance with the appropriate report, as prepared and submitted to the President under subsection (d)(1) for purposes of such calendar year.

(B) Any computation necessary to determine the size of the comparability payment to become payable for any locality in a year (as well as any determination as to the size of any pay disparity remaining after that comparability payment is made) shall likewise be made using data contained in the appropriate report (described in subparagraph (A)) so prepared and submitted for purposes of such calendar year.

(3) Subject to paragraph (4), the amount of the comparability payments payable under this subsection in a calendar year within any locality in which a comparability payment is payable shall be computed using such percentage as the President determines for such locality under subsection (d)(2), except that—

(A) the percentage for the first calendar year in which any amounts are payable under this section may not be less than $\frac{1}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(B) the percentage for the second calendar year in which any amounts are payable under this section may not be less than $\frac{3}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(C) the percentage for the third calendar year in which any amounts are payable under this section may not be less than $\frac{2}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(D) the percentage for the fourth calendar year in which any amounts are payable under this section may not be less than $\frac{1}{2}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(E) the percentage for the fifth calendar year in which any amounts are payable under this section may not be less than $\frac{3}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(F) the percentage for the sixth calendar year in which any amounts are payable under this section may not be less than $\frac{7}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(G) the percentage for the seventh calendar year in which any amounts are payable under this section may not be less than $\frac{4}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

(H) the percentage for the eighth calendar year in which any amounts are payable under this section may not be less than $\frac{9}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent; and

(I) the percentage for the ninth calendar year in which any amounts are payable under this section, and any year thereafter, may not be less than the full amount necessary to reduce the pay disparity of the locality involved to 5 percent.

(4) Nothing in this section shall be considered to preclude the President, in his discretion, from adjusting comparability payments to a level higher than the minimum level otherwise required in a calendar year, including to the level necessary to eliminate a locality's pay disparity completely.

(b) After the ninth calendar year (referred to in subsection (a)(3)(I)), the level of comparability payments payable within such locality may be reduced for any subsequent calendar year, but only if, or to the extent that, the reduction would not immediately create another pay disparity in excess of 5 percent within the locality (taking into consideration any comparability payments remaining payable).

(c)(1) The amount of the comparability payment payable within any particular locality during a calendar year—

(A) shall be stated as a single percentage, which shall be uniformly applicable to General Schedule positions within the locality; and

(B) shall, for any employee entitled to receive a comparability payment, be computed by applying that percentage to such employee's scheduled rate of basic pay (or, if lower due to a limitation on the rate payable, the rate actually payable), subject to subsection (g).

(2) A comparability payment—

(A) shall be considered to be part of basic pay for purposes of retirement under chapter 83 or 84, as applicable, life insurance under chapter 87, and premium pay under subchapter V of chapter 55, and for such other purposes as may be expressly provided for by law or as the Office of Personnel Management may by regulation prescribe; and

(B) shall be paid in the same manner and at the same time as the basic pay payable to such employee pursuant to any provision of law outside of this section.

(3) Nothing in this subchapter shall be considered to permit or require that any portion of a comparability payment be taken into account for purposes of any adjustment under section 5303.

(4)(A) Only employees receiving scheduled rates of basic pay (subject to any pay limitation which may apply) shall be eligible for comparability payments under this section.

(B) Comparability payments shall not be payable for service performed in any position which may not, under subsection (f)(1)(A), be included within a pay locality.

(d) In order to carry out this section, the President shall—

(1) direct such agent as he considers appropriate to prepare and submit to him annually, after considering such views and recommendations as may be submitted under subsection (e) (but not later than 13 months before the start of the calendar year for purposes of which it is prepared), a report that—

(A) compares the rates of pay under the General Schedule (disregarding any described in section 5302(8)(C))¹ with the rates of pay generally paid to non-Federal workers

for the same levels of work within each pay locality, as determined on the basis of appropriate surveys that shall be conducted by the Bureau of Labor Statistics;

(B) based on data from such surveys, identifies each locality in which a pay disparity exists and specifies the size of each such pay disparity (before and after taking into consideration any comparability payments payable);

(C) makes recommendations for appropriate comparability payments, in conformance with applicable requirements of this section; and

(D) includes the views and recommendations submitted under subsection (e);

(2) after considering the report of his agent (including the views and recommendations referred to in subsection (e)(2)(C)), provide for or adjust comparability payments in conformance with applicable requirements of this section, effective as of the beginning of the first applicable pay period commencing on or after January 1 of the applicable year; and

(3) transmit to Congress a report of the actions taken under paragraph (2) (together with a copy of the report submitted to him by his agent, including the views and recommendations referred to in subsection (e)(2)(C)) which shall—

(A) identify each pay locality;

(B) specify which localities have pay disparities in excess of 5 percent, and the size of the disparity existing in each of those localities, according to the pay agent's most recent report under paragraph (1) (before and after taking into consideration any comparability payments payable); and

(C) indicate the size of the respective comparability payments (expressed as percentages) which will be in effect under paragraph (2) for the various pay localities specified under subparagraph (B) for the applicable calendar year.

(e)(1) The President shall establish a Federal Salary Council of 9 members, of whom—

(A) 3 shall be chosen from among persons generally recognized for their impartiality, knowledge, and experience in the field of labor relations and pay policy; and

(B) 6 shall be representatives of employee organizations which represent substantial numbers of employees holding General Schedule positions, and who shall be selected giving due consideration to such factors as the relative numbers of employees represented by the various organizations, except that not more than 3 members of the Council at any one time shall be from a single employee organization, council, federation, alliance, association, or affiliation of employee organizations.

Members of the Council shall not receive pay by reason of their service on the Council, nor shall members who are not otherwise employees of the United States be considered employees by reason of any such service. However, members under subparagraph (A) may be paid expenses in accordance with section 5703. The President shall designate one of the members to serve as Chairman of the Federal Salary Council. One of

the 3 members under subparagraph (A) may be the Chairman of the Federal Prevailing Rate Advisory Committee, notwithstanding the restriction under section 5347(a)(1), and such individual may also be designated to serve as Chairman of the Federal Salary Council.

