§ 5948. Physicians comparability allowances

(a) Notwithstanding any other provision of law, and in order to recruit and retain highly qualified Government physicians, the head of an agency, subject to the provisions of this section, section 5307, and such regulations as the President or his designee may prescribe, may enter into a service agreement with a Government physician which provides for such physician to complete a specified period of service in such agency in return for an allowance for the duration of such agreement in an amount to be determined by the agency head and specified in the agreement, but not to exceed—

The amounts of each such allowance shall be determined by the agency head, subject to such regulations, criteria, and conditions as the President or his designee may prescribe, and shall be the minimum amount necessary to deal with the recruitment and retention problem for each such category of physicians.

(d) Any agreement entered into by a physician under this section shall be for a period of one year of service in the agency involved unless the physician requests an agreement for a longer period of service.
