§ 19040. Foreign financial support

(a) In general

The Director shall request, on an annual basis, from a recipient institution of higher education a disclosure, in the form of a summary document, from the institution, a foundation of the institution, and related entities such as any educational, cultural, or language entity, of the current financial support, the value of which is \$50,000 or more, including gifts and contracts, received directly or indirectly from a foreign source (as such term is defined in section 1011f(h)(2) of title 20) associated with a foreign country of concern.

(b) Records

Each disclosure to the Director under this section shall be made on the condition that the institution will maintain a true copy of the relevant records subject to the disclosure requirement until the latest of—

- (1) the date that is four years after the date of the agreement;
- (2) the date on which the agreement terminates; or
- (3) the last day of any period that applicable State public record law requires a true copy of such agreement to be maintained.

(c) Documentation

Upon review of the disclosures under this section, the Director may request that a recipient institution provide true copies of any contracts, agreements, or documentation of financial transactions associated with disclosures made under this section.

(d) Office of the Inspector General

The Director, acting through the Office of Research Security and Policy in coordination with the Foundation's Office of Inspector General and in consultation with the recipient institution, may reduce the award funding amount or suspend or terminate the award if the Director determines—

- (1) such institution fails to comply with the records retention requirement in subsection (b) or fails to provide information requested under this section; or
- (2) the Chief of Research Security determines the disclosures under this section indicate a threat to research security.

PART E—FUNDAMENTAL RESEARCH

§ 19051. Broader impacts

(a) Assessment

Not later than 120 days after August 9, 2022, the Director shall enter into an agreement with a qualified independent organization to assess how the Broader Impacts review criterion is applied across the Foundation and make recommendations for improving the effectiveness for meeting the goals established in section 1862p-14 of this title.

(b) Activities

The Director shall make awards on a competitive basis, to institutions of higher education or non-profit organizations (or consortia of such institutions or organizations) to support activities to increase the efficiency, effectiveness, and availability of resources for implementing the Broader Impacts review criterion, including—

- (1) training and workshops for program officers, merit review panelists, award office administrators, faculty, and students to improve understanding of the goals and the full range of potential broader impacts available to researchers to satisfy this criterion;
- (2) repositories and clearinghouses for sharing best practices and facilitating collaboration; and
- (3) tools for evaluating and documenting societal impacts of research.

(Pub. L. 117-167, div. B, title III, §10341, Aug. 9, 2022, 136 Stat. 1557.)

§ 19052. Research ethics

(a) Sense of Congress

It is the sense of Congress that—

- (1) a number of emerging areas of research have potential ethical, social, safety, and security implications that might be apparent as early as the basic research stage;
- (2) the incorporation of ethical, social, safety, and security considerations into the re-