(2) The pay agent shall—

(A) provide for meetings with the Council and give thorough consideration to the views and recommendations of the Council and the individual views and recommendations, if any, of the members of the Council regarding—

(i) the establishment or modification of pay localities;

(ii) the coverage of the surveys of pay localities conducted by the Bureau of Labor Statistics under subsection (d)(1)(A) (including, but not limited to, the occupations, establishment sizes, and industries to be surveyed, and how pay localities are to be surveyed);

(iii) the process of comparing the rates of pay payable under the General Schedule with rates of pay for the same levels of work performed by non-Federal workers; and

(iv) the level of comparability payments that should be paid in order to eliminate or reduce pay disparities in accordance with the requirements of this section;

(B) give thorough consideration to the views and recommendations of employee organizations not represented on the Council regarding the subjects in subparagraph (A)(i)–(iv); and

(C) include in its report to the President the views and recommendations submitted as provided in this subsection by the Council, by any member of the Council, and by employee organizations not represented on the Council.

(f)(1) The pay agent may provide for such pay localities as the pay agent considers appropriate, except that—

(A) each General Schedule position in the United States, as defined under section 5921(4), and its territories and possessions, including the Commonwealth of Puerto Rico and the Commonwealth of the Northern Mariana Islands, shall be included within a pay locality; and

(B) the boundaries of pay localities shall be determined based on appropriate factors which may include local labor market patterns, commuting patterns, and practices of other employers.

(2)(A) The establishment or modification of any such boundaries shall be effected by regulations which, notwithstanding subsection (a)(2) of section 553, shall be promulgated in accordance with the notice and comment requirements of such section.

(B) Judicial review of any regulation under this subsection shall be limited to whether or not it was promulgated in accordance with the requirements referred to in subparagraph (A).

(g)(1) Except as provided in paragraph (2), comparability payments may not be paid at a rate which, when added to the rate of basic pay otherwise payable to the employee involved, would cause the total to exceed the rate of basic pay payable for level IV of the Executive Schedule.

(2) The applicable maximum under this subsection shall be level III of the Executive Schedule for—

(A) positions under subparagraphs (A) and (B) of subsection (h)(1);

(B) positions under subsection (h)(1)(C) not covered by appraisal systems certified under subsection 5307(d); and

(C) any positions under subsection (h)(1)(D) as the President may determine.

(3) The applicable maximum under this subsection shall be level II of the Executive Schedule for positions under subsection (h)(1)(C) covered by appraisal systems certified under section 5307(d).

(h)(1) For the purpose of this subsection, the term “position” means—

(A) a position to which section 5372 applies (relating to administrative law judges appointed under section 3105);

(B) a position to which section 5372a applies (relating to contract appeals board members);

(C) a Senior Executive Service position under section 3132 or 3151 or a senior level position under section 5376 stationed within the United States, but outside the 48 contiguous States and the District of Columbia in which the incumbent was an individual who on the day before the effective date of section 1912 of the Non-Foreign Area Retirement Equity Assurance Act of 2009 was eligible to receive a cost-of-living allowance under section 5941 and who thereafter has served continuously in an area in which such an allowance was payable; and

(D) a position within an Executive agency not covered under the General Schedule or any of the preceding subparagraphs, the rate of basic pay for which is (or, but for this section, would be) no more than the rate payable for level IV of the Executive Schedule;

but does not include—

(i) a position to which subchapter IV applies (relating to prevailing rate systems);

(ii) a position as to which a rate of pay is authorized under section 5377 (relating to critical positions);

(iii) a position to which subchapter II applies (relating to the Executive Schedule);

(iv) a Senior Executive Service position under section 3132, except for a position covered by subparagraph (C);

(vii) a position to which section 5376 applies (relating to certain senior-level and scientific and professional positions), except for a position covered by subparagraph (C).

(2)(A) Notwithstanding subsection (c)(4) or any other provision of this section, but subject to subparagraph (B) and paragraph (3), upon the request of the head of an Executive agency with respect to 1 or more categories of positions, the

President may provide that each employee of such agency who holds a position within such category, and within the particular locality involved, shall be entitled to receive comparability payments.

(B) A request by an agency head or exercise of authority by the President under subparagraph (A) shall cover—

(i) with respect to the positions under subparagraphs (A) through (C) of paragraph (1), all positions described in the subparagraph or subparagraphs involved (excluding any under clause (i), (ii), (iii), (iv), (v), (vi), or (vii) of such paragraph); and

(ii) with respect to positions under paragraph (1)(D), such positions as may be considered appropriate (excluding any under clause (i), (ii), (iii), (iv), (v), (vi), or (vii) of paragraph (1)).

(C) Notwithstanding subsection (c)(4) or any other provision of law, but subject to paragraph (3), in the case of a category with positions that are in more than 1 Executive agency, the President may, on his own initiative, provide that each employee who holds a position within such category, and in the locality involved, shall be entitled to receive comparability payments. For employees in allowance areas, the minimum step rate for any grade of a special rate schedule shall be increased at the time of an increase in the applicable locality rate percentage for the allowance area by not less than the dollar increase in the locality-based comparability payment for a non-special rate employee at the same minimum step provided under section 1914 of this subtitle, and corresponding increases shall be provided for all step rates of the given pay range.

“(B) the employee is entitled to receive basic pay (including any applicable locality-based comparability payment or similar supplement) at a higher rate,

but, when any such position becomes vacant, the pay of any subsequent appointee thereto shall be fixed in the manner provided by applicable law and regulation.

