The authority to change the date of rank of a reserve officer who is placed on the active-duty list to a later date does not apply in the case of an officer who (A) has served continuously in the Selected Reserve of the Ready Reserve since the officer’s last promotion, or (B) is placed on the active-duty list while on a promotion list as described in section 14317(b) of this title.

(4)(A) The Secretary concerned may adjust the date of rank of an officer appointed under section 624(a) of this title to a higher grade that is not a general officer or flag officer grade if the appointment of that officer to that grade is delayed from the date on which (as determined by the Secretary) it would otherwise have been made by reason of unusual circumstances (as determined by the Secretary) that cause an unintended delay in—

(i) the processing or approval of the report of the selection board recommending the appointment of that officer to that grade; or

(ii) the processing or approval of the promotion list established on the basis of that report.
