EX. ORD. NO. 13163. INCREASING THE OPPORTUNITY FOR INDIVIDUALS WITH DISABILITIES TO BE EMPLOYED IN THE FEDERAL GOVERNMENT

Ex. Ord. No. 13163, July 26, 2000, 65 F.R. 46563, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to promote an increase in the opportunities for individuals with disabilities to be employed at all levels and occupations of the Federal Government, and to support the goals articulated in section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), it is hereby ordered as follows:

SECTION 1. *Increasing the Federal Employment Opportunities for Individuals with Disabilities.* (a) Recent evidence demonstrates that, throughout the United States, qualified persons with disabilities have been refused employment despite their availability and qualifications, and many qualified persons with disabilities are never made aware of available employment opportunities. Evidence also suggests that increased efforts at outreach, and increased understanding of the reasonable accommodations available for persons with disabilities, will permit persons with disabilities to compete for employment on a more level playing field.

(b) Based on current hiring patterns and anticipated increases from expanded outreach efforts and appropriate accommodations, the Federal Government, over the next 5 years, will be able to hire 100,000 qualified individuals with disabilities. In furtherance of such efforts, Federal agencies shall:

(1) Use available hiring authorities, consistent with statutes, regulations, and prior Executive orders and Presidential Memoranda;

(2) Expand their outreach efforts, using both traditional and nontraditional methods; and

(3) Increase their efforts to accommodate individuals with disabilities.

(c) As a model employer, the Federal Government will take the lead in educating the public about employment opportunities available for individuals with disabilities.

(d) This order does not require agencies to create new positions or to change existing qualification standards for any position.

SEC. 2. *Implementation.* Each Federal agency shall prepare a plan to increase the opportunities for individuals with disabilities to be employed in the agency. Each agency shall submit that plan to the Office of Personnel Management within 60 days from the date of this order.

SEC. 3. *Authority to Develop Guidance.* The Office of Personnel Management shall develop guidance on the provisions of this order to increase the opportunities for individuals with disabilities employed in the Federal Government.

SEC. 4. *Judicial Review.* This order is intended only to improve the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable at law or equity by a party against the United States, its agencies, its officers, its employees, or any person.

EX. ORD. NO. 13164. REQUIRING FEDERAL AGENCIES TO ESTABLISH PROCEDURES TO FACILITATE THE PROVISION OF REASONABLE ACCOMMODATION

Ex. Ord. No. 13164, July 26, 2000, 65 F.R. 46565, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Rehabilitation Act of 1973 (29 U.S.C. 701 *et seq.*), as amended, and in order to promote a model Federal workplace that provides reasonable accommodation for (1) individuals with disabilities in the application process for Federal employment; (2) Federal employees with disabilities to perform the essential functions of a position; and (3) Federal employees with disabilities to enjoy benefits and privileges of employment equal to those enjoyed by employees without disabilities, it is hereby ordered as follows:

SECTION 1. *Establishment of Effective Written Procedures to Facilitate the Provision of Reasonable Accommodation.* (a) Each Federal agency shall establish effective written procedures for processing requests for reasonable accommodation by employees and applicants with disabilities. The written procedures may allow different components of an agency to tailor their procedures as necessary to ensure the expeditious processing of requests.

(b) As set forth in *Re-charting the Course: The First Report of the Presidential Task Force on Employment of Adults with Disabilities* (1998), effective written procedures for processing requests for reasonable accommodation should include the following:

(1) Explain that an employee or job applicant may initiate a request for reasonable accommodation orally or in writing. If the agency requires an applicant or employee to complete a reasonable accommodation request form for recordkeeping purposes, the form must be provided as an attachment to the agency's written procedures;

(2) Explain how the agency will process a request for reasonable accommodation, and from whom the individual will receive a final decision;

(3) Designate a time period during which reasonable accommodation requests will be granted or denied, absent extenuating circumstances. Time limits for decision making should be as short as reasonably possible;

(4) Explain the responsibility of the employee or applicant to provide appropriate medical information related to the functional impairment at issue and the requested accommodation where the disability and/or need for accommodation is not obvious;