“(3) LOCALITY-BASED COMPARABILITY PAYMENTS.—Any employee covered under paragraph (2) shall receive any applicable locality-based comparability payment extended under section 1914 of this subtitle which is not in excess of the maximum rate set under section 5304(g) of title 5, United States Code, for his position including any future increase to statutory pay limitations under 5318 of title 5, United States Code. Notwithstanding paragraph (2), to the extent that an employee covered under that paragraph receives any amount of locality-based comparability payment, the cost-of-living allowance rate under that paragraph shall be reduced accordingly, as provided under section 5941(c)(2)(B) of title 5, United States Code.

COMPARABILITY PAYMENTS BETWEEN 2002 AND 2007; COMPARISONS AND RECOMMENDATIONS; REVISION OF METHODOLOGY

Pub. L. 106-554, §1(a)(3) [title VI, §637], Dec. 21, 2000, 114 Stat. 2763, 2763A-165, provided that:

“(a) For purposes of this section—

“(1) the term ‘comparability payment’ refers to a locality-based comparability payment under section 5304 of title 5, United States Code;

“(2) the term ‘President’s pay agent’ refers to the pay agent described in section 5302(4) of such title; and

“(3) the term ‘pay locality’ has the meaning given such term by section 5302(5) of such title.

“(b) Notwithstanding any provision of section 5304 of title 5, United States Code, for purposes of determining appropriate pay localities and making comparability payment recommendations, the President’s pay agent may, in accordance with succeeding provisions of this section, make comparisons of General Schedule pay and non-Federal pay within any of the metropolitan statistical areas described in subsection (d)(3), using—

“(1) data from surveys of the Bureau of Labor Statistics;

“(2) salary data sets obtained under subsection (c); or

“(3) any combination thereof.

“(c) To the extent necessary in order to carry out this section, the President’s pay agent may obtain any salary data sets (referred to in subsection (b)) from any organization or entity that regularly compiles similar data for businesses in the private sector.

“(d)(1)(A) This paragraph applies with respect to the five metropolitan statistical areas described in paragraph (3) which—

“(i) have the highest levels of nonfarm employment (as determined based on data made available by the Bureau of Labor Statistics); and

“(ii) as of the date of the enactment of this Act [Dec. 21, 2000], have not previously been surveyed by the Bureau of Labor Statistics (as discrete pay localities) for purposes of section 5304 of title 5, United States Code.

“(B) The President’s pay agent, based on such comparisons under subsection (b) as the pay agent considers appropriate, shall: (i) determine whether any of the five areas under subparagraph (A) warrants designation as a discrete pay locality; and (ii) if so, make recommendations as to what level of comparability payments would be appropriate during 2002 for each area so determined.

“(C)(i) Any recommendations under subparagraph (B)(ii) shall be included—

“(I) in the pay agent’s report under section 5304(d)(1) of title 5, United States Code, submitted for purposes of comparability payments scheduled to become payable in 2002; or

“(II) if compliance with subclause (I) is impracticable, in a supplementary report which the pay agent shall submit to the President and the Congress no later than March 1, 2001.

“(ii) In the event that the recommendations are completed in time to be included in the report described in clause (i)(I), a copy of those recommendations shall be

transmitted by the pay agent to the Congress contemporaneous with their submission to the President.

“(D) Each of the five areas under subparagraph (A) that so warrants, as determined by the President’s pay agent, shall be designated as a discrete pay locality under section 5304 of title 5, United States Code, in time for it to be treated as such for purposes of comparability payments becoming payable in 2002.

“(2) The President’s pay agent may, at any time after the 180th day following the submission of the report under subsection (f), make any initial or further determinations or recommendations under this section, based on any pay comparisons under subsection (b), with respect to any area described in paragraph (3).

“(3) An area described in this paragraph is any metropolitan statistical area within the continental United States that (as determined based on data made available by the Bureau of Labor Statistics and the Office of Personnel Management, respectively) has a high level of nonfarm employment and at least 2,500 General Schedule employees whose post of duty is within such area.

“(e)(1) The authority under this section to make pay comparisons and to make any determinations or recommendations based on such comparisons shall be available to the President’s pay agent only for purposes of comparability payments becoming payable on or after January 1, 2002, and before January 1, 2007, and only with respect to areas described in subsection (d)(3).

“(2) Any comparisons and recommendations so made shall, if included in the pay agent’s report under section 5304(d)(1) of title 5, United States Code, for any year (or the pay agent’s supplementary report, in accordance with subsection (d)(1)(C)(i)(II)), be considered and acted on as the pay agent’s comparisons and recommendations under such section 5304(d)(1) for the area and the year involved.

“(f)(1) No later than March 1, 2001, the President’s pay agent shall submit to the Committee on Government Reform [now Committee on Oversight and Government Reform] of the House of Representatives, the Committee on Governmental Affairs [now Committee on Homeland Security and Governmental Affairs] of the Senate, and the Committees on Appropriations of the House of Representatives and of the Senate, a report on the use of pay comparison data, as described in subsection (b)(2) or (3) (as appropriate), for purposes of comparability payments.

“(2) The report shall include the cost of obtaining such data, the rationale underlying the decisions reached based on such data, and the relative advantages and disadvantages of using such data (including whether the effort involved in analyzing and integrating such data is commensurate with the benefits derived from their use). The report may include specific recommendations regarding the continued use of such data.

“(g)(1) No later than May 1, 2001, the President’s pay agent shall prepare and submit to the committees specified in subsection (f)(1) a report relating to the ongoing efforts of the Office of Personnel Management, the Office of Management and Budget, and the Bureau of Labor Statistics to revise the methodology currently being used by the Bureau of Labor Statistics in performing its surveys under section 5304 of title 5, United States Code.

“(2) The report shall include a detailed accounting of any concerns the pay agent may have regarding the current methodology, the specific projects the pay agent has directed any of those agencies to undertake in order to address those concerns, and a time line for the anticipated completion of those projects and for implementation of the revised methodology.

“(3) The report shall also include recommendations as to how those ongoing efforts might be expedited, including any additional resources which, in the opinion of the pay agent, are needed in order to expedite completion of the activities described in the preceding provisions of this subsection, and the reasons why those additional resources are needed.”

