

of this section shall not be used by the contractor to compete against a third party for Government or non-Government contracts; and

(D) that the violation of subparagraph (A), (B), or (C) is a basis for the Government to terminate the litigation support contract of the contractor.

(b) DEFINITIONS.—In this section:

(1) The term “litigation support contractor” means a contractor (including an expert or technical consultant) under contract with the Department of Defense to provide litigation support.

(2) The term “sensitive information” means confidential commercial, financial, or proprietary information, technical data, or other privileged information.

(Added Pub. L. 112-81, div. A, title VIII, § 802(a)(1), Dec. 31, 2011, 125 Stat. 1484.)

§ 130. Authority to withhold from public disclosure certain technical data

(a) Notwithstanding any other provision of law, the Secretary of Defense may withhold from public disclosure any technical data with military or space application in the possession of, or under the control of, the Department of Defense, if such data may not be exported lawfully outside the United States without an approval, authorization, or license under the Export Administration Act of 1979 (50 U.S.C. 4601 et seq.) or the Arms Export Control Act (22 U.S.C. 2751 et seq.). However, technical data may not be withheld under this section if regulations promulgated under either such Act authorize the export of such data pursuant to a general, unrestricted license or exemption in such regulations.

(b) Regulations under this section shall be published in the Federal Register for a period of no less than 30 days for public comment before promulgation. Such regulations shall address, where appropriate, releases of technical data to allies of the United States and to qualified United States contractors, including United States contractors that are small business concerns, for use in performing United States Government contracts.

(c) In this section, the term “technical data with military or space application” means any blueprints, drawings, plans, instructions, computer software and documentation, or other technical information that can be used, or be adapted for use, to design, engineer, produce, manufacture, operate, repair, overhaul, or reproduce any military or space equipment or technology concerning such equipment.