(5) Explain the agency's right to request relevant supplemental medical information if the information submitted does not clearly explain the nature of the disability, or the need for the reasonable accommodation, or does not otherwise clarify how the requested accommodation will assist the employee to perform the essential functions of the job or to enjoy the benefits and privileges of the workplace;

(6) Explain the agency's right to have medical information reviewed by a medical expert of the agency's choosing at the agency's expense;

(7) Provide that reassignment will be considered as a reasonable accommodation if the agency determines that no other reasonable accommodation will permit the employee with a disability to perform the essential functions of his or her current position;

(8) Provide that reasonable accommodation denials be in writing and specify the reasons for denial;

(9) Ensure that agencies' systems of recordkeeping track the processing of requests for reasonable accommodation and maintain the confidentiality of medical information received in accordance with applicable law and regulations; and

(10) Encourage the use of informal dispute resolution processes to allow individuals with disabilities to obtain prompt reconsideration of denials of reasonable accommodation. Agencies must also inform individuals with disabilities that they have the right to file complaints in the Equal Employment Opportunity process and other statutory processes, as appropriate, if their requests for reasonable accommodation are denied.

SEC. 2. *Submission of Agency Reasonable Accommodation Procedures to the Equal Employment Opportunity Commis-*

sion (EEOC). Within 1 year from the date of this order, each agency shall submit its procedures to the EEOC. Each agency shall also submit to the EEOC any modifications to its reasonable accommodation procedures at the time that those modifications are adopted.

SEC. 3. *Collective Bargaining Obligations.* In adopting their reasonable accommodation procedures, agencies must honor their obligations to notify their collective bargaining representatives and bargain over such procedures to the extent required by law.

SEC. 4. *Implementation.* The EEOC shall issue guidance for the implementation of this order within 90 days from the date of this order.

SEC. 5. *Construction and Judicial Review.* (a) Nothing in this order limits the rights that individuals with disabilities may have under the Rehabilitation Act of 1973, as amended.

(b) This order is intended only to improve the internal management of the executive branch and does not create any right or benefit, substantive or procedural, enforceable at law or equity by a party against the United States, its agencies, its officers, its employees, or any person.

EX. ORD. NO. 13548. INCREASING FEDERAL EMPLOYMENT OF INDIVIDUALS WITH DISABILITIES

Ex. Ord. No. 13548, July 26, 2010, 75 F.R. 45039, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to establish the Federal Government as a model employer of individuals with disabilities, it is hereby ordered as follows:

SECTION 1. *Policy.* Approximately 54 million Americans are living with a disability. The Federal Government has an important interest in reducing discrimination against Americans living with a disability, in eliminating the stigma associated with disability, and in encouraging Americans with disabilities to seek employment in the Federal workforce. Yet Americans with disabilities have an employment rate far lower than that of Americans without disabilities, and they are underrepresented in the Federal workforce. Individuals with disabilities currently represent just over 5 percent of the nearly 2.5 million people in the Federal workforce, and individuals with targeted disabilities (as defined below) currently represent less than 1 percent of that workforce.

On July 26, 2000, in the final year of his administration, President Clinton signed Executive Order 13163, calling for an additional 100,000 individuals with disabilities to be employed by the Federal Government over 5 years. Yet few steps were taken to implement that Executive Order in subsequent years.

As the Nation's largest employer, the Federal Government must become a model for the employment of individuals with disabilities. Executive departments and agencies (agencies) must improve their efforts to employ workers with disabilities through increased recruitment, hiring, and retention of these individuals. My Administration is committed to increasing the number of individuals with disabilities in the Federal workforce through compliance with Executive Order 13163 and achievement of the goals set forth therein over 5 years, including specific goals for hiring individuals with targeted disabilities.

SEC. 2. *Recruitment and Hiring of Individuals with Disabilities.* (a) Within 60 days of the date of this order, the Director of the Office of Personnel Management, in consultation with the Secretary of Labor, the Chair of the Equal Employment Opportunity Commission, and the Director of the Office of Management and Budget, shall design model recruitment and hiring strategies for agencies seeking to increase their employment of people with disabilities and develop mandatory training programs for both human resources personnel and hiring managers on the employment of individuals with disabilities.