LOCALITY-BASED COMPARABILITY PAYMENTS

For adjustment of locality-based comparability payments under this section, see the executive order detailing the adjustment of certain rates of pay set out as a note under section 5332 of this title.

Approvals of locality-based comparability payments recommended by the Director of the Office of Personnel Management were contained in the following:

Memorandum of President of the United States, Nov. 30, 1994, 59 F.R. 62549.

Memorandum of President of the United States, Dec. 1, 1993, 58 F.R. 64097.

§ 5304a. Authority to fix an alternative level of comparability payments

(a) If, because of national emergency or serious economic conditions affecting the general welfare, the President should consider the level of comparability payments which would otherwise be payable under section 5304 in any year to be inappropriate, the President shall—

(1) prepare and transmit to Congress, at least 1 month before those comparability payments (disregarding this section) would otherwise become payable, a report describing the alternative level of payments which the President instead intends to provide, including the reasons why such alternative level is considered necessary; and

(2) implement the alternative level of payments beginning on the same date as would otherwise apply, for the year involved, under section 5304.

(b) The requirements set forth in paragraphs (2) and (3), respectively, of section 5303(b) shall apply with respect to any decision to exercise any authority to fix an alternative level of comparability payments under this section.

(Added Pub. L. 101-509, title V, § 529 [title I, § 101(a)(1)], Nov. 5, 1990, 104 Stat. 1427, 1436.)

EFFECTIVE DATE

Section effective on such date as the President shall determine, but not earlier than 90 days, and not later than 180 days, after Nov. 5, 1990, see section 529 [title III, § 305] of Pub. L. 101-509, set out as an Effective Date of 1990 Amendment note under section 5301 of this title.

SPECIAL RULE RELATING TO COMPARABILITY PAYMENTS IN 1994

Pub. L. 101-509, title VI, § 634, Nov. 5, 1990, 104 Stat. 1482, provided that:

"Notwithstanding any other provision of law (including any provision of the Federal Employees Pay Comparability Act of 1990 [see Short Title of 1990 Amendment note set out under section 5301 of this title] and any provision of law amended by such Act), for purposes of any comparability payments scheduled to take effect under section 5304 of title 5, United States Code (as amended by such Act) during calendar year 1994—

"(1) deem section 5304a of such title (as so amended) to be amended as follows:

"(A) in subsection (a), strike 'If' and all that follows thereafter through 'welfare,' and insert 'Subject to subsection (c), if'; and

"(B) add after subsection (b) the following:

"(c)(1) For the purpose of this section—

"(A) the "threshold amount" is \$1,800,000,000; and

"(B) "severe economic conditions" shall be considered to exist relative to comparability payments scheduled to take effect on a given date if, during the 12-month period ending 2 calendar quarters before such date, there occurred 2 consecutive quarters of negative growth in the GNP.

"(2) Authority under this section to provide an alternative level of comparability payments in any year may not be exercised except in accordance with the following:

"(A) If the estimated cost of the comparability payments which (but for this section) would otherwise be payable in such year would be equal to the threshold amount or less, no alternative level may be fixed under this section unless necessary because a state of war or severe economic conditions exist.

"(B) If the estimated cost of the comparability payments which (but for this section) would otherwise be payable in such year would be greater than

the threshold amount, no alternative level may be fixed—

“(i) at a level which would result in an estimated cost equal to or greater than the threshold amount, unless necessary because of national emergency or serious economic conditions affecting the general welfare; or

“(ii) at a level which would result in an estimated cost less than the threshold amount, unless necessary because of either of the reasons set forth in subparagraph (A).

“(d)(1) The President’s agent (as referred to in section 5304(d)) shall develop and include in the appropriate report under section 5304(d)(1) the methodology for estimating any costs under this section, and any estimate under this section shall be in accordance with such methodology.

“(2) In making any estimate under this section, costs attributable to any authority under section 5304(h) may not be taken into account.”; and

“(2) the President’s pay agent (referred to in section 5304(d) of such title, as so amended) may use appropriate estimates in lieu of BLS survey data if such data is not available for use in preparing the agent’s report with respect to comparability payments payable during calendar year 1994.”

§ 5305. Special pay authority

(a)(1) Whenever the Office of Personnel Management finds that the Government’s recruitment or retention efforts with respect to 1 or more occupations in 1 or more areas or locations are, or are likely to become, significantly handicapped due to any of the circumstances described in subsection (b), the Office may establish for the areas or locations involved, with respect to individuals in positions paid under any of the pay systems referred to in subsection (c), higher minimum rates of pay for 1 or more grades or levels, occupational groups, series, classes, or subdivisions thereof, and may make corresponding increases in all rates of the pay range for each such grade or level. However, a minimum rate so established may not exceed the maximum rate of basic pay (excluding any locality-based comparability payment under section 5304 or similar provision of law) for the grade or level by more than 30 percent, and no rate may be established under this section in excess of the rate of basic pay payable for level IV of the Executive Schedule. In the case of individuals not subject to the provisions of this title governing appointment in the competitive service, the President may designate another agency to authorize special rates under this section.

(2) The head of an agency may determine that a category of employees of the agency will not be covered by a special rate authorization established under this section. The head of an agency shall provide written notice to the Office of Personnel Management (or other agency designated by the President to authorize special rates under the last sentence of paragraph (1)) which identifies the specific category or categories of employees that will not be covered by special rates authorized under this section. If the head of an agency removes a category of employees from coverage under a special rate authorization after that authorization takes effect, the loss of coverage will take effect on the first day of the first pay period after the date of the notice.

(b) The circumstances referred to in subsection (a) are—

(1) rates of pay offered by non-Federal employers being significantly higher than those

payable by the Government within the area, location, occupational group, or other class of positions under the pay system involved;

(2) the remoteness of the area or location involved;

(3) the undesirability of the working conditions or the nature of the work involved (including exposure to toxic substances or other occupational hazards); or

(4) any other circumstances which the Office of Personnel Management (or such other agency as the President may under the last sentence of subsection (a)(1) designate) considers appropriate.

(c) Authority under subsection (a) may be exercised with respect to positions paid under—

(1) a statutory pay system; or

(2) any other pay system established by or under Federal statute for civilian positions within the executive branch.

(d) Within the limitations applicable under the preceding provisions of this section, rates of pay established under this section may be revised from time to time by the Office of Personnel Management (or by such other agency as the President may designate under the last sentence of subsection (a)(1)). The actions and revisions have the force and effect of statute.

(e) An increase in a rate of pay established under this section is not an equivalent increase in pay within the meaning of section 5335.

(f) When a schedule of special rates established under this section is adjusted under subsection (d), a covered employee’s special rate will be adjusted in accordance with conversion rules prescribed by the Office of Personnel Management (or by such other agency as the President may under the last sentence of subsection (a)(1) designate).

(g)(1) The benefit of any comparability payments under section 5304 shall be available to individuals receiving rates of pay established under this section to such extent as the Office of Personnel Management (or such other agency as the President may under the last sentence of subsection (a)(1) designate) considers appropriate, subject to paragraph (2) and subsection (h).

(2) Payments under this subsection may not be made if, or to the extent that, when added to basic pay otherwise payable, such payments would cause the total to exceed the rate of basic pay payable for level IV of the Executive Schedule.

(h) An employee shall not for any purpose be considered to be entitled to a rate of pay established under this section with respect to any period for which such employee is entitled to a higher rate of basic pay under any other provision of law. For purposes of this subsection, the term “basic pay” includes any applicable locality-based comparability payment under section 5304 or similar provision of law.

(i) If an employee who is receiving a rate of pay under this section becomes subject, by virtue of moving to a new official duty station, to a different pay schedule, such employee’s new rate of pay shall be initially established under conversion rules prescribed by the Office of Personnel Management (or such other agency as the

President may under the last sentence of subsection (a)(1) designate) in conformance with the following:

(1) First, determine the rate of pay to which such employee would be entitled at the new official duty station based on such employee's position, grade, and step (or relative position in the rate range) before the move.

(2) Then, if (in addition to the change in pay schedule) the move also involves any personnel action or other change requiring a rate adjustment under any other provision of law, rule, or regulation, apply the applicable rate adjustment provisions, treating the rate determined under paragraph (1) as if it were the rate last received by the employee before the rate adjustment.

(j) A rate determined under a schedule of special rates established under this section shall be considered to be part of basic pay for purposes of subchapter III of chapter 83, chapter 84, chapter 87, subchapter V of chapter 55, and section 5941, and for such other purposes as may be expressly provided for by law or as the Office of Personnel Management may by regulation prescribe.

FREEZE ON DISCRETIONARY AWARDS, BONUSES, AND SIMILAR PAYMENTS FOR FEDERAL POLITICAL APPOINTEES

Memorandum of President of the United States, Aug. 3, 2010, 75 F.R. 47433, provided:

Memorandum for the Assistant to the President and Chief of Staff [and] The Heads of Executive Departments and Agencies

At a time when so many American families are struggling to make ends meet, I am committed to making sure the Federal Government is spending the taxpayers' money wisely and carefully, and cutting costs wherever possible. I am committed to ending programs that do not work, streamlining those that do, and bringing a new responsibility for stewardship of tax dollars. Like households and businesses across the country, the Federal Government is tightening its belt. This effort began during my first days in office, when I froze the salaries of the senior members of my White House Staff.

As a next step in this effort, I direct you to suspend cash awards, quality step increases, bonuses, and similar discretionary payments or salary adjustments to any politically appointed Federal employee, commencing immediately, and continuing through the end of Fiscal Year 2011. I also direct the Office of Personnel Management to issue guidance, in consultation with the Office of Management and Budget, to assist departments and agencies in implementing this policy.

In addition to these actions freezing discretionary payments, I have proposed in my Budget for Fiscal Year 2011 a salary freeze for senior political appointees throughout the Federal Government. Unlike the administrative action I have taken today in this memorandum, my proposed salary freeze requires legislation, so it cannot be implemented absent legislative action by the Congress.

I appreciate the hard work of our Federal workforce, and understand how important these payments can be to many workers and their families. Yet like households and businesses across the country, we need to make tough choices about how to spend our funds.

This memorandum shall be carried out to the extent permitted by law and consistent with executive departments' and agencies' legal authorities. Nothing in this memorandum shall be construed to affect payments or salary adjustments for Federal employees who are not political appointees. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Management and Budget is hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

HISTORICAL AND REVISION NOTES 1966 ACT

Derivation	U.S. Code	Revised Statutes and Statutes at Large
.....	5 U.S.C. 2211(b) (less (15)).	Aug. 14, 1964, Pub. L. 88–426, §303(b) (less (15)), 78 Stat. 416.

The proviso in paragraph (15) of former section 2211(b) is carried into section 5314. The remainder of paragraph (15) is omitted but not repealed, see table III. The part of paragraph (15) that is omitted but not repealed provides that the position of Director of the Federal Bureau of Investigation shall be in Level II of the Federal Executive Salary Schedule so long as the position is held by the incumbent of the position on August 14, 1964. The omission of this provision from title 5, without repealing the corresponding provision of the source statute, in effect leaves existing statute unchanged insofar as it relates to the present incumbent of the position of Director of the Federal Bureau of Investigation.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

The deletion of paragraph (6) of 5 U.S.C. 5313 reflects the abolition of the position of “Administrator of the Housing and Home Finance Agency” by the act of September 9, 1965, Public Law 89–174, sections 5(a), 9(c), 79 Stat. 669, 671.