(b) Within 120 days of the date the Office of Personnel Management sets forth strategies and programs required under subsection (a), each agency shall develop an agency-specific plan for promoting employment opportunities for individuals with disabilities. The plan shall be developed in consultation with and, as appropriate, subject to approval by the Director of the Office of Personnel Management and the Director of the Office of Management and Budget, and shall, consistent with law, include performance targets and numerical goals for employment of individuals with disabilities and sub-goals for employment of individuals with targeted disabilities.

(c) Each agency shall designate a senior-level agency official to be accountable for enhancing employment opportunities for individuals with disabilities and individuals with targeted disabilities within the agency, consistent with law, and for meeting the goals of this order. This official, among other things, shall be accountable for developing and implementing the agency's plan under subsection (b), creating recruitment and training programs for employment of individuals with disabilities and targeted disabilities, and coordinating employment counseling to help match the career aspirations of individuals with disabilities to the needs of the agency.

(d) In implementing their plans, agencies, to the extent permitted by law, shall increase utilization of the Federal Government's Schedule A excepted service hiring authority for persons with disabilities and increase participation of individuals with disabilities in internships, fellowships, and training and mentoring programs.

(e) The Office of Personnel Management shall assist agencies with the implementation of their plans. The Director of the Office of Personnel Management, in consultation with the Director of the Office of Management and Budget, shall implement a system for reporting regularly to the President, the heads of agencies, and the public on agencies' progress in implementing their plans and the objectives of this order. The Office of Personnel Management, to the extent permitted by law, shall compile and post on its website Government-wide statistics on the hiring of individuals with disabilities.

SEC. 3. Increasing Agencies' Retention and Return to Work of Individuals with Disabilities. (a) The Director of the Office of Personnel Management, in consultation with the Secretary of Labor and the Chair of the Equal Employment Opportunity Commission, shall identify and assist agencies in implementing strategies for retaining Federal workers with disabilities in Federal employment including, but not limited to, training, the use of centralized funds to provide reasonable accommodations, increasing access to appropriate accessible technologies, and ensuring the accessibility of physical and virtual workspaces.

(b) Agencies shall make special efforts, to the extent permitted by law, to ensure the retention of those who are injured on the job. Agencies shall work to improve, expand, and increase successful return-to-work outcomes for those of their employees who sustain work-related injuries and illnesses, as defined under the Federal Employees' Compensation Act (FECA), by increasing the availability of job accommodations and light or limited duty jobs, removing disincentives for FECA claimants to return to work, and taking other appropriate measures. The Secretary of Labor, in consultation with the Director of the Office of Personnel Management, shall pursue innovative re-employment strategies and develop policies, procedures, and structures that foster improved return-to-work outcomes, including by pursuing overall reform of the FECA system. The Secretary of Labor shall also propose specific outcome measures and targets by which each agency's progress in carrying out return-to-work and FECA claims processing efforts can be assessed.

SEC. 4. Definitions. (a) "Disability" shall be defined as set forth in the ADA Amendments Act of 2008.

(b) "Targeted disability" shall be defined as set forth on the form for self-identification of disability, Stand-

ard Form 256 (SF 256), issued by the Office of Personnel Management, or any replacements, updates, or revisions thereto.

(c) Not less than 1 year after the date of this order and in consultation with the Equal Employment Opportunity Commission, the Department of Labor, and the Office of Management and Budget, the Office of Personnel Management shall review the effectiveness of the definition of targeted disability set forth in SF 256 and replace, update, or revise it as appropriate.

SEC. 5. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to a department or agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations, and shall not be construed to require any Federal employee to disclose disability status involuntarily.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(b) Technical assistance

The Administrator of General Services and the Access Board shall provide technical assistance to individuals and Federal departments and agencies concerning the requirements of this section.

(B)(i) are ineligible for protection and advocacy programs under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C. 15041 et seq.] because the individuals do not have a developmental disability, as defined in section 102 of such Act [42 U.S.C. 15002]; and

(ii) are ineligible for services under the Protection and Advocacy for Mentally Ill Individuals Act of 1986¹ (42 U.S.C. 10801 et seq.) because the individuals are not individuals with mental illness, as defined in section 102 of such Act (42 U.S.C. 10802).