HISTORICAL AND REVISION NOTES
1966 ACT

<i>Derivation</i>	<i>U.S. Code</i>	<i>Revised Statutes and Statutes at Large</i>
(1)-(44)	5 U.S.C. 2211(c) (less (39) and (46)).	Aug. 14, 1964, Pub. L. 88-426, § 303(c) (less (39) and (46)), 78 Stat. 416.
(45)	5 U.S.C. 2211(b)(15) (proviso).	Aug. 14, 1964, Pub. L. 88-426, § 303(b)(15) (proviso), 78 Stat. 416.

The provisos in paragraphs (39) and (46) of former section 2211(c) are carried into section 5315. The remainders of paragraphs (39) and (46) are omitted but not repealed, see table III. The parts of paragraphs (39) and (46) that are omitted but not repealed provide that the positions of Director of Selective Service and Associate Director of the Federal Bureau of Investigation shall be in Level III so long as the positions are held by the incumbents of the positions on August 14, 1964. The omission of these provisions from title 5, without repealing the corresponding provisions of the source statute, in effect, leaves existing statute unchanged insofar as it relates to the present incumbents of the positions of Director of Selective Service and Associate Director of the Federal Bureau of Investigation.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

1967 ACT

<i>Section of title 5</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
5314(49)	20: 954(d) (2d sentence).	Sept. 29, 1965, Pub. L. 89-209, § 5(d)(1) (2d sentence), 79 Stat. 847.
5314(50)	20:956(b)(1) (2d sentence).	Sept. 29, 1965, Pub. L. 89-209, § 7(b)(1) (2d sentence), 79 Stat. 850.
5314(51)	5 App.: 2211(c)(47).	July 18, 1966, Pub. L. 89-504, § 408(a), 80 Stat. 299.
5314(52)	42:3533(a) (as applicable to compensation of Under Secretary).	Sept. 9, 1965, Pub. L. 89-174, § 4(a) (as applicable to compensation of Under Secretary), 79 Stat. 668.

The deletion of paragraph (41) of 5 U.S.C. 5314 reflects the abolition of the position of "Deputy Administrator of the Housing and Home Finance Agency" by the act of September 9, 1965, Public Law 89-174, sections 5(a), 9(c), 79 Stat. 669, 671.

In paragraph (49), the words "In lieu of receiving compensation at the rate prescribed by section 785(c) of this title" are omitted since the provisions of 20 U.S.C. 785(c) relating to compensation are repealed by this bill; also see table II. The wording further reflects the first sentence of 20 U.S.C. 954(d), and conforms to 5 U.S.C. 5314 which applies to positions rather than individuals.

The deletion of paragraphs (22), (38), and (83) of 5 U.S.C. 5316 reflects (1) the termination, effective June 30, 1965, of the position of "Area Redevelopment Administrator, Department of Commerce" pursuant to Public Law 87-27 (sec. 29, 75 Stat. 63; 42 U.S.C. 2525); (2) the abolition of the position of "Chief, Weather Bureau, Department of Commerce" by 1965 Reorganization Plan No. 2 (sec. 2(a), 79 Stat. 1318); and (3) the abolition of the position of "General Counsel of the Housing and Home Finance Agency" by Public Law 89-174 (sec. 5(a), 9(c), 79 Stat. 669, 671).

The redesignation of paragraphs (117) and (118) as paragraphs "(118)" and "(119)", respectively, eliminates duplicate paragraph numbering effected by section 10(d)(5) of Public Law 89-670 and section 1(2) of Public Law 89-734.

FREEZING FEDERAL EMPLOYEE PAY SCHEDULES AND RATES THAT ARE SET BY ADMINISTRATIVE DISCRETION

Memorandum of President of the United States, Dec. 22, 2010, 75 F.R. 81829, provided:

Memorandum for the Heads of Executive Departments and Agencies

On November 29, 2010, I proposed a two-year freeze in the pay of civilian Federal employees as the first of a number of difficult actions required to put our Nation on a sound fiscal footing. As I said then, Federal workers are not just a line in a budget. They are public servants who, like their private sector counterparts, may be struggling in these difficult economic times.

Despite the sacrifices that I knew a pay freeze would entail for our dedicated civil servants, I concluded that a two-year freeze in the upward statutory adjustment of pay schedules is a necessary first step in our effort to address the challenge of our fiscal reality. The Congress responded to my proposal by including such a freeze in the Continuing Appropriations and Surface Transportation Extensions Act, 2011 (H.R. 3082) [Pub. L. 111-322], which I signed into law today (the “Act”). The Act freezes statutory pay adjustments for all executive branch pay schedules for a two-year period. It also generally prohibits executive departments and agencies from providing any base salary increases at all to senior executives or senior level employees, including performance-based increases.

While this legislation will prevent adjustments in executive branch pay schedules that are made by statute, some laws allow such adjustments to be made by agency heads as an exercise of administrative discretion. In order to ensure consistent treatment of executive branch employees and to promote the fiscal purposes of my original proposal, agency heads who have such discretion should not provide any upward adjustments in Federal employees’ pay schedules or rates during the two-year period covered by the statutory pay freeze.

Accordingly, you should suspend any increases to any pay systems or pay schedules covering executive

branch employees that could otherwise take effect as a result of an exercise of administrative discretion during the period beginning on January 1, 2011, and ending on December 31, 2012. You also should forgo any general increases (including general increases for a geographic area, such as locality pay) in covered employees’ rates of pay that could otherwise take effect as a result of the exercise of administrative discretion during the same period. To the extent that an agency pay system provides performance-based increases in lieu of general increases, funds allocated for those performance-based increases should be correspondingly reduced to reflect the freezing of the employees’ base pay schedule.

This memorandum shall be carried out to the extent permitted by law and consistent with executive departments’ and agencies’ legal authorities. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Personnel Management shall issue guidance on implementing this memorandum, and is also hereby authorized and directed to publish this memorandum in the Federal Register.