(2) Construction

This section shall not be construed to require the provision of protection and advocacy services that can be provided under the Assistive Technology Act of 1998 [29 U.S.C. 3001 et seq.].

(b) Appropriations less than \$5,500,000

For any fiscal year in which the amount appropriated to carry out this section is less than \$5,500,000, the Commissioner may make grants from such amount to eligible systems within States to plan for, develop outreach strategies for, and carry out protection and advocacy programs authorized under this section for individuals with disabilities who meet the requirements of subparagraphs (A) and (B) of subsection (a)(1).

(c) Appropriations of \$5,500,000 or more

(1) Reservations

(A) Technical assistance

For any fiscal year in which the amount appropriated to carry out this section equals or exceeds \$5,500,000, the Commissioner shall set aside not less than 1.8 percent and not more than 2.2 percent of the amount to provide a grant, contract, or cooperative agreement for training and technical assistance to the systems established under this section.

(B) Grant for the eligible system serving the American Indian consortium

For any fiscal year in which the amount appropriated to carry out this section equals or exceeds \$10,500,000, the Commissioner shall reserve a portion, and use the portion to make a grant for the eligible system serving the American Indian consortium. The Commission shall make the grant in an amount of not less than \$50,000 for the fiscal year.

(2) Allotments

For any such fiscal year, after the reservations required by paragraph (1) have been made, the Commissioner shall make allotments from the remainder of such amount in accordance with paragraph (3) to eligible systems within States to enable such systems to carry out protection and advocacy programs authorized under this section for individuals referred to in subsection (b).

(3) Systems within States

(A) Population basis

Except as provided in subparagraph (B), from such remainder for each such fiscal year, the Commissioner shall make an allotment to the eligible system within a State of an amount bearing the same ratio to such remainder as the population of the State bears to the population of all States.

(B) Minimums

Subject to the availability of appropriations to carry out this section, and except as provided in paragraph (4), the allotment to any system under subparagraph (A) shall be not less than \$100,000 or $\frac{1}{2}$ of 1 percent of the remainder for the fiscal year for which the allotment is made, whichever is greater, and the allotment to any system under this section for any fiscal year that is less than \$100,000 or $\frac{1}{2}$ of 1 percent of such remainder shall be increased to the greater of the two amounts.

amount appropriated to carry out this section between the preceding fiscal year and the fiscal year involved.

(d) Proportional reduction

To provide minimum allotments to systems within States (as increased under subsection (c)(5) under subsection (c)(3)(B), or to provide minimum allotments to systems within States (as increased under subsection (c)(5) under subsection (c)(4)(B), the Commissioner shall proportionately reduce the allotments of the remaining systems within States under subsection (c)(3), with such adjustments as may be necessary to prevent the allotment of any such remaining system within a State from being reduced to less than the minimum allotment for a system within a State (as increased under subsection (c)(5) under subsection (c)(3)(B), or the minimum allotment for a State (as increased under subsection (c)(5) under subsection (c)(4)(B), as appropriate.

(e) Reallotment

Whenever the Commissioner determines that any amount of an allotment to a system within a State for any fiscal year described in subsection (c)(1) will not be expended by such system in carrying out the provisions of this section, the Commissioner shall make such amount available for carrying out the provisions of this section to one or more of the systems that the Commissioner determines will be able to use additional amounts during such year for carrying out such provisions. Any amount made available to a system for any fiscal year pursuant to the preceding sentence shall, for the purposes of this section, be regarded as an increase in the allotment of the system (as determined under the preceding provisions of this section) for such year.

(f) Application

In order to receive assistance under this section, an eligible system shall submit an application to the Commissioner, at such time, in such form and manner, and containing such information and assurances as the Commissioner determines necessary to meet the requirements of this section, including assurances that the eligible system will—

In any State in which an eligible system is located within a State agency, a State may use a portion of any allotment under subsection (c) for the cost of the administration of the system