FEDERAL EMPLOYEE PAY SCHEDULES AND RATES THAT ARE SET BY ADMINISTRATIVE DISCRETION

Memorandum of President of the United States, Dec. 21, 2012, 78 F.R. 647, provided:

Memorandum for the Heads of Executive Departments and Agencies

On December 22, 2010, I issued a memorandum stating that the heads of executive departments and agencies should suspend any increases to any pay systems or pay schedules covering executive branch employees, and should forgo any general increases in covered employees’ rates of pay, that could otherwise take effect as a result of the exercise of administrative discretion during the period beginning on January 1, 2011, and ending on December 31, 2012. In light of section 114 of the Continuing Appropriations Resolution, 2013 (Public Law 112-175), I am hereby instructing the heads of executive departments and agencies that they should continue to adhere to this policy through March 27, 2013, the date after which statutory pay adjustments may be made pursuant to section 114 of Public Law 112-175.

This memorandum shall be carried out to the extent permitted by law and consistent with executive departments’ and agencies’ legal authorities. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Personnel Management shall issue any necessary guidance on implementing this memorandum, and is also hereby authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

Memorandum of President of the United States, Apr. 5, 2013, 78 F.R. 21213, provided:

Memorandum for the Heads of Executive Departments and Agencies

Section 1112 of the Consolidated and Further Continuing Appropriations Act, 2013 (Public Law 113-6), reflects the Congress’s decision to continue to deny statutory adjustments to any pay systems or pay schedules covering executive branch employees. In light of the Congress’s action, I am instructing heads of executive departments and agencies to continue through December 31, 2013, to adhere to the policy set forth in my memoranda of December 22, 2010, and December 21, 2012, regarding general increases in pay schedules and employees’ rates of pay that might otherwise take effect as a result of the exercise of administrative discretion.

This memorandum shall be carried out to the extent permitted by law and consistent with executive depart-

ments' and agencies' legal authorities. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Personnel Management shall issue any necessary guidance on implementing this memorandum, and is also hereby authorized and directed to publish this memorandum in the Federal Register.

§ 5333. Minimum rate for new appointments

New appointments shall be made at the minimum rate of the appropriate grade. However, under regulations prescribed by the Office of Personnel Management which provide for such considerations as the existing pay or unusually high or unique qualifications of the candidate, or a special need of the Government for his services, the head of an agency may appoint, with the approval of the Office in each specific case, an individual to a position at such a rate above the minimum rate of the appropriate grade as the Office may authorize for this purpose. The approval of the Office in each specific case is not required with respect to an appointment made by the Librarian of Congress.

§ 5334. Rate on change of position or type of appointment; regulations

(a) The rate of basic pay to which an employee is entitled is governed by regulations prescribed by the Office of Personnel Management in conformity with this subchapter and chapter 51 of this title when—

- (1) he is transferred from a position in the legislative, judicial, or executive branch to which this subchapter does not apply;
- (2) he is transferred from a position in the legislative, judicial, or executive branch to which this subchapter applies to another such position;
- (3) he is demoted to a position in a lower grade;
- (4) he is reinstated, reappointed, or reemployed in a position to which this subchapter applies following service in any position in the legislative, judicial, or executive branch;
- (5) his type of appointment is changed;
- (6) his employment status is otherwise changed; or
- (7) his position is changed from one grade to another grade.

For the purpose of this subsection, an individual employed by the Appalachian Regional Commission under section 14306(a)(2) of title 40, who was a Federal employee immediately prior to such employment by a commission and within 6 months after separation from such employment is employed in a position to which this subchapter applies, shall be treated as if transferred from a position in the executive branch to which this subchapter does not apply.

(b) An employee who is promoted or transferred to a position in a higher grade is entitled

to basic pay at the lowest rate of the higher grade which exceeds his existing rate of basic pay by not less than two step-increases of the grade from which he is promoted or transferred. If, in the case of an employee so promoted or transferred who is receiving basic pay at a rate in excess of the maximum rate of his grade, there is no rate in the higher grade which is at least two step-increases above his existing rate of basic pay, he is entitled to—

- (1) the maximum rate of the higher grade; or
- (2) his existing rate of basic pay, if that rate is the higher.

If an employee so promoted or transferred is receiving basic pay at a rate saved to him under subchapter VI of this chapter on reduction in grade, he is entitled to—

- (A) basic pay at a rate two steps above the rate which he would be receiving if subchapter VI of this chapter were not applicable to him; or
- (B) his existing rate of basic pay, if that rate is the higher.

If an employee's rate after promotion or transfer is greater than the maximum rate of basic pay for the employee's grade, that rate shall be treated as a retained rate under section 5363. The Office of Personnel Management shall prescribe by regulation the circumstances under which and the extent to which special rates under section 5305 (or similar provision of law) or locality-adjusted rates under section 5304 (or similar provision of law) are considered to be basic pay in applying this subsection.

(c) An employee in the legislative branch who is paid by the Secretary of the Senate or the Chief Administrative Officer of the House of Representatives, and who has completed two or more years of service as such an employee, and a Member of the Senate or House of Representatives who has completed two or more years of service as such a Member, may, on appointment to a position to which this subchapter applies, have his initial rate of pay fixed—

- (1) at the minimum rate of the appropriate grade; or
- (2) at a step of the appropriate grade that does not exceed the highest previous rate of pay received by him during that service in the legislative branch.

(d) The rate of pay established for a teaching position as defined by section 901 of title 20 held by an individual who becomes subject to subsection (a) of this section is deemed increased by an amount determined under regulations which the Secretary of Defense shall prescribe for the determination of the yearly rate of pay of the position. The amount by which a rate of pay is increased under the regulations may not exceed the amount equal to 20 percent of that rate of pay.

(e) An employee of a county committee established pursuant to section 8(b) of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590h(b)) may, on appointment to a position subject to this subchapter, have the initial rate of basic pay of the employee fixed at—

- (1) the lowest rate of the higher grade that exceeds the rate of basic pay of the employee with the county committee by not less than 2

step-increases of the grade from which the employee was promoted, if the Federal Civil Service position under this subchapter is at a higher grade than the last grade the employee had while an employee of the county committee;

(2) the same step of the grade as the employee last held during service with the county committee, if the Federal Civil Service position under this subchapter is at the same grade as the last grade the employee had while an employee of the county committee; or

(3) the lowest step of the Federal grade for which the rate of basic pay is equal to or greater than the highest previous rate of pay of the employee, if the Federal Civil Service position under this subchapter is at a lower grade than the last grade the employee had while an employee of the county committee.

(f)(1) An employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard described in section 2105(c) who moves, without a break in service of more than 3 days, to a position in the Department of Defense or the Coast Guard, respectively, that is subject to this subchapter, may have such employee's initial rate of basic pay fixed at the minimum rate of the appropriate grade or at any step of such grade that does not exceed—

(A) if the highest previous rate of basic pay received by that employee during the employee's service described in section 2105(c) is equal to a rate of the appropriate grade, such rate of the appropriate grade;

(B) if the employee's highest previous rate of basic pay (as described in subparagraph (A)) is between two rates of the appropriate grade, the higher of those two rates; or

(C) if the employee's highest previous rate of basic pay (as described in subparagraph (A)) exceeds the maximum rate of the appropriate grade, the maximum rate of the appropriate grade.

(2) In the case of a nonappropriated fund employee who is moved involuntarily from such nonappropriated fund instrumentality without a break in service of more than 3 days and without substantial change in duties to a position that is subject to this subchapter, the employee's pay shall be set at a rate (not above the maximum for the grade, except as may be provided for under section 5365) that is not less than the employee's rate of basic pay under the nonappropriated fund instrumentality immediately prior to so moving.

(g) In the case of an employee who—

- (1) moves to a new official duty station, and
- (2) by virtue of such move, becomes subject to a different pay schedule,

any rate adjustment under the preceding provisions of this section, with respect to such employee in connection with such move, shall be made—

(A) first, by determining the rate of pay to which such employee would be entitled at the new official duty station based on such employee's position, grade, and step (or relative position in the rate range) before the move, and

(B) then, by applying the provisions of this section that would otherwise apply (if any),

treating the rate determined under subparagraph (A) as if it were the rate last received by the employee before the rate adjustment.

The determination shall be in writing and shall take into consideration all relevant evidence, including evidence submitted by employee organizations recognized as representative of prevailing rate employees in that area.

(B) 78 calendar weeks of service in step 2; and

(C) 104 calendar weeks of service in each of steps 3 and 4.

(3) Under regulations prescribed by the Office of Personnel Management, the benefits of successive step increases shall be preserved for prevailing rate employees under a regular wage schedule whose continuous service is interrupted in the public interest by service with the armed forces or by service in essential non-Government civilian employment during a period of war or national emergency.

(4) Supervisory wage schedules and special wage schedules authorized under subsection (c)(3) of this section may have single or multiple rates or steps according to prevailing practices in the industry on which the schedule is based.

is entitled to a rate of basic pay in accordance with regulations prescribed by the Office of Personnel Management in conformity with the provisions of this section.

(b)(1)(A) If, as a result of any event described in subsection (a), the employee's former rate of basic pay is less than or equal to the maximum rate of basic pay payable for the grade of the employee's position immediately after the occurrence of the event involved, the employee is entitled to basic pay at the lowest rate of basic pay payable for such grade that equals or exceeds such former rate of basic pay.

(B) This section shall cease to apply to an employee to whom subparagraph (A) applies once the appropriate rate of basic pay has been determined for such employee under this paragraph.

(c)(1) Notwithstanding any other provision of this section, in the case of an employee who—

- (A) moves to a new official duty station, and
- (B) in conjunction with such move, becomes subject to both a different pay schedule and (disregarding this subsection) the preceding provisions of this section,

- (i) first, by determining the rate of pay to which such employee would be entitled at the new official duty station based on such employee's position, grade, and step (or relative position in the pay range) before the move, and
- (ii) then, by applying the provisions of this section that would apply (if any), treating the rate determined under clause (i) as if it were the rate last received by the employee before the application of this section.

(2) A reduction in an employee's rate of basic pay resulting from a determination under paragraph (1)(ii) is not a basis for an entitlement under this section.

(3) The rate of basic pay for an employee who is receiving a retained rate at the time of moving to a new official duty station at which different pay schedules apply shall be subject to regulations prescribed by the Office of Personnel Management consistent with the purposes of this section.

(d) A retained rate shall be considered part of basic pay for purposes of this subchapter and for purposes of subchapter III of chapter 83, chapters 84 and 87, subchapter V of chapter 55, section 5941, and for such other purposes as may be expressly provided for by law or as the Office of Personnel Management may by regulation prescribe. The Office shall, for any purpose other than any of the purposes referred to in the preceding sentence, prescribe by regulation what constitutes basic pay for employees receiving a retained rate.

(e) This section shall not apply, or shall cease to apply, to an employee who—

- (1) has a break in service of 1 workday or more;
- (2) is entitled, by operation of this subchapter, chapter 51 or 53, or any other provi-

(2) does not maintain an acceptable level of performance, as determined under standards and procedures which the agency head shall by regulation prescribe.

(e) In selecting employees to receive benefits under this section, an agency shall, consistent with the merit system principles set forth in paragraphs (1) and (2) of section 2301(b) of this title, take into consideration the need to maintain a balanced workforce in which women and members of racial and ethnic minority groups are appropriately represented in Government service.

(f) Any benefit under this section shall be in addition to basic pay and any other form of compensation otherwise payable to the employee involved.

(g) The Director of the Office of Personnel Management, after consultation with heads of a representative number and variety of agencies and any other consultation which the Director considers appropriate, shall prescribe regulations containing such standards and requirements as the Director considers necessary to provide for reasonable uniformity among programs under this section.

(h)(1) Each head of an agency shall maintain, and annually submit to the Director of the Office of Personnel Management, information with respect to the agency on—
